Ref: Ultramar, Inc., SCAQMD Permit Request
Sub: Opposition To Draft Subsequent Environmental Impact Report (DSEIR)
And Issuance Of Permit To ULTRAMAR, Inc.

I live in Wilmington with my family and request that you not issue a building permit to Ultramar, Inc. until they have addressed the air pollution they are causing and health problems they are causing. 42-1

The DSEIR contains incomplete information, out dated information and inaccurate information. Ultramar offers our community no significant mitigation for the negative environmental impact and negative health impact they are causing our community. 42-2

I want to know why SCAQMD or Ultramar did not hold a Public Hearing in Wilmington? 42-3

I want to know why no information was mailed to all Wilmington residents? 42-4

I want to be placed on your mailing list. 42-5

I want a Public Hearing be held in Wilmington immediately before SCAQMD approves a Permit to Ultramar, Inc.. I additionally want the Public Comment Time be extended another sixty days. 42-6

Concerned Wilmington Resident,
