1. During the extended submission period, a proposer wishing to revise a proposal submitted by the original November 13, 2026 deadline must formally withdraw their original proposal and submit a complete replacement proposal. This requirement applies to all revisions, including the addition of information, documentation, or other supplemental materials. Partial submissions or supplemental materials to an existing proposal will not be accepted.

To initiate withdrawal, the proposer must first email the South Coast AQMD Procurement Manager, Anish Pathak, at apathak@aqmd.gov stating their intent to withdraw the previously submitted proposal and requesting further instructions. South Coast AQMD will prepare a withdrawal acknowledgment letter for the proposer's authorized representative to review and sign. The withdrawal will not be considered effective until the signed acknowledgment letter is received by South Coast AQMD.

The complete replacement proposal must be received by South Coast AQMD no later than the extended submission deadline. No modifications, additions, or supplemental materials will be accepted after the extended submission deadline.

2. New proposals that were not submitted to us before the original proposal submission deadline of November 13, 2026 will be accepted.
