Environmental Justice Community Partnership Advisory Council 2022 Goals & Objectives

Members of this Environmental Justice Community Partnership (EJCP) Advisory Council are integral in creating and sustaining a positive and productive relationship between South Coast AQMD and stakeholders throughout the region. The mission of the Advisory Council is to provide input to ensure that the EJCP programs are relevant and address the air quality concerns of all communities throughout South Coast AQMD's jurisdiction.

The items below are proposed goals and objectives for the Advisory Council.

Goals

1. Advise South Coast AQMD on important and timely local environmental justice issues affecting the South Coast Air Basin.
2. Support South Coast AQMD's Environmental Justice Community Partnership efforts by providing meaningful feedback on programming.
3. Help strengthen and build upon South Coast AQMD's relationships with community stakeholders by providing consistent feedback to and collaborating with South Coast AQMD.
4. Identify ways for the Council to support Tribal communities.
5. Learn more about the members and their organizations by sharing community experiences.
6. Promote and encourage relationships and partnerships among members.
7. Increase members' awareness of relevant EJ legislation and legislative issues.

Objectives

The Advisory Council shall achieve its goals by meeting four times per year (once each quarter), to:

1. Provide input on the EJCP's activities to ensure relevance and community perspective is considered.
2. Provide input on outreach activities to ensure that community members are reached.

3. Encourage presentations by members, local organizations, and South Coast AQMD departments that pertain to local environmental justice issues.
4. Discuss current environmental justice efforts and strategize new efforts.

Agenda Item Topics

The following are proposed agenda item topics for 2022. Advisory Council members will provide insight on how to best communicate this information with community members and stakeholders.

1. EJCP Program Updates.
2. Advisory Council Member Presentations on Environmental Justice Efforts.
3. Legislative Updates Related to Air Quality and/or Environmental Justice.
4. Year 4 Implementation of Assembly Bill 617, Related Community Emission Reduction Plans, and Community Air Monitoring Plans.
5. South Coast AQMD's Mobile Application Updated Features.
6. Air Quality Management Plan.
7. Incentive Programs Targeted for Environmental Justice Communities.
8. Emerging Technologies that Help Clean the Air.
9. Community Initiatives Related to Air Quality:
 - Why Healthy Air Matters (WHAM) Program - High School Air Quality Educational Program.
 - Clean Air Program for Elementary Students (CAPES) – Elementary School Air Quality Educational Program.
10. Health Studies Related to Air Quality.
