Adoption of 2016 Meeting Schedule

The MSRC adopted its 2016 meeting schedule (*Attachment 1*). The MSRC will continue to meet on the third Thursday of every month at 2:00 p.m. Its Technical Advisory Committee will continue to meet on the first Thursday of every month at 1:30 p.m., except for the months of January and December which have been moved to the second Thursday because of holiday conflicts. Both meetings are usually conducted in Room CC8.

Major Event Center Transportation Program

As part of the FYs 2014-16 Work Program, the MSRC allocated \$4.5 million for event center transportation programs and released a Program Announcement to solicit projects for traffic-impacted centers. To date, the MSRC has awarded a total of \$2,072,266 to two applications. Three additional applications have been received; clarifications are still being obtained on two applications and they will be brought forward for MSRC consideration in the near future. The third application, from Riverside County Transportation Commission (RCTC), requested the MSRC to consider an award of \$1.2 million to provide passenger rail service to the 2016 and 2017 Coachella Valley Music and Arts Festival and the Stagecoach Country Music Festival. Service would be provided by two special round trip Amtrak trains departing from Los Angeles Union Station to Palm Springs on the Thursday prior to the start of each Festival weekend, and

two round trips on the following Monday. Passengers arriving in Palm Springs would then be taken to their final destinations by local connection shuttles. Additionally, Coachella Valley residents would be able to ride the reverse train trips from Palm Springs to Los Angeles. Service would promote the use of public transit, including bus and rail, in lieu of personal automobile. Elimination of traffic congestion, especially reductions in automobile stop and go driving and queuing, has a direct link to reduced vehicle exhaust emissions. RCTC and its project partners Amtrak and Golden Voice/Valley Music Travel would contribute at least \$1,200,000 in co-funding. In accordance with the Program terms, RCTC would only seek reimbursement for rail trips performed using Tier 2 or better locomotives.

Additionally, RCTC requested that the MSRC consider amending the Major Event Center Transportation Program Announcement to allow a County Transportation Commission (CTC) to be a qualifying respondent to the Program Announcement and to act in the capacity of prime contractor and contract signatory, even in those cases where they are not the direct provider of transportation services. CTCs, in their roles as the primary source of funding and oversight for all public transportation services in their respective counties, are also well suited to ensure program administration is conducted in accordance with MSRC requirements. The MSRC considered and approved the amendments to the Program Announcement, and approved a contract award to RCTC in an amount not to exceed \$1,200,000 to implement the 2016 and 2017 Coachella & Stagecoach Festivals Passenger Rail Service.

These items will be considered by the SCAQMD Board at its December 4, 2015 meeting.

Alternative Fuel Infrastructure Program

As part of the FYs 2014-16 Work Program, the MSRC allocated \$5.0 million for the implementation of new and expanded CNG and LNG refueling stations and modification of maintenance facilities to accommodate gaseous-fueled vehicles. A Program Announcement, #PA2015-12, was developed and released on May 1, 2015, with an open application period commencing that day and closing July 29, 2016. To date, the MSRC has awarded \$100,000 to one application. The MSRC approved one additional contract award to EDCO Disposal Corporation, in an amount not to exceed \$150,000, for the expansion of their existing public access CNG station as part of the FYs 2014-16 AB 2766 Discretionary Fund Work Program. This contract award will be considered by the SCAQMD Board at its December 4, 2015 meeting.

Transportation Control Measure Partnership Program

As part of the FYs 2014-16 Work Program, the MSRC allocated \$10.0 million for a program to partner with cities, County Transportation Commissions (CTCs) and others to demonstrate transportation control measure (TCM) projects. Innovative TCM projects have potential to reduce significant numbers of automobile trips or remove impediments to efficient traffic flow. The program is intended to provide a portion of

the funding for projects, which when combined with other funding sources would accelerate the projects' implementation. Because CTCs typically solicit and co-fund the majority of TCM projects within their respective jurisdictions, the MSRC determined that CTCs would have the best overall perspective regarding the need for TCMs within their respective regions as well as knowledge of where funding can most effectively be applied. Therefore, the MSRC asked CTCs to bring forward work plans proposing projects for funding. Other interested entities would then participate in the projects via separate agreements with the CTCs.

To date, the MSRC has awarded \$943,643 for one work plan. An additional work plan has been submitted, from RCTC. As part of the FYs 2014-16 AB 2766 Discretionary Fund Work Program, the MSRC approved the award of a contract to RCTC in an amount not to exceed \$590,759 to co-fund their Extended State Route 91 Construction Freeway Service Patrol (FSP) Program. This service, which would be over and above the regular FSP service provided during peak a.m. and p.m. travel periods on weekdays, would include mid-day service on weekdays, extended evening service on Fridays, and weekend hours and would be provided for approximately 10 months starting in April 2016. This contract award will be considered by the SCAQMD Board at its December 4, 2015 meeting.

Request to Modify Invitation to Negotiate

In April 2015, the MSRC approved an Invitation to Negotiate (ITN) solicitation document seeking Work Plans from County Transportation Commissions (CTCs) to partner with the MSRC. The ITN set a deadline of November 25, 2015 for submission of Work Plans. Most of the CTCs need additional time to finalize their submissions. The MSRC considered a request to modify the ITN and approved an extension of the deadline for submissions to March 1, 2016.

Contract Modification Request

The MSRC considered a contract modification request for the City of Coachella, Contract #ML12057, which provided \$57,456 for the purchase of 1 CNG Heavy-duty vehicle and regional street sweeping, and approved an additional 6-month no-cost term extension in order to allow for the required five years' operation.

Received and Approved Final Reports

The MSRC received and unanimously approved five final report summaries this month as follows:

1. Southern California Regional Rail Authority, Contract #MS14088, which provided \$79,660 to implement special Metrolink service to Auto Club Speedway;
2. Orange County Transportation Authority, Contract #MS14007, which provided \$208,520 to implement special Metrolink service to Angel Stadium;

3. TIMCO CNG Fund I, Contract #MS14045, which provided \$150,000 to construct a new public-access CNG station in Inglewood;
4. Penske Truck Leasing Co., Contract #MS12078, which provided \$75,000 for maintenance facility modifications in Vernon.
5. Penske Truck Leasing Co., Contract #MS12081, which provided \$75,000 for maintenance facility modifications in Santa Ana.
