

BOARD MEETING DATE: July 10, 2015

AGENDA NO. 36

REPORT: Mobile Source Air Pollution Reduction Review Committee

SYNOPSIS: Below is a summary of key issues addressed at the MSRC's meeting on June 18, 2015. The next meeting is scheduled for Thursday, August 7, 2015, at 2:00 p.m., in Conference Room CC8.

RECOMMENDED ACTION:  
Receive and file.

Henry Hogo  
Assistant Deputy Executive Officer  
SCAQMD Liaison to the MSRC

MMM:HH:AP

---

### **Meeting Minutes Approved**

The MSRC unanimously approved the minutes from its May 21, 2015 meeting. Those approved minutes are attached for your information (*Attachment 1*).

### **Replacement Contract for Website Services**

Following an open RFP process in 2011, the MSRC selected Mineral LLC to redesign, host and maintain the MSRC website. The contract effectuating the award allowed for up to two extensions of two years each, contingent upon allocation of funds by the MSRC and approval by the SCAQMD Board. The MSRC approved exercising the first option in February 2013. At their January 2015 meeting, the MSRC unanimously approved executing the second two-year option, including an allocation of an additional \$17,200 to the contract to supplement the remaining balance of \$8,690, but Mineral was unable to return the signed contract modification before the original contract expired on April 30, 2015. The MSRC considered and approved a 22-month replacement contract in the amount of \$25,890 as part of the FYs 2014-16 Work Program. The SCAQMD Board will consider this replacement contract at its July 10, 2015 meeting.

### **Exercise Option Clause of Technical Advisor's Contract**

Following an open RFP process in June 2013 to solicit Technical Advisor services, the MSRC selected Raymond Gorski. The contract was for a two-year period from

October 1, 2013 through September 30, 2015, and included an option clause for a second two-year period. The option clause provided for an approximate 1.7% cost of living adjustment for a not-to-exceed contract amount of \$299,600. The MSRC evaluated Mr. Gorski's performance and approved exercising the option, extending the contract term to September 30, 2017 and increasing the contract value by \$299,600. Of the \$299,600 amount, 75% (\$224,700) will come from the respective FY work programs, and 25% (\$74,900) will come from the respective Administrative Budgets. The SCAQMD Board will consider this contract modification at its July 10, 2015 meeting.

#### **Approval of FY 2015-16 Administrative Budget**

Administrative costs for the AB 2766 Discretionary Program are limited by the state to five percent annually of the overall budget. Every year, the MSRC adopts an Administrative Budget for the upcoming fiscal year to ensure costs remain within this limitation. On June 18, 2015, the MSRC adopted its FY 2015-16 Administrative Budget in the amount of \$699,185, which is more than \$65,000 below the five percent cap. As part of the adoption of the FY 2015-16 Administrative Budget, the MSRC included an allocation of \$56,000 for miscellaneous expenditures, such as postage, office supplies and equipment, advertising, travel, etc. These funds will be transferred to the Science & Technology Advancements FY 2015-16 Budget. Expenses will be tracked and any funds not expended by the end of the fiscal year will be returned to the MSRC. The SCAQMD Board will consider authorization of the fund transfer at its July 10, 2015 meeting.

#### **Received and Approved Final Reports**

The MSRC received and unanimously approved four final report summaries this month as follows:

1. County of Los Angeles Department of Public works, Contract #MS08018, which provided \$60,000 for the purchase of two trucks equipped with advanced natural gas engines;
2. County of Los Angeles Department of Public Works, Contract #MS10015, which provided \$37,955 for the purchase of two trucks equipped with advanced natural gas engines;
3. 99 Cents Only Stores, Contract #MS12072, which provided \$100,000 towards the construction of a CNG station;
4. City of Los Angeles, Bureau of Sanitation, Contract #MS12082, which provided \$175,000 towards the installation of a CNG station.

**Contract Modification Request**

The MSRC considered a contract modification request for the City of Coachella Contract #ML12057, which provides \$57,456 for the purchase of a natural gas heavy-duty vehicle and street sweeping, and unanimously approved the City's request to revise the street sweeping route specified in their contract, as well as a 23-month no-cost term extension, as part of the FY 2011-2012 Local Government Match Program.

**Contracts Administrator's Report**

The MSRC's AB 2766 Contracts Administrator provides a written status report on all open contracts from FY 2004-05 through the present. The Contracts Administrator's Report for June 2015 is attached (*Attachment 2*) for your information.

**Attachment**

- Attachment 1 – Approved May 21, 2015 Meeting Minutes
- Attachment 2 – June 2015 Contracts Administrator's Report

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE**  
**THURSDAY, MAY 21, 2015 MEETING MINUTES**  
21865 Copley Drive, Diamond, Bar, CA 91765- Conference Room CC-8

**MEMBERS PRESENT:**

(Chair) Greg Pettis, representing RCTC  
(Vice Chair) Larry McCallon, representing SANBAG  
Michael Antonovich, representing SCAQMD (via v/c)  
Michele Martinez, representing SCAG  
Brad McAllester (Alt.), representing Los Angeles County MTA (via v/c)  
Dolores Roybal Saltarelli, representing Regional Rideshare Agency (via v/c)  
Todd Sax (Alt.), representing California Air Resources Board  
Steve Veres, representing LA County MTA (via v/c)  
Erik White, representing California Air Resources Board  
Greg Winterbottom, representing OCTA

**MSRC-TAC MEMBERS PRESENT:**

(MSRC-TAC Chair) Gretchen Hardison, representing City of Los Angeles  
Rongsheng Luo (Alt.), representing Southern California Association of Governments  
Dean Saito, representing SCAQMD  
Rick Teebay (Alt.), representing Los Angeles County Board of Supervisors  
Earl Withycombe, representing California Air Resources Board

**OTHERS PRESENT:**

Michael Cacciotti, Councilmember, City of South Pasadena and  
SCAQMD Governing Board Member (via v/c)  
Lauren Dunlap, Southern California Gas  
Earl Elrod, SCAQMD Board Asst (Yates)  
Thomas Halleran, Vice President of Transportation for L.A. 2015  
Kelly Lynn, representing San Bernardino Associated Governments  
Debra Mendelsohn, SCAQMD Board Asst (Antonovich)  
Ric Teano, OCTA

**SCAQMD STAFF & CONTRACTORS**

Ray Gorski, MSRC Technical Advisor-Contractor  
Matt MacKenzie, MSRC Contracts Assistant  
Ana Ponce, MSRC Administrative Liaison  
Cynthia Ravenstein, MSRC Contracts Administrator  
Veera Tyagi, Senior Deputy District Counsel  
Rachel Valenzuela, MSRC Contracts Assistant

**CALL TO ORDER**

- Call to Order

MSRC Chair Greg Pettis called the meeting to order at 2 p.m.

- Opening Comments

Chair Pettis presented a Certificate of Recognition to MSRC Member Earl Withycombe for his service to the MSRC from April 2008 to April 2015. He thanked Mr. Withycombe for his dedication, time, effort and expertise over the last seven years. MSRC Member Greg Winterbottom also acknowledged Mr. Withycombe's contributions and stated that the organization was much enhanced by his work and conscientiousness in helping the MSRC stay the course on spending their money and fulfilling their goal of getting rid of smog. Earl Withycombe thanked the MSRC for the opportunity to serve on the Committee. He will now be assuming the role of CARB's representative to the MSRC-TAC.

**PUBLIC COMMENT PERIOD**

- Public comments were allowed during the discussion of each agenda item. No comments were made on non-agenda items.
- Election of MSRC Chair and Vice Chair

MSRC Chair Greg Pettis conducted the annual election of MSRC Chair and Vice Chair. MSRC Member Greg Winterbottom recommended that the nomination for Chair and Vice Chair be taken as one motion.

Nominations for the Chair and Vice Chair were opened.

A MOTION WAS INTRODUCED BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC MEMBER MICHELE MARTINEZ, TO NOMINATE GREG PETTIS AS CHAIR, AND LARRY MCCALLON AS VICE CHAIR, FOR ANOTHER TERM.

No further nominations were offered, so nominations were closed.

THE ABOVE MOTION WAS UNANIMOUSLY APPROVED.  
AYES: MARTINEZ, SALTARELLI, VERES, WHITE,  
WINTERBOTTOM, MCCALLON, PETTIS.  
NOES: NONE.

**CONSENT CALENDAR (Items 1 through 5)****Receive and Approve Items**

MSRC Member Greg Winterbottom pulled Item #2 from the consent calendar.

**Agenda Item #1 – Minutes of the April 16, 2015 MSRC Meeting**

The minutes of the April 16, 2015 MSRC meeting were distributed at the meeting.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 5, THE MSRC UNANIMOUSLY VOTED TO APPROVE THE APRIL 16, 2015 MSRC MEETING MINUTES.

AYES: MARTINEZ, SALTARELLI, VERES, WHITE, WINTERBOTTOM, ANTONOVICH, MCCALLON, PETTIS.  
NOES: NONE.

**ACTION:** Staff will include the minutes in the MSRC Committee Report for the June 5, 2015 SCAQMD Board meeting, and place a copy on the MSRC's website.

### **Agenda Item #2 – Summary of Final Reports by MSRC Contractors**

Veera Tyagi, Senior Deputy District Counsel, made a disclosure on behalf of MSRC Member Greg Winterbottom, that he has a financial interest and is required to identify for the record that he is a member of the Board of Directors for OCTA, which is involved in this item.

MSRC Member Greg Winterbottom spoke to Item #2 on the consent calendar. He thanked the MSRC staff and his colleagues for assisting OCTA in the OC Fair Express. They did a great job. One lesson learned was that usage of one of the routes was not quite as robust as they would have liked, so that route is not coming this year. However, there were several lines that were standees only and they had to run a sweeper behind them because they were so crowded. It was a fantastic result from the expenditure of about \$600,000.

[MSRC Member Michael Antonovich arrived during the discussion of this item.]

Three final report summaries were included in the agenda package, as follows:

1) Ryder System Incorporated, Contract #MS11068, which provided \$175,000 towards the installation of an LNG/LCNG Fueling Station in Fontana; 2) Ryder System Incorporated, Contract #MS11069, which provided \$175,000 towards the installation of an LNG/LCNG Fueling Station in Orange; and 3) Orange County Transportation Authority, Contract #MS14008, which provided \$601,187 to implement Express Bus Service to the Orange County Fair.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 5, THE MSRC UNANIMOUSLY VOTED TO APPROVE THE FINAL REPORTS ABOVE.

AYES: MARTINEZ, SALTARELLI, VERES, WHITE, WINTERBOTTOM, ANTONOVICH, MCCALLON, PETTIS.  
NOES: NONE

**ACTION:** MSRC staff will file the final reports and release any retention on the contracts.

### **Receive and File Items**

#### **Agenda Item #3 – MSRC Contracts Administrator's Report**

The MSRC AB 2766 Contracts Administrator's Report for March 26 through April 29, 2015, was included in the agenda package.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 5, THE MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE CONTRACTS ADMINISTRATOR'S REPORT FOR MARCH 26 THROUGH APRIL 29, 2015. AYES: MARTINEZ, SALTARELLI, VERES, WHITE, WINTERBOTTOM, ANTONOVICH, MCCALLON, PETTIS. NOES: NONE.

**ACTION:** SCAQMD staff will include the MSRC Contracts Administrator's Report in the MSRC Committee Report for the June 5, 2015 SCAQMD Board meeting.

**Agenda Item #4 – AB 2766 Discretionary Fund Financial Report**

A financial report on the AB 2766 Discretionary Fund for the period ending April 30, 2015 was included in the agenda package.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 5, THE MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE FINANCIAL REPORT FOR THE PERIOD ENDING APRIL 30, 2015. AYES: MARTINEZ, SALTARELLI, VERES, WHITE, WINTERBOTTOM, ANTONOVICH, MCCALLON, PETTIS. NOES: NONE.

**ACTION:** No further action is required.

**Agenda Item #5 – Consider Modified Scope of Work and 25-Month Term Extension by City of Gardena, Contract #ML11032 (\$102,500 – Purchase Vehicle, Expand Stations & Upgrade Maintenance Facility)**

The City requests to substitute a CNG street sweeper for the heavy-duty LPG vehicle specified in the contract. The City further requests to substitute the larger dispenser for the three smaller dispensers as part of their CNG station expansions, as well as a 25-month contract term extension. The MSRC-TAC unanimously recommended approval.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 5, THE MSRC UNANIMOUSLY VOTED TO APPROVE THE CITY OF GARDENA, CONTRACT #ML11032, TO SUBSTITUTE THE A CNG STREET SWEEPER FOR THE HEAVY-DUTY LPG VEHICLE; THE LARGER DISPENSER FOR THREE SMALLER DISPENSERS; AND A 25-MONTH CONTRACT TERM EXTENSION, AS PART OF THE FY 2010-11 LOCAL GOVERNMENT MATCH PROGRAM. AYES: MARTINEZ, SALTARELLI, VERES, WHITE, WINTERBOTTOM, ANTONOVICH, MCCALLON, PETTIS. NOES: NONE.

**ACTION:** MSRC Staff will amend the above contract accordingly.

**ACTION CALENDAR (Items 6 through 8)****FYs 2014-16 Work Program****Agenda Item #6 – Consider Funding for Proposal(s) Received under the Major Event Center Transportation Program**

MSRC Member Michael Antonovich stated that he has no financial interest in the proposal that the MSRC is approving, but noted for the record that he is a member of the MTA Board of Directors.

Veera Tyagi, Senior Deputy District Counsel, made a disclosure on behalf of MSRC Member Greg Winterbottom, that he has no financial interest but is required to identify for the record that he is a member of the Board of Directors for OCTA, which is involved in this item; and Brad McAllester is also not required to recuse himself, but has to note for the record that he is a staff member of the Los Angeles County Metropolitan Transportation Authority, which is involved in this item.

MSRC-TAC Member Kelly Lynn, Chair/TCM Subcommittee, presented this item to the Committee.

Two project applications have been received to date. Los Angeles County Metropolitan Transportation Authority (Metro) proposes to implement express transportation services between Union Station and Dodger Stadium. The transportation program will support all LA Dodgers home games for the 2015 and 2016 seasons and promote the use of transit (bus and Metrolink rail) in lieu of personal automobile. Dodger Stadium Express service will be provided on a 10-minute frequency from two hours prior to game, up to the third inning. Transportation service will be provided on an as-needed basis between the third inning and seventh inning. Post-game Dodger Stadium Express service will be provided “load and go” from the 7th inning to 45 minutes after the game’s end. In 2010 they had 121,000 participants; in 2013-14, 397,000 participants. They are anticipating over 400,000 participants for the 2015 season. The total project cost is estimated at \$2,700,000. Metro and Metrolink will contribute no less than \$1,350,000 towards development and implementation of outreach and promotional materials. The transportation services will include bus transportation to and from Union Station and Dodger stadium for all games, and Metrolink service in support of a cross-town link. When the Angels play at Dodger Stadium they would add a service on the Orange Line from Oceanside to Union Station, and then passengers would take the Express Service to Dodger Stadium.

The Orange County Fair Express proposes to implement express transportation service between nine existing transit facilities and the Orange County Fair. The Fair Express will provide service on Friday nights (12 noon-1 a.m.) and all day on Saturdays and Sundays for all five weekends of the 2015 Fair season. They will also cover the nine concerts happening during the Fair. The total project cost is estimated at \$1,445,566. OCTA and the Orange County Fair and Event Center will collectively contribute no less than \$723,300 towards the project. The MSRC is asked to contribute \$722,266 to offset operating costs. The services will include transportation every 20-40 minutes, depending upon route, to and from the Fullerton Park & Ride, the Depot at Santa Ana, Goldenwest Transportation Center, Anaheim Canyon Metrolink Station, Laguna Hills Transportation Center, Irvine Transportation Center, Junipero Serra Park & Ride, the Village at Orange, and Anaheim Regional Transportation Intermodal Center (ARTIC). They will utilize LNG and CNG buses.

The MSRC-TAC recommends that Metro be awarded \$1,350,000 for Implementation of the Dodger Stadium Express for the 2015 and 2016 baseball seasons. The MSRC-TAC also

recommends that OCTA be awarded \$722,266 towards implementation of the Orange County Fair Express for the 2015 Fair season.

Ray Gorski will be providing quantified data for the Event Center Programs to illustrate what the benefits are, based upon rider surveys, to MSRC Member Erik White.

MSRC Member Michele Martinez agrees that first and last-mile connections and making sure that people are able to access transit is extremely important. Programs like these help remove the stigma that only poor people take public transportation. Having programs like these help us move a notch forward. Let's continue to have that open mind and look beyond just using a bus and looking at rideshare and bike share and other modes so that we are able to connect everything. We want to make sure that in all our communities we provide the different multi-modal opportunities. This is a great example that we can utilize to start educating the public.

ON MOTION BY MSRC VICE CHAIR LARRY MCCALLON, AND  
SECONDED BY MSRC MEMBER MICHELE MARTINEZ, THE MSRC  
VOTED UNANIMOUSLY TO AWARD METRO \$1,350,000 FOR  
IMPLEMENTATION OF THE DODGER STADIUM EXPRESS FOR THE  
2015 AND 2016 BASEBALL SEASONS; AND TO AWARD OCTA \$722,266  
TOWARDS THE IMPLEMENTATION OF THE ORGANGE COUNTY FAIR  
EXPRESS FOR THE 2015 FAIR SEASON, AS PART OF THE FY 2014-'16  
EVENT CENTER TRANSPORTATION PROGRAM.  
AYES: ANTONOVICH, MARTINEZ, SALTARELLI, VERES, WHITE,  
WINTERBOTTOM, MCCALLON, PETTIS.  
NOES: NONE.

**ACTION:** Staff will include this item for consideration by the SCAQMD Board at its June 5, 2015 meeting.

**Agenda Item #7 – Consider Unsolicited Proposal to Assist in Implementing Clean Air Transportation Services in Support of Special Olympics World Games**

Ray Gorski, MSRC Technical Advisor, reported on this item. At the last meeting there was a request by the MSRC to have staff work with the Games Organizing Committee on behalf of the Special Olympics World Games to determine if there were any opportunities to provide assistance in support of clean transportation for the Special Olympics World Games which are going to be held in Los Angeles starting towards the middle end of July. When it was presented to us, it set in motion a very quick succession of events because of the timeline needed to implement any program within the public process. Even though this starts in July, from staff's perspective, that requires them to go through the Committee process to ensure that any potential funding recommendation has been done in accordance with SCAQMD and MSRC policies and the public process. Representatives from the Games Organizing Committee on behalf of the Special Olympics World Games, are present and would like to address the MSRC. To set the stage prior to their comments, Mr. Gorski will inform the MSRC what staff did and where they are today relative to that request.

Staff put together some draft guidelines to assist the Special Olympics World Games Organizing Committee in submitting a proposal for MSRC consideration. This is Attachment A provided to the MSRC today for reference. The Special Olympics Games Organizing Committee responded with a proposal, which is also attached. They are seeking approximately \$380,536 to assist in providing clean transportation in support of the multiple venues which will host the Special Olympics World Games. This, as far as sporting events go, is the second largest sporting event in

the world, next only to the regular Olympics held every four years. This is a huge event being hosted in the greater Los Angeles region. Venues, however, are going to be in multiple locations throughout the southland. The transportation obligations and requirements to move not only the 70,000 plus athletes and participants, but also the half a million spectators to and from these venues are dramatically large. Once the proposal was received from the Games Organizing Committee, staff sent it through a technical committee, as well as the MSRC-TAC, for review. The outcome was a recommendation by the TAC to award \$380,536 to the Games Organizing Committee to implement clean transportation services from Park & Ride lots to the various venues which will be hosting the athletic events. The proposal that they submitted had other funding request components to it, but the TAC recommendation was to focus on one specific element of their proposal and fund that for the entire requested amount of \$380,536.

Subsequent to the TAC meeting two weeks ago, staff had contact with the Games Organizing Committee. They have made staff aware that while they are extremely appreciative of the recommendation that came forward from the TAC and will abide by any recommendation and any offer of funding assistance which the MSRC provides, they did want to notify staff that the transportation needs are still evolving, and that there have been some changes. There have been shortfalls in transportation services identified, as well as funding needs identified, subsequent to the TAC recommendation. Yesterday they provided staff with a memorandum which outlined some additional transportation needs which they have encountered. Funding for this project will be coming from the unallocated balance which the MSRC currently has in their Discretionary Fund for the 2014-16 Work Program period. There is approximately \$15 million available which is currently not allocated, and that is the portion of the Discretionary Fund from which the funds would be drawn.

**PUBLIC COMMENT:** Thomas Halleran, Vice President of Transportation for L.A. 2015. Thank you for this opportunity to speak to you. I really appreciate the efforts that have been made on the part of the TAC to assist us through the process at a rather accelerated rate. To start with, our major problem with the transportation planning effort is that most events are not ticketed, unlike the Olympic games where every event is ticketed. In that situation you can begin to build some idea of where the people will be coming from and then plan Park & Ride lots, and this is exactly how we approached it in 1984 with the Olympic games. As the Director of Transportation for that event, I had a pretty good idea of where our groups were coming from as spectators. The Special Olympics participants we can identify that are full-time residents of this area, in that we have a good idea of where they are initiating their travels from, are our staff and volunteers and that number is between 20,000 and 30,000 people that would normally be driving their cars and coming to work every day. We are trying to get them to use different modes of transportation to lessen the impact on air quality. We started with that theory at the beginning when we decided to make the games as green as we could. That being said, I would like to point out that Metro and 13 other transit districts within the games' footprint have agreed to provide us rides on their equipment without additional cost. They will recognize our credentials as approval to board. That being said, with the flexibility of information that is coming in and the lack of knowledge of certain points of travel, it would be helpful if we could find a way to reduce the number of smaller vehicles by using larger vehicles, either mini buses, larger vans, or buses. The LAUSD has provided 300 buses which are all CNG so that we can use that to supplement where we need to. I think our theme is consistent and we have made a lot of progress and we are just down to the final two months before the games, trying to round out this transportation program so that we can achieve what we have set out to do. Mr. Halleran introduced the Director of Administration and the Manager of Administration. These two gentlemen have worked hand-in-hand with Ray Gorski and his folks through the process. If there are more specific questions beyond the development and design of the program, he would like to defer to them.

**PUBLIC COMMENT:** Mr. Halleran indicated that their transportation budget has about \$2 million that haven't been covered through sponsorships and partnerships to date; the full transportation budget is about \$10 million. That is money they are still trying to raise and hopefully will be able to reduce that shortfall through the participation of this area. We do recognize without question that there are strict guidelines that we have to meet before we can expect to receive the money and that is why we are asking for some flexibility in our approach to this. We certainly expect to be held accountable for being in compliance with MSRC guidelines. About \$2 million is currently the unsupported effort.

MSRC Vice Chair Larry McCallon asked if the \$380,536 is enough to cover these areas.

**PUBLIC COMMENT:** Mr. Halleran replied that given the guidelines of what we can hope to offset, that is enough. We are just asking for flexibility in how we use that amount. Our needs are going to be changing, and some will fit within the guidelines of what the MSRC has approved us to apply for. We recognize that it is going to be audited and decided upon whether we are reimbursed or not, so obviously we are going to keep our eye on that target to make sure that we can access as much of the \$380,536 as we are permitted to do.

MSRC Vice Chair Larry McCallon asked Mr. Gorski if the MSRC can allocate the moneys and say that as long as they stay within our guidelines, it's okay? Mr. Gorski said the MSRC has the discretion to award whatever amount they feel is appropriate and has the ability to give whatever levels of flexibility they deem appropriate. He offered the continued support of staff to assist the Special Olympics World Games in ensuring that at the end of the day all parties can stand up and say that the transportation and mobility services that were provided resulted in air quality benefits. Veera Tyagi, Senior Deputy District Counsel, added that the contract has to be enforceable. We can have some flexibility, but the contract has to have enforceable terms. She would caution that if you do not provide that then you allow us to determine, when they provide the paperwork, whether it complies with it or not, that doesn't provide them with the assurance that they will be reimbursed and it leaves the agency a little bit more vulnerable in our after-the-fact decision-making. It is always better to have a fully enforceable contract that is clear on its face.

MSRC Member Greg Winterbottom asked if the Organization is asking for assistance in transportation with the people who are working the games, not the participants.

**PUBLIC COMMENT:** Mr. Halleran replied that that is essentially correct. The participants are budgeted for, and we have money to take care of them, with the help of the L.A. Unified School District. They will primarily be moved by the school buses during the events. There are hundreds of events that we'll be supporting within that structure. An example would be in Long Beach. Metro has made the Blue Line available for spectators to travel to the games in Long Beach and then Long Beach Transit is providing the shuttle system to take them to each of the four venues in the city. It is a collaborative effort that hopefully will displace a lot of the car travel.

Mr. Winterbottom asked if we are going to be able to collect the necessary information to evaluate effectiveness. How is the process going to work? Mr. Gorski indicated that it is not completely defined. As Ms. Tyagi said, we would need staff to work with the Organizing Committee to build in those types of accounting obligations. We would need to know specifically what vehicles were going to be deployed where; what those vehicles' characteristics were; the number of passengers ultimately which were transported; to come up with a reduction in the vehicle miles traveled or trips which would have happened had that transportation service not been provided.

Mr. Gorski indicated that the TAC recommendation was the formal action taken and that cannot change. The only modifications to that can be made by the MSRC. He referred to the top of page 2 of the handout, which lists four additional areas where the Special Olympics World Games has sought flexibility: 1) Clean fuel bus services; 2) "Last Mile" circulators connecting to athletic venues; 3) Support for extended rail service; and 4) LADOT traffic mitigation services. MSRC Chair Greg Pettis asked if the MSRC funds the \$380,536, but gave them flexibility with this, staff would still need to work with them on how to keep track of it. Mr. White clarified his understanding that there would be flexibility upon any of these modes of transportation within that \$380,536. Mr. Gorski indicated that that is correct.

**PUBLIC COMMENT:** Juan Diego, Manager of Transportation Administration, for the Games Organizing Committee Transportation Department. He thanked the MSRC for hearing their proposal. In our planning for transportation, we mostly deal with our direct participants; our volunteer workforce, and things like that. I am looking at the data right now and it is really spread out over Los Angeles County, Orange County. We have a really wide footprint, not only with our venues. We have a sense that people are going to be coming from a lot of different places. We are heavily advertized in kind in a lot of different areas through a lot of different channels. Ray Gorski has touched really well on the fact that there are a lot of moving pieces that still haven't been figured out. We are real busy planning for how our athletes are going to get from where they are staying to the sporting events they are participating in. We have a partner in LAUSD who is allowing us to use their advanced vehicle technology that was actually paid for with MSRC funds to modernize their fleets. We are asking to pay more attention to our participants. The participants coming to LAX, for example, there has been communication with Super Shuttle who has CNG equipment that we can possibly utilize. When we say our van program, we feel that can actually realize a clean air benefit. So we are just asking for that flexibility, again, to operate the way that we know will service our constituents as well as possibly spectators in collaboration with Metro and the different transit organizations that we have been working with, and just realize the most beneficial program for the communities that would be impacted by our event.

MSRC Member Greg Winterbottom asked if there is any need for MSRC to review the amount that they are considering. MSRC Chair Greg Pettis said the Board will do what it wants, but he would be inclined to vote no on a request that would go into a higher dollar amount because Los Angeles has already had its max for special events and this is an extra over and above and while he thinks it is a very valid and valuable service that the MSRC can provide, we still have to be conscious of the region and what we are doing. Mr. Winterbottom stated that the point is well taken about the expenditure in the County. He moved the item with the ability for staff to have maximum latitude. We have to meet all of the requirements set forth by the contract. He asked when this will be reviewed again by the MSRC. Mr. Gorski said probably not until after the event has happened, considering it will be happening in July/August. Mr. White requested that fuel cell technology be considered as one of the types of transportation that may be utilized.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND  
SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, THE MSRC  
VOTED UNANIMOUSLY TO FUND CLEAN FUEL TRANSPORTATION  
SERVICES BETWEEN PARK & RIDE LOTS TO THE VARIOUS VENUES  
WHICH WILL BE HOSTING ATHLETIC EVENTS IN AN AMOUNT NOT  
TO EXCEED \$380,536., WITH THE ABILITY FOR STAFF TO HAVE  
MAXIMUM LATITUDE WHILE MEETING ALL THE REQUIREMENTS.  
AYES: ANTONOVICH, MARTINEZ, SALTARELLI, VERES, WHITE,  
WINTERBOTTOM, MCCALLON, PETTIS.  
NOES: NONE.

**ACTION:** Staff will include this item for consideration by the SCAQMD Board at its June 5, 2015 meeting.

**Agenda Item #8 – Update on Development of Options for a Rideshare Thursday Public Awareness Campaign**

Ray Gorski, MSRC Technical Advisor, reported on this item. Last month staff brought forward for MSRC consideration a Rideshare Thursday campaign. This campaign had as its hallmark heavy reliance upon the prior campaign which was implemented as an element of the 2011-12 Work Program. The proposal was to allocate \$1 million to enter into a contract which would utilize the created material to the maximum extent feasible and redeploy it out into the communities in an effort to stimulate multiple occupant and public transit utilization. There were several issues both technical and programmatic which were raised last month. Specifically, there were questions as to whether or not the \$1 million targeted funding level was sufficient to implement a regional program. There were questions as to the timeliness of the message and does it resonate with the millennial group of people, the younger people, who for all intents and purposes are the ones we want to reach because we want to alter their transportation habits for the rest of their lives. There were concerns that maybe the Rideshare Thursday campaign was carpooling centric and did not take into account other modes of transportation, specifically active transportation or other forms of rideshare. There were questions as to whether or not the prior campaign was, in fact, effective and was the message that we tried to convey received. Finally, there was concern relative to the necessity and the appropriateness of entering into a sole source contract with the thought being that maybe this could be competitively bid.

This has been reviewed. The action that was taken last month and the conversation that was had last month have been discussed at the MSRC TCM Subcommittee as well as the MSRC TAC levels. There are four potential next steps which we would like the MSRC to consider: 1) Pause. You don't need to do anything. There is no need at this time to implement a follow-on public awareness or regional outreach campaign. If the MSRC would choose to simply sit back for a while to see how other things develop, there is no downside to doing that. 2) If there is any additional information that staff could bring forward from the prior campaign to alleviate any of the concerns, both technical or programmatic, we could stay the course and make any necessary modifications to the program. By staying the course, that could be correcting deficiencies, adding additional emphasis in areas which you felt were appropriate and then doing it either as a sole source or as another Request for Proposals. 3) Remand this back to your TAC. The direction would be to develop a new public outreach campaign which again would have as its outcome increased utilization of transportation, ridesharing, alternative modes of transportation, including active transportation, to alleviate congestion and reduce mobile source emissions. That would require a little bit of time of course because the MSRC-TAC would need to for all intents and purposes start to try to put together something that would pass muster with this Committee. 4) Convene a Scoping Committee which would include members of the MSRC, which would draw upon your own experience/knowledge as well as what you believe the priorities should be for doing a public outreach campaign, and then bring other key stakeholders as you deem fit into the conversation to set a framework for a follow-on public awareness campaign which then would be handed off to the TAC to allow them to put together the details of a future program.

The Scoping Committee has some attractive elements to it. Starting from scratch without any guidance, it is possible that we could go down the wrong path, and after several months of effort bring to the MSRC something which the Committee would not find satisfactory. So any ability to work with the membership upfront to help set the boundaries of what should/should not be included, where the emphasis is, what could be done differently than last time, what are the

lessons learned, would again increase the probability that what we brought to the MSRC in the future would in fact pass the test of this Committee's scrutiny.

In conversation with the Technical Committees, they are seeking MSRC guidance as to what the MSRC believes is the next appropriate step in the process.

MSRC Member Michele Martinez opted for the Scoping Committee. Her recommendation is #4. MSRC Vice Chair McCallon agreed that the MSRC should probably not do a sole source. The MSRC does need to provide guidance because there are new modes of transportation and sharing that need to be considered. He thinks Michele Martinez would be a viable member on the Scoping Committee. MSRC Chair Pettis added that if we do the Scoping Committee meeting an effort should be made to have conversations in the outlying areas. In San Bernardino and Riverside County you cannot get anywhere in any mode other than the traditional bus and even that is challenging when there are one-hour time frames, so the young people and seniors are severely impacted. Those can be set in terms of a rolling community outreach meeting or tie them into the normal ones we have been doing. Mr. McCallon commented SANBAG started a project to look at all of the Metrolink stations and how they could provide access through active transportation or sharing buses. Right now the first-mile, last-mile connection is missing in a lot of our stations.

Mr. Gorski said that staff will put together some correspondence to all the MSRC members asking for their desire to participate in the Scoping Committee; asking for any initial areas you would like to have presented when the first Scoping Committee meeting is held; anything else you would like to convey to staff relative to needs within a specific region of the jurisdiction; and find a timeframe in which all the members can conveniently participate. Staff will be working closely with the MSRC-TAC Chair Gretchen Hardison and the MSRC-TAC to develop the materials and setting the logistics of the Scoping Committee.

MSRC Member Steve Veres indicated that a colleague wanted to make a comment.

**PUBLIC COMMENT:** Michael Cacciotti, Councilmember, City of South Pasadena, and SCAQMD Board Member representing Eastern Los Angeles County Cities, stated that he supports wholeheartedly staff's approach to reprising a program. Last month he spoke against reprising the rideshare campaign for obvious reasons. He mentioned that Santa Barbara has a Car-free.org program funded by the Air Pollution Control District in Santa Barbara. He supports the #4 approach, the Scoping Committee. He would like to be one of the stakeholders on that Committee. His recommendation would be not to move forward right away too fast. There is not a rush, but don't delay too long. There are some incredible opportunities coming up early next year with the opening of two major lines to Azusa Pacific, the Gold Line Foothill Extension Construction Authority and in a few months after that, the Expo Line to the beach; and other lines are progressing. Hopefully we can get something together so that when that opens we can partner (hopefully an RFP and not sole source) with these different entities: Metro, Amtrak, Metrolink, SCAQMD, OCTA, Riverside, SCAG, Uber, Lyft, and Foothill Extension Construction. Reach out to all the different communities, the general population, in this outreach marketing campaign: Latino, Chinese, Mandarin, Cantonese, Korean, Vietnamese, Armenian, seniors, youth, building existing partnerships with these already-existing programs. He mentioned the Metrolink Upland Lemon Festival; and Railroad Days in Fullerton. Other recommendations would be to use that \$1 million to partner with other people, supplement their existing great outreach programs; focus on big major events like the opening of the Foothill Gold Line Construction Authority Lines. As these events open up, work with KNX. Work with some of these television shows. When these lines open up, have a whole week series. Focus on a lot of short videos; 15-30 second videos showing a happy family getting on the train to Chinatown or Little Tokyo. Last week he took the

Dodger Shuttle. This is an incredible opportunity. Don't rush it, but let's get it moving forward. For the first time since 1940 we can take a train from the ocean almost to the San Bernardino mountains and Riverside. Look at the Santa Barbara car-free program. He took the Amtrak up there, with his bike, rode around, locked the bike, took an electric shuttle, went wine tasting, went to the Mission, without even touching a car. Let's get out of our cars, whether it's walking, riding a bike, taking a bus, or taking Lyft. We can do it!

### **OTHER BUSINESS**

#### **Agenda Item #9 – Other Business**

No other business was introduced.

### **ADJOURNMENT**

THERE BEING NO FURTHER BUSINESS, THE MSRC MEETING  
ADJOURNED AT 3:20 P.M.

### **NEXT MEETING:**

Thursday, June 18, 2015, at 2 p.m., Room CC-8.

[Prepared by Ana Ponce]

MSRC Agenda Item No. 3

**DATE:** June 18, 2015

**FROM:** Cynthia Ravenstein

**SUBJECT:** AB 2766 Contracts Administrator's Report

**SYNOPSIS:** This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from April 30 to May 27, 2015.

**RECOMMENDATION:** Receive and file report

**WORK PROGRAM IMPACT:** None

**Contract Execution Status**

**2014-16 Work Program**

On December 5, 2014, the SCAQMD Governing Board approved an award under the AB118 Enhanced Fleet Maintenance Program. This contract is executed.

**2012-14 Work Program**

On April 5, 2013, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program. These contracts are executed.

On July 5, 2013, the SCAQMD Governing Board approved an additional award to Orange County Transportation Authority under the Event Center Transportation Program. This contract is executed.

On September 6, 2013, the SCAQMD Governing Board approved an award to Transit Systems Unlimited under the Event Center Transportation Program. This contract is executed.

On November 1, 2013, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program. These contracts are executed.

On December 6, 2013, the SCAQMD Governing Board approved 25 awards under the Local Government Match Program, 12 awards under the Alternative Fuel Infrastructure Program, one award under the Alternative Fuel School Bus Incentives Program, and one award under the Event Center Transportation Program. These contracts are under development, with the prospective contractor for signature, or executed.

On January 10, 2014, the SCAQMD Governing Board approved three awards under the Local Government Match Program, one award under the Alternative Fuel Infrastructure Program, and one award under the Alternative Fuel School Bus Incentives Program. These contracts are executed.

On February 7, 2014, the SCAQMD Governing Board approved two awards under the Local Government Match Program and one award under the Alternative Fuel Infrastructure Program. These contracts are executed.

On April 4, 2014, the SCAQMD Governing Board approved two awards under the Local Government Match Program and three awards under the Traffic Signal Synchronization Partnership Program. These contracts are executed.

On May 2, 2014, the SCAQMD Governing Board approved 12 awards under the Local Government Match Program. These contracts are with the prospective contractor for signature, or executed.

On June 6, 2014, the SCAQMD Governing Board approved an award under the Traffic Signal Synchronization Partnership Program. This contract is executed.

On July 11, 2014, the SCAQMD Governing Board approved an award under the Traffic Signal Synchronization Partnership Program. This contract is executed.

On September 5, 2014, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 3, 2014, the SCAQMD Governing Board approved an award under the Alternative Fuel Infrastructure Program. This contract is executed.

On December 5, 2014, the SCAQMD Governing Board approved 12 awards under the Alternative Fuel Infrastructure Program and two awards under the Event Center Transportation Program. These contracts are awaiting responses from the prospective contractor, undergoing internal review, with the prospective contractor for signature or with the SCAQMD Board Chair for signature.

On February 6, 2015, the SCAQMD Governing Board approved 3 awards under the Alternative Fuel Infrastructure Program. These contracts are under development or with the SCAQMD Board Chair for signature.

#### **Work Program Status**

Contract Status Reports for work program years with open and pending contracts are attached. MSRC or MSRC-TAC members may request spreadsheets covering any other work program year.

#### ***FY 2004-05 Work Program Contracts***

One contract from this work program year is open.

#### ***FY 2004-05 Invoices Paid***

No invoices were paid during this period.

***FY 2005-06 Work Program Contracts***

4 contracts from this work program year are open; and 3 are in “Open/Complete” status, having completed all obligations save ongoing operation.

***FY 2005-06 Work Program Invoices Paid***

No invoices were paid during this period.

***FY 2006-07 Work Program Contracts***

3 contracts from this work program year are open; and 15 are in “Open/Complete” status. One contract passed into Open/Complete status during this period: CSULA, Contract #MS07022 – Install New Hydrogen Fueling Station.

***FY 2006-07 Invoices Paid***

No invoices were paid during this period.

***FY 2007-08 Work Program Contracts***

11 contracts from this work program year are open; and 26 are in “Open/Complete” status.

***FY 2007-08 Invoices Paid***

No invoices were paid during this period.

***FY 2008-09 Work Program Contracts***

6 contracts from this work program year are open; and 15 are in “Open/Complete” status.

***FY 2008-09 Invoices Paid***

No invoices were paid during this period.

***FY 2009-10 Work Program Contracts***

2 contracts from this work program year are open; and 14 are in “Open/Complete” status.

***FY 2009-10 Invoices Paid***

No invoices were paid during this period.

***FY 2010-11 Work Program Contracts***

32 contracts from this work program year are open; and 22 are in “Open/Complete” status. One proposed contract with the Los Angeles Unified School District is still with them for signature following MSRC approval of modifications.

***FY 2010-11 Invoices Paid***

2 invoices totaling \$35,000.00 were paid during this period.

***FY 2011-12 Work Program Contracts***

47 contracts from this work program year are open, and 15 are in “Open/Complete” status.

***FY 2011-12 Invoices Paid***

Two invoices totaling \$466,837.00 were paid during this period.

***FYs 2012-14 Work Program Contracts***

50 contracts from this work program year are open, and one is in “Open/Complete” status.

*FYs 2012-14 Invoices Paid*

One invoices in the amount of \$45,000.00 was paid during this period.

***FYs 2014-16 Work Program Contracts***

One contract from this work program year is open.

*FYs 2014-16 Invoices Paid*

No invoices were paid during this period.

***Administrative Scope Changes***

One administrative scope change was initiated during the period of April 30 to May 27, 2015:

- ML12020 – City of Los Angeles, Department of General Services (Purchase 15 Heavy-Duty CNG Vehicles) – One-year no-cost term extension

**Attachments**
