

BOARD MEETING DATE: March 6, 2015

AGENDA NO. 2

PROPOSAL: Set Public Hearings April 3, 2015 to:

- (A) Amend Regulation IX - Standards of Performance for New Stationary Sources, and Regulation X - National Emission Standards for Hazardous Air Pollutants. Amendments to Regulations IX and X are periodically made to incorporate new or amended federal performance standards that have been enacted by U.S. EPA for stationary sources. These standards are currently in effect and enforceable by SCAQMD pursuant to the federal Clean Air Act, regardless of whether SCAQMD incorporates them into Regulations IX and X. The Board has historically adopted NSPS (40 CFR 60) and NESHAPS (40 CFR 61) into Regulations IX and X, by reference, thus providing stationary sources with a single source of information for determining which federal and local requirements apply to their specific operations. The NSPS and NESHAPS actions by U.S. EPA, primarily from July 1, 2011 to December 31, 2014, are proposed for incorporation into Regulations IX and X, respectively, including new performance standards for certain oil and gas operations not covered by previous EPA regulation. The actions also include amendments to previous provisions of twelve NSPS standards and two NESHAPS standards. (Reviewed: Stationary Source Committee, February 20, 2015)
  
- (B) Receive Public Input on Executive Officer's Draft Goals & Priority Objectives for FY 2015-16. A set of draft goals for the FY 2015-16 Budget has been developed. The Executive Officer wishes to receive public and Board Member input on these goals and priority objectives as they serve as the foundation of SCAQMD's Work Program.

The complete text of the proposed amendments, staff reports and other supporting documents will be available from the District's Public Information Center, (909) 396-2550 and on the Internet ([www.aqmd.gov](http://www.aqmd.gov)) as of March 4, 2015.

**RECOMMENDED ACTION:**

Set Public Hearings April 3, 2015 to amend Regulations IX and X, and receive public input on the Executive Officer's Draft Goals & Priority Objectives for FY 2015-16.

Barry R. Wallerstein, D.Env.  
Executive Officer
