Background

SCAQMD's Procurement Policy and Procedure, adopted January 9, 1998 and last amended September 2015, establishes the policies and procedures which govern contracting and/or purchasing of services, materials, equipment, supplies, and fixed assets by SCAQMD. During discussion at the September 1 Board meeting, some Board Members asked that the Administrative Committee consider a minor revision to the Procurement Policy, clarifying the circumstances that merit award of preference points for Local Business. The Administrative Committee recommended that the Policy be updated accordingly. Preference points for local businesses are offered if a proposer affirms that it has an ongoing business within the SCAQMD basin at the time of a bid submittal and that 90 percent of the work related to the contract will be performed within the SCAQMD basin. Recently, proposals were submitted for legislative representation and consulting services. Staff reviewed these RFPs and confirmed that no points for Local Business were awarded to either of the firms that were selected as contractors. Staff believes it is inappropriate to award preference points for Local Business (90% of work performed in the SCAQMD) for legislative consultants who are expected to perform their work in Sacramento and Washington, D.C.

Proposal

It is recommended that SCAQMD's Procurement Policy and Procedure be amended as follows:

1. In Section III, Paragraph H, and Section VIII, Clause D.2, add: "Proposals for legislative representation such as in Sacramento, California, or Washington, D.C. are not eligible for local business incentive points." And, in Section VIII, Clause D.2, add "Federally funded projects are not eligible for local business incentive points."
2. In Section VIII, Clause D.2, add: "To receive points as a Local Business, the proposer must affirm that it has an ongoing business within the South Coast AQMD at time of the bid/proposal submittal and that 90% of the work related to the contract will be performed within the South Coast AQMD. Federally funded projects are not eligible for local business incentives points."

Resource Impacts

Staff anticipates no resource impacts as a result of this change.

- F. When contracts are funded in whole or in part by federal funds, and if subcontracts are to be let, the Contractor must comply with the following, evidencing a good faith effort to solicit disadvantaged businesses. Contractor shall submit a certification signed by an authorized official affirming its status as a MBE or WBE, as applicable, at the time of contract execution. The SCAQMD reserves the right to request documentation demonstrating compliance with the following good faith efforts prior to contract execution.
1. Ensure Disadvantaged Business Enterprises (DBEs) are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local Government recipients, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.
 2. Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
 3. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and Local Government recipients, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
 4. Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
 5. Using the services and assistance of the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.
 6. If the prime contractor awards subcontracts, require the prime contractor to take the above steps.
- G. To the extent that any conflict exists between this policy and any requirements imposed by federal and state law relating to participation in a contract by a MBE, WBE, and/or DVBE as a condition of receipt of federal or state funds, the federal or state requirements shall prevail.
- H. When contracts are not funded in whole or in part by federal funds, a local business preference will be awarded. For such contracts that involve the purchase of commercial off-the-shelf products, local business preference will be given to suppliers or distributors of commercial off-the-shelf products who maintain an ongoing business within the geographical boundaries of the SCAQMD. However, if the subject matter of the RFP or RFQ calls for the fabrication or manufacture of custom products, only companies performing 90% of the manufacturing or fabrication effort within the geographical boundaries of the SCAQMD shall be entitled to the local business preference. Proposals for legislative representation, such as in Sacramento, California or Washington D.C. are not eligible for local business incentive points.

- I. For federally funded procurements, the SCAQMD shall comply, where applicable, with federal fair share requirements set forth in 40 CFR 33, or equivalent federal regulations.
- J. It is the policy of the SCAQMD to receive at least as favorable pricing, warranties, conditions, benefits and terms as other customers or clients making similar purchases or receiving similar services. To this purpose, formal bidding procedures, sole source awards, and RFP/RFQ processes will include a certification for “most favored customer” status. SCAQMD will give preference, where appropriate, to vendors who certify that they will provide “most favored customer” status to the SCAQMD.

K. Responsibilities of SCAQMD Personnel:

- 1. The Manager of the Procurement Section shall be responsible for:
 - a. Developing and maintaining SCAQMD procedures to ensure proper implementation of this policy.

 - g. Providing the Manager of the Procurement Section with all documents showing the history of the procurement as set forth in Section III(J)(1)(i).

SECTION IV: PURCHASING OF SUPPLIES, SERVICES AND EQUIPMENT

A. Manager of the Procurement Section Authority and Responsibilities

1. The Manager of the Procurement Section may purchase, upon appropriate authorization, services, materials, equipment, supplies, and fixed assets.
2. The Manager of the Procurement Section shall designate those persons who will have authority to make purchases.
3. The Manager of the Procurement Section shall act in the best interests of the SCAQMD in negotiating the best price on all goods and services, cost and other factors considered; and in accordance with all rules, regulations, and policies herein set forth, and all applicable provisions of law.
4. For non-consultant services and supplies which can reasonably be expected to exceed \$50,000 on an annual basis, the Manager of the Procurement Section may use a competitive prequalification process. As used in this policy, the term "prequalified vendors" shall be defined as the list of vendors whom the SCAQMD has determined to be qualified to provide particular services or supplies. As requirements become

identified, competitive bids will be sought only from those vendors on the prequalified vendor list.

5. Whenever possible, to effect economies of scale purchasing, the Manager of the Procurement Section shall pursue the policy of cooperative purchasing, provided that the quality of the available items meets SCAQMD requirements. Cooperative purchasing is the policy of allowing the Manager of the Procurement Section to place the SCAQMD's name on other governmental agencies' bid lists for items the SCAQMD is interested in purchasing. This allows the SCAQMD to enjoy the same terms, discounts, prices, and availability of items that would not be possible in all cases under small-scale purchasing.
6. The Manager of the Procurement Section shall advertise for public bidding, as set forth in Section VII hereof, any item directed by the SCAQMD Board or Executive Officer. In any event, the procedure described in Section VI must be followed for purchases in excess of \$25,000.
7. Subject to the supervision and direction of the Executive Officer, it shall be the duty of the Manager of the Procurement Section to purchase from time to time such quantities of supplies as may be required for official use and keep same in such storeroom or rooms as the SCAQMD shall provide. Such supplies shall be disbursed upon receipt of regular requisitions presented to the Manager of the Procurement Section or his or her designee.

B. Purchasing Methods:

The following purchasing methods shall be utilized, as applicable:

1. Formal Bid - A written bid solicited through public advertising and submitted under sealed bid procedures and which is opened and read on a specified date and time. This method is primarily used for equipment or services costing \$25,000 or more.
2. Informal bid – For procurements above \$2,500 and below \$25,000 an unadvertised written bid from a vendor may be utilized when the cost of the equipment or supplies is so low as to not justify the costs of the formal bidding procedure.
3. Telephone Bid – For procurements not to exceed \$2,500, telephone bids may be utilized by the Manager of the Procurement Section or his or her designee when the best interests of the SCAQMD may be served due to the need for immediate delivery or for other valid reasons.
4. Sole or Single Source – For procurements in excess of \$10,000, the Executive Officer may approve that the award may be made without a formal bid when the item or service to be purchased may be obtained from only one source and the item or service is one which does not lend itself to substitution. Said bids must be confirmed in writing and justified in accordance with the provisions of Section VIII(B).
5. Prior Bid, Last Price - After confirming the validity of a prior price, an award may be made on the basis of a prior bid or on the basis of a last price, if the conditions of a previous purchase are similar.

6. Request for Quotation - A written request describing materials, equipment, fixed assets, supplies or services sought which may contain certain plans and specifications. Quotations may be solicited through either formal or informal bid procedures.
 7. Formal bidding shall be used when economies of scale can be achieved, when there are equal and competitive products, or when discounts are applicable.
- C. Fixed Assets purchases shall be defined as purchases of assets that have a life of at least three years and a total acquisition cost of \$5,000 or more. Purchases of fixed assets are governed by the following:
1. The Manager of the Procurement Section shall be the responsible officer authorized to approve the purchase of budgeted fixed assets up to the amount of \$10,000 upon the request of the appropriate Deputy or Assistant Deputy Executive Officer.
 2. The Executive Officer may approve purchases of budgeted fixed assets from \$10,000 to \$75,000 and unbudgeted fixed assets up to \$10,000, or in case of an emergency or interruption of SCAQMD operations, up to \$50,000.
 3. Purchases of budgeted fixed assets over \$75,000 and unbudgeted fixed assets over \$10,000, except as provided in paragraph two above, require Board approval.
 4. The Manager of the Procurement Section may, by direct sales or otherwise, sell or dispose of any fixed assets belonging to the SCAQMD and found by the SCAQMD Board not to be required for public use. Fixed assets procured with federal funds may require prior approval from the awarding federal agency, which if required, shall be secured by SCAQMD staff prior to requesting the SCAQMD Board to approve disposal of the applicable asset(s).
 - a. All moneys collected from the proceeds of sales are to be deposited in the SCAQMD's bank account.
 - b. No member of the SCAQMD Board or family member and no SCAQMD employee or family member shall be permitted to purchase any assets or supplies of the SCAQMD, except those items disposed of in an open public auction.
 - c. Upon finding that it is in the best interests of the SCAQMD, the SCAQMD Board may authorize transfer of equipment, supplies, and materials for nominal monetary consideration to public agencies, nonprofit organizations that meet the requirements of Section 501(c) of the Internal Revenue Code, or educational institutions for use in air quality improvement or other activities in the public interest.
 5. The Manager of the Procurement Section may upon written approval of the Executive Officer or his or her designee purchase unbudgeted fixed asset items having a total unit cost not exceeding \$10,000, (including freight and taxes). The purchase of unbudgeted fixed assets having a total unit cost in excess of \$10,000 shall be made by the Manager of the Procurement Section only after approval of such purchase by the SCAQMD Board.

SECTION V: CONSTRUCTION, ALTERATION, OR IMPROVEMENT OF SCAQMD FACILITIES

A. Executive Officer approval required:

1. The Executive Officer may contract for the construction, alteration, or improvement of SCAQMD facilities when the total cost of the proposed, budgeted construction, alteration, or improvement does not exceed \$75,000. The Executive Officer may approve up to an additional \$75,000 in costs in each subsequent fiscal year.
2. Depending on the nature of the work to be performed, detailed plans and specifications are not required. However, any change or alteration of such plans and specifications shall be in writing.
3. The contracting methods utilized by the Executive Officer under these provisions shall be in accordance with Section IV.B.

B. Governing Board approval required:

1. The SCAQMD Board may contract for the construction, alteration, or improvement of SCAQMD facilities.
2. The SCAQMD Board shall adopt detailed plans and specifications for the work.
3. All bidders shall be afforded the opportunity to examine the plans and specifications. Any changes or alterations of the plans and specifications shall be in writing.
4. The bidding procedures set forth in Section VI of this policy shall be followed for idle projects when the cost of proposed construction alteration or improvement is estimated to exceed \$75,000.
5. The SCAQMD Board shall, to the greatest extent practicable, award the contract to the lowest cost responsive bidder, except as provided in Section VI(B). The person to whom the contract is awarded shall perform the work in accordance with the plans and specifications.
6. The person to whom the contract is awarded shall execute a completion and performance bond, to be approved by the Executive Officer, for the faithful performance of the contract.
7. If the cost of work is reduced by reason of any modification of the plans and specifications, such reduced cost shall be credited to the SCAQMD.
8. If the cost of the work increases for any reason, the Executive Officer may authorize the additional work up to an amount not to exceed \$75,000 in any one fiscal year. The Executive Officer may approve up to an additional \$75,000 in costs in each subsequent fiscal year. If the cost exceeds the original contract by over \$75,000 in any one fiscal year, Board approval will be required.

- C. All solicitations for construction, alteration, or improvement of SCAQMD facilities shall require contractors to comply with applicable federal laws including but not limited to the Copeland Anti-Kickback Act, the Davis Bacon Act, the Contract Work Hours and Safety Standards Act, Occupational Safety and Health Act and applicable state laws governing health and safety, workers compensation prevailing wage rates, and labor hours.

SECTION VI: BIDDING PROCEDURES

A. Request for Quotations or Proposals

1. When the term "Request for Quotations" (RFQ) or "Request for Proposal" (RFP) is used in this policy, the following is meant: The responsible staff person shall, in writing, solicit quotations from qualified bidders. The prospective bidders shall be sent an RFQ or RFP which specifies the materials, equipment, fixed assets, supplies, or services sought and the date by which bids are required, which date shall be at least 30 days from the date and time the RFQ or RFP is mailed. For RFQs or RFPs approved by the Executive Officer, waiver of the 30-day period may be approved by the Executive Officer. For any RFP or RFQ, the Executive Officer may extend the response period.
2. In all cases in which written specifications are prepared and submitted for public bid and a trade name is specified, the specifications shall contain the phrase "or equal" and a bidder shall be allowed to bid upon a specific trade name product or its equivalent in quality and performance.
3. Subject to other provisions of this policy, a bid will be awarded to the lowest responsive, qualified bidder whose bid is in accordance with prescribed requirements and/or specifications.
4. The preparation of detailed specifications or obtaining of bids may be waived by the Executive Officer or his or her designee if proper justification has been provided that:
 - a. The items are available from only one source;
 - b. Public health or property may be endangered by delay;
 - c. An emergency or interruption of SCAQMD operations has occurred;
 - d. Required construction, repair, or project completion dates cannot be met;
 - e. Used or surplus equipment or supplies cannot be covered by specifications or plans;
or
 - f. Other circumstances exist which, in the determination of the Executive Officer, require waiver in the best interests of the SCAQMD.

B. Acceptance or Rejection of Bids

1. The SCAQMD Board or appropriate officer may accept or reject all or any bids and quotations or may accept or reject a part of any bid and to waive technical defects if to do

so best serves the interests of the SCAQMD. Preference will be given, however, to the lowest cost responsive bidder.

2. In the event all bids or quotations are rejected, the SCAQMD Board or appropriate officer, may take any of the following actions:
 - a. Solicit new bids or quotations. In the event that a "Notice Inviting Bids/Proposals" was required, the notice must be re-advertised.
 - b. Proceed to purchase equipment, materials, services, fixed assets or supplies through the State General Services Agency pursuant to Government Code Section 54205, if feasible.
3. The Executive Officer and/or Governing Board may award the contract to a bidder, other than the bidder determined to be the lowest bidder, in the event the Executive Officer and/or the Governing Board determine that another bidder would provide the best value to the SCAQMD. In such case, the supporting rationale for such a determination must be provided. The determination shall be on the bids or quotations and on evidence provided in the quotation and/or any other evidence provided during the bid review process. Evidence provided during the bid review process is limited to clarification by the bidder of information presented in his/her proposal/quotation.
4. In the event that no bids were received after a written solicitation or advertising, the SCAQMD Board or Executive Officer, may reissue the solicitations, or contract for the equipment, fixed assets supplies, materials, or services on a sole-source basis.

SECTION VII: PUBLICATION REQUIREMENTS FOR ADVERTISED PROCUREMENTS

- A. For any purchase of alterations or improvements to SCAQMD facilities, services, materials, equipment, or fixed assets estimated to exceed \$25,000, the following procedures apply unless a written determination has been made by the Executive Officer or his or her designee that the estimated cost of the procurement does not justify the cost of advertising:
 1. A "Notice Inviting Bids/Proposals" shall be published in a newspaper of general circulation at least once a week for two successive weeks. Two publications in a newspaper published once a week or more often, with at least five days intervening between the respective publication dates are sufficient. The period of notice commences on the first day of publication and terminates at the close of business on the fourteenth day.
 2. One or more "Notices Inviting Bids/Proposals" shall be published in one or more of the following, whichever would allow the notice to be distributed to the largest number of persons or firms qualified to do the work:
 - a. Newspapers of general circulation (mandatory)
 - b. California State Contracts Register

- c. Journal of the Air & Waste Management Association
 - d. ARB Computer Bulletin Board
 - e. Professional journals and trade publications including small, minority, women, and veteran business publications, and
 - f. SCAQMD Website on the Internet
3. The "Notice Inviting Bids/Proposals" shall contain a brief description of the equipment, materials, supplies, or services sought, the address where the plans and/or specifications may be inspected or where additional information may be obtained, and time and place of delivery of the Bid or Proposal.
 4. A listing of open RFQs and RFPs will be made available to various legislative caucuses, community groups, trade organizations, chambers of commerce and other interested parties at the time the Notice Inviting Bids/Proposals is submitted for publication. Parties desiring copies of any of the RFQs or RFPs will be advised that a complete copy can be obtained by downloading it from the SCAQMD website or requesting a hard copy from the designated SCAQMD contact.

SECTION VIII: CONTRACTING FOR CONSULTING AND PROFESSIONAL SERVICES

A. General

1. It is the policy of the SCAQMD to utilize the most highly qualified professional services to carry out the responsibilities of the SCAQMD.
2. Due to the nature of the work to be performed or the staffing level required, it may, from time to time, be necessary to utilize the services of outside contractors/consultants who are not employees of the SCAQMD.

B. Contracting Methods

1. Proposals subject to this Section shall be advertised pursuant to the provisions of Section VII unless the Executive Officer waives the bidding requirements of this Section based upon a written documentation justifying a sole-source award, as described below
2. Except for contracts funded in whole or in part with federal funds, written justification for a sole-source award must be provided documenting that:
 - a. The cost of labor for preparation of the described documents exceeds the possible savings that could be derived from such detailed documents; or
 - b. Public health or property may be endangered by delay; or
 - c. The desired services are available from only the sole-source based upon one or more of the following reasons:

- (1) The unique experience and capabilities of the proposed contractor or contractor team;
 - (2) The project involves the use of proprietary technology;
 - (3) The contractor has ownership of key assets required for project performance; or
 - d. Other circumstances exist which in the determination of the Executive Officer require such waiver in the best interests of the SCAQMD. Such circumstances may include but are not limited to:

On contracts for budgeted items over \$75,000 or unbudgeted items over \$10,000, the Executive Officer shall recommend to the SCAQMD Board that a sole-source contract be awarded. If a sole-source contract is approved by the SCAQMD Board, it may designate who is authorized to execute the contract.
3. If it is determined that the services should be procured competitively, the SCAQMD staff member responsible for originating the requirement shall prepare an RFP using the most current version of the sample RFP contained on the SCAQMD computer network and prepare a Bidders Mailing List. At a minimum, the RFP should contain the following areas specifically tailored to the requirement:

Waiver of the 30-day period may be approved by the Executive Officer.

D. Proposal Evaluation and Contract Award

1. Sole-source proposals or a competitive proposal which is the sole response to an RFP should be evaluated by the originator of the requirement to ensure that the proposal is technically acceptable and that the proposed amount is reasonable based on previous proposals for similar work, knowledge of the marketplace, and SCAQMD's independent cost estimate. Documentation regarding the reasonableness of the proposed cost must be provided along with the sole-source justification.
2. Competitive proposals will be evaluated by a panel of three-to-five SCAQMD staff familiar with the subject matter of the project. The panel shall be appointed by the Executive Officer or his or her designee to evaluate the submitted proposals. In addition, the evaluation panel may include such outside public sector or academic community expertise as deemed desirable by the Executive Officer. The Executive Officer or his or her designee shall appoint a chairman from this group.

Each member of the evaluation panel shall be accorded equal weight in his or her rating of the proposals. The evaluation panel members shall evaluate the proposals according to specified criteria and shall assign a numerical score to each evaluation factor. SECTION IX: BID PROTEST PROCEDURE

A. It is the policy of the SCAQMD to consider protests from bidders or prospective bidders regarding SCAQMD's procurement actions. SCAQMD will respond to valid and timely protests. If SCAQMD determines that the protest is frivolous, the protester may be deemed ineligible for future contract awards.

B. Procedure

1. General – The procedure set forth in this subsection is mandatory. Failure by a protester to comply with this subsection will constitute a waiver of any right to further pursue the protest, including the filing of a claim under the relevant Government Code section or initiating legal proceedings. In no event will a protest be considered if all proposals are rejected.
2. Submission of Protests – Protests must be submitted in writing to the SCAQMD Procurement Manager, 21865 Copley Drive, Diamond Bar, CA, 91765. A valid protest must include at a minimum:
 - a. Name, address and telephone number of the protester or its representative;
 - b. The procurement action being protested;
 - c. Detailed description of the specific legal and factual grounds of the protest, which include identifying the specific provisions of the solicitation, rules, regulations or laws upon which the protest is based;
 - d. Copies of all (or any) documentation supporting the allegations in the protest; and
 - e. The specific relief requested.
3. Types of Protests and Deadlines to File – SCAQMD will recognize the following types of protests:
 - a. Protest Regarding Solicitation – An interested party that is an actual or prospective bidder with a direct economic interest in the procurement may file a protest based on unduly restrictive or defective specifications or other apparent improprieties in the solicitation process affecting the interested party's ability to submit a proposal and/or qualifications statements. Such protests must be received no later than ten (10) days prior to the deadline to submit proposals.
 - b. Protest Regarding Award of Contract – An actual bidder may file a protest regarding the award of a contract, based on SCAQMD's determination of the responsiveness of the proposals, errors in calculation, or other apparent improprieties in the evaluation of proposals affecting the ranking/scoring of the proposals. In addition, a protest may be made on the grounds that the party awarded the contract fraudulently represented itself as a responsible bidder or that SCAQMD violated any local, State or federal

laws in awarding the contract. Such protests must be received no later than ten (10) days after the contract has been awarded by the Governing Board. If the contract is not required to be awarded by the Governing Board and is awarded by the Executive Officer, or designee, in accordance with the Procurement Policy and Procedures, such protests must be received no later than ten (10) days after the contract is signed and executed by the Executive Officer, or designee.

4. SCAQMD's Response to Protests – Upon receipt of a valid and timely protest, the Executive Officer, or designee, will investigate the protest and will provide a written response to the protester within a reasonable time. If necessary, the Executive Officer, or designee, may extend the deadline to submit proposals to allow for a reasonable time to review the protest. The Executive Officer, or designee, at his or her sole discretion, may elect to withhold the contract award until the protest is resolved or denied or proceed with the award and implementation of the contract.
5. Protest Remedies – If the protest is upheld, the Executive officer, or designee, will consider all circumstances surrounding the procurement in his or her decision for a fair and reasonable remedy, including the degree of prejudice to the protester or to the integrity of the competitive procurement process, the urgency of the procurement, the extent of performance if the contract has already been executed and implemented, the cost to SCAQMD, and the impact of the proposed remedy. The remedy may include, but is not limited to, reissuance of the solicitation, revised evaluation of the proposals, or termination of the contract.
