**Meeting Minutes Approved**

The MSRC unanimously approved the minutes of the May 17, 2018 meeting. The approved minutes are attached for your information (*Attachment 1*).

**FYs 2016-18 Local Government Partnership Program (new awards)**

The MSRC approved the release of Local Government Partnership PON2018-01 under the FYs 2016-18 Work Program. The Invitation to Negotiate (ITN), with a targeted funding level of \$21,180,650, focuses on providing funds for projects to support SCAQMD's 2016 AQMP. Cities and counties which have opted into the AB 2766 motor vehicle registration surcharge fee program are eligible to participate. The majority of participants would be allocated maximum funding equivalent to their annual AB 2766 Subvention Fund allocation; however, those whose annual Subvention Fund allocation is less than \$50,000 would be eligible to receive a maximum of \$50,000, and the maximum allocation for any single city or county would be \$3,000,000. MSRC funding could be used for light-duty zero emission vehicle purchases and leases, medium- and heavy-duty zero emission vehicle purchases, near-zero emission heavy-duty alternative fuel vehicle purchases and repower, electric vehicle charging station installation, and construction or expansion of alternative fuel refueling infrastructure, subject to match funding requirements as outlined in the ITN. Additionally, those

jurisdictions eligible for a maximum contribution of \$50,000 would have the option to pursue traffic signal synchronization, bicycle active transportation, and first mile/last mile strategies. The ITN includes an open application period commencing with its release on September 1, 2017, and closing August 2, 2018. The MSRC previously approved awards totaling \$6,552,616 in response to this solicitation. The MSRC approved nine additional awards totaling \$1,855,906 as part of the FYs 2016-18 Work Program, as follows:

- a. A contract with the City of Buena Park in an amount not to exceed \$107,960 to install at least five electric vehicle charging stations;
- b. A contract with the City of Orange in an amount not to exceed \$25,000 to procure a heavy-duty near-zero-emission vehicle;
- c. A contract with the City of Culver City in an amount not to exceed \$1,130 to procure a light-duty zero-emission vehicle;
- d. A contract with the City of Orange in an amount not to exceed \$59,776 to procure up to four light-duty zero-emission vehicles and install at least eight electric vehicle charging stations;
- e. A contract with the County of Riverside in an amount not to exceed \$425,000 to procure up to seventeen heavy-duty near-zero-emission vehicles;
- f. A contract with the City of Pasadena in an amount not to exceed \$183,670 to install at least forty electric vehicle charging stations;
- g. A contract with the City of Santa Monica in an amount not to exceed \$121,500 to install at least thirty-nine electric vehicle charging stations;
- h. A contract with the City of Beaumont in an amount not to exceed \$31,870 to install at least two electric vehicle charging stations; and
- i. A contract with the City of Los Angeles in an amount not to exceed \$900,000 to procure up to eight medium-duty zero-emission vehicles and install at least eight electric vehicle charging stations.

These contract awards will be considered by the SCAQMD Board at its July 6, 2018 meeting.

**FYs 2016-18 Local Government Partnership Program (modified awards)**

The MSRC also considered and approved proposed modifications to previous Local Government Partnership Program awards, increasing the value of the awards by a total of \$38,450 as part of approval of the FYs 2016-18 Work Program, as follows:

- a. For the May 4, 2018 \$365,000 award to the City of Santa Ana for the procurement of six light-duty zero-emission vehicles and nine heavy-duty near-zero-emission vehicles as well as the installation of electric vehicle charging stations, increase the award by \$20,000 to \$385,000, to correct a computational error in the application;
- b. For the May 4, 2018 \$86,174 award to the City of Perris for the procurement of a medium-duty zero-emission vehicle and the installation of electric vehicle charging stations, increase the award by \$8,450 to \$94,624, to correct a discrepancy in the application; and

- c. For the June 1, 2018 \$115,690 award to the City of Mission Viejo for the procurement of two light-duty zero-emission vehicles, the expansion of an existing CNG station, and the installation of electric vehicle charging stations, increase the award by \$10,000 to \$125,690, to accommodate the City's request that the \$10,000 they had requested for pilot building permit fee and electric vehicle technology training programs be directed towards electric vehicle charging stations if the proposed pilot programs were deemed ineligible.

These contract awards will be considered by the SCAQMD Board at its July 6, 2018 meeting.

### **Contract Modification Requests**

The MSRC considered four contract modification requests and took the following actions:

1. For City of San Dimas, Contract # ML16042, which provides \$55,000 to install EV charging infrastructure, authorize a one-year contract term extension due to the unanticipated need to install separate meters;
2. For City of Eastvale, proposed Contract #ML18064, which provides \$80,400 to purchase two medium-duty zero emission vehicles and install EV charging stations, authorize a modified scope to purchase two light-duty and one medium-duty zero emission vehicles, instead of the two medium-duty zero emission vehicles originally proposed, with no change to the EV charging stations project element or to the total award amount. This contract modification will be considered by the SCAQMD Board at its July 6, 2018 meeting;
3. For Riverside County Transportation Commission, Contract #MS16082, which provides \$590,759 for Extended Freeway Service Patrol (FSP) Service, authorize a one-year contract term extension, as well as a modification to the scope to allow for reimbursement of extended FSP services beyond the construction period which concluded in March 2018; and
4. For City of Bellflower, Contract #ML12051, which provides \$100,000 to install EV charging infrastructure, authorize a contract replacement to complete the scope of work for the contract due to expiration of the prior contract.

Cynthia Ravenstein, MSRC Contracts Administrator, reported the MSRC has allocated \$4 million to fund new and expanded CNG and LNG refueling stations, as well as modifications to vehicle maintenance facilities and technician training. An additional application was received from El Dorado National requesting to install a new limited access CNG station. **Agenda Item #10 – Consider Funding for Applications Received under the Local Government Partnership Program**

Cynthia Ravenstein, MSRC Contracts Administrator, reported this is the next set of applications that were received under the Local Government Partnership Program. There are a total of six recommended awards: (1) City of Pico Rivera, for EV charging infrastructure; (2) City of Mission Viejo, for Light-duty ZEVs, EV charging infrastructure and expansion of natural gas station; (3) City of Torrance, for heavy-duty near-zero vehicles and EV charging infrastructure; (4) City of Lomita, for light-duty ZEV and bicycle active transportation; (5) City of Chino Hills, for light-duty ZEVs and EV charging infrastructure; and (6) City of Anaheim, for light-duty ZEVs and medium/heavy-duty ZEVs. The total recommended awards are \$688,900. There is an incorrect number in the agenda for the City of Chino Hills. They are proposing two light-duty ZEVs, not four, but the total dollar amount of \$30,000 is correct. We have continued to do further outreach to those who have not yet applied, and your outreach coordinator will make a last push as we approach the August 2<sup>nd</sup> deadline. There are indications that there are a lot of applications in the works.

[MSRC Alternate Brian Berkson arrived at 2:07 p.m. during discussion of this item]

MSRC Chair Larry McCallon questioned are there many that you are aware of? Ms. Ravenstein replied I am aware of many that are working on them. A lot of them of have already gone to their City Council but have not submitted their applications. Ray Gorski said we will definitely keep the outreach going using both our internal staff resources, as well as your outreach coordinator.

MSRC Vice-Chair Greg Winterbottom questioned where do we stand on the distribution? Ray Gorski, MSRC Technical Advisor replied from an accounting perspective, we're actually doing pretty well. When we go through all the projects and look at how they are dispersed throughout the area, we have representation from each geographic region.

Mr. Winterbottom inquired do we assist with anyone who needs help? Mr. Gorski replied we do assist. There are a lot of resources. South Coast AQMD's Public Affairs Department supports the program because they have individuals who directly assist the cities and counties to receive AB 2766 Subvention Funds. They have been a very active and very good partner in this. We have the outreach coordinator, The Better World Group, they are doing not only direct contact, but they also may do some calls to City leadership because we need to make sure that decision-makers are aware that this is an opportunity.

Mr. Winterbottom asked what is our major hurdle. Mr. Gorski replied when we have the next Retreat, we will have a discussion on how things went and what we learned. Trying to make it easy with complete flexibility, is not in your best interest. A lot of the city staff have demonstrated that they want a direct process and procedure to follow. We have learned that it is best to just give structure instead of trying to be as flexible as we can and give quite bit of leeway

on how to put together your project description. MSRC Chair Larry McCallon added a lot of cities are used to competing.

MSRC Member Ben Benoit asked are they having trouble with how to do it, how to pick a project or do they have trouble coming up with what they want to use it for? Mr. Gorski replied we have had several suggest projects which are not eligible. The whole intent was really to implement strategies which were identified in the 2016 Air Quality Management Plan; it has some defined categories. There needs to be outreach collectively, including the South Coast AQMD, to instruct entities that they have the ability to leverage funds. They can really make a project because there's money out there that is not being taken advantage of. HVIP funds can be leveraged with MSRC funds.

**PUBLIC COMMENT:** Leo Jones, CNG Transition, asked can you name a couple of the grants that are not being used much.

Mr. Gorski replied the most important is HVIP, it is a Voucher Incentive Program that is offered by the State of California. They have made \$32 million available to offset the cost of more expensive advanced technology and low-emission vehicles. There is funding that is available for low-emission natural gas engines and medium- to heavy-duty electric vehicles. There is also the CVRP Program, which is for light-duty vehicles, that you can match with the MSRC funds. If you can leverage all of the available funds, you can have a project that will not impact your general fund. There is a lack of education on how to do that. Mr. McCallon noted part of our efforts in the future should be to include those types of suggestions. Mr. Gorski replied we have those types of suggestions in there.

**PUBLIC COMMENT:** Leo Jones, CNG Transition asked can you name more.

Mr. Gorski replied there's a lot of funding that is going to be available. The MSRC Program has a 5-year project implementation window. There's going to be funding that will be available through the Volkswagen Settlement Fund, as well as from the SCAQMD-administered Carl Moyer Fund, which is currently open. There is funding that is going to be available in the future under the Low Carbon Programs that are under the Greenhouse Gas Reduction Funds. There are several programs that are administrated by the California Energy Commission and the California Air Resources Board which draw their funding from the Greenhouse Gas Reduction Fund. There are programs that are specifically looking at transit and active transportation. We understand that it is very confusing, but we would like to see people taking more advantage of all these programs to put together a project which will allow them to utilize their MSRC funds but also do something good for their jurisdiction.

**ON MOTION BY MSRC VICE-CHAIR GREG WINTERBOTTOM AND SECONDED BY MSRC MEMBER BEN BENOIT, THE MSRC UNANIMOUSLY VOTED TO APPROVE AWARDS TO THE CITIES OF PICO RIVERA, MISSION VIEJO, TORRANCE, LOMITA, CHINO HILLS AND ANAHEIM TOTALING \$688,900. AYES: BENOIT, BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE. NOES: NONE.**

**ACTION:** This item will be considered by the SCAQMD Board at its June 1, 2018 meeting

**Agenda Item #11 – Consider Work Plan Received under the CTC Partnership Program**

Ray Gorski, MSRC Technical Advisor reported this item is under the CTC Partnership Program. Under this program, the MSRC allocated \$8 million to implement projects that not only clean the air but have the potential to improve mobility within the South Coast Air Basin. Each of the County Transportation Commissions is eligible to receive up to \$2 million to implement programs which further the MSRC's mission. The Los Angeles Metropolitan Transportation Authority submitted an application. They would like to apply their funding towards the purchase of zero emission 60-foot buses to implement service on the Metro Orange Line Bus Rapid Transit System. These buses operate more on a guide way as opposed to regular city streets. They are used primarily for commuter transportation. The total number of buses to be purchased is 40. Los Angeles Metro will apply the \$2 million towards the initial purchase of the total 40 buses.

MSRC Alternate Brian Berkson inquired are they matching this or is this just a grant. Mr. Gorski replied the total project cost exceeds \$80 million, this will be \$2 million out of the total.

ON MOTION BY MSRC MEMBER BEN BENOIT AND SECONDED BY MSRC ALTERNATE MICHAEL CARTER, THE MSRC UNANIMOUSLY VOTED TO APPROVE AN AWARD TO LOS ANGELES METRO FOR \$2,000,000.

AYES: BENOIT, BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its June 1, 2018 meeting

**MSRC-TAC MEMBERSHIP****Agenda Item #12 – Consider Appointment of Tim Olson as Primary, and Rhetta deMesa and Sam Lerman as Alternates, to the MSRC-TAC in the Position of “Air Pollution Control Expert”**

Ray Gorski, MSRC Technical Advisor, reported that by way of background, Mr. John Kato has been serving in the position of Air Pollution Control Expert on the MSRC-TAC for approximately the last 2 years. Mr. Kato has now left the California Energy Commission (CEC) and has assumed a new position at the California Air Resources Board. The CEC has expressed their desire to retain their position on the MSRC-TAC. The Air Pollution Control Expert position can be filled by any individual who has the necessary qualifications, but the CEC appreciates the MSRC's consideration of allowing them to remain part of the process for the MSRC Discretionary Fund. The CEC recommends Mr. Tim Olson to assume Mr. Kato's responsibilities as Air Pollution Control Expert on the MSRC-TAC. Mr. Olson is no stranger to the MSRC. He has worked with MSRC staff for several years and has also participated as a speaker in some workshops and retreats in the past. He works directly in areas which are of most import to the MSRC: in both zero and near zero-emission advanced technologies. To ensure that the CEC has the ability to fulfill their role, they are suggesting that two individuals be identified and accepted

to be alternates to Mr. Olson: Ms. Rhetta deMessa and Mr. Sam Lerman. They also possess the necessary qualifications and experience to meet the requirements of an Air Pollution Control Expert. In handout #12, we have included some of their biographical, historical and educational information. These individuals have long-standing participation in the MSRC process.

MSRC Chair Larry McCallon inquired is it normal to have two alternates? Mr. Gorski replied it is not unprecedented. We have had other positions in the past which have had two alternates. CEC is trying to ensure that at least one individual that represents the CEC would be available, irrespective of the circumstances.

ON MOTION BY MSRC MEMBER BEN BENOIT AND SECONDED BY MSRC MEMBER MICHELE MARTINEZ, THE MSRC UNANIMOUSLY VOTED TO APPROVE THE APPOINTMENT OF TIM OLSON AS PRIMARY AND RHETTA DEMESSA AND SAM LERMAN AS ALTERNATES TO THE MSRC-TAC POSITION OF AIR POLLUTION CONTROL EXPERT.

AYES: BENOIT, BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: No further action is required

### **Agenda Item #13 – Other Business**

Ray Gorski, MSRC Technical Advisor, commented there is new leadership on your MSRC-TAC. Gretchen Hardison, who has been your long-standing MSRC-TAC Chair, relinquished her gavel and now Mr. Dan York is the Chair. The Vice-Chair is Mr. AJ Marquez, a long-standing MSRC-TAC member. We are in the process of completing workshops for the new program development process for FYs 2018-2020. We have completed three workshops and have two more. The remaining workshops will be conducted next Tuesday: one at Riverside County Transportation Commission (RCTC) and one at San Bernardino County Transportation Authority (SBCTA) headquarters. We have had good participation and good dialogue to date. The next steps will be to gather all the information that has been provided to us from those individuals who participated, and plan your next Work Program Development Retreat. At the pleasure of the committee, staff will be reaching out to the Chairman to determine potential dates and venues. We will keep all members apprised of the progress. July 1<sup>st</sup> is the start of your new two-year Work Program.

### **PUBLIC COMMENT PERIOD**

Public comments were allowed during the discussion of each agenda item. No comments were made on non-agenda items.

**ADJOURNMENT**

There being no further business, the MSRC meeting adjourned at 2:26 p.m.
