**Meeting Minutes Approved**

The MSRC unanimously approved the minutes of the January 18, 2018 meeting. Those approved minutes are attached for your information (*Attachment 1*).

**FYs 2016-18 Natural Gas Infrastructure Program**

The MSRC approved release of Program Announcement #PA2017-07 under the FYs 2016-18 Work Program. The Program Announcement, with a targeted funding level of \$4.0 million, provides funds for new and expanded natural gas stations, as well as for the upgrade of existing vehicle maintenance facilities and technician training. Stations will be eligible for up to 50 percent of station capital equipment, site construction, signage, and reasonable project management costs, not to exceed the specified maximum award amounts. The maximum MSRC funding per project varies from \$100,000 to \$275,000 depending upon whether the applicant is a public or private entity, accessibility level of the proposed project, and the number of fuels offered. Additionally, projects may be eligible for a \$100,000 bonus if they commit to use at least 50% renewable natural gas for a minimum of five years. The RFP includes an open application period commencing with its release on June 2, 2017, and closing June 30, 2018. To date, the MSRC has approved awards totaling \$418,500 in response to this solicitation. The MSRC approved two additional contract awards totaling \$448,000 as part of the FYs 2016-18 Work Program: (1) Omnitrans in an amount not to exceed \$83,000 to modify their vehicles maintenance facility and train technicians; and (2) City of Gardena in an amount not to exceed \$365,000 to install a new limited access CNG

station supplied with renewable natural gas, modify their maintenance facility and train technicians. These contract awards will be considered by the SCAQMD Board at its March 2, 2018 meeting.

**FYs 2016-18 Major Event Center Transportation Program (PA2017-05)**

As part of its FYs 2016-18 Work Program, the MSRC allocated \$5,000,000 for event center transportation programs and released Program Announcement #PA2017-05. The Program Announcement solicits applications from qualifying major event centers and/or transportation providers to provide transportation service for venues not currently served by sufficient transportation service. To date, the MSRC has awarded a total of \$2,335,573. The MSRC considered recommendations concerning an additional application submitted by Metro. Metro requested the MSRC to consider an award of \$1,324,560 to provide special express bus service, as well as special Metrolink service for select games, for 2018. Service would be provided by CNG buses between Union Station and Dodger Stadium for all Dodger home games as well as up to two special events, providing service from at least 90 minutes prior to each event until at least 45 minutes after the game ends or 20 minutes following a special event, whichever is later. In addition, special Metrolink trains would be added in support of “cross-town rivalry” games versus the Los Angeles Angels of Anaheim. For these games, trains would depart from Oceanside and arrive at Union Station, enabling patrons to utilize the bus service to access Dodger Stadium. Service would promote the use of public transit, including bus and rail, in lieu of personal automobile. Elimination of traffic congestion, especially reductions in automobile stop and go driving and queuing, has a direct link to reduced vehicle exhaust emissions. Metro and the Los Angeles Dodgers would contribute at least \$1,687,875 in co-funding. In accordance with the Program terms, Metro would only seek reimbursement for rail trips performed using Tier 4 locomotives. The MSRC approved a contract award to Metro in an amount not to exceed \$1,324,560 as part of the FYs 2016-18 Work Program to implement the 2018 Dodger Stadium Express service. This contract award will be considered by the SCAQMD Board at its March 2, 2018 meeting.

**FYs 2016-18 Local Government Partnership Program**

The MSRC approved the release of Local Government Partnership PON2018-01 under the FYs 2016-18 Work Program. The Invitation to Negotiate (ITN), with a targeted funding level of \$21,180,650, focuses on providing funds for projects to support SCAQMD’s 2016 AQMP. Cities and counties which have opted into the AB 2766 motor vehicle registration surcharge fee program are eligible to participate. The majority of participants would be allocated maximum funding equivalent to their annual AB 2766 Subvention Fund allocation; however, those whose annual Subvention Fund allocation is less than \$50,000 would be eligible to receive a maximum of \$50,000, and the maximum allocation for any single city or county would be \$3,000,000. MSRC funding could be used for light-duty zero emission vehicle purchases and leases; medium- and heavy-duty zero emission vehicle purchases, near-zero emission heavy-

duty alternative fuel vehicle purchases and repower, electric vehicle charging station installation, and construction or expansion of alternative fuel refueling infrastructure, subject to match funding requirements as outlined in the ITN. Additionally, those jurisdictions eligible for a maximum contribution of \$50,000 would have the option to pursue traffic signal synchronization, bicycle active transportation, and first mile/last mile strategies. The ITN includes an open application period commencing with its release on September 1, 2017, and closing March 2, 2018. The MSRC previously approved awards totaling \$217,541 in response to this solicitation. The MSRC unanimously approved an award to the City of Artesia, in an amount not to exceed \$50,000, for the installation of electric vehicle charging infrastructure as part of the FYs 2016-18 Work Program. This contract award will be considered by the SCAQMD Board at its March 2, 2018 meeting.

### **FYs 2014-16 Local Government Match Program**

As part of the FYs 2014-16 Work Program, the MSRC awarded the City of Wildomar \$500,000 towards the installation of bicycle lane improvements along approximately 5.2 miles of roadway. The contract to effectuate the project lapsed on November 1, 2017. In January 2018, the City submitted a request to complete the project. They indicated that the process of obtaining necessary approvals from Caltrans for the project's co-funding took longer than anticipated, and resulted in award of construction on November 8, 2017. They are confident that the bicycle lanes can be completed in June 2018. The MSRC considered and approved a 12-month replacement contract in the amount of \$500,000 as part of the FYs 2014-16 Work Program.

At this time, the MSRC requests the SCAQMD Board to approve the contract awards as part of approval of the FYs 2014-16 and 2016-18 AB 2766 Discretionary Fund Work Programs as outlined above. The MSRC also requests the Board to authorize the SCAQMD Chairman of the Board the authority to execute all agreements described in this letter. The MSRC further requests authority to adjust the funds allocated to each project specified in this Board letter by up to five percent of the project's recommended funding. The Board has granted this authority to the MSRC for all past Work Programs. This contract award will be considered by the SCAQMD Board at its March 2, 2018 meeting.

### **Local Government Partnership Program**

A number of the eligible participants under the Local Government Partnership Program have indicated that they cannot secure the necessary City Council/Board actions in time for the Program's March 2, 2018 submission deadline. The MSRC approved extending the deadline to August 2, 2018.

### **Contract Modification Requests**

The MSRC considered two contract modification requests and took the following actions:

1. For City of Long Beach, Contract #ML09036, which provides \$875,000 to purchase 35 Natural Gas Refuse Trucks, a six-month contract term extension, due to additional delays associated with the switch from LNG to CNG for the final 14 trucks; and
2. For Riverside County Transportation Commission (RCTC), Contract #MS14059, which provides \$1,250,000 to implement various signal synchronization projects, a 25-month contract term extension, due to unforeseen delays in the planning and environmental phases of two projects.

### **Contracts Administrator's Report**

The MSRC's AB 2766 Contracts Administrator provides a written status report on all open contracts from FY 2004-05 through the present. The Contracts Administrator's Report for January 3 through January 24, 2018 is attached (Attachment 2) for your information.

**ACTION CALENDAR**  
**FYs 2016-18 WORK PROGRAM**

**Agenda Item #10 – Consider Funding for Applications Received under the Natural Gas Infrastructure Program**

Cynthia Ravenstein, MSRC Contracts Administrator reported as part of the FYs 2016-18 Work Program, the MSRC allocated \$4 million for implementation of new and expanded CNG and LNG refueling stations, modification to vehicle maintenance facilities, and technician training. Two awards were previously approved under this category, and two additional applications have been reviewed and recommended for approval: (1) The City of Banning for \$225,000 to expand their existing public accessible CNG station, and (2) The City of Norwalk for \$75,000 for modifications to their vehicle maintenance facility to accommodate the maintenance of gaseous fueled vehicles. The MSRC-TAC has recommended approval of the awards totaling \$300,000.

ON MOTION BY MSRC MEMBER BEN BENOIT AND SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE MSRC UNANIMOUSLY VOTED TO APPROVE AWARDS TO THE CITY OF BANNING FOR \$225,000 AND THE CITY OF NOWALK FOR \$75,000.

AYES: BENOIT, BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

**ACTION:** This item will be considered by the SCAQMD Board at its meeting on February 2, 2018.

**Agenda Item #11 – Consider Funding for Application Received under the Major Event Center Transportation Program**

Ray Gorski, MSRC Technical Advisor reported this is a proposal which has been received under the FYs 2017-18 Major Event Center Program for special train service to the Auto Club Speedway in support of the NASCAR event which will be held on March 18, 2018. The amount of the funding request is \$87,764. The MSRC for the past few years has partnered with the Auto Club Speedway and Southern California Regional Rail Authority (SCRRA) to implement this type of service. This proposal has attributes which are similar to the prior successfully implemented programs. There will be three special trains that are going to depart from Oceanside, Oxnard, and Lancaster stations and provide round-trip service to the Auto Club Speedway. One change from prior years, is that for the first time the service will deploy Tier 4 locomotives which have a substantial reduction in air pollutants compared to the previously utilized Tier 2. We are expecting this program will achieve substantial quantitative air quality benefits. The outreach, promotion, and marketing will be similar to prior years and it is rather extensive. Ridership has been a little lower for the past couple of years, not significantly, on the order of 5%. SCRRA and their staff have been doing additional outreach to ensure that the trains have as many passengers that they can accommodate. Typically, there are greater than 2,000

patrons which utilize this service, we're expecting that amount to either remain steady or increase. The service is implemented at no cost to the riders, it is included in the price of the ticket that they purchased for the NASCAR race.

MSRC Member Greg Winterbottom noted with the use of Tier 4 locomotives, as you helped pushed early on at Metrolink, I think it is going to be a major plus for our air quality. With the price included in the ticket, I don't understand the decrease in ridership, are they not doing enough marketing? It is like our bus to the fair, we can't keep enough buses running because you park right outside the gate and you get \$2 off to get in the fair for \$2 or something like that. Mr. Gorski replied we had this conversation with Metrolink staff, the Auto Club Speedway does not charge for parking on-site and most of the people who attend NASCAR are car buffs; a lot of them like to drive their own cars. That's something that needs to be highlighted. The draw here is to reduce emissions not only generated directly by the automobile trips but the additional emissions created from idling on the freeway for hours due to the severe congestion.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM AND  
SECONDED BY MSRC MEMBER MICHELE MARTINEZ, THE MSRC  
UNANIMOUSLY VOTED TO APPROVE AN AWARD TO SOUTHERN  
CALIFORNIA REGIONAL RAIL AUTHORITY FOR \$87,764.

AYES: BENOIT, BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL  
SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

**ACTION:** This item will be considered by the SCAQMD Board at its meeting on February 2, 2018.

### **Agenda Item #12 – Consider Funding for Applications Received under the Local Government Partnership Program**

Cynthia Ravenstein, MSRC Contracts Administrator reported these are the first applications coming for your consideration under your Local Government Partnership Program. The MSRC set aside over \$21M in specific allocations for every participant in the AB 2766 Subvention Fund Program, it is a total of 162 potential participants between cities and the four counties. We have had inquiries from a lot of entities and we are working with The Better World Group, your outreach coordinator, to do a last push to make certain that everybody is aware of the opportunity. We have received four applications: (1) the City of Hidden Hills, light-duty zero emission vehicles and charging infrastructure; (2) City of Colton, one medium and one heavy-duty vehicle; (3) City of Signal Hill, EV charging infrastructure; and (4) City of Desert Hot Springs, traffic signal synchronization. There is a subset of categories that are only open to the smaller entities that are going to receive the minimum of \$50,000 and the City of Desert Hot Springs is one of those. They are opting to go with traffic signal synchronization. The MSRC-TAC recommends approval of the four awards, totaling \$217, 541.

MSRC Alternate Michael Carter asked for clarification, in the discussion section, it talks about the maximum allowable funding for small cities is \$50,000, the City of Colton is not a small city? Ms. Ravenstein replied, right, they are coming close to, if not exactly at, their allocation

which is \$67,000.

MSRC Member Greg Winterbottom questioned what is the dollar for dollar match? Ms. Ravenstein applied it depends on the category that they selected. The baseline for most of the categories is a dollar for dollar match but for a publicly accessible 24-hour electric vehicle charging station, the MSRC will pay 75% of the equipment and installation cost. For a limited access CNG station, the MSRC will only pay 25% of the cost. It is set forth for each particular category but the baseline is 50% for the majority of the categories.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND  
SECONDED BY MSRC MEMBER BEN BENOIT, THE MSRC  
UNANIMOUSLY VOTED TO APPROVE AWARDS TO THE CITIES OF  
HIDDEN HILLS, COLTON, SIGNAL HILL AND DESERT HOT SPRINGS  
TOTALING \$217,541.

AYES: BENOIT, BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL  
SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

**ACTION:** This item will be considered by the SCAQMD Board at its meeting on February 2, 2018.

### **Agenda Item #13 – Consider Work Plans Received under the CTC Partnership Program**

Ray Gorski, MSRC Technical Advisor reported that under the CTC Partnership Program, the MSRC set aside \$8,000,000 to implement projects that have the ability to improve mobility and reduce air pollutant emissions. The funding goes directly to each of the four County Transportation Commissions in equal amounts, \$2,000,000 per CTC. The MSRC authorized this program back in the November time frame and we have received our first application from the Riverside County Transportation Commission (RCTC). They are seeking to utilize their \$2,000,000 set aside for two elements: (1) \$500,000 to implement new weekend freeway service patrol, and (2) \$1,500,000 to implement a new vanpool subsidy program.

Relative to the \$1,500,000 Vanpool Program, this will implement up to 224 vanpools, which are going to be serving employment sites. This will include 60 vanpools under the new CalVans JPA partnership, as well as 164 traditional employer vanpools. The program is designed to help buy down the monthly cost of the van lease and the recommendation is to provide a subsidy of 50% not to exceed \$400 per month per vanpool. This will continue until all of the funding is exhausted. This is targeting workers that have long commutes and a minimum of 7 people per van, with a maximum of 15 people per van. This was reviewed by the TCM Subcommittee, there was nothing that they felt was in conflict with the requirements which are stipulated in the Invitation to Negotiate. The TCM Subcommittee and the MSRC-TAC are recommending the MSRC award \$1,500,000 to RCTC to implement the Vanpool Subsidy Program.

The RCTC is looking to implement Weekend Freeway Service Patrol along two very congested corridors in Riverside County: (1) referred to as Beat 4, a FSP terminology, it's going to be the Magnolia Avenue interchange at the 60/91/215 interchange; and (2) Beat 8 is going to be Central

Avenue at I-215 FWY at Alessandro Blvd. These are very congested beats and if there is a collision it often times has some congestion which last longer than the actual length of that traffic incident. Having freeway service patrol on the weekends will help reduce this recurrent traffic congestion which results from a freeway incident. The amount of funding requested is \$500,000. One thing that was pointed out during the MSRC-TAC meeting, when the analysis was done, a 3rd party analysis, which is done to look at the cost benefit of a freeway service patrol beat, both of these were viewed as having very favorable cost benefit on the order of 7 to 1. Which is a very good value, more than twice of what the state requires. The MSRC-TAC recommends to approve \$500,000 for Weekend Service Patrol to be implemented on two beats within Riverside County. This amount will take the full \$2M allocated to RCTC.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND  
SECONDED BY MSRC MEMBER BEN BENOIT, THE MSRC  
UNANIMOUSLY VOTED TO APPROVE AN AWARD TO RIVERSIDE  
COUNTY TRANSPORTATION COMMISSION FOR \$2,000,000.

AYES: BENOIT, BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL  
SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

**ACTION:** This item will be considered by the SCAQMD Board at its meeting on February 2, 2018 meeting.
