Online Payment Options

The following options are available:

- To pay electronically, view or print an existing invoice (on an existing Facility ID) for annual fees, emissions fees, Hot Spots fees, additional permit processing fees, etc. – go to https://xappprod.aqmd.gov/CC_OnlinePayment/onlineinvoicepayment/invoicepayment_collect_fac_Info and enter the Fac ID number and any valid invoice number (paid or unpaid) associated with that Facility ID. A list of all outstanding invoices will be displayed.
- To pay electronically, or create and print a Voucher to pay new permit application fees (even if a Facility ID does not yet exist), or to add permit fees to an existing application – Go to <https://xappprod.aqmd.gov/icafe/startcafe.aspx>
- To purchase annual Clean Air Awards tickets/tables, paying electronically and/or to generate an invoice – go to: https://xappprod.aqmd.gov/CAA_ReserveMVC/CreateVoucher/VoucherInfo
- If an invoice is needed, and it doesn't fall into either of the two above categories, a Headquarters Invoice (H invoice) might be the solution, depending on the situation. H Invoice requests should be directed to LGuevara@aqmd.gov (909-396-2042) and she will work with the appropriate Finance staff to determine if that is the proper route to take.

Note: The District is also working on expanding electronic payment/invoicing capabilities for other fees, such as training classes, CPP fees, online asbestos notification filings and Rule 1415 registrations, etc.
