INSTRUCTIONS FOR ELECTRONIC PARTICIPATION

Instructions for Participating in a Virtual Meeting as an Attendee

As an attendee, you will have the opportunity to virtually raise your hand and provide public comment. Before joining the call, please silence your other communication devices such as your cell or desk phone. This will prevent any feedback or interruptions during the meeting.

Please note: During the meeting, all participants will be placed on Mute by the host. You will not be able to mute or unmute your lines manually. After each agenda item, the Chair will announce public comment. A countdown timer will be displayed on the screen for each public comment. If interpretation is needed, more time will be allotted.

Once you raise your hand to provide public comment, your name will be added to the speaker list. Your name will be called when it is your turn to comment. The host will then unmute your line.

Directions for Video ZOOM on a DESKTOP/LAPTOP:

- If you would like to make a public comment, please click on the “**Raise Hand**” button on the bottom of the screen. This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for Video Zoom on a SMARTPHONE:

- If you would like to make a public comment, please click on the “**Raise Hand**” button on the bottom of your screen. This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for TELEPHONE line only:

- If you would like to make public comment, please **dial *9** on your keypad to signal that you would like to comment.

Agenda Item #2: Draft 2022 Air Quality Management Plan Overview

Ms. Brittany Gallivan presented an update on the Draft 2022 Air Quality Management Plan (2022 AQMP).

Ms. Ana Gonzales asked how South Coast AQMD is working with EPA to improve the Clean Air Act. Mr. Alatorre stated that to open the Clean Air Act to modification would mean facing serious lobbying against tightening regulation. Ms. Lisa Tanaka O'Malley stated South Coast AQMD has been involved in many legislative efforts to continue strengthening the goals and implementation of the Clean Air Act.

Ms. Gonzales asked how the AQMP might overlap with the CARB Scoping Plan in order to achieve target emission reductions. Ms. Gallivan stated the South Coast AQMD works with CARB in developing both the AQMP and the Scoping Plan.

Mr. Jose Trinidad Castañeda requested more future updates on implementation of hydrogen fuel cell technology. Ms. Tanaka O'Malley stated the upcoming Agenda Item #3 would include updates on fuel cell implementation in drayage trucks, and future updates would continue to be shared.

Agenda Item #3: Zero Emission Drayage Truck Projects

Ms. Patricia Kwon provided an update on Zero Emission (ZE) Drayage Truck Projects.

Mr. Trinidad Castañeda asked about the challenges facing the permitting processes for ZE Truck programs and whether there were any legislative efforts at the state efforts to push greater implementation. Mr. Alatorre stated any decisions regarding the South Coast AQMD's position on legislation is up to the Governing Board, but many opportunities were open to pursue. Ms. Kwon listed many efforts and partners helping to better communicate program updates and availability to target demographics.

Ms. Roxana Barrera asked about funding opportunities for small businesses. Ms. Kwon stated that incentive opportunities were available for small fleets and small businesses.

Mr. Jack Symington invited members to contact him if interested in being part of the workforce development aspect of the project.
