MEMORANDUM OF UNDERSTANDING
SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT
AND
TEAMSTERS LOCAL 911
CONCERNING THE EMPLOYEES IN THE TECHNICAL AND ENFORCEMENT
AND OFFICE CLERICAL AND MAINTENANCE UNITS

ARTICLE 1

RECOGNITION

Section 1. Pursuant to the provisions of the Employee Relations Resolution of the South Coast Air Quality Management District (hereinafter called “AQMD”) and applicable State law, the Teamsters Local 911 (hereinafter the “Union”) was certified on April 25, 1996, by the Executive Officer as the exclusive bargaining representative of employees in the Office Clerical and Maintenance and Technical and Enforcement Units (hereinafter referred to as “Units”) established in the Employee Relations Resolution.

The term “employee” or “employees” as used herein shall refer to employees employed by AQMD in the Office Clerical and Maintenance and Technical and Enforcement Units in the employee classifications comprising these Units as listed in Appendices A-B, as well as such classes as may be added hereinafter to said Units by the Executive Officer.

Section 2. Exclusive Recognition. AQMD agrees that it shall recognize the Union as the exclusive representative of the employees in said Units for the purpose of meeting its obligations under the Meyers-Milias-Brown Act, Government Code Section 3500 et seq., and Employee Relations Resolution when AQMD rules, regulations, or laws affecting wages, hours, or other terms and conditions of employment are amended or changed.

Section 3. Employee Rights. The parties mutually recognize and agree to protect the rights of all employees hereby to join or participate in protected Union activities or to refrain from joining or participating in protected Union activities in accordance with the Employee Relations Resolution and Government Code Sections 3500 and 3511.
ARTICLE 2

NONDISCRIMINATION

Section 1. AQMD and the Union agree that they shall not discriminate against any employee because of race, color, sex, age, national origin, political or religious opinions or affiliations, religion, marital status, disability, or sexual orientation. AQMD and the Union shall reopen any provision of this Agreement for the purpose of complying with any final order of a federal or State agency or court of competent jurisdiction requiring a modification or change in any provision or provisions of this Agreement in compliance with State or federal antidiscrimination laws.

Whenever the masculine gender is used in this Memorandum of Understanding (MOU), it shall be understood to include the feminine gender.

ARTICLE 3

SALARIES

Section 1. Salaries during the term of this contract will be those in effect on the start of the pay period encompassing January 1st of 2018, 2019, and 2020, as listed in Appendices A and B.

Section 2. Subject to Salary Resolution Section 12(e), the employee’s step advancement pay will be implemented on the employee’s Anniversary Date, in accordance with Section 15 of the of the Salary Resolution, unless the Deputy Executive Officer or the employee’s department notifies Human Resources of the need to deny or defer the step advancement pay.

ARTICLE 4

WORKING OUT-OF-CLASS

Section 1. SCAQMD may work employees out of classification. No employee shall be worked out of class for more than 180 consecutive calendar days per assignment. With approval from Human Resources, a working out-of-class assignment may be extended up to an additional 60 consecutive calendar days. Employees who have completed a working out-of-class assignment shall not be eligible for another working out-of-class assignment in the same job classification for 90 calendar days. It is not SCAQMD’s intent to work employees out-of-class as defined below without appropriate compensation. If an employee works out-of-class for more than 80 work hours, the employee shall receive the pay for the classification worked beginning with the first day of the working-out-of-class assignment.

Section 2. For purposes of this Article, working out-of-class means that an employee is assigned, by management and with Executive Officer approval, to perform significant distinguishing duties of the higher classification a majority of the time in a vacant position allocated to his or her division or in a substitute position to replace an employee on long-term leave of absence (but not to replace employees on vacation leave). To the extent practicable, working out-of-class opportunities will be advertised within the organizational unit having the vacancy, and the qualifications of employees who respond will be considered prior to working out-of-class appointment being made.
ARTICLE 4

WORKING OUT - OF CLASS

Section 3. Any employee assigned and receiving the compensation of higher-level classification under the provisions of this Article shall not receive any other compensation or continuous service credit as provided for under Sections 19 and 20 of AQMD’s Salary Resolution. Under no circumstances shall a working out-of-class assignment be considered a temporary appointment.

Section 4. Any employee assigned to working-out-of-class status must meet the minimum requirements for the higher-level classification at the time of appointment. Human Resources must review and approve all working out-of-class assignments prior to an out-of-class appointment being made. Human Resources shall notify the Union of each working out-of-class assignment approved within the Teamsters represented bargaining units, including the name of the employee selected for the assignment and the date the assignment began.

Section 5. Employees who believe they have been assigned by management to perform the significant distinguishing duties of a higher classification a majority of the time, excluding vacation replacement assignments, who have not been placed in a working-out-of-class status with working-out-of-class pay as authorized under this provision, may file a written request with the Designated Deputy over Human Resources for review of the assigned duties. Human Resources will have 3 weeks to review requests. At the end of the 3-week period, employees may either be returned to duties within their classification or, if Human Resources determines requirements for working out of class pay are met and the Executive Officer approves the assignment, they will begin earning the pay of the higher classification after working for 80 hours in the assignment.

ARTICLE 5

WORK WEEK

Section 1. The work week shall consist of four 10-hour days within a 7 calendar day period. Work days will be Tuesday through Friday except that management may designate alternative work days for individual employees when operational needs require it.

This work schedule shall be applied to all employees unless specifically exempted by management.

Employees may choose, subject to management approval, to start work as early as 6:30 a.m. and to end work as late as 7:00 p.m.

Employees shall be entitled to two paid 15-minute rest breaks (one during the first half of the shift and one during the second half of the shift) and a 30-minute unpaid meal period in a work day. The meal period must be scheduled to begin between the fourth hour of the shift and the sixth hour of the shift. Management reserves the right to schedule rest breaks and meal period times within the time frames described above. Rest breaks or meal
ARTICLE 5

WORK WEEK

periods may be scheduled outside of these time frames upon mutual agreement of the employee and management. A 60-minute unpaid meal period may be allowed upon mutual agreement of employee and management.

Section 2. Employees exempted for a medical condition from the 4/10 work schedule referenced above will work a minimum of four 8-hour days per week. Management has the discretion, based on operational needs, to permit an employee to have a work schedule consisting of five 8-hour days within a 7 calendar day period. Those working a 4/8 schedule may apply earned leave time (vacation, compensatory time, sick leave, etc.) to receive up to full pay for an 80-hour pay period. Nothing contained herein shall be construed as guaranteeing to any employee a minimum number of hours per day, days per week, weeks per year, or any other guarantee of work.

Section 3. AQMD shall give an employee reasonable advance notice of any change in the employee’s regular work week.

NOTE: Reasonable advance notice shall be defined as 10 business days’ written notice to the affected employee for any change in the employee’s regular work week, except in cases of emergency.

ARTICLE 6

OVERTIME
(Compensatory Time)

Section 1. All employees shall be entitled to compensatory time for all paid hours in excess of 40 hours within the employee’s work week. Compensatory time shall be earned at the rate of 1-1/2 hours of compensatory time for each 1 hour of overtime worked. Time paid for but not worked during the employee’s regular work week shall be counted toward the computation of overtime. Compensatory time for overtime worked shall be accumulated in 1/4 hour per day increments. If an employee works less than 1/4 hour per day of overtime, the employee shall not receive compensatory time.

Section 2. Accumulated compensatory time not taken off in the calendar year in which it was earned may be carried over indefinitely to subsequent calendar years.

Section 3. Payment Upon Termination. Upon termination from AQMD service, an employee shall, in accordance with the law, be paid a lump sum payment for his or her unused, accumulated compensatory time off; however, no payment shall be made for unused compensatory time exceeding 240 hours. Such lump sum payment shall be computed by multiplying the employee’s unused compensatory time (up to 240 hours) by his or her regular hourly rate at date of termination.
ARTICLE 6

OVERTIME (Compensatory Time)

Section 4. Usage of Compensatory Time Off Previously Earned.

a. Accumulated compensatory time off may be taken by an employee upon reasonable notice and prior approval of management.

b. Accumulated compensatory time shall be taken off by an employee when directed by management, but only when an employee has accumulated more than 40 hours of compensatory time and subject to the following: On each occasion when an employee has accumulated more than 40 hours of compensatory time, management may direct the employee to reduce his or her accumulated compensatory time balance to as low as 20 hours, either by taking time off or receiving paid overtime at the straight time rate. Once directed to reduce his or her compensatory time balance, the employee shall choose to either take compensatory time off or receive paid overtime at the straight time rate.

Should the employee in this status elect to take compensatory time off, management will give an employee at least 10 days’ notice prior to the date compensatory time is directed by management to be taken.

In approving and directing compensatory time off, management will, as far as practicable, attempt to accommodate employee convenience to the degree possible in light of the operational requirements of the division.

Section 5. All employees who work more than 10 hours in any 24-hour period (or more than 8 hours if working an 8-hour-per-day schedule) shall be entitled to compensatory time for those excess hours. Said compensatory time shall be earned at the rate of 1-1/2 hours of compensatory time for each 1 hour worked past 10 in a day (or 8 if working a 5/8 schedule). This compensatory time shall be granted irrespective of the hours paid or worked within the employee’s work week and his/her status under the FLSA except that no more than 240 hours of compensatory time may be accumulated by persons subject to the FLSA.

Section 6. Employees working on a holiday shall receive, in addition to regular pay for that day, time-and-one-half (1-1/2) compensatory time or time-and-one-half (1-1/2) pay for all holiday hours worked, at the employee’s option. Their compensation shall be irrespective of the number of hours the employee worked during that week.

ARTICLE 7

OVERTIME (Paid Overtime)

Section 1. An employee, at the time of request, may opt to be paid for any overtime worked at the rate of 1-1/2 times his or her hourly rate, minus any bonuses, or may have said time added to his or her compensatory time balance at the rate of 1-1/2 hours of compensatory time for every 1 hour of overtime worked.
ARTICLE 7

OVERTIME
(Paid Overtime)

Section 2. Employees may opt to be paid overtime for all hours worked in excess of 40 in 1 week, whether required or voluntary overtime work. “Hours worked” will be calculated as provided for by the FLSA, 29 U.S.C. S 201, et seq., and shall include fixed holidays. Hours worked also includes time for which persons are compensated but do not actually work, including but not limited to sick leave, vacation and floating holidays.

Section 3. Any employee required to work on Sunday shall receive overtime pay at 1-1/2 times their regular rate of pay for all hours worked on that day regardless of the number of days or hours worked in the work week. This will be the case irrespective of how many hours of accumulated overtime the employee had on the books prior to the Sunday he was required to work.

Section 4. Nothing herein is intended to limit or restrict the authority of AQMD to require any employee to perform overtime work.

Section 5. Notwithstanding Sections 1 and 2 above, all employees who work more than 10 hours in any 24-hour period (or more than 8 hours if working an 8-hour-per-day schedule), may opt to be paid for those excess hours. Payment shall be at the rate of 1-1/2 times the regular rate of pay for employees subject to the FLSA. This payment shall be granted irrespective of the hours paid or worked within the employee’s workweek.

Section 6. Employees working on a holiday shall receive, in addition to regular pay for that day, time-and-one-half compensatory time or time-and-one-half pay for all holiday hours worked, at the employee’s option. Their compensation shall be irrespective of the number of hours the employee worked during that week.

Section 7. AQMD shall utilize good management practices in assigning overtime work and, as part of such practices, shall consider such factors as the appropriate staff and classification level for performing the work, assigning overtime within the group that regularly performs the work, equitable distribution of overtime among staff, and operational needs.

ARTICLE 8

(Differential for Night Service)

Section 1. Differential For Night Service.

a. For purposes of this section only:

(1) An evening shift is a regularly established work shift at least 1/2 of which falls between the hours of 4 p.m. and 11 p.m.

(2) A night shift is a regularly established work shift at least 1/2 of which falls between the hours of 9 p.m. and 8 a.m.
ARTICLE 8
DIFFERENTIAL FOR NIGHT SERVICE
b. A $2.00-per-hour bonus shall be paid to employees for each hour they work during an evening or night shift, except as otherwise provided herein.

ARTICLE 9
STANDBY PAY
(Salary Resolution, Section 24, “Standby Pay”)

Section 1. Standby Pay. When authorized, a $3.00-per-hour payment will be paid to any person assigned regularly scheduled periods of standby service at off-duty times.

Employees who are required to stand by must be available to return to duty with minimal delay, which may or may not require travel to SCAQMD headquarters or another location. Employees on standby shall not be considered to be inconvenienced or have their normal activities restricted if they are required to be available to respond to phone calls or text messages by mobile phone, or are required to be available to respond to pages or emails.

When an employee on standby service is required to return to duty, the employee shall receive Call-Back pay, in accordance with Article 10.

Section 1.1. Assignment. Assignment of standby service at off-duty times shall be on a voluntary basis. If no volunteers are available for standby service in a department for at least 30 days, SCAQMD and the Union will meet to discuss options to resolve the lack of standby service in that department.

Section 2. Off-Hours Standby Complaint and Breakdown Assignment Program Policy. For the term of this agreement, Engineering and Compliance will maintain the Off-Hours Standby Complaint and Breakdown Assignment Policy agreed to on August 20, 1999.

ARTICLE 10
CALL-BACK PAY
(Salary Resolution, Section 25, “Call-Back Pay”)

Section 1. Call-Back Pay.

a. Whenever employees are unexpectedly ordered to return to duty because of unanticipated work requirements, such return to duty shall be deemed to be a call back if the order to return to duty is given to the employee following termination of his or her normal work shift and departure from the work location, and such return occurs within 24 hours of when the order is given but not less than 2 hours before the established starting time of the employee’s next regular shift.
ARTICLE 10

An employee on standby service shall receive Call-Back pay when required to return to duty, in accordance with Section 1.b below.

CALL-BACK PAY

b. Any employee in a full-time permanent position shall receive call back pay as follows:

(1) If the order to return to work requires travel to District headquarters or to another location to do the work,
   (a) a minimum payment equal to 4 hours of pay at time-and-one-half (1-1/2) the employee’s regular rate, or
   (b) a minimum payment equal to 4 hours of compensatory time at time-and-one-half (1-1/2) to be added to his or her balance.

(2) If the order to return to work does not require travel to District headquarters or to another location to do the work,
   (a) a minimum payment equal to 2 hours of pay at time-and-one-half (1-1/2) the employee’s regular rate, or
   (b) a minimum payment equal to 2 hours of compensatory time at time-and-one-half (1-1/2) to be added to his or her balance.

(3) If the total number of hours worked during the return to duty exceeds the minimum payment, the employee shall receive compensation at time-and-one-half (1-1/2) for all hours worked. As an alternative, the employee may opt to receive compensatory time hours at time-and-one-half (1-1/2) the employee’s regular rate for all hours worked. The compensatory time and overtime provisions of this section shall apply regardless of the compensatory time balance of the employee prior to being called back.

The term “regular rate” shall be as defined by the FLSA.

c. Whenever an employee is unexpectedly ordered by his or her supervisor to return to duty as provided above, but such return occurs less than 2 hours before the established starting time of the employee’s next regular shift, it shall be deemed an early shift start, and the employee shall be compensated at overtime rates for any overtime worked as a direct result thereof.

Section 2. Off-Hours Standby Complaint and Breakdown Assignment Program Policy. For the term of this agreement, Engineering and Compliance will maintain the Off-Hours Standby Complaint and Breakdown Assignment Program policy agreed to on August 20, 1999.
ARTICLE 11  

(Administrative Code, Section 110)

MILEAGE ALLOWANCE

Section 1. Mileage Permittee. A mileage permittee is any person traveling on AQMD business in his or her own private vehicle who claims mileage reimbursement. Such person’s eligibility for mileage permittee status is established by the approval of the mileage claim by his or her director.

Section 2. Rules for Filing Mileage Claims. The Chief Financial Officer is hereby authorized to establish procedures governing the preparation, filing, and payment of mileage and parking reimbursement claims.

Section 3. Mileage Permittee Insurance Requirements. The mileage permittee’s act of signing a mileage/parking reimbursement claim signifies that he or she has the automobile insurance or bond coverage required by the State of California. To so falsely state coverage will be grounds for disciplinary action.

Section 4. Mileage Rates. Beginning January 1, 2000, the rate shall be adjusted annually by the Chief Financial Officer based on the Internal Revenue Service Standard Mileage Rate.

Section 5. Mileage Eligibility for Reimbursement. Mileage permittees will be allowed to claim reimbursement for only the business mileage traveled each day in excess of that from their home to their designated headquarters and return. However, if a mileage permittee does not report to his or her headquarters location during the business day while conducting AQMD business which requires driving, he or she will be entitled to full reimbursement for actual miles traveled on business that day; i.e., no deduction will be made for the home-to-headquarters round trip. For purposes of mileage reimbursement, a headquarters location will be established for each mileage permittee by his or her director. Reimbursement will not be made if an AQMD pool car is available and the mileage permittee elects to drive his or her own private vehicle.

Section 6. Extra Trip Mileage. Whenever a mileage permittee is ordered to return to his or her duties from home after regular working hours, mileage will be allowed from and return to home.

Section 7. Mileage on Weekends and Other Non-Work Days. Mileage permittees working on weekends or holidays or on their regularly scheduled day off under a 4/10 work schedule may claim mileage reimbursement for the round trip from home to their work site, as well as any other mileage claimable under Section 5 above.
ARTICLE 11

With the approval of the respective Deputy Executive Officer, mileage may also be claimed by permittees attending AQMD-approved functions (such as seminars) on weekends, holidays, or a regularly scheduled day off under a 4/10 work schedule even if they are not in a paid status on these days. For these employees, mileage shall be computed as if the mileage permittee were in a paid status.

MILEAGE ALLOWANCE

Section 8. Reimbursement for Parking.
SCAQMD employees required to drive on SCAQMD business shall be entitled to reimbursement for actual expenses incurred for parking as a necessary part of official travel.

ARTICLE 12

(Administrative Code, Section 120)

TRAVEL EXPENSES

Section 1. Travel Expenses.
Expenses for travel shall be reimbursed in accordance with SCAQMD Administrative Code, Section 120.

ARTICLE 13

HAZARD PAY

Section 1. With the exceptions noted in Sections 4 and 5 below, employees who are assigned by management to assist in a specific hazardous assignment, as determined by management, shall receive a daily bonus for such work for the number of days actually assigned to the hazardous assignment during a pay period as follows:

<table>
<thead>
<tr>

<tr>

</tr>
<tr>
<td>9 days</td>
<td>$90.00</td>
</tr>
<tr>
<td>10 days</td>
<td>$100.00</td>
</tr>
</tbody>
</table>

The hazard pay shall not constitute a part of the employee’s base rate, but shall be a bonus for performing hazardous duties. Hazard pay shall be considered part of the regular rate for purposes of computing overtime.

Section 2. The bonus in Section 1 will be applied only when inspections or sampling activity occurs in an area where the wearing of breathing apparatus is mandatory because concentrations of toxic materials may be at such a high level that there would be adverse health effects experienced by the employee without the use of such equipment.
ARTICLE 13

HAZARD PAY

Section 3. In no event will the bonus be paid to Inspectors conducting routine inspections such as floating roof tank inspections or other inspections, which are normally assigned as part of a regular assignment except as provided in Section 2.

Section 4. Employees in the Monitoring & Analysis Division assigned to a field source test team will receive $20 per day effective July 6, 1992, those days that they actually participate in source tests.

Section 5. Effective February 24, 1997, employees in the Technical and Enforcement Unit participating on-scene in emergency response technical assistance activities during an Airborne Hazardous Materials Incident dispatched pursuant to the Governing Board-adopted policy will receive a $20-per-day hazard pay bonus.

ARTICLE 14

(Salary Resolution, Section 28, “Holidays”)

HOLIDAYS

Section 1. For the term of this Agreement, SCAQMD-paid holidays shall be:

a. July 4 (Independence Day)
b. The first Monday in September (Labor Day)
c. November 11 (Veteran’s Day)
d. The fourth Thursday and the following Friday in November (Thanksgiving)
e. December 25 (Christmas)
f. January 1 (New Year’s Day)
g. The third Monday in January (Martin Luther King, Jr.’s Birthday)
h. The third Monday in February (Presidents’ Day)
i. The last Monday in May (Memorial Day)

On each September 1 during the term of this Agreement, SCAQMD employees shall be granted 10 hours of floating holiday time (or 8 hours of floating holiday time if working an 8-hour-per-day schedule) in lieu of celebrating Admissions Day. On each February 1 during the term of this Agreement, SCAQMD employees shall be granted 10 hours (or 8 hours if working a 4/8 or a 5/8 schedule) of floating holiday time in lieu of celebrating Abraham Lincoln’s birthday.

Whenever any employee is unable to take such time off as provided by this section regarding floating holidays, such time may be carried over into the next succeeding calendar year during which year such time off must be taken or it is lost. However, if a pay period bridges two calendar years, an employee will have until the end of that pay period to take off floating holiday time before it is lost.
ARTICLE 14

Section 2. Paid Leave. Any employee who is employed on a biweekly basis shall be entitled to paid leave for holidays as defined by HOLIDAYS above, as follows:

a. 40-hour-per-week employees and employees exempted for a medical condition from the 4/10 work schedule who are regularly scheduled to work a minimum of four 8-hour days per week:

(1) Any employee working a 4/10 work schedule shall receive 10 hours of holiday pay for each said holiday.

(2) Any employee working a 4/8 or a 5/8 work schedule shall receive 8 hours of holiday pay for each said holiday.

(3) Whenever an employee’s regularly scheduled day off falls on a holiday, he or she shall be granted 10 hours of holiday earned time (8 hours if working a 4/8 or a 5/8 schedule).

b. Part-time Employees. Any part-time employee employed on a biweekly basis shall be allowed paid leave for each said holiday in the manner set forth in this Section, but in an amount equal to the fraction of 10 hours or 8 hours equivalent to the basis for compensating said position.

c. Holiday Earned.

(1) Whenever any employee is unable to take such time off as provided by section 2a.(3) above, such time may be accrued for up to 140 hours. Holiday earned accrual will resume at the beginning of the pay period immediately following the pay period in which the balance falls below 140.

Beginning January 1, 2018, or as soon as practicable, accrued holiday earned time will be tracked separately from accrued compensation time. Within 60 days from the effective date of the MOU, an employee may transfer up to 70 holiday earned hours accrued and unused during the previous 26 pay periods from the employee’s compensation time balance to the employee’s holiday earned balance.

(2) From the effective date of the MOU until March 31, 2018, any employee who has held a permanent full-time position for 26 consecutive pay periods shall have the option of selling back to SCAQMD up to 70 hours of holiday earned leave time accrued, and not used, during the previous 26 pay periods. VACATIONS

Section 1. Vacation Anniversary Date.

a. Full-time employees and employees exempted from the 4/10 work schedule for a medical condition who are regularly scheduled to work a minimum of four 8-hour days per week shall earn and be credited with vacation at the rate of .03846 hours for each hour of active service, exclusive of overtime, during their first year of service. Employees shall be granted neither vacation time off nor a vacation payoff at termination during this 1st year of service.

b. For purposes of this article, an employee’s vacation anniversary shall be the same as his or her continuous service date subject to adjustment within a pay period. This adjustment is necessary for determining a vacation accrual rate for persons having 4 or more years of continuous AQMD service. In these cases, when a continuous service date occurs within a pay period, the vacation anniversary date for that year only shall be the 1st day of the pay period.

Section 2. Vacation—One or More Years’ Service

VACATIONS

b. Notwithstanding any other provisions of this Agreement, any employee who was employed by AQMD on July 1, 1976, who on June 30, 1976, was an employee of a county and on the basis of his or her service was entitled to more vacation days than provided in Article 15, shall not have his or her vacation entitlement days reduced thereby.

Section 3. Hourly Employees.
Any employee who is employed by AQMD at least 3/4 time, over 60 hours per pay period, exclusive of overtime, shall accrue and be credited with vacation at the 2-week 80-hour rates. Each year thereafter he or she continues to be employed at least 3/4 time, he or she shall be entitled to vacation in accordance with the 2-week 80-hour vacation accrual rate.

Section 4. Vacation Upon Termination.
a. Any person who leaves the service of AQMD, who immediately prior to such separation shall have been in AQMD service for 1 year or more, shall be entitled to leaving vacation. Payment for such leaving vacation shall be made in a lump sum and shall be based on the number of working hours earned.

b. The lump sum payment upon termination shall be computed by multiplying the employee’s unused vacation hours by his or her regular hourly rate at the date of termination.

Section 5. Time of Taking Vacations.
Vacations may be taken in the year in which they are earned or in subsequent years. An employee may have more than 360 hours of accrued vacation through the end of the last pay period beginning in December. Employees whose vacation accrual balances exceed 360 hours by the end of the last pay period beginning in December may not accrue additional vacation until balances are lowered to 360 hours. Vacation accrual will resume at the beginning of the pay period immediately following the pay period in which the balance falls to 360 or less. Employees will be paid for all accrued vacation time at termination.

A Technical and Enforcement employee who has 360 hours of current and deferred vacation will be allowed to sell back up to 40 hours of vacation providing the employee has taken off at least 80 hours of vacation in the prior 12 months.

An Office Clerical and Maintenance employee who has 180 hours of current and deferred vacation will be allowed to sell back up to 40 hours of vacation, providing the employee has taken off at least 40 hours in the prior 12 months.

Once an employee has sold back vacation time, he may not do so again for another 26 biweekly pay periods. Employees hired after January 1, 2006, are not eligible to sell back vacation.

The committee will consist of 2 members from each bargaining unit, each union’s bargaining representative, 2 confidential employee representatives, 2 management representatives, the Designated Deputy over Human Resources, and Human Resources’ benefits manager and benefits analyst. The committee will meet quarterly and will provide recommendations to Human Resources on possible plan improvements and enhancements. Any benefit plan recommendations developed will be given full consideration by Human Resources in providing plans that meet AQMD employee needs at cost-effective rates. Plan changes resulting from committee recommendations will not open the contract to renegotiation of any provision.

Section 5. Skill-Based Pay. Employees hired after January 1, 2006, are not eligible to receive monthly skill-based pay. They are, however, eligible for bilingual pay in accordance with prevailing policy.

ARTICLE 17

Section 2. The total monthly contribution to be paid by SCAQMD for health, dental, life and vision insurance for employees shall be an amount not to exceed $1,401.92.

Section 3. SCAQMD shall pay an additional amount of $385.00 per month on behalf of each bargaining unit member directly to the health insurance providers, resulting in a reduction of premiums paid by employees.

Section 4. Employees may select from among medical, dental, life and vision insurance plans currently available, which include Kaiser, Blue Shield, PMI Dental, Delta Dental, Canada Life, and Medical Eye Services.

Any unused portion of the monthly contribution amount remaining after premiums have been paid for vision (if selected), medical, dental, and life insurance will be reimbursed as cash to the employee.
ARTICLE 17

Any amount necessary to fund insurance coverage in excess of amounts listed above for each contract year shall be the responsibility of the individual employee.

AQMD is authorized to deduct any amount necessary to maintain coverage of health, dental, life, and vision insurance in excess of the amounts listed above for each contract year by deducting the difference from the employee’s biweekly pay warrant.

AQMD agrees to an open enrollment period for the medical, dental, life, and vision insurance plans referenced above.

Section 5. Once eligibility for the plan is established, AQMD agrees to provide 1 long-term disability (LTD) plan option for employees to purchase at their own expense.

Section 6. The parties agree to establish a committee to explore having employees represented by Teamsters Local 911 participate in the Health Reimbursement Arrangement (HRA) adopted by the Governing Board on December 4, 2009. The committee will consist of two members of the OCM Unit, two members of the T&E Unit, as well as representatives from Human resources, Finance, and District Counsel. Any agreements regarding participation in the HRA will be incorporated into this MOU.

Section 7. No earlier than September 15, 2018 and September 15, 2019, the parties agree to a reopener of Article 17, Sections 2 and 3 of the MOU for purposes of discussing potential health insurance premium increases effective January 1, 2019 and January 1, 2020, respectively.

ARTICLE 18

IRS SECTION 125 PROGRAM

AQMD will establish an IRS Section 125 Program, which permits employees, under existing law, to use pre-tax dollars for premium conversion, medical reimbursements, and/or dependent care expenses. Effective calendar year 2013, the maximum amount of pay that can be redirected, tax free, to a flexible spending account for health care reimbursement is $2,500; this amount is subject to change pursuant to federal law in calendar year 2014.

ARTICLE 21

RETIREMENT

Section 1. Effective July 8, 1991, for employees who are active members of the San Bernardino County Employees’ Retirement Association (SBCERA) and who were hired prior to July 1, 1979, AQMD will pick up, on employees’ behalf, payment of 11.34 percent of the employee contribution rates established for AQMD by SBCERA’s actuary. For employees hired on or after July 1, 1979, AQMD will pick up, on employees’ behalf, payment of 6.49 percent of the employee contribution rates established for AQMD by SBCERA’s actuary. The remaining portion of an employee’s contribution rate will be withheld from the employee’s pay. Beginning December 13, 1999, employee retirement contributions will be withheld on a pretax basis, within Internal Revenue Service requirements.

Beginning January 2, 2006, employees in the Technical and Enforcement Unit will contribute an additional 3.25% of “pensionable” (as defined by SBCERA) earnings toward retirement and AQMD’s contribution will be reduced by this amount.

All new employees hired on or after July 1, 2012, shall pay the full General Membership Contribution Rate for their retirement through SBCERA.

A new employee hired on or after January 1, 2013, who was a prior member of SBCERA or another public retirement system and established reciprocity with SBCERA, or had a break in service of less than six months, shall pay their full General Membership Contribution Rate for their retirement through SBCERA. The employee’s rate is established by SBCERA, and varies depending upon age of entry into the pension system.
Pursuant to the California Public Employee Pension Reform Act of 2013, a new employee hired on or after January 1, 2013, who is being employed for the first time by any public employer, had a break in service of more than six months, or was employed by another public employer but not subject to reciprocity with SBCERA, shall pay the employee contribution rate as determined by SBCERA. (As of January 1, 2013, the rate is 7.75%, and is subject to change as determined by SBCERA’s actuary according to the most recently completed valuation.)

For employees in either unit hired after January 1, 2006, only the portion of the agency’s contribution toward benefits that is taken as cash is “pensionable,” i.e., is considered “compensation earnable” for retirement purposes.

Section 1.5. Effective the start of the pay period encompassing July 1, 2015, T&E members will contribute an additional 1.08% towards the employee retirement contribution rate and will receive a 1.08% increase to base salary. Effective the start of the pay period encompassing July 1, 2016, T&E members will contribute an additional 1.08% and will receive a 1.08% increase to base salary. Effective the start of the pay period encompassing July 1, 2017, T&E members will contribute an additional 1.08% and will receive a 1.08% increase to base salary. T&E members who have 30 years or more of retirement service credit with SBCERA, were hired on or after July 1, 2012, and those employees hired on or after the implementation of PEPRA are not eligible to receive these increases to base salary and are not required to make the additional contribution described above. At the time a T&E member reaches 30 years of SBCERA service credit, the salary increases to base salary previously received pursuant to this Section 1.5 shall be terminated and the employee’s base salary will be adjusted accordingly.

Effective the start of the pay period encompassing July 1, 2015, OCM members will contribute an additional 2.163% towards the employee retirement contribution rate and will receive a 2.163% increase to base salary. Effective the start of the pay period encompassing July 1, 2016, OCM members will contribute an additional 2.163% and will receive a 2.163% increase to base salary. Effective the start of the pay period encompassing July 1, 2017, OCM members will contribute an additional 2.163% and will receive a 2.163% increase to base salary. OCM members who have 30 years or more of retirement service credit with SBCERA, were hired on or after July 1, 2012, and those employees hired on or after the implementation of PEPRA are not eligible to receive these increases to base salary and are not required to make the additional contribution described above. At the time an OCM member reaches 30 years of SBCERA service credit, the salary increases to base salary previously received pursuant to this Section 1.5 shall be terminated and the employee’s base salary will be adjusted accordingly.
ARTICLE 21

RETIREMENT

Section 2. Effective July 1, 1991, for those employees who are active members of the Los Angeles County Employees’ Retirement Association (LACERA), employee contribution rates shall be 6.05 percentage points less than those determined in the most recent actuarial study. Irrespective of the employee contribution rate determined after applying this 6.05 percentage point reduction, those employees with less than 30 years’ retirement service credit shall pay a minimum of $1 per month in employee retirement contributions. Beginning January 2, 2006, employees in the Technical and Enforcement unit will contribute an additional 3.25% of “pensionable” (as defined by LACERA) earnings toward retirement and AQMD’s contribution will be reduced by this amount.

Section 3. Notwithstanding the provisions of Sections 1 and 2 above, it is the intent of the parties that there should be no increases in employee contributions to retirement based on actuarial studies in effect on July 8, 1991.

Section 4. A retirement contribution equivalency payment shall be made to certain employees who are members of the Los Angeles County Employees’ Retirement Association. This payment shall be made only to those employees who as of July 1, 1983, paid no retirement contributions by virtue of having been credited with 30 years of retirement service credit. These employees shall receive each biweekly pay period an equivalency payment equal to 3% of base salary. It is understood by the parties that this equivalency payment is in addition to base salary and not a part of it.

Section 5. In accordance with Internal Revenue Code, Section 3121 (b)(7)(f), employees who are not members of an AQMD-sponsored retirement system will be subject to the full FICA tax effective for services rendered after July 1, 1991. In the event the IRS Section 312(b)(7)(f) makes regular employees of AQMD subject to full FICA tax, the parties agree to reopen this section for the purpose of meeting and conferring.

Section 6. The Executive Officer will recommend the AQMD Board adopt a resolution that would enable full-time regular employees currently not paying Medicare taxes to elect, on a voluntary basis, to pay such taxes. With the Board’s approval, Medicare tax withholding and AQMD’s payment of its portion of the tax would begin as soon as administratively feasible, but no sooner than one year after the date the Board approves the resolution. The parties understand that, once a decision is made to have Medicare taxes deducted, that decision is irrevocable.

ARTICLE 22

(Salary Resolution, Section 44, “Injuries in the Course of Employment”)

LEAVES OF ABSENCE FOR SICKNESS OR INJURY

Section 1. Injuries in the Course of Employment.

a. Applicability of This Section. The provisions of this Section shall apply only to those industrial injury cases which the Workers’ Compensation Appeals Board determines to be compensable and only
for such period of time as the Workers’ Compensation Laws of the State of California require payment for temporary disability and shall cease when a person leaves AQMD service other than by FOR disability retirement.

b. Compensation and Benefits - Leaves of One Year or Less.
   (1) Any employee who is absent as a result of an industrial injury deemed compensable the Workers’ Compensation Appeals Board shall receive compensation equal to the difference between his or her salary and the sum of the benefits prescribed by the Workers’ Compensation Laws of the State of California and earnings from other employment, the total of which shall not exceed 65% of the base salary. Employees shall be eligible to receive such compensation above the benefits prescribed by Workers’ Compensation Laws of the State of California and earnings from other employment for a period of one year from the date of injury.

   (2) An employee who is granted a disability retirement allowance as a result of a compensable industrial injury before one year from the date of injury shall receive compensation equal to the difference between (1) his or her base salary, and (2) the sum of his or her retirement allowance, plus benefits provided under the Workers’ Compensation Laws of the State of California plus earnings from other employment, when such sum totals less than his or her base salary.

   (3) The benefits provided under the Workers’ Compensation Laws of the State of California referred to in c.(1) and (2) above shall not include payments made for hospital, surgical, and medical expenses or payments received as a result of permanent injury awards.

   (4) No deductions will be made from any vacation time, sick leave, or overtime previously accumulated by the employee while the employee is absent on a compensable industrial injury leave and for a period of time as defined in paragraph (1) above, except to the extent that the employee chooses to supplement his or her payments under paragraph (1) above with the charging of leave time. Such charging of leave time shall not be permitted to the extent that it results in the payment of more than 100% of salary or conflicts with section d below.

c. Compensation and Benefits – After 1 Year. An employee who is compelled to be absent as the result of a compensable industrial injury after 1 year from the date of injury may elect one of the following:

   (1) To receive only those benefits provided under the Workers’ Compensation Laws of the State of California.
ARTICLE 22

LEAVES OF ABSENCE
FOR SICKNESS OR
INJURY

(2) To receive the difference between sick leave pay which he or she would be entitled to receive pursuant to Section 3 below if his or her injuries had not arisen out of or in the course of his or her employment and Workers’ Compensation Benefits, plus earnings from other employment. Election of this alternative means that full deductions will continue to be made. When sick leave has been exhausted, the employee may elect to receive alternative (1) or (3).

(3) To use any previously earned vacation, full-pay sick leave, or overtime, in order to receive payment equal to the difference between his or her salary and Workers’ Compensation Benefits, plus earnings from other employment.

Election of this alternative means that full deductions will continue to be made. Upon expiration of all such benefits, the employee may elect to receive alternative (1) or (2) above.

d. Crediting Previously Used Vacation, Sick Leave, or Overtime. In the event an employee is absent due to an injury and the absence is charged to any previously earned vacation, sick leave, or accumulated overtime, and subsequently the injury is determined to be compensable by the Workers’ Compensation Appeals Board, such vacation, sick leave, or overtime shall be restored to the employee in accordance with subsection b(4). However, if full restoration of leave time were to result in an employee owing AQMD money, that employee shall have the option of choosing a partial restoration of leave time. The purpose of the partial leave time restoration shall be to remove the employee’s potential debt, if possible, without resulting in any additional payment to him or her. When different types of leave time are restored, restoration of each type of leave time shall be based on the percentage relationships among the various types of leave time charged during the period under consideration.

e. Limitations on Earning and Carry-over of Vacation, Sick Leave and Overtime. Employees who are absent under provisions of subsection c(1) of this section shall not earn any vacation or sick leave for the duration of such absence.

f. Leave With Pay for Medical Treatment. Leave with pay for medical treatment may be permitted for short periods of time when temporary disability payments pursuant to this section of the Labor Code are not made.

FOR SICKNESS OR INJURY

Section 2. The employee shall notify AQMD by Registered Mail of his or her address if changed from the address in the employee’s personnel record or if changed at any time during this leave of absence. The employee shall give AQMD reasonable notice in advance of the date of his or her return to work and shall, upon return to work, be assigned to his or her former position or a comparable position. Employee shall be physically able to perform the duties of his or her former position or comparable position in order to be returned to work, but AQMD shall make reasonable effort to place the employee in a position in which the employee is capable of performing to the same standard as other employees in that classification.

(Salary Resolution, Section 43, “Leave for Sickness or Injury”)

Section 3. Leave For Sickness or Injury.

a. Eligibility for Sick Leave.

(1) Except as provided in this section, any person holding a position created by this MOU shall be considered eligible for sick leave as provided hereby, and may utilize such sick leave when compelled to be absent because of disability resulting from sickness, injury, or pregnancy.

b. Sick Leave at Full Pay - General Provisions.

(1) Effective February 24, 1997, all full-time eligible employees and eligible employees exempted for a medical condition from the 4/10 work schedule who are regularly scheduled to work a minimum of four 8-hour days per week shall accrue 3.8462 working hours of sick leave at full pay for each pay period of continuous service, as long as the 4-day work week is in effect. In the event a 5-day work week is established, the accrual rate will be 3.6924 hours of sick leave per pay period. Other less than full-time employees shall earn a pro-rated amount based on the number of hours they are regularly scheduled to work per pay period.

(2) Effective February 24, 1997, for the first 12 months of any industrial or non-industrial leave of absence, employees will continue to accrue sick leave benefits at the rate of 3.8462 hours per pay period (3.6924 if a 5-day work week is established). In the case of all other leaves of absence, sick leave accrual rate for represented employees will be earned on each hour of paid time only, exclusive of overtime. Employees who are on industrial or non-industrial leave of absence beyond 12 months shall accrue sick leave on each hour of paid time only, exclusive of overtime.
ARTICLE 22

Employees in the Technical and Enforcement Unit hired after September 1, 1980, may accumulate sick leave at full pay to a maximum of 960 hours.

(5) Sick leave at full pay shall be deemed used in the reverse order in which it was earned; that is, the most recently earned sick leave time shall be used first.

c. Sick Leave at Full Pay - Special Provisions.

(1) In addition to other authorized uses, an employee may use accrued sick leave at full pay for:

(a) Non-emergency medical or dental care, or

Such lump sum shall be computed by multiplying the hourly rate at the date of termination by the sick leave balance which results from the sum of:

(a) All unused sick leave at full pay accumulated prior to January 1, 1971; plus

(b) 1/2 of all unused sick leave at full pay accumulated on or after January 1, 1971.
ARTICLE 22

Employees in the Office Clerical and Maintenance Unit hired after July 1, 1980, and employees in the Technical and Enforcement Unit hired after September 1, 1980, shall receive a lump sum payment calculated in the same manner as other employees, except payment shall be made only upon a nondeferred retirement. A nondeferred retirement shall be defined as a retirement for which the employee’s effective date of retirement immediately follows his or her termination from AQMD service.

(3) When an employee with at least 5 years of continuous service who holds a permanent full-time position or who has been exempted for a medical condition from the 4/10 work schedule who is regularly scheduled to work a minimum of four 8-hour days per week is granted a maternity leave of absence, she may elect to receive all or part of the benefits set forth in c(2) above as if said employee were terminating.

(4) Any employee who is reinstated pursuant to these rules shall be entitled to have restored to him or her any previously earned and unused full-pay sick leave not previously paid for pursuant to the above.

(5) Any employee who has held a permanent full-time position for 26 pay periods and has not used more than 20 hours of his or her accrued sick leave during the 26 pay periods constituting a payroll year shall have the option of selling back to South Coast AQMD 40 hours of unused sick leave and carrying over the remainder of accrued sick leave earned. For purposes of this section, the payroll year shall be understood to begin with the pay period applicable to the first pay day in January and end with the pay period applicable to the last pay day in December. Prior to the start of the payroll year, but no earlier than December 1, employees will be notified of the start date of the first pay period for the next payroll year and the requirements to remain eligible to sell-back up to 40 hours of unused sick leave for the next payroll year. In order to be eligible for such a sell-back, the employee must have earned 96 hours of sick leave during the payroll year.

In order to be eligible to sell back sick leave time, the employee must notify South Coast AQMD of his or her intention no later than February 15 of each year with respect to sick time accrued the previous year. Said notification shall be made in the manner prescribed by management.

d. Limitation on Sick Leave.

entitled to sick leave benefits, except as may be provided in paragraph e.

(2) A person who is compelled to be absent because of sickness or injury, or for non-emergency medical or dental care, may elect to take time off on vacation or compensatory time from overtime or holidays worked rather than sick leave.

(3) No compensation shall be paid under this Section for any period in excess of the time such person has been in AQMD service.

(4) Sick leave compensation for persons employed on an hourly basis shall be computed on a 5-day work week basis of 40 hours, unless such person actually works more than 5 days per week (40 hours).

e. Continuous Absences Due to Illness or Injury.

(1) In addition to the sick leave benefits to which an employee is entitled under paragraphs a through d of this section, the Executive Officer may grant to an employee on continuous absence because of sickness or injury, if said employee has exhausted all sick leave benefits to which said employee is otherwise entitled, no more than 2 additional years of benefits as provided for in paragraphs a through d above; provided, however, no compensation shall be paid under this section for any period of time in excess of the time such person has been in AQMD service. In exercising his or her discretion, the Executive Officer may require a medical reevaluation of the employee’s medical condition.

(2) A person on a continuous absence because of sickness or injury whose leave begins in one calendar year and extends into the next calendar year shall continue to receive compensation for any remaining sick leave in the next calendar year until such sick leave has been exhausted. Such person shall not be allowed additional sick leave, except as provided in paragraphs (1) and (2) in this subsection.

f. Part-Pay Sick Leave. Notwithstanding any other provisions of this MOU, any employee who was employed by AQMD on July 1, 1976, who on June 30, 1976, was an employee of a county and on the basis of his or her service was entitled to part-pay sick leave, shall be entitled to the same amount of part-pay sick leave as he or she was entitled to on June 30, 1976.

g. Employees in their probationary period shall be entitled to take sick leave on the same basis as other employees.
ARTICLE 22

LEAVES OF ABSENCE FOR SICKNESS OR INJURY

Section 4. Leaves of Absence for Non-Industrial Illness, Injury, or Pregnancy. All employees who have completed their probationary period and in the event of non-industrial illness, injury, or pregnancy may be granted a leave of absence without pay for a period of up to 12 calendar months. AQMD may require medical evidence of such non-industrial illness, injury, or pregnancy necessitating such leave of absence. AQMD agrees that such time off may be extended in writing by mutual agreement between AQMD and the employee. In order to remain on leave of absence for non-industrial illness, injury, or pregnancy, the employee may be called upon to present AQMD with a licensed physician’s certificate verifying that such non-industrial illness, injury, or pregnancy is continuing to disable the employee from performing his or her duties.

In addition, the employee is required to notify AQMD by Registered Mail of his or her address within 60 calendar days if there is a change of address from the last address in AQMD’s personnel files. Any employee returning to work shall give AQMD reasonable advance notice of the date of return to work and such employee shall be assigned, upon return to work, to his or her former position or to a comparable position. AQMD shall not be required to reinstate any employee who is physically unable to perform the necessary duties of such position, but AQMD shall make reasonable effort to place the employee in a position in which the employee is capable of performing to the same standard as other employees in that classification.

(Salary Resolution, Section 47, “Proof of Absence”)

Section 5. Proof of Absence. Any employee absent due to sickness, injury, pregnancy, quarantine, non-emergency medical, or dental care, or on any of the leaves provided for in Article 23 may be required, before such absence is authorized or payment is made, to furnish a doctor’s certificate or other proof satisfactory to his or her appointing authority that his or her absence was due to such causes. AQMD shall not unreasonably require medical certification as proof of absence.

ARTICLE 23

OTHER LEAVES OF ABSENCE

Section 1. Bereavement Leave. Apart from full-pay sick leave provisions, any employee employed in a full-time permanent position who is compelled to be absent from duty because of the death of his or her father, mother, stepfather, stepmother, mother-in-law, father-in-law, sister, brother, spouse, children or stepchildren, grandmother, grandfather, grandchildren, or domestic partner (subject to AQMD domestic partner certification requirements) shall be allowed the time necessary to be absent from work at regular pay for not more than (3) working days in any fiscal year for each occurrence. AQMD may require reasonable proof, satisfactory to AQMD, of such absence upon return and before payment is made, that the absence was due to such cause.
ARTICLE 23

OTHER LEAVES
OF ABSENCE

Section 2. Employee Organizational Leave. AQMD agrees to permit not more than 1 employee of AQMD in any calendar year to take leave without pay or benefits of any kind for a period of up to 1 calendar year to work for the Union. The employee must give management reasonable advance notice of his or her intent to take such leave and shall give AQMD reasonable notice of not less than 2 calendar weeks of the date upon which the employee intends to return to AQMD employment. The employee must return to work for AQMD by not later than 1 calendar year from the date of taking the leave of absence, or he or she shall be deemed to have resigned. The employee shall be returned to his or her former position or a comparable position.

Section 3. Examinations. Any employee shall be allowed time necessary to be absent from work at his or her regular pay to participate in examinations for positions within AQMD.

Section 4. Jury Duty. Effective February 14, 1997, employees in full-time positions and employees exempted for a medical condition from the 4/10 work schedule who are regularly scheduled to work a minimum of four 8-hour days per week ordered to serve on a jury shall be allowed the necessary time to be absent from work for a maximum of 8 work days (i.e., two 4-day work weeks) per calendar year at their regular pay, provided they deposit with AQMD any fees received for jury service time that falls on a regularly scheduled work day. Employees required by the court to perform jury service for more than 8 work days in a calendar year may present a hardship request to the Designated Deputy over Administrative & Human Resources to receive pay for the additional service days.

Section 5. Military Leave. Any employee who has minimum of one 1 year of service shall be allowed a military leave of absence with pay in accordance with the policy below and with applicable provisions of law, including, but not limited to, those contained in this MOU and the California Military and Veterans Code.

Temporary Duty.

Any employee who is a member of the reserve corps of the Armed Forces, National Guard, or Naval Militia shall be entitled to temporary military leave of absence for the purpose of active duty in accordance with federal and State law. Employees meeting the above one year employment requirement shall be entitled to receive their regular salary or compensation for the first 30 calendar days of any such temporary leave, in addition to their military pay, as provided for in the Military and Veterans Code. Pay for such purpose shall not exceed 30 days in any one fiscal year and shall be paid only for the employee’s regularly scheduled workdays.

Employees eligible to receive the 30 calendar day military leave compensation as stipulated by law shall, in addition, receive the difference between their regular AQMD salary and their military salary starting on the
ARTICLE 23

OTHER LEAVES OF ABSENCE

31st calendar day of military leave. This additional compensation shall continue for up to 690 calendar days of active military service beyond the 30 days provided for in this section. During this 690-day period, AQMD will continue vacation, sick leave, holiday, salary step advance, and other benefits as if there were no interruption of AQMD service on the part of the employee. These provisions apply to employees who have been employed by AQMD for at least one year immediately prior to the date such leave begins.

Pay under this subsection shall only be paid once, for a maximum of 720 days for each leave, and shall only be paid for the employee’s regularly scheduled work days.

This compensation provision applies only to active military duty and does not include an employee’s attendance at weekend reserve meetings or drills. Employees must use their own time to attend such meetings.

Should the meetings unavoidably conflict with an employee’s regular working hours, the employee may use vacation or holiday leave, leave without pay, or other leave time, except for regular sick leave. Employees who are called in for a medical examination to determine physical fitness for military duty may also use vacation leave, leave without pay, or other leave time. The 30-day compensation provision also applies to an employee on military leave other than temporary military leave who is ordered into active military duty or is inducted, enlists, or is otherwise called into active military duty.

A copy of military orders must accompany the request-for-leave form. Employees should note that the Accidental Death and Dismemberment (AD&D) policy contains a war exclusion. Employees who are eligible for military leave compensation will be placed on a leave of absence with right of return to their positions or to comparable positions.

Section 6. Witness Leave. Full-time permanent employees required to be absent from work by a subpoena properly issued by a court or an agency or commission legally empowered to subpoena witnesses, which subpoena compels their presence as a witness, except as a party or as an expert witness, shall be allowed the time necessary to be absent from work at their regular pay to comply with such subpoena, provided they deposit their fees received for such service with AQMD.

Full-time permanent employees required by ordinance, rule, or charter to be absent from work to represent themselves at an administrative proceeding at which their individual employment or pay status is at issue, shall be allowed the time necessary to be absent from work at their regular pay.

“Time necessary to be absent from work,” as used in this section, does not include any time during which the employee is “on call” or his or her presence in a proceeding is not required.
Section 7. Catastrophic Leave. Effective January 11, 1998, employees may request paid catastrophic leave for personal emergencies once they have exhausted all their own available paid leave time (with the exception of organ donations).

If approved, paid leave time will be drawn from a combined catastrophic leave fund comprised of paid vacation time donated by members of the Technical Enforcement and Office Clerical and Maintenance bargaining units. Donations of leave time shall be permitted from one bargaining group or unrepresented employees to another bargaining group. Catastrophic leave requests must be approved by the joint bargaining unit-management committee established to review catastrophic leave requests.

Effective the last pay period beginning in December 2005, bargaining unit members may donate accrued leave hours (except for sick leave) in excess of 200 hours. Donations may be made twice yearly, during the last pay period that begins in December and during the first pay period that begins in July, or during any other pay period in the year, as needed, with the approval of the Executive Officer. The dollar value of donated hours in the fund will be computed by multiplying the number of hours donated by the employee’s current regular hourly pay rate. Employees drawing paid leave time from the fund will draw at their current regular hourly pay rate. The catastrophic leave fund balance may not exceed $50,000.

Section 8. An employee selected to be a bone marrow donor shall utilize up to five days of accrued leave, and for an organ donation up to two weeks (8 business days) of accrued leave, before AQMD shall pay the employee’s regular pay for up to the maximum leave of absence for an organ donation of thirty (30) business days. Payment satisfying the requirements of this section shall come from the AQMD Catastrophic Leave Fund.

Section 9. In addition to the above provisions, employees shall be entitled to leaves pursuant to the Family and Medical Leave Act, 29 U.S.C. §§ 2601-2654, and/or the California Family Rights Act, Cal. Gov’t Code 12945.2.

(Salary Resolution, Section 46, “Restoration of Salary or Earned Paid Leaves of Absence”)

Section 1. Restoration of Salary or Earned Paid Leaves of Absence.

a. In the event employees are ordered to absent themselves from the job based on probable cause and it is subsequently determined by a finding of the Executive Officer or designee that cause did not exist for the ordered absence, employees shall have restored to them any paid leaves of absence against which such absence may have been charged, and they shall be granted a retroactive leave of absence with pay for the time during which they were prohibited from performing the duties of their positions, less any compensation paid to them by AQMD during such ordered absence.
ARTICLE 24

b. In the event an employee is reduced, suspended, and/or discharged and upon appeal the Hearing Officer does not sustain such reduction, suspension, and/or discharge, the employee shall be entitled to his or her base rate of salary, vacation, and sick leave as if such unsustained reduction, suspension, or discharge had not been invoked. However, in no event shall an employee be entitled to any salary or credit for vacation and sick leave for any period of time covered by a suspension sustained by the Hearing Officer, or for any period of time waived by the employee as a condition to the granting of a continuance of his or her hearing.

c. If during absences for which employees are paid pursuant to this section, they earned any money which they would not have earned had they continued to perform the duties of their positions, such sums shall be deducted from the salary otherwise payable to them pursuant to this Section.

ARTICLE 25

SAFETY AND HEALTH

Section 1. AQMD and the employees of AQMD agree to comply with all applicable federal and State laws, which relate to health and safety.

Section 2. AQMD will make every reasonable effort to provide and maintain a safe and healthy place of employment.

Section 3. In accordance with law, SCAQMD will provide safety equipment where required by law or regulations for the safe performance of assigned duties. Employees to whom such equipment is issued will wear or use the equipment when required and each will be responsible for the equipment issued. Employees shall adhere to SCAQMD rules regarding the use, maintenance, and replacement of safety equipment. Employees requiring such equipment will notify SCAQMD and SCAQMD will provide the necessary equipment.

Employees required to wear safety shoes will receive an allowance for a single expenditure of up to either 1) $110 per year or 2) $155 per 2-year period. Employees in Administrative Office units required to wear safety shoes will receive an allowance for a single expenditure of up to $200 per year.

Section 4. The parties agree to eliminate smoking from all areas inside AQMD facilities and to designate smoking areas outside AQMD facilities, as determined by management.
ARTICLE 26

(Administrative Code, Section 162, “Employee Parking”)

EMPLOYEE PARKING

Section 1. AQMD shall, consistent with its present practice, provide employee parking as far as practicable.

Section 2. Once a month, bargaining unit employees who rideshare and who qualify under rules in effect in the 1988-1991 MOU, except those designated by management as ineligible because of their SCAQMD vehicle assignments, will be paid $25. All employees are eligible to receive either this payment or rideshare incentive payments.

ARTICLE 27

TRAINING

Section 1. Management and the Union recognize the importance of training employees covered by this Agreement. Management agrees to continue divisional in-service training programs that management considers effective and of significant value to AQMD and to employees covered by this Agreement. Management agrees to make information concerning any new in-service training programs available to employees and, upon request, to the Union.

Section 2. Tuition Reimbursement. The objective of the program is to aid employees in career development within the scope of SCAQMD service.

The Executive Officer, or designee, shall administer SCAQMD’s Tuition Reimbursement Program. Tuition reimbursement will apply to any class taken to qualify for a degree, if that degree is pursued to meet the minimum requirements for another classification for which the employee plans to apply. Classes that are job related or of benefit to SCAQMD will be reimbursed whether or not they apply to a degree. Applications for tuition reimbursement must be reviewed and approved by the employee’s director.

An employee of SCAQMD, who has been appointed to a full-time permanent position, is eligible to apply for tuition reimbursement. Employees must successfully pass courses with a grade of “C” or better (or a “pass”, if a “pass/no pass” system) in order to be reimbursed. Effective for classes beginning February 14, 1997 to December 31, 2017, employees eligible for tuition reimbursement shall be entitled to receive a maximum of $1,250 per calendar year. Under no condition will the amount exceed $1,250 per calendar year. Effective for classes beginning January 1, 2018, or later, employees eligible for tuition reimbursement shall be entitled to receive a maximum of $2,250 per calendar year. Under no condition will the amount exceed $2,250 per calendar year.

The necessary financing for reimbursement of employees shall be determined by SCAQMD’s Board in the annual budget.
ARTICLE 27

TRAINING

Section 3. Individual employees may request approval to attend specific job-related seminars or courses relevant to their professional development for the mutual benefit of the employee and AQMD. Such requests must be submitted in writing through the employee’s immediate supervisor and are subject to approval by the employee’s Designated Deputy and the Designated Deputy over Administrative and Human Resources.

ARTICLE 28

EMPLOYEE PAYCHECKS

Section 1. The Union acknowledges that AQMD administers the payroll system on behalf of employees. The Union further acknowledges that errors may occur in the processing of warrants and that AQMD is limited to correct such errors by the system so implemented.

Section 2. Pay Period. The Union acknowledges that AQMD has implemented a biweekly pay system that provides 26 paydays within a calendar year. The Union further acknowledges that paydays will be alternate Wednesdays, 10 calendar days after the close of each pay period.

Section 3. Underpayments and Errors. Within limitations set forth in Section 1 above, management will endeavor to rectify, as far as practicable, a significant underpayment or error on an employee’s payroll warrant. Such correction shall be made within 3 calendar days of issuance of warrant, exclusive of Saturdays, Sundays, Mondays, and legal holidays, upon request of the affected employee through the payroll section of AQMD.

Management will endeavor, within the limitations set forth in Section 1, to rectify significant underpayments or errors on an employee’s payroll warrant issued for extraneous pay, such as overtime, special bonus, etc., within 1 calendar day of issuance of warrant, exclusive of Saturdays, Sundays, Mondays, and legal holidays, upon request by the affected employee through the payroll section of AQMD.

Section 4. Management will attempt to make termination payoffs on the next regular payday following termination, but no later than 15 business days from the date of termination.

ARTICLE 29

Section 2. Except in emergencies, or where AQMD is required to make changes in its operations because of the requirements of law, whenever the exercise of management’s rights shall impact on employees of the bargaining units, AQMD agrees to meet and confer with representatives of the Union regarding the impact of the exercise of such rights, unless the matter of the exercise of such rights is provided for in this MOU or in Personnel Rules, Salary Resolution, and Administrative Code, which are incorporated into this Agreement. By agreeing to meet and confer with the Union as to the impact and the exercise of any of the foregoing AQMD rights, management’s discretion in the exercise of these rights shall not be diminished.

Section 3. Contracting Out. Should AQMD decide to permanently contract out any work presently being performed by bargaining unit employees resulting in any displacement of AQMD employees, AQMD shall meet and confer with the Union over the impact of such contracting out and discuss placement of those employees displaced by such permanent contracting out.

ARTICLE 30

EMPLOYEE ORGANIZATIONAL RIGHT AND RESPONSIBILITY

Section 1. Dues Deduction. AQMD shall make deductions in accordance with Article 46. AQMD shall submit such funds to the Union with Article 46. AQMD shall submit such funds to the Union within 10 days following the deductions.

Section 2. Indemnification. The Union agrees to hold AQMD harmless and indemnify AQMD against any claims, causes of action of lawsuits arising out of the deductions or transmittal of such funds to the Union, except the intentional failure of AQMD to transmit moneys deducted from employees to the Union pursuant to this Article.
ARTICLE 30
EMPLOYEE ORGANIZATIONAL RIGHTS AND RESPONSIBILITY

Section 3. Financial Statement. The Union agrees to make available to AQMD, within 60 days of the end of the Union’s fiscal year, a detailed written financial report of its financial transactions in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer or by a certified public accountant. A U.S. Department of Labor’s Labor Management-2 report shall be deemed to meet this requirement.

ARTICLE 31
EMPLOYEE LIST AND NEW HIRE ORIENTATION

Section 1. Pursuant to Government Code sections 3555-3559, SCAQMD shall provide the Union with the name, job title, department, work location, work, home, and personal cellular telephone numbers on file, personal email addresses on file, and home address of any newly hired employee in its bargaining unit within 30 days of the date of hire or by the first pay period of the month following hire, whichever is sooner.

Section 2. Pursuant to Government Code sections 3555-3559, SCAQMD shall provide the Union with the name, job title, department, work location, work, home, and personal cellular telephone numbers on file, personal email addresses on file, and home address of all employees in its bargaining unit at least every 120 days.

Section 3. Temporary Employees. AQMD may use workers supplied by a temporary employment agency to meet short-term work needs. Workers supplied by temporary employment agencies are employees of the temporary employment agency and not of AQMD. Temporary employment agency employees who are assigned work performed by classes within the Technical & Enforcement and the Office Clerical & Maintenance bargaining units, except as noted below, shall be limited to a length of service with AQMD of up to 6 months, with the option of one 6-month extension at management’s discretion. Temporary employment agency employees may be re-assigned to perform different work throughout their service, but this will not extend the length of service beyond the one-year maximum.

Temporary employment agency workers may be used to perform the duties of a regular employee on long-term leave for the entire duration of such leave and, therefore, the parties agree that the limitations set forth in this agreement will not apply in those situations.

In April and October of each calendar year, Human Resources shall provide to the Union a list of the names of temporary employees performing Teamsters represented bargaining unit work, work assignment (including if it is filling in for a permanent employee), and the start date.
ARTICLE 31

Section 4. New Hire Orientation. As part of the onboarding process, new hires will be provided release time to attend a new hire orientation by the Union. The scheduling of the new hire orientation will be by mutual agreement between the Union and Human Resources.

ARTICLE 32

UNION VISITATION RIGHTS

Section 1. Authorized Union representatives may be given access to work locations during working hours to conduct grievance investigations and observe working conditions. An authorized representative desiring access to a work location hereunder shall state the purpose of his or her visit and request the Director of Administrative and Human Resources’ authorization at least 24 hours before the intended visit, unless the parties mutually agree to waive notice. While at AQMD facilities, the Union representative shall agree to observe the same security, conduct, and safety rules and regulations of AQMD as other visitors and shall not unduly interfere with the performance of work by any employee or group of employees. The Union shall give the Designated Deputy over Administrative and Human Resources and other affected designated deputies a written list of all authorized representatives, which list shall be kept current by the Union. Access to work locations will only be granted to Union representatives on the current list. Locations where Union representatives may be granted permission to enter shall include, and be limited to, all AQMD property locations where employees are employed.

ARTICLE 33

BULLETIN BOARDS

Section 1. AQMD will furnish bulletin board space on 1 existing bulletin board at each facility where there are 5 or more employees who are represented by the Union. At headquarters, AQMD will furnish enclosed, locked bulletin board space on each floor.

The bulletin boards shall be used for the following subjects only:

a. Union recreational, social, and related Union news bulletins

b. Scheduled Union meetings

c. Information concerning Union elections and the results thereof

d. Reports of official Union business, including Union newsletters or reports of committees or the Board of Directors

e. Any other written material which first has been approved and initialed by the designated AQMD representative at each facility.
**ARTICLE 33**

BULLETIN BOARDS

The designated AQMD representative must either approve or disapprove a request for posting within 24 hours, excluding Saturdays, Sundays, and legal holidays, from the receipt of the material and the request to post it.

The designated AQMD representative shall not unreasonably withhold permission to post.

Human Resources will provide Chief Stewards keys to enclosed Union bulletin boards. Chief Stewards will be responsible for submitting all postings to Human Resources for approval as to appropriateness one workday in advance. Human Resources will make every effort to expedite approval when an emergency posting is requested. Misuse of bulletin boards will result in loss of the Union steward’s privilege to possess a bulletin board key.

**ARTICLE 34**

STEWARDS

Section 1. AQMD agrees to recognize five stewards selected by the Union for each Bargaining Unit, one of which in each Bargaining Unit will be appointed by the Union to act as chief steward to be the primary Union contact at AQMD for management on labor-management issues.

Stewards shall recognize that they have regular full-time duties as employees of AQMD and shall conduct themselves in accordance with the requirements imposed upon all employees of AQMD.

The Union shall have the responsibility to notify AQMD in writing of the names of its duly authorized stewards and chief stewards. AQMD shall have no obligation to recognize or deal with any employee as a steward or chief steward unless he or she has been designated by the Union in writing.

While on AQMD time, the duties of the stewards shall be limited to assisting an employee, upon request of the employee, in filing and processing a grievance.

Stewards shall spend only the time necessary to expeditiously carry out their functions as stewards and shall not unduly restrict or interfere with the performance of their own duties.

Stewards may leave their immediate work locations to perform these duties; however, stewards shall first obtain permission from their immediate supervisor to leave the area and shall inform the supervisor of the reason for their leaving the area. The supervisor shall be responsible for maintaining time records of the amount of time stewards spend in the performance of their steward duties.

The Union and AQMD agree to review the amount of time spent by stewards in the performance of their duties on a biannual basis, to determine whether
ARTICLE 34
STEWARDS

the stewards are observing the provisions of this Article.

Upon entering a work location, a steward shall inform the supervisor in charge of the area of the nature of his or her business.

The steward shall minimize the amount of interference with AQMD work in the performance of his or her duties.

At any time, AQMD may request to consult with the Union regarding the application of this procedure.

Stewards shall not log compensatory time, overtime, or premium pay time for time spent performing any function as a steward.

Stewards shall represent employees on grievable matters within their assigned office only. In cases when someone other than the Union is representing a grievant, or the grievant is a steward, and the grievance is directly related to the MOU provisions, a member of the Union’s Board for the applicable bargaining unit may attend the grievance hearing.

Steward Training. Union stewards will be allowed one AQMD-paid day per year to attend Union-provided training on the duties and responsibilities of Union stewards. The Union agrees to permit 5 members of AQMD management to attend the same steward training session.

ARTICLE 35

NO STRIKE – Section 1. Prohibited Conduct.

a. The Union, its officers, agents, representatives, and/or members agree that during the term of this Agreement they will not cause or condone any strike, walkout, slowdown, sick-out, or any other job action by withholding or refusing to perform services.

b. AQMD agrees that it shall not lock out its employees during the term of this Agreement.

c. Any employee who willfully participates in any conduct prohibited in paragraph a. above shall be terminated by AQMD.

d. If the Union fails, in good faith, to perform all responsibilities listed below in Section 2.a, AQMD may pursue such legal remedies as may be available under the Employee Relations Resolution and the law.
ARTICLE 35

Section 2. Union Responsibility.

a. In the event the Union, its officers, agents, representatives, or members engage in any of the conduct prohibited in Section 1.a above, the Union shall, upon written notice sent to the Principal Authorized Agents of the Union, immediately instruct persons engaging in such conduct that their conduct is in violation of this MOU and they must immediately cease engaging in conduct prohibited in Section 1.a above and return to work.

b. If the Union performs all of the responsibilities set forth in Section 1.a above in good faith, the Union, its officers, agents, and/or representatives shall not be liable for damages for prohibited conduct performed by employees covered by this Agreement who are in violation of Section 1 above.

ARTICLE 36

Section 1. Definition of a Grievance. A grievance shall be defined as a timely complaint by an employee or group of employees or the Union concerning the interpretation or application of specific provisions of this MOU or of the Rules and Regulations governing personnel practices or working conditions of AQMD. Line grievances involve complaints relating to actions or decisions by line supervisors. Administrative grievances relate to actions or decisions by other than line supervisors, e.g., by Human Resources or Finance staff.

No employee shall suffer any reprisal because of filing or processing of a grievance or participating in the grievance procedure.

On group grievances, a maximum of two employees may represent employees involved.

Grievance matters by employees represented by the Union must be reviewed and processed by the Union prior to submission to the grievance procedure.

Employees shall have the right of representation by a Union steward at the 1st through the 3rd steps of the line grievance process, and at the 1st and 2nd steps of the administrative grievance process.

The parties agree that no settlement of any grievance shall in any manner whatsoever change, alter, or amend specific provisions of this Agreement or any provisions of the Personnel Rules and Regulations of AQMD.

Section 2. Business Days. Business days means calendar days exclusive of Saturdays, Sundays, Mondays, and legal holidays recognized by AQMD.
ARTICLE 36

GRIEVANCE AND HEARING OFFICER PROCEDURE

Section 3. Time Limits for Filing Written Formal Grievances. Every effort should be made to resolve grievances informally before formal action is taken. However, any delay in completing the informal grievance process shall not extend the time for filing a formal grievance. The time limits for filing written formal grievances shall be strictly construed, but may be extended by mutual agreement evidenced by a written request signed by a duly authorized representative of AQMD and the grieving party. Failure of the grieving party to comply with any of the time limits set forth hereunder shall constitute a waiver and bar further processing of the grievance. Failure of AQMD to comply with the time limits set forth in this Article shall automatically move the grievance to the next level in the Grievance and Hearing Officer Procedure. The grieving party may request the assistance of the Union in presenting a grievance at any level of review or may represent himself or herself. Grievances shall be presented on AQMD time.

Section 4.

a. Step 1. Line Grievance. Immediate Supervisor. An employee must first attempt to resolve a line grievance by meeting and discussing the grievance with his or her immediate supervisor without undue delay. Every effort shall be made to find an acceptable solution to the grievance by these means at the most immediate level of supervision. The immediate supervisor shall render a decision in writing regarding the merits of the grievance and return it to the grievant within five business days after meeting with the grievant. An employee who fails to meet with his or her immediate supervisor shall forfeit the grievance. In order that this procedure may be responsive, all parties involved shall expedite this process. In no case may more than 20 business days elapse between the date of the alleged incident giving rise to the grievance or the date the grievant knew or should have reasonably become aware of the facts giving rise to the grievance, and the filing of a written grievance with the Designated Deputy or management-level designee. Should the grievant fail to file a written grievance on a form, to be mutually agreed to by AQMD and the Union, within 20 business days from the date of the incident giving rise to the grievance, the grievance shall be barred and waived.

b. Step 1. Administrative Grievance. Designated Deputy over Administrative and Human Resources. Administrative grievances must be filed in writing with the Designated Deputy over Administrative and Human Resources within 20 business days of the alleged incident giving rise to the grievance or of the date the grievant knew or should reasonably have become aware of the facts giving rise to the grievance. The Designated Deputy over Human Resources shall render a decision in writing within 10 business days of hearing the grievance. If the grievance is not resolved at this step, it may be referred to the Management Grievance Committee within 10 business days.
ARTICLE 36

GRIEVANCE AND HEARING OFFICER PROCEDURE

c. Step 2. Line Grievance. Designated Deputy. If the grievance is not resolved through Step 1 and a written grievance is filed within the time limits set forth above, the grievant shall meet and discuss the grievance with the respective Designated Deputy or management-level designee. The Designated Deputy or management-level designee shall render a decision in writing regarding the merits of the grievance and return it to the grievant within 10 business days after hearing the grievance. If the grievance is not resolved at this step, it may be referred to the Management Grievance Committee within 10 business days.

d. Step 3. Line Grievance. Step 2. Administrative Grievance. Management Grievance Committee. If the grievance is not resolved in the above steps within 10 business days from receipt of the written response, the written grievance may be referred to the Management Grievance Committee. The Committee shall consist of four management representatives designated by the Executive Officer. If the grievance is not submitted to the Management Grievance Committee, it shall be barred and waived. The parties agree that the Management Grievance Committee shall meet monthly to hear all grievances unresolved at either b. or c. above which are filed by the 15th day of each calendar month. The Management Grievance Committee will convene subsequent to the 15th day of each month, at times mutually agreed upon, in an attempt to resolve all grievances eligible for hearing each month.

The Committee will render its decision on the same day or, if additional information is needed, a decision will be rendered by the next meeting date or on a date mutually agreed by the parties. In the event the decision of the Management Grievance Committee does not, in the view of the grievant, resolve the matter, the grievance may be referred to the next step of the grievance procedure (Hearing Officer) within 10 business days.

e. Hearing Officer’s Report and Recommendations in Specific Unresolved Grievances. If a grievance arising from discharge, suspension, demotion, promotion, individual application of salaries or layoff procedure, classification questions not requiring any additional appropriations by the governing body, individual application of transfer procedures, and/or employee medical evaluations is not resolved in d. above, the grievant and the Union may request the Executive Officer, or his or her duly authorized representative, to appoint a Hearing Officer to hear evidence and make recommendations to the governing body of AQMD regarding the resolution of such grievances. The grievant and the Union must request the appointment of the Hearing Officer within 10 business days from the date the grievant has received the decision of the Management Grievance Committee. Failure of the grievant and the
ARTICLE 36

GRIEVANCE AND HEARING OFFICER PROCEDURE

Union to request the appointment of a Hearing Officer within the time limits set forth above constitutes a waiver and bars the grievance, and the grievance will be considered settled on the basis of the last management grievance response. It is understood that the Union shall determine whether an issue shall be taken to a Hearing Officer for adjudication, although an individual employee may pursue an issue to a hearing without agreement by the Union. In such case, the cost of the Hearing Officer shall be borne equally by the grievant and AQMD.

f. Within 10 business days after receipt of a request for the appointment of the Hearing Officer, the Executive Officer, or the Designated Deputy over Administrative and Human Resources, shall attempt to reach voluntary agreement with the grievant and the Union as to the appointment of a Hearing Officer. Failing to reach voluntary agreement within 10 business days of receipt of the request for the appointment of a Hearing Officer, the Executive Officer or his or her duly authorized representative shall obtain a list from the American Arbitration Association of 15 persons who are qualified to serve as Hearing Officer in Step d. of the grievance procedure. Upon receipt of the list of 15 Hearing Officers from the American Arbitration Association, the parties shall meet to select a Hearing Officer from the list. The list of 15 shall serve as the list of persons to be used by AQMD and the Union for the term of the Agreement, unless otherwise agreed to by both parties.

g. The hearing shall be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association in cases involving disciplinary action, and the Hearing Officer shall use the standard of proper cause in determining the propriety of AQMD’s conduct. The Hearing Officer shall not hear witnesses or take evidence out of the presence of the other party. The Hearing Officer shall be bound by the expressed terms and conditions of the MOU, as well as the Personnel Rules and Regulations of AQMD, in determining the validity of AQMD’s action, and shall not have the authority to recommend any additions or subtractions from the MOU or any provisions of the Personnel Rules and Regulations of AQMD. The Hearing Officer shall be strictly bound by the time limits set forth in this grievance procedure.

h. In the conduct of the hearing, the Hearing Officer, once chosen, shall hold the hearing to make findings of fact and recommendations to the parties within 30 calendar days of the Hearing Officer’s appointment. The Hearing Officer shall be bound to render his or her findings and recommendations within 30 calendar days of the close of the hearing.

The Hearing Officer shall submit his or her findings and recommendations in writing to AQMD, the grievant, and the Union. The Hearing Officer’s recommendations made thereafter shall be final and binding upon the grievant, the Union and AQMD, except that the
ARTICLE 36

GRIEVANCE AND HEARING OFFICER PROCEDURE

findings and recommendations of the Hearing Officer shall not be binding upon AQMD if said recommendation requires any legislative action or appropriation of funds by the governing body to enforce or carry out the Hearing Officer’s recommendation. If within 60 days of receiving notice of the recommendation of the Hearing Officer requiring legislative action or the appropriation of funds by the governing body of AQMD, such legislative action or appropriation of funds is not taken and the Hearing Officer’s decision is given no force and effect, the grievant and the Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this MOU.

i. The cost of obtaining a panel of Hearing Officers from the American Arbitration Association and all costs of the hearing, including the cost of the Hearing Officer, shall be equally borne by AQMD, the grieving party and the Union. Only if the Union wishes a copy of the hearing transcript will the Union be responsible for paying 50% of court reporter costs. Each party shall bear the cost of its own attorney’s fees.

ARTICLE 37

SOLE AND ENTIRE MOU

Section 1. It is the intent of the parties hereto that the provisions of this MOU shall supersede all prior agreements and memoranda of agreement, or contrary Salary Resolution, Personnel Rules, or Administrative Code provisions of AQMD, oral or written, expressed or implied, between the parties, and shall govern their entire relationship and shall be the sole source of any and all rights which may be asserted hereunder. This MOU is not intended to conflict with federal or State law.

Section 2. It is understood and agreed that there exists within AQMD, in written form, Personnel Rules, Salary Resolution, and Employee Relations Resolution and/or an Administrative Code adopted by AQMD. Including specific modifications resulting from this MOU, these Resolutions and/or Code shall be incorporated by this reference into this MOU and shall remain in full force and effect during the term of this MOU. During the term of this MOU, no new provision or amendment to these Resolutions and/or Code, which is not in accordance with this MOU, or which directly affects the wages, hours, terms, and conditions of employment of employees covered by this MOU, shall be adopted and/or implemented by AQMD, except upon agreement with the Union regarding any such changes or modifications of these Resolutions and/or Code.
ARTICLE 38

WAIVER OF BARGAINING DURING TERM OF THIS AGREEMENT

Section 1. The parties mutually agree that during the term of this MOU, they will not seek to negotiate or bargain concerning wages, hours and terms of employment whether or not covered by this MOU or in the negotiations leading thereto and irrespective of whether or not such matters were discussed or were even within the contemplation of the parties hereto during the negotiations leading to this MOU. Regardless of the waiver contained in this Article, the parties may, by mutual agreement, in writing, agree to meet and confer about any matter during the term of this MOU.

ARTICLE 39

EMERGENCY WAIVER PROVISION

Section 1. In the event of circumstances beyond the control of AQMD, such as acts of God, fire, flood, insurrection, civil disorder, national emergency, or similar circumstances, provisions of this MOU or the Personnel Rules or Resolutions of AQMD which restrict AQMD’s ability to respond to these emergencies shall be suspended for the duration of such emergency. After the emergency is declared over, the Union shall have the right to meet and confer with AQMD regarding the impact on employees of the suspension of these provisions in the MOU and any Personnel Rules and policies.

ARTICLE 45

PERSONNEL SYSTEM PROCEDURE
Section 1. Employee-Initiated Classification Studies.

a. Purpose. The purpose of this Article is to establish and implement a procedure whereby employees may request classification studies of their positions and duties in order to determine whether their duties and positions are properly classified.

b. Intent. It is the intent of the parties that this Article be included only to inform employees of the established procedure to follow when requesting a classification study on their own behalf, and to further inform them of the parties’ understanding on the acknowledgment of such studies.

c. Procedure. The request for reclassification by an employee must be submitted in writing, on the classification study request form provided by Human Resources, to the Director of Administrative and Human Resources, including a statement from the employee on how the employee’s duties have changed. When Human Resources receives the completed request for reclassification form, it shall acknowledge receipt
ARTICLE 45

PERSONNEL SYSTEM

PROCEDURE

of same in writing and shall inform the requester within thirty days as to whether duties have changed sufficiently to warrant a study. Human Resources will request employees to complete Position Description Forms and will make every effort to assure supervisors and management staff complete their portions of the form in a timely manner. Human Resources will have the authority to approve, when circumstances warrant, beginning a study prior to receipt of supervisor and management portions of the form. Human Resources shall have a period of 90 calendar days from receipt of the completed employee portion of the Position Description Form to render a finding, unless the classification study requires further time, up to an additional 60 calendar days. Should Human Resources need the additional period of time of up to 60 days, it shall notify the employee in writing of its need for the additional period of time. If extenuating circumstances (e.g., the inability to gather needed information, consultant schedules beyond the control of AQMD, etc.) necessitate extensions to this schedule, the parties agree to revise the schedule to accommodate the extenuating circumstance. If the employee is not satisfied with the response from Human Resources to the employee’s request for reclassification, the employee may file a grievance subject to the grievance procedures set forth in this MOU.

If there is a recommendation by Human Resources for a change in classification, the matter shall be referred to AQMD’s Board.

Section 2. Voluntary Transfer Procedure.

a. List of Vacant Positions. Human Resources will post a list of vacant positions that the divisions have requested to be filled. The notice will contain the class title and any specialty designation, division, section/location, immediate supervisor, and last date for filing a transfer request. The list will be updated Friday of each week to incorporate the requests (requisitions) received during that week. It will be posted on Tuesday morning in Human Resources and on the main bulletin board in the Headquarters building, and will be telefaxed to each field office.

b. Filing Period. A transfer request may be filed at any time and will be active for a period of six calendar months. The filing period for transfers will close after the vacant position has been posted on the Transfer List for five business days. Interested employees will have until 5 p.m. Friday of that week to file a Request for Transfer form in Human Resources. If there is an AQMD holiday during the week, the filing period will be extended until 5 p.m. of the fifth business day.

c. Eligibility. Transfer candidates must have passed probation in their classification and have a current performance appraisal on file with a “satisfactory” rating or better.
**ARTICLE 45**

**PERSONNEL SYSTEM**

**PROCEDURE**

d. **Lateral Transfer.** To be considered for transfer outside the employee’s current class, an employee must meet the minimum requirements for the class.

e. **Rule of the List.** Transfer applicants who are eligible for consideration will be listed in alphabetical order. The appointing authority must offer to interview all transfer applicants eligible pursuant to this procedure, and may select any transfer candidate on the list.

f. **Reasons for Nonselection.** Transfer candidates will be notified by the appointing authority in writing of the outcome of the interviews. If a transferee is selected, no explanation need be given to the other transfer applicants. If a transferee is not selected, the appointing authority must provide job-related reasons for nonselection in writing to each transfer applicant. AQMD’s grievance process shall not apply to nonselection for transfer.

g. **Absence During the Filing or Interview Period.** If the employee is absent on approved leave during the filing period or when interviews are scheduled, the appointing authority may not make a selection until the affected employee has had an opportunity to be interviewed, provided that the appointing authority is not required to delay the selection more than 1 calendar week. It is the intent of this section that the appointing authority accommodate the approved absences of transfer applicants, but that the selection process not be delayed more than one week due to such absences.

h. **Medical Fitness and Other Requirements.** Candidates selected for transfer must be able to pass any job-related medical or other requirements (i.e., breathing apparatus, etc.) specified for the class. It is the responsibility of the transfer applicant to read the class specification for minimum requirements and other requirements.

i. **Transfer Review Period.** Candidates selected from a transfer list will serve a six-month Transfer Review Period. If the transferee is deemed not to have performed satisfactorily, he/she will be returned to his/her former position or a similar position with no loss in continuous service time or pay. If the former position or a similar position does not exist at the time, a temporary over-allocation will be authorized until a vacancy occurs or other arrangements can be made. During the Transfer Review Period, employees will receive reviews of their performance every two months. The Transfer Review Period does not apply when the transfer is to a position performing the same duties. This determination is to be made at the time the employee is accepted for transfer.
ARTICLE 45

PERSONNEL SYSTEM PROCEDURE

Section 3. Involuntary Transfer. In cases of involuntary transfers, the least senior employee who possesses the necessary qualifications to perform the assignment as determined by management will be transferred, except in cases of supervisory classes who may be transferred from one position to another without regard to seniority as long as they continue to receive the same compensation and benefits. It is not the intent of this provision to use transfers as a punitive or disciplinary action.

Section 4. Education. Education will not be scored on the basis of recency. No additional credit for education above the minimum requirements will be given.

Section 5. Examination Procedures.

a. Description of Exam Content and Scoring Criteria. Each promotional recruitment bulletin will contain a summary of the testing process to be used including a description of the general content of examination elements, weights, and scoring criteria. The purpose of this information will be to assist employees in completing the application package fully and in preparing for the other portions of the examination process (i.e., written test, writing skills test, oral examination).

b. Ties. There will be no ties in final scores in promotional examinations. Ties will be broken in favor of continuous service time with AQMD. In the event a tie still exists, the subsequent tie breaking will be done by alpha order that corresponds to pay period. (Pay period 1 = A; pay period 2 = B, etc.)

c. Posting of Eligible Lists. Eligible lists are public records and will be posted by Human Resources on the internal website for SCAQMD staff. Upon request by the Union, Human Resources will provide an electronic copy of any eligible list maintained by Human Resources. Cutoff scores for placement on eligible lists shall be made solely at the discretion of management, and are not grievable. Eligible lists shall be posted with names listed in the order of their rank, and shall include the number of those who participated in the process and the cutoff score that was used to determine inclusion on the eligible list.

d. Life of Eligible Lists. The maximum life of a promotional Eligible List is six months and may not be extended. A promotional Eligible List will expire if a request for certification from the list is not submitted for a period of 60 business days. The appointing authority will fill all vacant positions from existing eligible lists, except that a vacant position may be held vacant if the appointing authority provides reasons acceptable to the Deputy Executive Officer for retaining the vacancy. The Union will be notified of positions which are to be held vacant and reasons why in writing within 10 business days.
ARTICLE 45

PERSONNEL SYSTEM
PROCEDURE

E. Eligibility During the Life of the List. An applicant must meet the minimum requirements of the class at the time the application is filed, except that AQMD may permit qualification during the life of the Eligible List in recruitments that are open continuously and/or have few qualified candidates available. If an open recruitment will include eligibility during the life of the list, it will be so stated in the job announcement bulletin. Eligibility during the life of the Eligible List will not be permitted in promotional recruitments.

Section 6. Qualifications Appraisal Panel (QAP) Interview Procedures.

a. Outside Raters. On promotional examinations, AQMD will attempt to obtain at least two raters from outside of AQMD service and one rater from outside of the affected division who is at least one classification level above the class for which the exam is being conducted.

b. Technical Experts. On promotional examinations, AQMD will attempt to obtain all raters from within the technical field appropriate for the position being tested.

c. Hiring Interview Questions. The appointing authority will use a structured interview format when conducting hiring interviews. The questions and answers will be job-related, and ratings will be based on criteria identified in the job analysis. The rating criteria will be developed prior to the interviews, and each candidate who is not selected will be advised of the basis for non-selection.

Section 7. Certification Procedures - Rule of Five. Certification will be made on the basis of the top five names on the Eligible List for the first vacancy, plus one additional name for each additional vacancy. If there are multiple vacancies, the appointing authority will make selections for each successive position from the five names currently at the top of the list.

Section 8. Probationary Period. Effective February 14, 1997, all newly hired employees and all employees appointed to a supervisory class shall serve a one-year probationary period. In addition, employees appointed to Air Quality Inspector or Air Quality Inspector I positions shall serve a one-time one-year probationary period in one of the two classes. All other probationary periods for bargaining unit members, including promotions to nonsupervisory positions, shall be six months in duration.

Section 9. Layoffs and Reductions.

a. Layoffs. The appointing authority may layoff or reduce an employee when necessary:

1. For reasons of economy or lack of work; or
ARTICLE 45

PERSONNEL SYSTEM

PROCEDURE

2. Where there are more employees than positions in any class within AQMD.

Employees who are to be laid off or reduced will be so notified 30 days in advance of the action.

b. Employment Status and Layoff. Layoffs and reductions shall be made by class of position. In each class of position in which there is to be a layoff or reduction, employees shall be laid off according to employment status in the following order:

First – Temporary
Second – Probationary
Third – Regular

Temporary employees shall be laid off according to the needs of the service as determined by the appointing authority. Probationary employees in the class shall be laid off or reduced according to seniority in AQMD service.

c. Order of layoff/reduction of regular employees. In case there are two or more regular employees in the class from which layoff or reduction is to be made, such employees shall be laid off or reduced on the basis of their length of AQMD service, except that employees with less than satisfactory performance appraisal ratings will be laid off or reduced before employees with satisfactory or better ratings. Only annual performance appraisals received and time-stamped in Human Resources 90 days or more prior to the date employees are notified of AQMD’s intention to lay them off or reduce them in classification will be used in determining the order of layoffs and reductions.

d. Reemployment List. The names of persons laid off or reduced in accordance with these Rules shall be entered upon a reemployment list in the inverse of order specified for layoff. Such list shall be used by the appointing authority when a vacancy arises in the same or lower class of position, before certification is made from an Eligible List. When a vacancy occurs, the appointing authority shall appoint the person highest on the reemployment list who is available.

Names of persons laid off or reduced in lieu of layoff shall be carried on a reemployment list for a one-year period, except that the names of persons appointed to regular positions of the same level as that from which laid off shall, upon such appointment, be dropped from the list. Persons reduced or reemployed in a lower class or reemployed on a temporary basis shall be continued on the list of the higher position for a one-year period. Persons appointed from a layoff list shall continue to have the same anniversary date they had prior to termination.
ARTICLE 45

Ties in Layoff/Reduction. In case of a tie affecting two or more employees the order of layoff or reduction shall be based on a lottery, with employees being laid off or reduced in the order of the numbers drawn.

Exception to Order of Layoff. Where the appointing authority deems it to be in the best interest of the service, he or she may retain an employee who has specific qualifications, despite the order of the layoff provided above, if the appointing authority determines:

1. Such action is in the best interest of the service;
2. The employee retained has such special qualifications;
3. The employee laid off does not have such special qualifications; and
4. Such special qualifications are important in the performance of the work of AQMD.

Reductions. Appointing authorities may, at their discretion, if they deem it in the best interest of AQMD, make reductions, in lieu of layoff, to positions at lower levels in the same or related series or positions in other series for which the employee to be reduced has demonstrated by having previously passed probation in that classification that he or she possesses the skills and aptitudes required in the position to which he or she is to be reduced, thereby causing layoffs only in the lower ranks. When employees are reduced pursuant to this section, they shall be reduced to a lower-level classification based on those factors contained in the layoff rules, including seniority with AQMD. If there are reductions in the lower classification, employees who have already been reduced once shall again be reduced based on the layoff rules, including seniority with AQMD, to an appropriate lower classification. This process shall continue until all reductions in force have been made.

Short-Term Layoffs. Notwithstanding any other provision of these Rules, short-term layoffs for periods not to exceed 15 consecutive work days, may be made in any order for reasons approved by the appointing authority.

Section 10. Recruitment Committee. A committee will be established to discuss recruitment issues and to provide recommendations to the Executive Officer. The committee shall consist of two representatives of each of the Teamster bargaining units, the Human Resources manager over recruitment, and two management representatives. Recommendations will be given to the Executive Officer no later than February, 1, 2006.
ARTICLE 46

UNION SECURITY

Section 1. AQMD agrees to distribute during its New Employee Orientation process information materials provided by the Union.

Section 2. Agency Shop.

a. All employees covered by this Agreement and all employees subsequently hired must, as a condition of employment, either become and remain members of the Union in good standing for the term of this agreement or pay to the Union an agency fee equal to Union dues. Unit members must authorize payroll deductions for their dues payment, agency fee or charitable contribution.

If the agency shop arrangement in Section 2 is unenforceable as a matter of law during the term of this MOU, the parties shall reopen this Article.

b. Dues, agency fees and charitable contributions shall be deducted by SCAQMD from the first pay warrant of each month. Dues and agency fees shall be remitted to the Union no later than 10 days from the pay date.

SCAQMD shall provide the Union, on a quarterly basis, with a list of the names of all employees employed in the Teamster bargaining units.

c. The parties agree that the obligations herein are a condition of continued employment for Unit members. The parties further agree that the failure of any Unit member to remain a member in good standing of the Union or to pay an agency fee to the Union during the term of this Agreement shall constitute, generally, just and reasonable cause for termination.

d. No Unit member shall be required to join the Union or to make an agency fee payment if the Unit member is an actual verified member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting employee organizations; this exemption shall not be granted unless and until such Unit member has verified the specific circumstances. Such employee must, instead, arrange with the Union to satisfy his/her obligation by donating the equivalent amount to one of the non-labor, non-religious charitable funds listed in section i. below.

e. Except for collective bargaining, charitable contributors shall have no right to Union representation or right to Union membership, although, a charitable contributor may apply for Union membership during the term of the agreement. In such case, the charitable contributor must become and remain a dues-paying member during the remaining term of the agreement. In the event a charitable contributor becomes a

dues-paying member of the Union, full membership status will not exist unless and until the individual has: 1) been a dues-paying member for six months, 2) paid an amount equal to six months of dues, or 3) paid the Union an amount equal to six months of dues through a combination of 1) and 2).

f. Whenever a Unit member shall be delinquent in the payment of dues or fees, the Union shall give the Unit member written notice thereof and 15 days to cure the delinquency; a copy of said notice shall be forwarded to the Designated Deputy over Administrative and Human Resources. In the event the Unit member fails to cure said delinquency, the Union shall request, in writing, that AQMD initiate termination proceedings. The termination proceedings shall be governed by applicable State laws and are specifically excluded from the Grievance Procedure Agreement or termination procedures.

g. AQMD shall not deduct moneys specifically earmarked for a Political Action Committee or other political activities unless such deduction is affirmatively, separately and specifically authorized in writing by the Unit member.

h. The Union will defend, indemnify, and hold harmless AQMD from any loss, liability, or cause of action arising out of the operation of this Article. The indemnity obligation is more fully set forth as follows:

Union will defend, indemnify, and hold harmless AQMD from any loss, liability, or cause of action arising out of the operation of this Article.

Upon commencement of any such legal action, AQMD shall have the right to decide and determine whether any claim, liability, suit, or judgment made or brought against AQMD because of such action shall or shall not be compromised, resisted, defended, tried, or appealed. Any such decision on the part of AQMD shall not diminish the Union’s indemnification obligations under this Agreement.

AQMD, immediately upon receipt of notice of such legal action, shall inform the Union of such action; provide the Union with all information, documents, and assistance necessary for AQMD’s defense or settlement of such action; and fully cooperate with the Union in providing all necessary witnesses, experts, and assistance necessary for said defense.

i. Charitable contributions shall be made to one of the following:

American Lung Association
United Way
American Cancer Society
City of Hope
ARTICLE 47

USE OF SCAQMD VEHICLES

Section 1. Use of available AQMD fleet vehicles shall be provided to groups of four or more employees who carpool for commute purposes to and from work. Vehicles shall be returned to the Automotive Services area each morning and shall become part of AQMD’s vehicle fleet for the use and conduct of AQMD business by other employees.

Employees are required to pay a monthly fee to cover the cost associated with utilizing/operating an AQMD vehicle. This monthly fee shall be computed by multiplying the mileage rate as established under Article 11, Section 4, by the total number of miles driven by the carpool, except that a different monthly fee, as determined by AQMD, may be charged for vans.

Section 2. Employees with a long-term vehicle assignment shall be authorized to use their assigned AQMD vehicle to attend training that meets AQMD requirements for tuition reimbursement. The use of AQMD vehicles would also be authorized for attendance at professional association meetings. However, in both instances, the use of one’s personal vehicle must be impractical.

Section 3. Vehicle assignments will be made solely at management’s discretion and no employee will be entitled by virtue of his or her classification to an assigned vehicle. Assignment of new fleet vehicles by management, as a new or replacement vehicle for an employee, must take into account the following factors: employee’s assignment to the South Coast AQMD Emergency Response Team, employee’s years of service, mileage and condition of current vehicle assigned, employee’s commute distance from home to their work location, employee’s request to keep their currently assigned vehicle, and operational needs of the department.

Effective January 1, 2018, Supervising Air Quality Inspectors may be given a long-term vehicle assignment, at management’s discretion.

Effective January 1, 2021, Principal Air Quality Instrument Specialists may be given a long-term vehicle assignment, at management’s discretion.

TELECOMMUTING SUBCOMMITTEE

A joint labor-management teleworking committee has been established. A teleworking program was established on January 1, 2019 by the Executive Officer. Beginning the first quarter of 2021, the committee will meet to discuss potential changes to the Telework Program. The committee will make a recommendation to the Executive Officer on proposed changes to the Telework Program’s requirements and procedures.
ARTICLE 49

RATIFICATION AND EXECUTION
