4. Organization (if applicable):

Input on Community Selection and Priorities

5. Was this community or community area recommended in the previous year?

6. Is there any new information available from 2019-2020 that could be considered in prioritizing communities for this program?

Community Information

7. Community Name (as known by community members):

8. What areas does this community include? (City Name, Neighborhood Name, and Zip Code):

9. Is your community recommending itself for deployment of a community air monitoring campaign, for development of a community emissions reduction program, or both?

- Community air monitoring
- Community emissions reduction program
- Both

10. Why and for what purpose? (Related to question 9)

11. What are the characteristics of your community that make it a good candidate for this program? For example, this could include having many engaged community organizations, experience with developing and implementing community plans, and demonstrated experience and willingness to collaborate with diverse stakeholders (government agencies, community organizations, businesses, schools, hospitals, etc.).

Additional Information

12. Would you like to sign up for updates on AB617? Select "Yes" to be included in the e-mail list.

- Yes No
