Collaborative project with Desert Healthcare District (DHD), Alianza, Health Assessment and Research Communities (HARC), and Twentynine Palms to establish an Air Quality Academy* in ECV

Proyecto con la colaboración de Desert Healthcare District (DHD), Alianza, Health Assessment and Research Communities (HARC) y Twentynine Palms para establecer una Academia de la Calidad del Aire en el Este del Valle de Coachella (ECV)*

Kick-off meeting on **September 22, 2022**

Reunión inicial del 22 de septiembre de 2022

Recruitment for Air Quality Academy participants is on-going

El reclutamiento de participantes para la Academia de la Calidad del Aire está en marcha.

* <http://www.aqmd.gov/aq-spec/special-projects/air-quality-academy>

If interested in participating, contact Aydee Palomino (Alianza Coachella Valley): aydee@alianzacv.org

Si esta interesado/a en participar, contacte a Aydee Palomino (Alianza Coachella Valley): aydee@alianzacv.org

ANNUAL PROGRESS REPORT (APR) TIMELINE

CRONOLOGÍA DEL INFORME DE PROGRESO ANUAL (APR)

2022 Draft Annual Progress Report will be available online at:
El borrador del Informe de Progreso Anual (APR) estará disponible en:

http://www.aqmd.gov/docs/default-source/ab-617-ab-134/steering-committees/eastern-coachella-valley/final-cerp/2022-draft-annual-progress-report_final.pdf?sfvrsn=12

Questions and/or Comments?

¿Preguntas y/o comentarios?

Please submit questions and comments to
ab617@aqmd.gov

Por favor, envíe sus preguntas y comentarios a
ab617@aqmd.gov

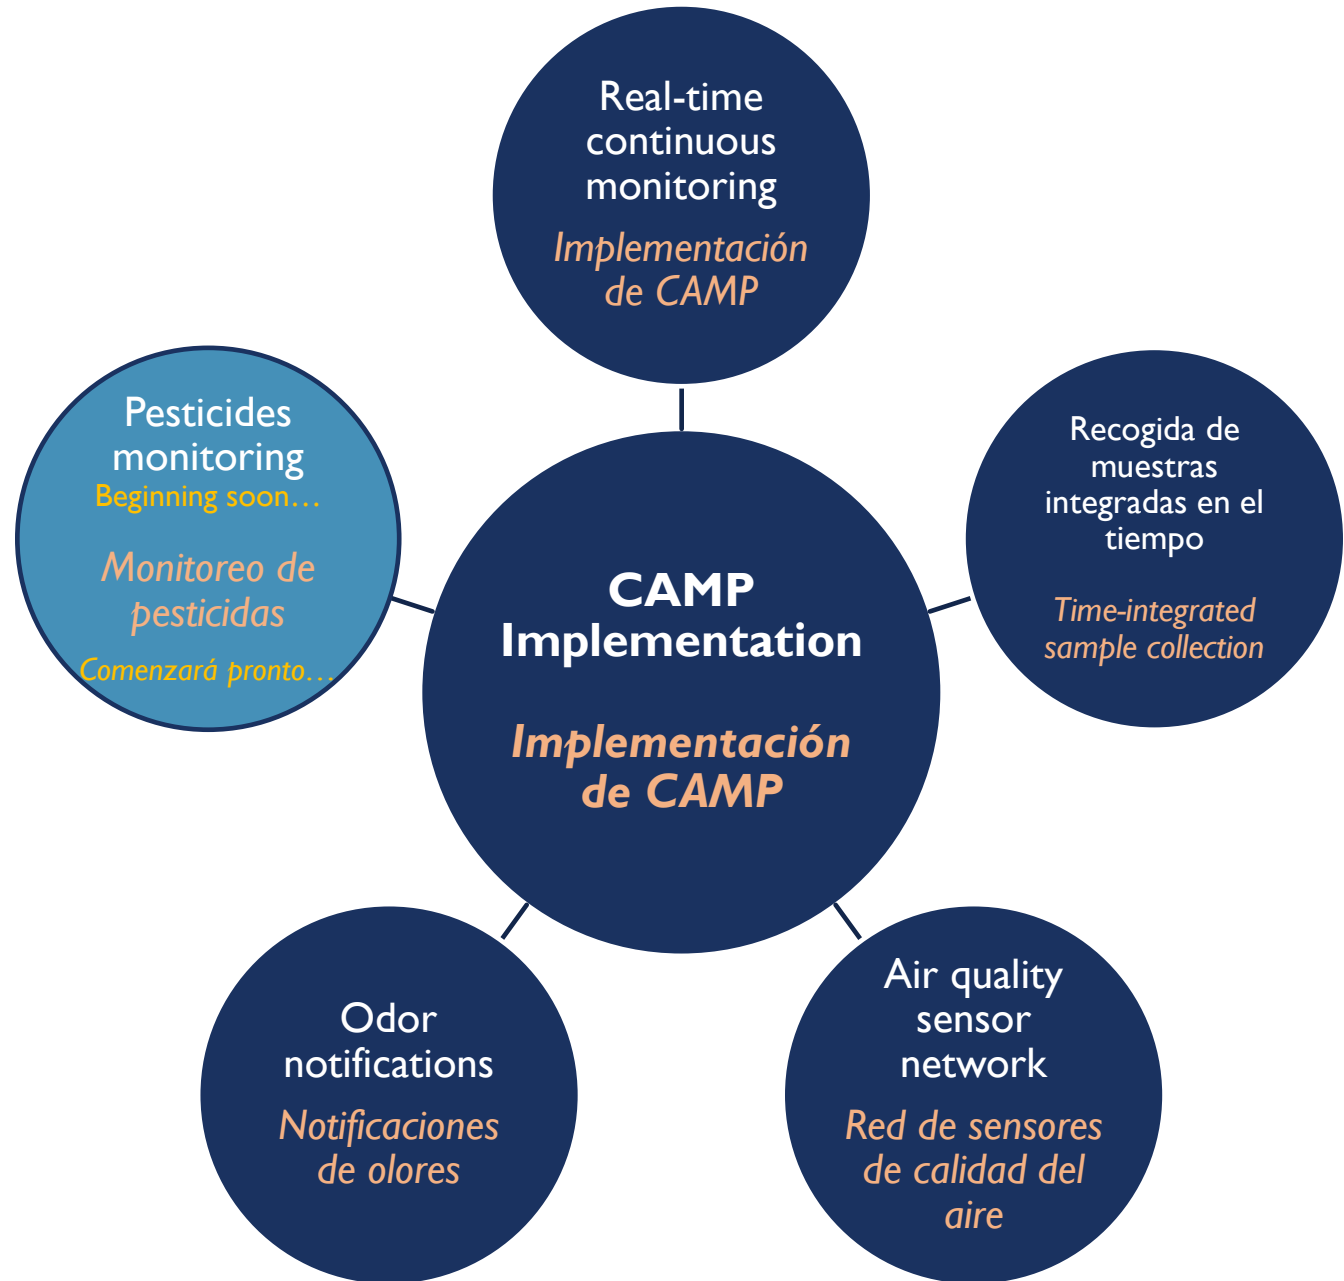

CAMP IMPLEMENTATION IN ECV

IMPLEMENTACIÓN DEL CAMP EN ECV

All air monitoring data can be accessed through different data visualization and access dashboards created for your community:

<http://www.aqmd.gov/ab617/monitoring/ecv>

Se pueden acceder todos los datos de monitoreo del aire a través de diferentes visualizaciones de datos y tableros creados para su comunidad:

AB 617 MONITORING WEBPAGE FOR ECV

PÁGINA WEB DE MONITOREO AB 617 PARA ECV

<http://www.aqmd.gov/ab617/monitoring/ecv>

Monitoring Working Team is going to organize a workshop to answer any questions you may have about the data dashboards

El Equipo de Trabajo de Monitoreo organizará un taller para responder a cualquier pregunta que pueda tener sobre los tableros de datos:

Access real-time air monitoring data (monitoring stations and air quality sensors)
Acceso a datos de monitoreo del aire en tiempo real (estaciones de monitoreo y sensores de calidad del aire)

Access historical air monitoring data (continuous and time-integrated samples)
Acceso a datos históricos de monitoreo del aire (continuos y muestras integradas en el tiempo)

Tutorial videos on how to use the data dashboards
Videos tutoriales sobre cómo utilizar los tableros de datos

Sign up to receive odor notifications
Regístrese para recibir notificaciones de olores

Access air monitoring plans (CAMP and Pesticides Monitoring Plan)
Acceso a planes de monitoreo del aire (CAMP y Plan de Monitoreo de Pesticidas)

If you have any questions and/or comments, please contact / *Si tiene alguna pregunta y/o comentario, por favor de contactar:*

AB617 ECU CSC Community Outreach

Qtr IV '22 Outreach Update

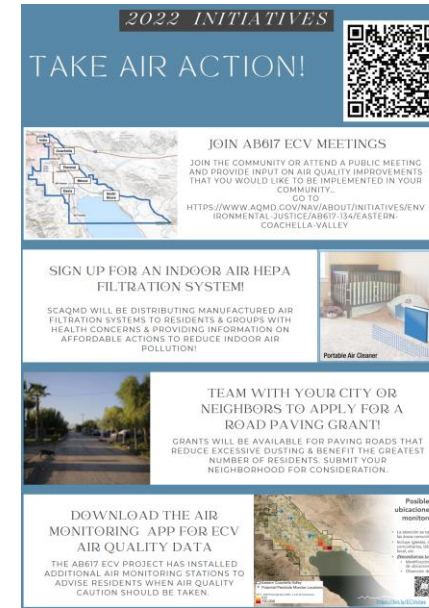

Issued 10/21/22

Outreach Report

Qtr III Activities

Qtr III '22 Activities

- Created Working Group Outreach Brochure – Spanish version pending
- Created Outreach Presentation - (English & Spanish)
- Presented to most Cities & community councils: September '22
- Presentation on AB617 ECV Annual progress Report by AQMD: Sept 6 '22

Follow-up: Cities & Community Councils

Coachella

- Council member Beaman-Jacinto: Suggests follow-up
- Mayor Hernandez - City will participate in ECV meetings
- Mayor Hernandez - ECV can work with utilities director, public works & code enforcement to identify paving project locations
- Mayor Hernandez - City can include ECV notices in their communication materials

Mecca-North Shore

- Community Council – Requested progress update at Nov 9th meeting. (Full presentation was only given)

Indio

- Sustainability Comm. Chair Bentsen: Noted importance of reducing diesel emissions from trucks
- Sustainability Comm. Chair Bentsen: Requested opportunity to provide input on air monitor locations

Follow-up: Cities & Community Councils

Thermal/Oasis

- Amy Cuen (Office of Supv Perez): Recommended providing flyers/handouts/brochures to school districts to be added to Students Take Home materials
- Amy Cuen (Office of Supv Perez): Reach out to Amy and Yesi for assistance with paving funding for Polanco Parks
- Chair Ernie Rios: Suggested AB 617 program can provide letter of support for the CV Link expansion projects as this will improve air quality.

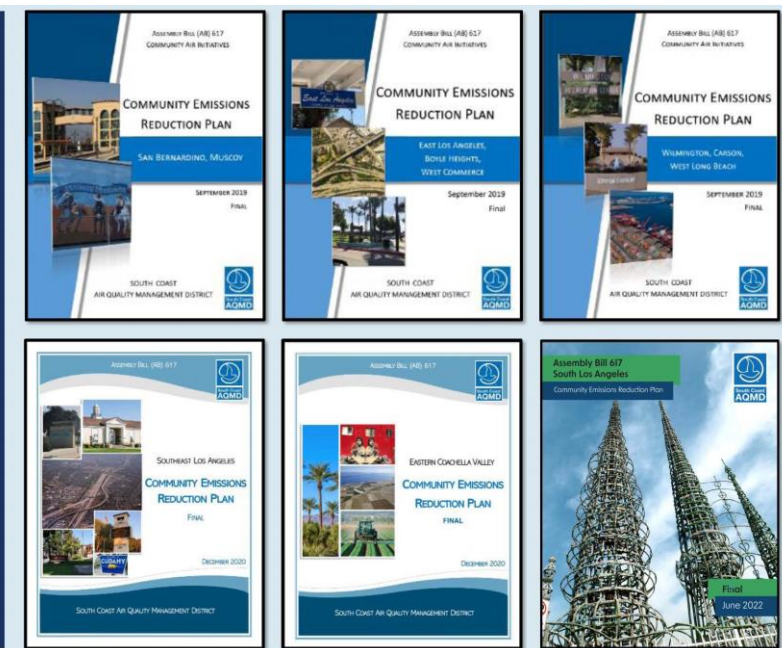

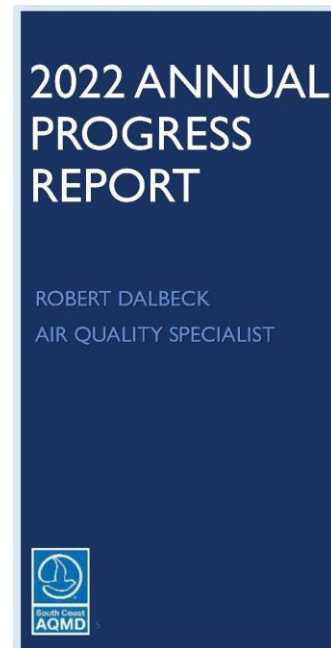

Vista Santa Rosa

- September council meeting delayed to November '22

All cities & councils

- Promised continued updates by ECV
- Promised notices of application date for paving projects and air filters

ECV AB617 Annual Progress Report by SCAQMD - Sept 6th

6

ECV CERP IMPLEMENTATION HIGHLIGHTS BY STRATEGY (CONT.)

Incentives

- Approximately \$33 million allocated for incentive projects through CARB's Community Air Protection Program (CAPP) incentive funds
- Residential Air Filtration Project Plan approved on July 15, 2022 (2022-15CIP-SC)*
- Ongoing Budget Working Team (BWT) meetings; submitted Draft Paving Project Plan** for CARB's review in June 2022

Public Information and Outreach

- Participated in Salton Sea Authority Board Meeting; attended Salton Sea Community Webinars and Salton Sea Summit
- Ongoing Outreach Working Team (OWT) Meetings; released Draft Outreach Plan in December 2021
- Awarded U.S. EPA State Environmental Justice Cooperative Agreement Program (SEJCA) grant to establish partnerships for air quality community training

* <http://www.aqmd.gov/home/programs/business/community-air-protection-incentives/residential-air-filtration-incentives>

** <http://www.aqmd.gov/nav/about/initiatives/environmental-justice/ab617-134/eastern-coachella-valley/paving-project>

ECV CERP IMPLEMENTATION HIGHLIGHTS BY STRATEGY

Enforcement

- Conducted inspections at Greenleaf Desert View Power Plant
- Continued enforcement of Rule 444 – Open Burning, including pre-burn inspections of all permitted fires

Monitoring

- Ongoing community-led Monitoring Working Team (MWT) meetings to discuss CAMP implementation and monitoring strategies, provide progress updates, and gather community input
- Working closely with the CSC to establish an air quality sensor network in the community to measure PM10, PM2.5, NO2, and ozone
- Worked with the CSC and CARB to develop the Pesticides Monitoring Plan
- Conducting baseline measurements at the Mecca monitoring stations, including comprehensive dust speciation

Collaboration

- Partnered with CARB, the Department of Pesticides Regulation (DPR), the Office of Environmental Health Hazard Assessment (OEHA), and the Riverside County Agricultural Commissioner to identify the top three pesticides for sampling and analysis
- Collaborated with the California Natural Resources Agency (CNRA) and the Imperial Irrigation District (IID) and provided comment on the Salton Sea Management Plan Draft Dust Suppression Action Plan to address concerns around the Salton Sea

Qtr IV Calendar

(Estimated Dates to Verify Online)

Oct'
'22

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					Oct 1
3	4	5 5:00pm Indio City Council Meeting	6	7	8

That's All Folks!

ECV CSC State & Federal Legislative Update

10/27/22

Philip Crabbe III
Sr. Public Affairs Manager
Legislative, Public Affairs & Media

Key Support State Bill

AB 1749 (C. Garcia)

- Allows extension of time, from 1 to 2 years, to develop a CERP for AB 617 Community,
 - with CARB and CSC approval
- Key support bill for South Coast AQMD
- Signed into law by Governor

Sponsored State Bill

AB 2141 (E. Garcia)

- Sought ongoing allocation of AB 617 incentive and implementation funding
- Bill died

State Budget

AB 617 Budget Allocation

- FY 22-23 Budget: \$300M in AB 617 incentive and implementation funding
- Also, a commitment for \$300M for AB 617 from General Fund for FY 23-24
- Potential ongoing annual baseline funding
- Advocacy to obtain additional funding

Federal Legislation

“Inflation Reduction Act” (IRA)

- Included \$4 billion for Bureau of Reclamation for items related to drought issues affecting Colorado River
- Efforts to ensure Salton Sea receives funding
- South Coast AQMD supports federal Salton Sea efforts, including Sen. Padilla’s and Rep. Ruiz’s bills to fund mitigation and restoration efforts.

Federal Opportunities

Examples of IRA Funding

- Tax Credits:
 - Residential Clean Energy Credit
 - Energy Efficient Home Credit
 - Clean Vehicle Credit
 - Used Clean Vehicle Credit
- High-Efficiency Electric Home Rebate
- Greenhouse Gas Reduction Fund
- GHG Air Pollution Plans and Implementation Grants
- Funding to Address Air Pollution at Schools

LPAM

2023 California Freight Mobility Plan

Plan de Movilidad de Transporte de Carga de California 2023

Did you know...

The San Pedro Bay Ports...

- One in nine jobs in L.A., Orange, Riverside, San Bernardino and Ventura counties are related to the ports of L.A. and Long Beach. And overall, the twin ports create 3 million jobs nationwide.
- Top 4 Imports include
 - Furniture
 - Apparel
 - Electronics
 - Plastics
- Combined moved roughly 19 million containers, or twenty foot equivalent units (TEUs) in 2021

Source:

<https://kentico.portoflosangeles.org/getmedia/c39cbb51-d52e-44bd-89c8-41eba408ab12/2021-facts-figures>

<https://polb.com/port-info/port-facts-faqs/#facts-at-a-glance>

Sabías que...

En los puertos de la bahía de San Pedro...

- Uno de cada nueve empleos en los condados de L.A., Riverside, San Bernardino y Ventura están ligados con los puertos de L.A. y Long Beach.
- Los 4 productos de importación más importantes incluyen:
 - Muebles
 - Ropa
 - Electrónicos
 - Plásticos
- Combinados mueven aproximadamente 19 millones de contenedores, o el equivalente a unidades de 20 pies (TEUs por sus siglas en inglés)

Fuentes:

Freight in our Communities

- Food
- Cars
- Medicine
- Vaccines
- PPE for Hospitals

El transporte de carga en nuestras comunidades

- Alimentos
- Automóviles
- Medicina
- Vacunas
- Equipo de protección personal (PPE por sus siglas en inglés)

Freight in our Communities

Communities, like yours, close to heavy freight industry activity are disproportionately impacted by freight through:

- **Emissions:** impacts include health problems such as asthma, cancer, and cardiovascular disease.
- **Congestion:** impacts include increased idling and emissions, reduced economic productivity, and increased fuel costs.
- **Noise:** impacts include hearing loss, sleep disruption, and interference with learning processes.
- **Parking:** Trucks parked in neighborhoods

In order to create a functioning freight system for all...
We need your help!

El transporte de carga en nuestras comunidades

Las comunidades, como las de ustedes, están impactadas considerablemente por la industria de transporte de carga de forma desproporcionada debido a:

- **Emisiones:** Incluyen impactos y problemas a la salud como el asma, el cáncer y enfermedades cardiovasculares.
- **Congestionamiento:** Incluyen impactos como vehículos encendidos generando emisiones, reducciones en la productividad e incrementos en los costos de combustible
- **Ruido:** Incluyen impactos como pérdidas auditivas, interrupciones al sueño, y obstáculos para el proceso de aprendizaje.
- **Estacionamiento:** Camiones de carga estacionados en los vecindarios

Para poder crear un sistema de transporte de carga que funcione para todos....
¡Necesitamos tu ayuda!

2023 CA Freight Mobility Plan

Vision: As the national gateway for international trade and domestic commerce, California exemplifies the world's most innovative, economically-competitive multimodal freight network that is efficient, reliable, modern, integrated, resilient, safe, and sustainable, where social and environmental impacts are considered equally.

The purpose of the plan is to:

- Propose a long-term vision, goals, and objectives for California's freight future;
- Identify the immediate and long-range planning activities and capital investments by the state with respect to freight movement;
- Reduce freight impacts to communities while maintaining California's economic competitiveness.

Plan de Movilidad de Transporte de Carga de California 2023

Visión: Como la entrada nacional al comercio internacional y doméstico, California ejemplifica el sistema de transporte de carga más innovador, económicamente competitivo, confiable, moderno, integrado, resiliente, seguro y sustentable dónde los impactos sociales y al medio ambiente son considerados con igualdad.

El propósito del plan es:

- Proponer una visión de largo plazo y objetivos para el futuro del transporte de carga en California
- Identificar las actividades de planificación y las inversiones de capital a corto y largo plazo en lo referente al transporte de carga
- Reducir los impactos del transporte de carga en las comunidades manteniendo la competitividad económica de California

Why are we here?

Your input will help develop strategies that:

- Reduce freight impacts to communities (such as air and noise)
- Improve freight efficiency and competitiveness
- Create education programs that support the freight workforce
- Inform project nominations and funding

¿Por qué estamos aquí?

Tus comentarios auxiliarán en el desarrollo de estrategias que:

- Reduzcan los impactos del transporte de carga en las comunidades (aire y ruido)
- Mejoren la eficiencia y la competitividad del transporte de carga
- Crean programas educativos que apoyen la fuerza laboral del transporte de carga
- Informen en la nominación de proyectos y su financiamiento

Which of the following freight impacts do you experience in your community?

Truck traffic congestion

Truck parking on residential streets

Air pollution

Truck driver safety (sharing public roads)

Damaged road/pavement caused by trucks

Noise Pollution

Powered by **Poll Everywhere**

Start the presentation to see live content. For screen share software, share the entire screen. Get help at pollev.com/app

- Cuando la encuesta este activa, responda a **pollev.com/freightplanning**
- En cuanto se una, textea **FREIGHTPLANNING** al **22333**

- ¿Cuáles de los siguientes impactos del transporte de carga esta experimentado su comunidad?
- Congestionamiento y tráfico de tractocamiones
- Estacionamiento de tractocamiones en calles residenciales
- Contaminación al aire
- Seguridad cuando los choferes manejan (al compartir las mismas calles públicas)
- Pavimento y vialidades dañadas por los tractocamiones
- Contaminación de ruido

What other ways does freight affect your community?

Permisos de Aire en la Región 9 de la EPA

27 de octubre de 2022

Air Permitting in EPA Region 9

October 27, 2022

What does our office do?

- **Processes permit applications** in areas where state, local, and tribal permitting agencies do not have authority to issue permits.
 - Region 9's jurisdiction is in the following areas:
 - Arizona
 - California
 - Hawaii
 - Nevada
 - Pacific Islands
 - Federally Recognized Tribes
- **Reviews proposed permits** from state, local, and tribal agencies

¿De qué se encarga nuestra oficina?

- **Procesa solicitudes de permisos** en áreas donde las agencias estatales, locales y tribales encargadas de otorgar permisos no tienen la autoridad para emitirlos.
 - La jurisdicción de la Región 9 abarca las siguientes áreas:
 - Arizona
 - California
 - Hawái
 - Nevada
 - Islas del Pacífico
 - Tribus reconocidas federalmente
- **Revisa permisos propuestos** de agencias estatales, locales y tribales.

What types of air permits do we issue?

- Preconstruction Permits
 - New Source Review (NSR)
 - Prevention of Significant Deterioration (PSD)
- Operating Permits (aka Title V Permits)
- All permits regulate stationary sources
 - We do not regulate trains, planes, or automobiles
- Federal permit processing typically involves soliciting public comment

¿Qué tipos de permisos de aire emitimos?

- Permisos previos a la construcción
 - Evaluación de fuentes nuevas (NSR)
 - Prevención de deterioro significativo (PSD)
- Permisos operativos (también denominados Permisos Título V)
- Todos los permisos regulan fuentes estacionarias
 - No regulamos trenes, aviones ni automóviles
- El procesamiento federal de permisos por lo general implica solicitar comentarios del público

Solicitudes de Permisos en California

Permits Applications in California

Spotlight 29 Casino	Casino/Engines	NSR: Minor Modification, Minor Source	EPA-R09-OAR-2022-0540	Coachella	CA	Twenty-Nine Palms Band of Mission Indians of California
