Dear CSC Members,

The Draft Final Community Emissions Reduction Plan (CERP) for the East Los Angeles, Boyle Heights, West Commerce (ELABHWC) community is available online [here](#) along with the Board letter, presentation, and additional materials for the Board meeting. Please note that the changes from the Draft CERP (July version) to the Final Draft (September version) have been tracked in this document so any modifications that were incorporated are shown. Additions are marked in underline and deletions are marked as ~~strikethrough~~. Changes were incorporated based on comments received which are also addressed in the Appendix: Response to Comments.

We would like to thank everyone for providing input during this process and for collaborating with us during the development of the CERP.

As a friendly reminder, the Governing Board Meeting will be held on **Friday, September 6, 2019, at 9:00 am:**
South Coast AQMD Headquarters
In the Auditorium
21865 Copley Dr.
Diamond Bar, CA 91765

Sincerely,

Your AB 617 Team
