The ECV CERP can support these plans by:

- **Expanding community outreach in ECV**
 - *E.g., County of Riverside General Plan – EJ Policies (Healthy Communities) Policies HC 15.1 – HC 15.7*
- **Providing air monitoring data and air quality expertise**
 - *E.g., Chapter 2, Ozone Air Monitoring Data in the Coachella Valley Extreme Ozone State Implementation Plan*
- **Collaborating with partners (e.g., Community organizations, Cities) to apply for tree planting grants**
 - *E.g., Chapter 3a in the City of Indio’s Transformative Climate Community Plan’s Urban Greening Policy Recommendations*
- **Incentivizing mobile source projects (e.g., electric and hybrid vehicles) in ECV**
 - *E.g., Goal 6 in the Eastern Coachella Valley Mobility Plan*
- **Identifying funds for home weatherization projects in ECV**
 - *E.g., Chapter 5 in Eastern Coachella Valley’s Action Plan for Climate Resilience: Climate Adaptation Policies*
- **Collaborating with other agencies to implement dust suppression projects in ECV**
 - *E.g., Phase A and B Projects in the SSMP’s Draft Dust Suppression Action Plan*
