Dear CSC members,

We would like to inform you that the main chapters of the **San Bernardino, Muscoy Draft Community Emissions Reduction Plan (CERP)** are now available on [our website](#) under the third column titled "Draft". A few chapters are not on the website, but will be coming soon. We wanted to provide as much of the Draft CERP as early as possible.

Please send your comments on the discussion draft through [this form](#) (available in English and Spanish) by **August 6th, 2019**. Comments submitted will be posted on [this website](#).

In addition, please see information below about an upcoming event on climate risks and adaptation opportunities facing the Inland region. This was provided by Josh Lee, Chief of Planning from the San Bernardino County Transportation Authority, who presented at the last CSC meeting.

Please feel free to contact him directly if you have any questions about this event: jlee@gosbcta.com.

Thank you and we look forward to seeing everyone during our next meeting.

Best,

The AB 617 Team

Queridos miembros de CSC,

*Nos gustaría informarle que los capítulos principales del **Plan de Reducción de Emisiones de la Comunidad (versión preliminar) de San Bernardino, Muscoy**, ahora están disponibles en [nuestra página web](#) en la tercera columna titulada "Draft". Algunos capítulos no están en la página web, pero estarán disponibles pronto. Queríamos proporcionar la mayor cantidad posible la versión preliminar del CERP lo antes posible.*

*Envíe sus comentarios sobre esta versión a través de [este formulario](#) (disponible en inglés y español) antes del **6 de agosto de 2019**. Los comentarios enviados se publicarán en [esta página web](#).*

Además, a continuación le mandamos información sobre un próximo evento de riesgos climáticos y oportunidades de adaptación que enfrenta la región del interior. Esto fue proporcionado por Josh Lee, Jefe de Planificación de la Autoridad de Transporte del Condado de San Bernardino, quien se presentó en la última reunión del comité.

No dude en ponerse en contacto con él directamente si tiene alguna pregunta sobre este evento: jlee@gosbcta.com.

Gracias y esperamos ver a todos en nuestra próxima reunión.

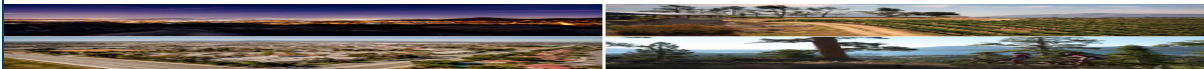

Un saludo,

El equipo AB 617

Exploring Climate Solutions, Together

A Meeting of Inland Southern California's Climate Leaders & Practitioners

Tuesday, August 6th | Riverside, CA

What will it take for the Inland Southern California region to accelerate efforts to build resilience to climate change impacts?

Join leaders from across the region to discuss emerging opportunities at **Exploring Climate Solutions, Together: A Meeting of Inland Southern California's Climate Leaders & Practitioners**, taking place August 6th from 11:00 AM - 3:00 PM in Downtown Riverside.

REGISTER TODAY

During this exploratory meeting, participants will learn about key climate risks and adaptation opportunities facing the region and explore the potential benefits of launching a regional collaborative. A key purpose of a regional collaborative includes creating a forum for leaders and practitioners to collaborate across sectors and share knowledge, leverage resources, and develop the region's capacity to address resiliency challenges. An optional coffee networking break will precede the event at 10:30 AM, and lunch will be provided.
