

AQ-SPEC is Hiring!!!

An open recruitment is currently underway to create an eligible list from which we expect to fill two (2) vacancies for **Assistant Air Quality Specialist / Air Quality Specialist (Advanced Monitoring Technologies)** in Science and Technology Advancement. The list established may also be used to fill other vacancies at these levels should they occur during the life of the list.

This recruitment will close at 5:00 p.m. on **Friday, May 25, 2018**, OR when a sufficient number of qualified candidates have applied. Detailed information about this job posting and the required on-line application may be accessed on the Careers page of our website at <http://www.aqmd.gov/careers>.

A couple of reminders:

- It is recommended that you start your application early, to allow yourself enough time to resolve any problems you may encounter when using the system, since your application must be received by the 5:00 p.m. deadline on the specified closing date.
- For SCAQMD employees, it is required that you begin your application from your SCAQMD workstation. Once saved, your application may then be easily accessed from any location.
