

**NOTICE TO THE PUBLIC TO BE PLACED ON MAILING LIST
FOR PREVENTION OF SIGNIFICANT DETERIORATION (PSD) PROJECTS**

The South Coast Air Quality Management District (SCAQMD) is the air pollution control agency with jurisdiction over Orange County and portions of Los Angeles, Riverside, and San Bernardino counties. Anyone wishing to install or modify equipment that could control or be a source of air pollution within this region shall first file an application to obtain a permit from the SCAQMD. For projects that are subject to SCAQMD Regulation XVII - Prevention of Significant Deterioration (PSD), the public may request to be put on a mailing list for additional notices on permitting activities in accordance with SCAQMD Rule 212(g) and federal 40 CFR Part 124, Section 124.10.

Anyone interested in these types of projects and who would like to be placed on a mailing list to receive further information on any PSD permitting activities should complete the form below:
