

## Online Rule 1415 Registration of Stationary A/C Systems *Now Available!*

---

South Coast AQMD staff is pleased to launch the [Rule 1415 Registration Web Application](#). Facilities with a valid South Coast AQMD Facility ID can now register their stationary air conditioning (A/C) systems and pay the filing fee online. On the new Rule 1415 Registration Web Application, users can also:

- Conveniently submit registrations for multiple facilities; and
- Effectively manage registration plans for multiple locations

There will be a one-year transitional period for facilities to continue to submit paper applications. Starting **August 1, 2020**, all facilities with stationary A/C systems subject to Rule 1415 shall submit their registration plans using the Web Application.

For more information, please visit the [Rule 1415 - Reduction of Refrigerant Emissions from Stationary A/C Systems](#) webpage or contact:
