South Coast Air Quality Management District developed this Air Quality Permit Checklist (checklist) as a screening evaluation tool in the process required by California Government Code Section 65850.2.

Please submit this checklist to the Small Business Assistance Office by email, mail, or in person for review. If you have any questions or need assistance completing this checklist, contact the Small Business Assistance Office. Provide a response to all sections of this checklist as South Coast AQMD may decline to approve this checklist due to lack of information from the applicant.

NOTE: This checklist is not intended for the approval of demolition or renovation activities. If there are any demolition or renovation activities that may disturb building materials, please contact the Asbestos Hotline at 909-396-2336.
