

**SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT
REQUEST FOR PROPOSALS**

**Implementation of Green Space Projects in
the Assembly Bill 617 Community of
Southeast Los Angeles**

Revised February 22, 2024

P2024-08

South Coast Air Quality Management District (South Coast AQMD) requests proposals for the following purpose according to terms and conditions attached. In the preparation of this Request for Proposals (RFP) the words "Proposer," "Contractor," "Consultant," "Bidder" and "Firm" are used interchangeably.

PURPOSE

South Coast AQMD is seeking bids from qualified public and private entities to implement green space projects in the Assembly Bill 617 (AB 617) Southeast Los Angeles (SELA) community by planting trees, green spaces, and/or installing infrastructure for active forms of transportation (e.g., bike paths, walking paths, river paths, sidewalks) to reduce exposure to air pollution and increase recreational opportunities, as described in the AB 617 SELA Community Emission Reductions Plan (CERP). Qualified entities may include cities, counties, public agencies, non-profits, tribal governments, special districts, community organizations, small businesses, corporations, or individuals. The primary purpose of this Green Space Program (Program) is to execute a CERP objective which is to increase green space and provide or improve recreational opportunities in the AB 617 SELA community. Co-benefits of the Program include the sequestration of greenhouse gases, shade, and the potential to reduce exposure to air pollution. This RFP will implement the AB 617 SELA Green Space Project Plan (Green Space Project Plan) to fulfill objectives in the AB 617 SELA CERP¹.

SECTION I: BACKGROUND/INFORMATION

Signed into law on July 26, 2017, AB 617 (California Health and Safety Code § 44391.2) is a California law that addresses the disproportionate impacts of air pollution in environmental justice (EJ) communities. Since 2018, California Air Resources Board (CARB) has designated six (6) AB 617 communities within South Coast AQMD's jurisdiction. As directed by the bill, South Coast AQMD worked with each community to develop a CERP under the guidance of their respective Community Steering Committee (CSC). Each CSC is comprised of residents, community-based organizations, schools, public agencies, businesses, and other relevant community stakeholders. Each CSC identifies their top air quality concerns and objectives to address them in their respective CERP.

The AB 617 SELA community was designated as a South Coast AQMD AB 617 community in 2019. The AB 617 SELA community established an approximately 40-member CSC who collaborated with South Coast AQMD to develop the SELA CERP.¹ As of November 15, 2023, there are 13 members of the SELA CSC.² During CERP development, one of the concerns expressed by CSC members was the lack of green spaces in the community. Green spaces increase canopy cover, trap pollutants, provide recreational opportunities, and encourage active forms of transportation by shading bikeways, river paths, and other transit corridors.

The AB 617 SELA CERP addresses the green spaces air quality priority with the goal of increasing green space in SELA, through the following objectives (AB 617 SELA CERP, Chapter 5d):

- *Objective A: Collaborate with land-use, state and local agencies (e.g., Public Works, Parks and Recreation), non-profit organizations, and the CSC to develop a list of low-volatile organic compound (low-VOC) and drought tolerant trees.*
- *Objective B: Evaluate opportunities to use future settlement funds to support community green space projects (e.g., bikeways, river paths, transit corridors).*
- *Objective C: Collaborate with nonprofits, local, and regional agencies to provide letters of support and air quality information for urban greening funding opportunities, including maintenance. Collaborate with nonprofits, local, and regional agencies to identify potential metrics to measure progress in increasing tree canopy in SELA.*
- *Objective D: Work with CSC, state, and local agencies to identify and prioritize locations for installing vegetative buffers near freeways, particularly near the I-710.*

As part of CERP implementation and to allocate Year 3 Community Air Protection Program (CAPP) Incentive funds, South Coast AQMD conducted participatory budgeting workshops. The AB 617 SELA community was allocated \$10 million, of which the CSC prioritized \$2.5 million to implement green space projects. The Green Space Project Plan was developed by South Coast AQMD and guided by input from the CSC, which serves as the mechanism to

distribute these CAPP Incentive funds for green space projects in the AB 617 SELA community. The Green Space Project Plan was approved by CARB on Thursday, January 4, 2024.³

This RFP seeks green space project bids that propose implementing green space projects in the SELA community. Green space projects should increase tree canopy cover and/or provide enhanced recreational opportunities by improving parks, bikeways, river paths, and transit corridors, or by establishing new green spaces.

All green space project bids will be evaluated based on the criteria set forth in Section IX – Proposal Evaluation/Contractor Selection Criteria of this RFP. South Coast AQMD will evaluate and verify information submitted by the applicant. A single award for the full grant amount may be awarded to a single contractor, although multiple awards may be granted under this RFP, subject to approval of the South Coast AQMD Governing Board Chair (or by the Chair’s designation, the Executive Officer).

SECTION V: STATEMENT OF WORK/SCHEDULE OF DELIVERABLES

WORK STATEMENT

Implementation of green space projects will be conducted in two phases. The selected contractor(s) shall perform the work detailed in Phase 1 and Phase 2 and comply with each of the Schedules of Deliverables. Should the selected contractor(s) need a timeline extension for any of the listed deliverables, a written request for extension of the deliverables, including justification for the extension, must be received at least fifteen (15) days prior to the Submission Deadline. Failure to complete deliverables may result in non-payment. The selected contractor(s) will be compensated in accordance with the payment terms outlined in the contractor's payment schedule, which must be based on the scheduled deliverables in this RFP. For each green space project proposal, a detailed description of major tasks in Phase 1 and Phase 2 and a Schedule of Deliverables for both are outlined below.

PHASE 1 – GATHERING OF DOCUMENTATION

Phase 1 of the green space project will consist of the selected contractor(s) gathering required documentation for each of the proposed green space project area(s). Upon contract execution, the selected contractor(s) will have three (3) months to gather the required documentation for each project area prior to the commencement of any green space installation activities. Should any project area be deemed ineligible due to failure to provide any of the required documentation, that project area will no longer be eligible for funding under this RFP.

Task 1 — Gathering Required Documentation for Each Green Space Project Area

The selected contractor(s) will gather the following required documentation for each project area: 1) status of property taxes and compliance with federal, state, and local requirements, 2) obtention of permits to conduct green space installation activities and status of existing permit(s), if any, 3) compliance with California Environmental Quality Act (CEQA) and/or National Environmental Policy Act (NEPA), 4) compliance with California's Plant Quarantine Manual when obtaining plant species or material originating from outside of Los Angeles County and other relevant federal, state, and local transport restrictions accordingly, and 5) authority to install green space(s).

PHASE 1 SCHEDULE OF DELIVERABLES:

Itemized Deliverables	Submission Deadline
<ul style="list-style-type: none"> • For each green space project area: <ul style="list-style-type: none"> • Provide documentation demonstrating that property taxes for the project area are current and that the project area is in compliance with all federal, state, and local requirements (Task 1) • Obtain all permits required to complete the green space project and provide copies of existing permits for the project site or proof of exemption from permitting requirements (Task 1) • Provide documentation demonstrating compliance with the California Environmental Quality Act (CEQA) and/or National Environmental Policy Act (NEPA), or proof of exemption (Task 1) • Provide documentation of compliance with California’s Plant Quarantine Manual when obtaining plant species or material originating from outside of Los Angeles County and other relevant federal, state, and local transport restrictions accordingly (Task 1) • Provide any other documentation that authorizes contractor to install green space at the project area (Task 1) 	<p>Within 12 weeks of contract execution</p>

PHASE 2 – PROJECT IMPLEMENTATION

Phase 2 is contingent upon completion of Phase 1 and may be initiated by the selected contractor(s) after all Phase 1 deliverables (i.e., project area(s) documentation) have been approved by South Coast AQMD. Phase 2 of the green space project will consist of installing and maintaining green space(s) for each of the project areas identified and approved in the executed contract. Phase 2 includes requirements to meet with South Coast AQMD on a biannual basis (i.e., twice a year), provide cumulative biannual status reports, and submit and adhere to a Maintenance Plan throughout the Project Life.

Task 2 — Initial Meeting with South Coast AQMD and Project Implementation Plan

The selected contractor(s) shall meet with South Coast AQMD at the beginning of Phase 2 to discuss and outline project details. Selected contractor(s) are required to submit in writing a Project Implementation Plan, organized by project area, which includes: 1) a step-by-step project implementation schedule and project management contacts, 2) an itemized budget of materials and costs, 3) photos of each project area prior to green space installation, and 4) other logistics, as needed.

Task 4 — Maintenance Plan and Project Life

At the end of Project Implementation, the selected contractor(s) shall provide pictures of completed green space installation for each project area and submit in writing a finalized Maintenance Plan to be approved by South Coast AQMD, which includes: 1) schedule of regular maintenance (e.g., watering, trimming) and 2) protocol for as-needed maintenance (e.g., removing dead or damaged vegetation). Throughout the Project Life period⁵, the selected contractor(s) shall provide pictures and a description of each project area to demonstrate adherence to the Maintenance Plan.

PHASE 2 SCHEDULE OF DELIVERABLES:

Project Implementation must follow the schedule included in the executed contract.

⁵ As defined in the Green Space Project Plan, Project Life is five (5) years from the date of South Coast AQMD receipt of photo documentation of the completed green space project installation(s). The contractor is required to conduct regular maintenance of the grant-funded green space installation(s) throughout the Project Life. Contractor(s) must provide annual photo documentation of the maintained grant-funded green space installation(s). Contractor(s) must conduct maintenance as required by South Coast AQMD and/or CARB resulting from inspections.

SECTION VI: REQUIRED QUALIFICATIONS

Public and private entities, except private schools,⁶ are eligible to apply for and receive up to \$2.5 million in CAPP Incentive funding for green space projects within the AB 617 SELA community. Qualified entities may include cities, counties, public agencies, non-profits, tribal governments, special districts, community organizations, small businesses, corporations, or individuals who must meet the following criteria to be eligible to apply:

- Be the owner of, have the authority, or have received (or demonstrated the ability to receive) the necessary permissions and permits to install green space(s) at the identified project area(s) and can provide documentation, if requested; and
- Have prior experience installing green space projects and/or other related infrastructure projects, such as bike paths, walking paths, and sidewalks, and provide documentation (both photographic and otherwise).

Groups consisting of the entities specializing in components of the green space project such as project management, site identification, tree selection, tree planting, construction and infrastructure development, outreach, and maintenance are encouraged to submit a proposal together. Such applications may improve the cost effectiveness and efficiency of project implementation which would maximize the number of green space projects and area of green space(s) installed. The maintenance requirements over the Project Life extend beyond the liquidation deadline of these funds. Therefore, entities entrusted by the public (e.g., municipalities, public agencies) are encouraged to apply to help manage these funds and ensure the maintenance obligations are met. Contractor(s) may be required to agree to terms to maintain their green space project(s) over its Project Life.

The contractor(s) shall be able to demonstrate knowledge and prior experience with green space projects and be knowledgeable about applicable federal, state, and local rules and regulations, including the California Department of Forestry and Fire Protection (CAL FIRE) Urban and Community Forestry Grant Guidelines⁷ and California Department of Food and Agriculture's Plant Quarantine Manual⁸, California Environmental Quality Act (CEQA) and/or National Environmental Policy Act (NEPA) requirements, and permit requirements relating to implementation of green space projects. The contractor(s) should also be familiar with CARB's Air Quality and Land Use Handbook: A Community Health Perspective as well and be informed

⁶ Private schools are not eligible for funding. No public money shall ever be appropriated for the support of any sectarian or denominational school, or any school not under the exclusive control of the officers of the public schools; nor shall any sectarian or denominational doctrine be taught, or instruction thereon be permitted, directly or indirectly, in any of the common schools of this State (California Constitution Article 9 § 8). Further, neither the Legislature, nor any county, city and county, township, school district, or other municipal corporation, shall ever make an appropriation, or pay from any public fund whatever, or grant anything to or in aid of any religious sect, church, creed, or sectarian purpose, or help to support or sustain any school, college, university, hospital, or other institution controlled by any religious creed, church, or sectarian denomination whatever; nor shall any grant or donation of personal property or real estate ever be made by the State, or any city, city and county, town, or other municipal corporation for any religious creed, church, or sectarian purpose whatever; provided, that nothing in this section shall prevent the Legislature granting aid pursuant to Section 3 of Article XVI (California Constitution Article 16 § 5).

about issues involving the siting of sensitive uses.⁹ The eligible contractor(s) can be the primary contractor or can be hired by public or private entities to implement green space projects; the primary contractor may decide to hire multiple subcontractors to implement green space projects. Requirements for contractor(s) are outlined below and in Section VII – Proposal Submittal Requirements.

A. Proposer must submit the following:

1. Narrative discussing how the proposed green space installation(s) will increase tree canopy coverage and/or recreational opportunities;
2. If applicable, a list of which tree species and an estimate of the number of trees that will be planted (trees must be low-VOC, drought-tolerant, non-poisonous), an estimate of the increased tree canopy coverage, and the total area (i.e., square footage) of the green space project area(s).
- a. Table A1 in Attachment A of the Green Space Project Plan provides a pre-approved tree list which includes trees identified in TreePeople’s City of Los Angeles Approved Street Tree List for having low emissions of VOCs and low watering requirements. If applicants are proposing to plant tree species listed in Table A1, no further South Coast AQMD approval is required.
- b. If applicants are proposing to plant tree species not listed in Table A1 of the Green Space Project Plan, applicants must submit evidence deemed acceptable by South Coast AQMD that the proposed tree species have low potential for VOC emissions and are drought tolerant.¹⁰
- c. Documentation indicating whether or not the relevant municipality has requirements on eligible tree species.¹¹
3. If applicable, information on the proposed installation of infrastructure promoting more active forms of transportation such as bike or pedestrian paths, and the total area (i.e., square footage) of the green space project area(s);
4. If applicable, information regarding plans to leverage other sources of funding for the installation of infrastructure with an air quality benefit, such as agreements to allow the installation of solar panels or vehicle charging stations to help fund the purchase of land for green space projects or for shade infrastructure at bus stops in green space project area(s)

¹⁰ Applicants may use an article referenced in Attachment A of the Green Space Project Plan which lists tree species with low potential for VOC emissions, but they must identify which of those species are drought-tolerant. Acceptable evidence demonstrating a tree species’ drought-tolerance or low potential for VOC emissions can include scientific journal articles; published reports or documents by public agencies; or other documents published by other entities which have been vetted or approved by a public agency or scientific body.

¹¹ If the proposed green space installation is within the jurisdiction of a municipality that has its own requirements about eligible tree species, those requirements supersede those of this RFP and the Green Space Project Plan. It is the responsibility of the applicant to ensure all relevant municipal requirements are met. Acceptable documentation of such requirements or lack thereof can include published reports or documents by a given municipality and/or copies of correspondence with municipal staff, including their contact information.

5. If applicable, information regarding plans for cost sharing agreements or leveraging of CAPP Incentive funds to help fund the maintenance of the green space installation(s)¹²
6. A commitment to provide documentation of compliance with CEQA and/or NEPA, and other federal, state, and local rules, regulations, and statutes, if applicable;
7. A commitment to provide documentation demonstrating that all property taxes of proposed project area(s) are current at the time of proposal, if applicable;

12. A commitment to provide documentation of plans to perform maintenance, or to establish agreements with partnering entities to perform maintenance of the green space project area(s) for the Project Life;
13. A commitment to making the project available for inspection, if requested by South Coast AQMD and/or CARB, during the Project Implementation and/or Project Life;
14. A commitment to providing photo documentation of Project Implementation, and on an annual basis to demonstrate that project maintenance is occurring throughout the Project Life.
15. A payment schedule outlining the payment terms in accordance with the Schedules of Deliverables in Section V – Statement of Work/Schedule of Deliverables;
16. Narrative describing contractor’s green space installation experience, including a minimum of two examples for each contractor and/or subcontractor(s) demonstrating

¹² An example includes establishing maintenance agreements with collaborators (e.g., municipalities) who share a mutual interest in the success of the green space project(s) and are able to maintain them for their Project Life using separate financial resources. Other examples include leveraging CAPP Incentive funds towards projects with an air quality benefit, such as granting access to electrical infrastructure to utilities or other companies to install vehicle charging stations or solar panels in the project area (or elsewhere in the SELA community) in exchange for funding the maintenance for green space installations. Another example includes committing to the use of zero-emission lawn and garden equipment to maintain the installed green space(s) throughout the duration of the Project Life. Additional details may be found in the Green Space Project Plan.

SECTION IX: PROPOSAL EVALUATION/CONTRACTOR SELECTION CRITERIA

- A. Green space project bids received during this RFP solicitation period will be evaluated by an evaluation panel based on the scoring criteria identified in the Green Space Project Plan and below in this RFP. The evaluation panel will be established consisting of two (2) to five (5) South Coast AQMD staff. The panel shall be appointed by the Executive Officer or their designee. In addition, the evaluation panel may include such outside public sector or academic community expertise as deemed desirable by the Executive Officer. The applications will also be presented to the CSC whose collective feedback will be factored into final score for each application, as shown in Table 1 – Scoring Criteria for Bid Evaluation.
- B. For all criteria except for CSC review and support, points will be scored on a relative basis. For example, for the criteria of Projected area of increased green space, the application that proposes the largest increase of green space area will receive the highest points available (i.e., 10 points) and all other bids will receive a point value to scale (i.e., less than 10 points). The score for CSC review and support will be determined by averaging the points received from CSC members.
- C. After all bids have been reviewed, scored, and ranked, the evaluation panel will provide their recommendation to the South Coast AQMD Governing Board Chair (or by the Chair's designation, the Executive Officer) for final selection of the green space project bid(s) and execution of contract(s). Upon final selection, the resulting list of selected contractor(s) and their proposals will be provided to the CSC.
- D. Each evaluation panel member shall be accorded equal weight in their rating of bids. The evaluation panel members shall evaluate the bids according to the specified criteria and numerical weightings set forth below.

¹⁶ As noted in Required Qualifications, any proposed tree species must be drought-tolerant and nonpoisonous, and have low potential for VOC emissions; also, relevant municipal requirements for tree species supersede those of this RFP and the Green Space Project Plan.

¹⁷ A summary of the feedback received from CSC members can be found in Appendix B of the Green Space Project Plan.

¹⁸ Examples include applicants using other sources of funding to: install electric vehicle charging stations or solar panels; add bike or pedestrian paths, or include a strategy to reduce vehicle miles traveled in the SELA community.

¹⁹ Applicants can refer to Appendix A of the Green Space Project Plan to find instructions on how to calculate annual watering requirements.

²⁰ Examples include establishing maintenance agreements with collaborators (e.g., municipalities) using separate funds for maintenance activities; granting access to electrical infrastructure to utilities or other companies to install vehicle charging stations or solar panels in the project area (or elsewhere in the AB 617 SELA community) in exchange for funding the maintenance for green space installation(s); or committing to the use of zero-emission lawn and garden equipment to maintain the green space installation(s) throughout the duration of the Project Life.

²¹ Readiness of the proposal refers to the extent to which the plan is developed and ready for implementation. Applications that are complete and include all necessary permissions, documentation (e.g. permits), details of tree planting activities (e.g., costs, timelines, contracting entity), and gardening equipment and materials (e.g., shovels, trees, tree seedlings, fertilizer), will likely receive full points.

²² Timeliness of the proposal refers to the duration of time in which project implementation will be completed.

To receive points for the use of DVBE and/or Small Business subcontractors, at least 25 percent of the total contract value must be subcontracted to DVBEs and/or Small Businesses. To receive points as a Zero or Near-Zero Emission Vehicle Business, the proposer must demonstrate to the Executive Officer, or designee, that supplies and materials delivered to South Coast AQMD are delivered in vehicles that operate on clean-fuels. To receive points as a Local Business, the proposer must affirm that it has an ongoing business within the South Coast AQMD at the time of bid/proposal submittal and that 90% of the work related to the contract will be performed within the South Coast AQMD. Proposals for legislative representation, such as in Sacramento, California or Washington D.C. are not eligible for local business incentive points. 4. The lowest cost proposal will be awarded the maximum cost points available and all other cost proposals will receive points on a prorated basis. For example, if the lowest cost proposal is \$1,000 and the maximum points available are 20 points, this proposal would receive the full 20 points. If the next lowest cost proposal is \$1,100 it would receive 18 points reflecting the fact that it is 10% higher than the lowest cost (90% of 20 points = 18 points).
- E. During the selection process the evaluation panel may wish to interview some proposers for clarification purposes only. No new material will be permitted at this time. Additional information provided during the bid review process is limited to clarification by the Proposer of information presented in his/her proposal, upon request by South Coast AQMD.
- F. The Executive Officer or Governing Board may award the contract to a Proposer other than the Proposer receiving the highest rating in the event the Governing Board determines that another Proposer from among those technically qualified would provide the best value to South Coast AQMD considering cost and technical factors. The determination shall be based solely on the Evaluation Criteria contained in the Request for Proposal (RFP), on evidence provided in the proposal and on any other evidence provided during the bid review process.
- G. Selection will be made based on the above-described criteria and rating factors. The selection will be made by and is subject to Executive Officer or Governing Board approval. Proposers may be notified of the results by letter.
- H. Copies of the Bid Protest Policy can be secured through a request to South Coast AQMD Procurement Department.
- I. The Executive Officer or Governing Board may award contracts to more than one proposer if in (his or their) sole judgment the purposes of the (contract or award) would best be served by selecting multiple proposers.
- J. If additional funds become available, the Executive Officer or Governing Board may increase the amount awarded. The Executive Officer or Governing Board may also select additional proposers for a grant or contract if additional funds become available.
- K. Disposition of Proposals – Pursuant to South Coast AQMD's Procurement Policy and Procedure, South Coast AQMD reserves the right to reject any or all proposals. For Indian Tribal, State and Local Government recipients, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.

This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.

3. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and Local Government recipients, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
 4. Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.

- I. When contracts are not funded in whole or in part by federal grant funds, a local business preference will be awarded. For such contracts that involve the purchase of commercial off-the-shelf products, local business preference will be given to suppliers or distributors of commercial off-the-shelf products who maintain an ongoing business within the geographical boundaries of South Coast AQMD. However, if the subject matter of the RFP or RFQ calls for the fabrication or manufacture of custom products, only companies performing 90% of the manufacturing or fabrication effort within the geographical boundaries of South Coast AQMD shall be entitled to the local business preference. Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
 - Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
 - Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
 - Form 1099-S (proceeds from real estate transactions)
 - Form 1099-K (merchant card and third party network transactions)
 - Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
 - Form 1099-C (canceled debt)
 - Form 1099-A (acquisition or abandonment of secured property)
- Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What Is Backup Withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLÉ accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
 - Ensure your employer is protecting your SSN, and
 - Be careful when choosing a tax preparer.
- If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

2021 Instructions for Form 590

Withholding Exemption Certificate

References in these instructions are to the California Revenue and Taxation Code (R&TC).

General Information

California Revenue and Taxation Code (R&TC) Section 18662 requires withholding of income or franchise tax on payments of California source income made to nonresidents of California. For more information, See General Information B, Income Subject to Withholding.

Registered Domestic Partners (RDPs) – For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP unless otherwise specified. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

Use Form 590, Withholding Exemption Certificate, to certify an exemption from nonresident withholding.

Form 590 does not apply to payments of backup withholding. For more information, go to ftb.ca.gov and search for **backup withholding**.

Form 590 does not apply to payments for wages to employees. Wage withholding is administered by the California Employment Development Department (EDD). For more information, go to edd.ca.gov or call 888.745.3886.

Do not use Form 590 to certify an exemption from withholding if you are a **seller of California real estate**. Sellers of California real estate use Form 593, Real Estate Withholding Statement, to claim an exemption from the real estate withholding requirement.

The following are excluded from withholding and completing this form:

- The United States and any of its agencies or instrumentalities.
- A state, a possession of the United States, the District of Columbia, or any of its political subdivisions or instrumentalities.
- A foreign government or any of its political subdivisions, agencies, or instrumentalities.

B Income Subject to Withholding

Withholding is required on the following, but is not limited to:

- Payments to nonresidents for services rendered in California.
- Distributions of California source income made to domestic nonresident partners, members, and S corporation shareholders and allocations of California source income made to foreign partners and members.
- Payments to nonresidents for rents if the payments are made in the course of the withholding agent's business.
- Payments to nonresidents for royalties from activities sourced to California.

- Distributions of California source income to nonresident beneficiaries from an estate or trust.
- Endorsement payments received for services performed in California.
- Prizes and winnings received by nonresidents for contests in California.

However, withholding is optional if the total payments of California source income are \$1,500 or less during the calendar year.

For more information on withholding, get FTB Pub. 1017, Resident and Nonresident Withholding Guidelines. To get a withholding publication, see Additional Information.

C Who Certifies this Form

Form 590 is certified (completed and signed) by the payee. California residents or entities exempt from the withholding requirement should complete Form 590 and submit it to the withholding agent before payment is made. The withholding agent is then relieved of the withholding requirements if the agent relies in good faith on a completed and signed Form 590 unless notified by the Franchise Tax Board (FTB) that the form should not be relied upon.

An incomplete certificate is invalid and the withholding agent should not accept it. If the withholding agent receives an incomplete certificate, the withholding agent is required to withhold tax on payments made to the payee until a valid certificate is received. In lieu of a completed exemption certificate, the withholding agent may accept a letter from the payee as a substitute explaining why they are not subject to withholding. The letter must contain all the information required on the certificate in similar language, including the under penalty of perjury statement and the payee's taxpayer identification number (TIN).

The certification does not need to be renewed annually. The certification on Form 590 remains valid until the payee's status changes. The withholding agent must retain a copy of the certification or substitute for at least five years after the last payment to which the certification applies. The agent must provide it to the FTB upon request.

If an entertainer (or the entertainer's business entity) is paid for a performance, the entertainer's information must be provided. **Do not** submit the entertainer's agent or promoter information.

The grantor of a grantor trust shall be treated as the payee for withholding purposes. Therefore, if the payee is a grantor trust and one or more of the grantors is a nonresident, withholding is required. If all of the grantors on the trust are residents, no withholding is required. Resident grantors can check the box on Form 590 labeled "Individuals — Certification of Residency."

D Definitions

For California nonwage withholding purposes:

- Nonresident includes all of the following:
 - Individuals who are not residents of California.
 - Corporations not qualified through the California Secretary of State (CA SOS) to do business in California or having no permanent place of business in California.
 - Partnerships or limited liability companies (LLCs) with no permanent place of business in California.
 - Any trust without a resident grantor, beneficiary, or trustee, or estates where the decedent was not a California resident.
- Foreign refers to non-U.S.

For more information about determining resident status, get FTB Pub. 1031, Guidelines for Determining Resident Status. Military servicemembers have special rules for residency. For more information see General Information E, Military Spouse Residency Relief Act (MSRRA), and FTB Pub. 1032, Tax Information for Military Personnel.

Permanent Place of Business:

A corporation has a permanent place of business in California if it is organized and existing under the laws of California or it has qualified through the CA SOS to transact intrastate business. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in California only if it maintains a permanent office in California that is permanently staffed by its employees.

E Military Spouse Residency Relief Act (MSRRA)

Generally, for tax purposes you are considered to maintain your existing residence or domicile. If a military servicemember and nonmilitary spouse have the same state of domicile, the MSRRA provides:

- A spouse shall not be deemed to have lost a residence or domicile in any state solely by reason of being absent to be with the servicemember serving in compliance with military orders.
- A spouse shall not be deemed to have acquired a residence or domicile in any other state solely by reason of being there to be with the servicemember serving in compliance with military orders.

Domicile is defined as the one place:

- Where you maintain a true, fixed, and permanent home.
- To which you intend to return whenever you are absent.

A military servicemember's nonmilitary spouse is considered a nonresident for tax purposes if the servicemember and spouse have the same domicile outside of California and the spouse is in California solely to be with the servicemember who is serving in compliance with Permanent Change of Station orders.

California may require nonmilitary spouses of military servicemembers to provide proof that they meet the criteria for California personal income tax exemption as set forth in the MSRRA.

Income of a military servicemember's nonmilitary spouse for services performed in California is not California source income subject to state tax if the spouse is in California to be with the servicemember serving in compliance with military orders, and the servicemember and spouse have the same domicile in a state other than California.

For additional information or assistance in determining whether the applicant meets the MSRRA requirements, get FTB Pub. 1032.

CAMPAIGN CONTRIBUTIONS DISCLOSURE

In accordance with California law, bidders and contracting parties are required to disclose, at the time the application is filed, information relating to any campaign contributions made to South Coast Air Quality Management District (SCAQMD) Board Members or members/alternates of the MSRC, including: the name of the party making the contribution (which includes any parent, subsidiary or otherwise related business entity, as defined below), the amount of the contribution, and the date the contribution was made. 2 C.C.R. §18438.8(b). Where a proposed rule or proposed amended rule impacts three or fewer facilities, those facilities will be treated in much the same manner as contracting parties and so must also complete this form, disclosing information relating to any campaign contributions made to any SCAQMD Board Members. See Quadri Advice Letter (2002) A-02.096.1 In the event that a qualifying campaign contribution is made, the Board Member to whom it was made may be disqualified from participating in the actions involving that donor.

California law prohibits a party, or an agent, from making campaign contributions to SCAQMD Governing Board Members or members/alternates of the Mobile Source Air Pollution Reduction Review Committee (MSRC) of more than \$250 while their contract or permit is pending before the SCAQMD; and further prohibits a campaign contribution from being made for three (3) months following the date of the final decision by the Governing Board or the MSRC on a donor's contract or permit. Gov't Code §84308(d). For purposes of reaching the \$250 limit, the campaign contributions of the bidder or contractor plus contributions by its parents, affiliates, and related companies of the contractor or bidder are added together. 2 C.C.R. §18438.5.

In addition, SCAQMD Board Members or members/alternates of the MSRC must abstain from voting on a contract or permit if they have received a campaign contribution from a party or participant to the proceeding, or agent, totaling more than \$250 in the 12-month period prior to the consideration of the item by the Governing Board or the MSRC. Gov't Code §84308(c).
