

7.0 ORGANIZATIONS AND PERSONS CONSULTED

CEQA Guidelines § 15129 requires that organizations and persons consulted be provided in the EIR.

In the course of preparation of the EIR for the ARCO CARB Phase 3 – MTBE Phase-Out Project, various federal, state, and local agencies; industries; and individuals have been consulted. A Notice of Preparation for this EIR was distributed to over 300 parties and individuals in June 2000. Additionally, the Notice was announced in the Los Angeles Times. Comments received in the Notice have been reviewed and as appropriate been used to focus the analysis in this EIR.

Listed below are the following organizations and individuals who provided input to the EIR.

7.1 Organizations

California Air Resources Board
City of Carson Planning Department
City of Colton Planning Department
City of Long Beach Planning Department
City of South Gate Planning Department
City of Rialto Planning Department
City of Rialto Services Department
City of Rialto Fire Department
City of Signal Hill Planning Department
California Water Service Company
County of Los Angeles
County of San Bernardino
California Department of Conservation – Division Mines and Geology
Long Beach Fire Department
Los Angeles County Fire Department
Los Angeles County Sanitation Districts
Los Angeles County Sheriff's Department
Port of Los Angeles
South Coast Air Quality Management District
Southern California Edison
Southern California Gas Company

7.2 Persons Consulted

Davis, Terry, Safety Kleen

Dunlap, Samuel, H., Gabrieleno, Tongva Tribal Spokesperson

Colten, Roger, Hunter-Gathers of Early Holocene Coastal California

Garrett, William, Jacobs Engineering

Hyke, Carrie, Norcal

King, Chester, Topanga Anthropological Consultants

Vasquez, Edward, Chemical Waste Management

7.3 List of Preparers

South Coast Air Quality Management District

Diamond Bar, California

ENSR

Camarillo, California

Austin-Foust Associates, Inc.

Santa Ana, California
