## **COMMENTS NO. 26 through 40**

April 17, 18, 19 and 20 2002

An additional 40 letters were submitted to the SCAQMD from Jesse Marquez of the Wilmington Coalition for a Safe Environment on May 2, 2002, which is after the close of the public comment period. The issues raised in these letters are the same as those raised in other comment letters received during the public comment period. The following are the comment letters followed by the numbers where the appropriate responses can be found.
