

Exhibit B

Sunshine Canyon Landfill Adverse Weather Protocol

A. Republic Services Personnel Responsibilities

1. During the period from April 1 through September 30, Monday through Saturday, Republic shall evaluate weather data to determine if Adverse Weather Conditions are predicted to occur on the following work day from 6 AM to 9 AM. Such evaluation shall occur no earlier than 12 PM on the day of evaluation.
 - Adverse Weather Conditions =
 - Northerly wind blowing from N, NE, NNE, NNW, or NW, and
 - Wind speed equal to or less than 15 mph
 - Look at multiple weather sources
 - National Oceanic Atmospheric Administration (NOAA)
 - National Weather Services/National Center for Environmental Prediction
 - Weather Underground
 - American Weather and Earth Sciences
 - If any of the weather sources listed above predicts a wind direction or wind speed range included in the Adverse Weather Conditions described above, Sunshine shall implement the delayed hours of operation described in Condition 1 of the Order for Abatement.
2. Ops Manager/Designee will notify the Los Angeles City Bureau of Transportation (LA City BOS) personnel by 1pm on the day prior if adverse conditions are predicted. Notification for Monday will be made on the Friday prior.
 - Notification will be made to:

○ Paul Lebel	213-216-8216	Paul.LeBel@lacity.org
○ Jose Gallardo	213-761-2608	Jose.Gallardo@lacity.org
○ Gregory Carter	213-761-2254	Gregory.Carter@lacity.org
○ Rowena Romano	213-485-3626	Rowena.Romano@lacity.org
3. If conditions change such that none of the weather sources listed above predict Adverse Weather Conditions as of 5 AM on the affected day, Sunshine personnel shall be permitted to resume normal hours of operation and contact Paul Lebel.

B. LA City BOS Personnel Responsibilities

1. Once notified of adverse conditions at Sunshine Canyon Landfill for the following day:
 - Communicate decision to appropriate City personnel
 - Ensure diversion is carried out following day
 - Communicate issues/concerns to Sunshine Canyon personnel
 - 1st Point of Contact
Operations Manager, Tyson Ross (818) 326-2092 or (818) 430-0328
 - Alternate Contacts
Maintenance Manager, Mike Valentino (747) 232-4230
Landfill Administration (818) 362-2124
