List of Certified Clean Air Choices Products and Companies

DISCLAIMER: All cleaning products included in this list have been granted a Clean Air Choices Cleaner certificate after passing a chemical analysis performed by the South Coast AQMD Laboratory using South Coast AQMD Method 313-06, Determination of Volatile Organic Compounds (VOC) by Gas Chromatography/Mass Spectrometry (GC/MS). The South Coast AQMD's certification of these products does not constitute or imply an endorsement by the South Coast AQMD. Company names that are blue-colored and underlined denote a link to the company's website. South Coast AQMD reserves the right to decline to publish a link and will only publish workable links directly to the company listed. If you would like your company website linked to this page, please send your URL address to Areasources@aqmd.gov
