

List of Certified Clean Air Choices Products and Companies

DISCLAIMER: All cleaning products included in this list have been granted a Clean Air Choices Cleaner certificate after passing a chemical analysis performed by the SCAQMD Laboratory using SCAQMD Method 313-06, Determination of Volatile Organic Compounds (VOC) by Gas Chromatography/Mass Spectrometry (GC/MS). The SCAQMD’s certification of these products does not constitute or imply an endorsement by the SCAQMD. Company names that are blue-colored and underlined denote a link to the company's website. SCAQMD reserves the right to decline to publish a link and will only publish workable links directly to the company listed. If you would like your company website linked to this page, please send your URL address to areasources@aqmd.gov or call Area Sources at (909) 396-2390.
