¹ Replacement minivans or trucks must meet or exceed 21 miles per gallon. Applicant must apply with a truck or minivan as the current vehicle in order to be able to select a truck or minivan as a replacement vehicle.

² Zero-emission vehicles include battery electric vehicles (BEVs) and fuel cell vehicles.

³ Plug-in hybrid and zero-emission vehicles are eligible for an additional incentive up to $2,000 for the installation of electric vehicle charging equipment.

⁴ The mobility option incentive amount will be issued as a Cal Card that can only be used for approved alternative transportation mobility options. For more information go to: https://xappprod.aqmd.gov/RYR/Home/ReplacementOptions

⁵ You may only qualify for the higher incentive amount if your permanent residence is in a DAC zip code.
