

Data Year 2022 Annual Emissions Reporting Program

INFORMATIONAL WORKSHOP (VIRTUAL)

South Coast AQMD staff will conduct an online virtual informational workshop for the Data Year (DY) 2022 Annual Emissions Reporting (AER) Program on Wednesday, January 18, 2023 (meeting details listed below). NO REGISTRATION NECESSARY.

The informational workshop will help facilities prepare the annual emissions report using the web-based emission reporting system. During the virtual workshop, we will discuss the changes to the program for 2022 emissions data, describe the emissions reporting process, give an overview and demonstration of how to use the reporting tool, and finish with a question-and-answer session.

Instructions for Virtual Meeting Participation

Before joining the meeting, please silence your other communication devices such as your cell or desk phone. This will prevent any feedback or interruptions during the meeting.

Please note: During the meeting, all participants will be placed on mute by the host. You will not be able to mute or unmute your lines manually.

Once you raise your hand, your name will be added to the speaker list and will be called when it is your turn to speak. The host will then unmute your line.

- **Directions for Video ZOOM on a DESKTOP/LAPTOP:**
If you would like to speak, please click on the “Raise Hand” button on the bottom of the screen. The host will then add you to the speaker list.
- **Directions for Video Zoom on a SMARTPHONE:**
If you would like to speak, please click on the “Raise Hand” button on the bottom of your screen. The host will then add you to the speaker list.
- **Directions for TELEPHONE line only:**
If you would like to speak, please dial *9 on your keypad to signal that you would like to speak.
