   c. For amendments with NO FEE impact, please refer to Rule 301(e)(9)(A) for a non-refundable standard evaluation fee.

- **Refund** - A refund may be made as a result of the amendment only if a written claim for refund is filed with AQMD within one year and sixty days from the official due date, or three years in case of AQMD errors (not including revisions to applicable emission factors). However, the facility emissions will be updated accordingly, after the amendment has been verified.

- **Denial** - As a result of AQMD evaluation, the amendment or fee refund may be denied. This action can be appealed to the Fee Review Committee. See “Other Fee Issues” in Help and Support manual.
