

Method 313

Repeatability/Reproducibility Values

Method 313

- Without the confirmation of repeatability and reproducibility, businesses will be held to VOC limits that they might have a hard time testing to
- How wide of a variation will SCAQMD give in an enforcement situation?
- ASTM D6886 has precision statements, we request SCAQMD include as well
- Would SCAQMD adopt ASTM6886 instead of Method 313?
- Update 10% enforcement policy
