

Public Meeting

Concepts to Reduce Emissions from Locomotives and Railyards

Join CARB and South Coast AQMD as they discuss concepts to reduce emissions from locomotives and railyards. This is the first in a series of meetings on this topic that CARB will host throughout the state in coordination with local air districts.

Wednesday, November 20, 2019
6:30 PM – 8:30 PM
Bishop Mora Salesian High School
Multipurpose Room
960 S. Soto Street
Los Angeles, CA 90023

The meeting will be open to the public and there will be an opportunity for public comment. Materials will be available at the links below prior to the meeting.

Spanish interpretation will be available.

(Additional language accommodations can be made with at least 7-day advance notice)

The agenda and documents in the agenda packet will be made available upon request in appropriate alternative formats to assist persons with a disability. Disability-related accommodations will also be made available to allow participation in the meeting. Any accommodations must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the organization. Please call (916) 322-3303.
