

South Coast Air Quality Management District

UPDATE

Working Group Meeting

Disbursement and Tracking of Funds Received Pursuant to Rule 1304.1 - Electrical Generating Facility Fee for Use of Offset Exemption

Tuesday January 26, 2016

1:30 pm

South Coast Air Quality Management District
21865 Copley Drive, Diamond Bar, CA 91765

Conference Room CC-2

SCAQMD staff would like to thank you for your continued interest and past participation in the Rule 1304.1 working group process. We are requesting your attendance at the 5th implementation working group meeting. Staff will be presenting recommendations from the January 22, 2016, Stationary Source Committee meeting prior to submitting the proposed implementation guidelines to the Governing Board for consideration on February 5, 2016. If you are unable to attend in person, a conference call number is also available for your participation. Please contact Henry Pourzand (information below) to confirm attendance in person or via teleconference.

Conference Call Information NEW

Conference Call Phone Number: 1-888-850-4523

Participant Passcode: 012616

Thank you again for your prior participation and we are looking forward to your attendance on
January 26, 2016.
