* Price includes one time activation fee. Monthly service fee and card processing fees still apply.

The ongoing service and card processing fees are as follows (to be set up under agreement with and made payable to USA Technologies):

- 2.0% to 2.5% + \$0.10 for the processing of each credit or debit card transaction (regardless of Visa, MC, Disc, AMEX)
- \$9.95 per month per card reader, which includes the cellular telecommunications (AT&T), automatic deposits of card proceeds to a bank account (EFT), sales, accounting and reconciliation reporting (USALive) and the customer/billing support help desk.
