Clean Air Congress Partners

The Clean Air Congress (CAC) Partners Program is part of the South Coast Air Quality Management District's (SCAQMD) Clean Air Congress initiative. It is dedicated to involving groups, organizations, and agencies that are interested in inspiring public participation and understanding of air quality issues, including the public health impacts of air pollution.

What is the Clean Air Congress?

The Clean Air Congress is a community based program that seeks to enhance public participation in air quality issues by educating, informing, and engaging the public on clean air issues, in order for this region to attain the national clean air standards.

The Clean Air Congress includes members from the following communities, among others,

- Faith
- Health
- Labor
- Environmental Justice
- Business
