History of Governing Board Members - 7

Notes:

1. **1983** (AB 2660 – Levine): Board **increased** to 14 members by adding appointees by the Senate Rules Committee, Speaker of the Assembly, a second seat for the County of Orange, and allowing one representative each from the Cities of Riverside and Cities of San Bernardino Counties. Also allowed the Los Angeles City representative to appoint an alternate.
2. **1988** (SB 151 - Presley): Board **decreased** to 11 members by decreasing the number of appointments by the Counties of Los Angeles and Orange by one each, and deleting the appointment of the City of Los Angeles. In addition the ability to have alternate members was deleted.
3. **1989** (SB 2285 - Presley): Board **increased** to 12 by allowing the Cities of Los Angeles Counties to have two appointments, one from the eastern region and one from the western region.
4. **1996** (AB 1522 - Brewer): Changed selection for city members from two-thirds to simple majority.
5. **2004** (AB 1090 – Longville): Exempted San Bernardino County from requirement that all members of the SCAQMD Governing Board live within the boundaries of the district. Expired in January 2006.
6. **2007** (SB 886 – Negrete-McLeod): Board **increased** to 13 members by adding an appointment by the City of Los Angeles and removing the City of Los Angeles from the list of cities in the western region of the Cities of Los Angeles County. The cities comprising the eastern and western regions of Los Angeles County were reconstituted as well. In addition, the prohibition on a board member serving more than two consecutive terms as Board Chair was deleted.
