PSUFR	Fire Retardant Primer, Sealer, and Undercoater
RPC	Rust Preventative Coating
S	Stains
WPS	Waterproofing Sealer
WPCMS	Waterproofing Concrete/Masonry Sealers

* Super-compliant coatings are defined as those coatings that have a VOC content less than the VOC content limits set forth for the current and/or future limits in the Table of Standards found in paragraph (c)(2) of Rule 1113 and specify a VOC content less than 10 g/l VOC.

** Not available for exterior use

This is not an all-inclusive list of super-compliant coatings available from manufacturers/suppliers who have informed SCAQMD that they can provide the super-compliant products listed.

SOUTH COAST
Air Quality
Management District

Super-Compliant Architectural Coating Manufacturers*

The following companies have informed the SCAQMD that they manufacture one or more Super-Compliant Architectural/Industrial (AIM) Coatings

The SCAQMD in no way endorses any of these companies nor does it certify their ability to meet the requirements of Rule 1113 Architectural Coatings. If you want your company included in this page, please send your request to hfarr@aqmd.gov or call Heather Farr at (909) 396-3672.
