

BOARD MEETING DATE: February 6, 2015

AGENDA NO. 19

REPORT: Mobile Source Air Pollution Reduction Review Committee

SYNOPSIS: Below is a summary of key issues addressed at the MSRC's meeting on January 15, 2015. The next meeting is scheduled for Thursday, February 19, 2015, at 2:00 p.m., in Conference Room CC8.

RECOMMENDED ACTION:
Receive and file.

Michael D. Antonovich
SCAQMD Representative on MSRC

MMM:HH:AP

Meeting Minutes Approved

The MSRC unanimously approved the minutes from its November 20, 2014 meeting. Those approved minutes are attached for your information (*Attachment 1*).

FYs 2012-14 Alternative Fuel School Bus Incentives Program

As part of the FYs 2012-14 Work Program, the MSRC allocated \$2.0 million for the implementation of an Alternative Fuel School Bus Incentives Program. The MSRC previously deemed A-Z Bus Sales qualified for Program participation and authorized them to offer buy-down incentives to qualifying school districts or private providers of pupil transportation. The MSRC approved an initial award to A-Z Bus Sales in December 2013, and in subsequent actions the MSRC approved contract value increases to incentivize additional buses ordered. In January, the MSRC approved a new request from A-Z Bus Sales for an additional \$45,000 to incentivize five Type C propane school buses ordered by Anaheim Union High School District, as part of the FYs 2012-14 AB 2766 Discretionary Fund Work Program. This award will be considered by the SCAQMD Board at its February 6, 2015 meeting.

FYs 2012-14 Alternative Fuel Infrastructure Program

As part of the FYs 2012-14 Work Program, the MSRC allocated \$7.5 million for the implementation of new and expanded CNG and LNG refueling stations and modification of maintenance facilities to accommodate gaseous-fueled vehicles. A Program Announcement, #PA2014-05, was developed and released on September 6, 2013, with an

open application period commencing October 8, 2013 and closing September 26, 2014. The MSRC previously considered 27 applications and awarded a total of \$3,952,954 for those projects; one award for \$175,000 was subsequently declined. Among the previously approved awards, Pomona Valley Transfer Station was awarded \$150,000 to expand their existing public access CNG station. Subsequent to the approval, staff discovered that this project had been inaccurately described to both the MSRC and SCAQMD. The award amount was correct, but the recipient should have been listed as Grand Central Recycling and the project should have been described as the installation of a new public access CNG station. The MSRC approved the corrected award. The MSRC also considered three applications whose review had been extended, and approved three contract awards totaling \$449,000 as part of the FYs 2012-14 AB 2766 Discretionary Fund Work Program, as follows:

- a. A contract with City of Monterey Park in an amount not to exceed \$225,000 for expansion of their existing CNG fueling station including public access;
- b. A contract with Serv-Wel Disposal Services in an amount not to exceed \$100,000 for installation of a new limited access CNG fueling station; and
- c. A contract with West Covina Unified School District in an amount not to exceed \$124,000 for expansion of their existing limited access CNG fueling station.

These awards will be considered by the SCAQMD Board at its February 6, 2015 meeting.

Exercise Second Two-Year Option for Website Services

Several years ago the MSRC created a website as a marketing and outreach tool as well as a source of information for its contractors and other interested entities. Following an open RFP process, the MSRC selected Mineral Studios to redesign, host and maintain the MSRC website. The contract effectuating the award, #MS11001, allows for up to two extensions of two years each, contingent upon allocation of funds by the MSRC and approval by the SCAQMD Governing Board. The cost proposal for the option periods was included in the original proposal, at a rate of \$8,600 per year. Basic hosting and maintenance would cost \$300 per month, with the remainder available for website revisions/upgrades if required and directed by the MSRC. The MSRC approved exercising the first option in February 2013. At their January 2015 meeting, the MSRC unanimously approved executing the second two-year option to extend Mineral's contract and augmented the contract with \$17,200 as part of the FYs 2014-16 Work Program. This item will be considered by the SCAQMD Board at its February 6, 2015 meeting.

Received and Approved Final Reports

The MSRC received and unanimously approved two final report summaries this month as follows:

1. City of Redlands, Contract #MS11067, which provided \$85,000 to expand an LCNG and LNG fueling station; and
2. KEC Engineering, Contract #MS11055, which provided \$250,000 to repower five off-road heavy-duty vehicles.

Contract Modification Requests

The MSRC considered two contract modification requests and took the following unanimous actions:

1. For City of Los Angeles, Bureau of Sanitation, Contract #ML12017, which provides \$950,000 towards the purchase of 32 heavy-duty natural gas vehicles, approval of an 18-month term extension; and
2. For Mike Diamond/Phace Management Services, Contract #MS12033, which provides \$500,000 for the purchase of 20 medium heavy-duty CNG trucks, approval of a 30-month contract term extension, contingent upon ordering of the remaining 19 trucks by July 2, 2015.

Contracts Administrator's Report

The MSRC's AB 2766 Contracts Administrator provides a written status report on all open contracts from FY 2004-05 through the present. The Contracts Administrator's Report for January 2015 is attached (*Attachment 2*) for your information.

Attachment 2 – January 2015 Contracts Administrator's Report

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
THURSDAY, NOVEMBER 20, 2014 MEETING MINUTES**

21865 Copley Drive, Diamond, Bar, CA 91765- Conference Room CC-8

MEMBERS PRESENT:

(Vice Chair) Larry McCallon, representing SANBAG
Michael Antonovich, representing SCAQMD (via v/c)
Ben Benoit (Alt.), representing SCAQMD
Tim Shaw (Alt.) representing OCTA
Steve Veres, rep. LA County MTA (via v/c)
Greg Winterbottom, representing OCTA
Earl Withycombe, representing CARB

MSRC MEMBERS ABSENT:

April McKay (Alt.), representing LA County MTA
(Chair) Greg Pettis, rep. RCTC
Ron Roberts, representing SCAG

MSRC-TAC MEMBERS PRESENT:

(MSRC-TAC Chair) Gretchen Hardison, rep. City of Los Angeles (via v/c)
Kelly Lynn, representing San Bernardino Associated Governments
Dean Saito, representing SCAQMD
Andy Silva, representing San Bernardino County Board of Supervisors

OTHERS PRESENT:

Lauren Dunlap, Southern California Gas
Earl Elrod, SCAQMD Board Asst (Yates)
Debra Mendelsohn, SCAQMD Board Asst (Antonovich)
Jerry Pederson, A-Z Bus Sales
Ric Teano, OCTA

SCAQMD STAFF & CONTRACTORS

Ray Gorski, MSRC Technical Advisor-Contractor
Henry Hogo, Asst. DEO/Science & Technology Advancement
Matt MacKenzie, MSRC Contracts Assistant
Ana Ponce, MSRC Administrative Liaison
Cynthia Ravenstein, MSRC Contracts Administrator
Veera Tyagi, Senior Deputy District Counsel
Robert Paud, Telecommunications Technician II

CALL TO ORDER

- Call to Order

MSRC Vice Chair Larry McCallon called the meeting to order at 2 p.m. in the absence of MSRC Chair Greg Pettis.

- Opening Comments:
There were no opening comments.

PUBLIC COMMENT PERIOD

Public comments were allowed during the discussion of each agenda item. No comments were made on non-agenda items.

STATUS REPORTS

- Clean Transportation Policy Update
Cynthia Ravenstein indicated that there is a handout of the Clean Transportation Policy Update available at the meeting today. She will be sending the MSRC members an electronic copy so that they may access all the links in the document. Some highlights include: In February, CARB will be considering re-adoption of the Low Carbon Fuel Standard and amendments to the ZEV regulation.

CONSENT CALENDAR (Items 1 through 9)**Receive and Approve Items****Agenda Item #1 – Minutes of the September 18 and October 16, 2014, MSRC Meetings**

The minutes of September 18 and October 16, 2014, MSRC meetings were provided under separate cover and made available at today's meeting.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND
SECONDED BY MSRC MEMBER EARL WITHYCOMBE, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 9, THE
MSRC VOTED UNANIMOUSLY TO APPROVE THE SEPTEMBER 18
AND OCTOBER 16, 2014 MSRC MEETING MINUTES.

ACTION: Staff will place the approved minutes on the MSRC's website.

Agenda Item #2 – Summary of Final Reports by MSRC Contractors

Two final report summaries were included in the agenda package, as follows: 1) Southern California Regional Rail Authority, Contract #MS14047, which provided \$49,203 towards the implementation of special Metrolink service to Auto Club Speedway; and 2) Nationwide Environmental Services, Contract #MS10006, which provided \$94,887 towards the purchase of 3 sweepers equipped with advanced natural gas engines.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC MEMBER EARL WITHYCOMBE, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 9, THE MSRC VOTED UNANIMOUSLY TO APPROVE THE FINAL REPORTS ABOVE.

ACTION: MSRC staff will file the final reports and release any retention on the contracts.

Agenda Item #3 – Consider Adoption of 2015 Meeting Schedules

Annually the MSRC considers a proposed meeting schedule for the upcoming year. The schedule continues with meetings on the first and third Thursdays, respectively, for the MSRC-TAC and MSRC, with two exceptions. Staff recommends the MSRC-TAC meetings in January and December be held on the second Thursday of the month to avoid holiday conflicts.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC MEMBER EARL WITHYCOMBE, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 9, THE MSRC VOTED UNANIMOUSLY TO APPROVE THE ADOPTION OF THE 2015 MEETING SCHEDULE.

ACTION: Staff will place the adopted 2015 meeting schedule on the MSRC's website.

Receive and File Items

Agenda Item #4 – MSRC Contracts Administrator's Report

The MSRC AB 2766 Contracts Administrator's Report for September 25 through October 29, 2014, was included in the agenda package.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC MEMBER EARL WITHYCOMBE, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 9, THE MSRC VOTED UNANIMOUSLY TO RECEIVE AND FILE THE CONTRACTS ADMINISTRATOR'S REPORT FOR SEPTEMBER 25 THROUGH OCTOBER 29, 2014.

ACTION: SCAQMD staff will include the MSRC Contracts Administrator's Report in the MSRC Committee Report for the December 5, 2014 SCAQMD Board meeting.

Agenda Item #5 – Financial Report on AB 2766 Discretionary Fund

A financial report on the AB 2766 Discretionary Fund for the period ending October 31, 2014 was included in the agenda package.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC MEMBER EARL WITHYCOMBE, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 9, THE MSRC VOTED UNANIMOUSLY TO RECEIVE AND FILE THE FINANCIAL REPORT FOR THE PERIOD ENDING OCTOBER 31, 2014.

ACTION: No further action is required.

For Approval - As Recommended

Agenda Item #6 – Consider 18-Month Term Extension by Griffith Company, Contract #MS11092 (\$390,521 – “Showcase II” Off-Road Vehicle Retrofit Demonstration Program)

Griffith Company requests an 18-month extension due to personnel changes at the device manufacturer, Nett Technologies. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC MEMBER EARL WITHYCOMBE, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 9, THE MSRC VOTED UNANIMOUSLY TO APPROVE AN 18-MONTH CONTRACT TERM EXTENSION TO GRIFFITH COMPANY, CONTRACT #ML11092, AS PART OF THE FY 2010-11 OFF-ROAD DIESEL CONSTRUCTION EQUIPMENT RETROFIT “SHOWCASE II” PROGRAM.

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #7 – Consider Modified Scope of Work and Reduced Contract Value by City of San Fernando, Contract #ML14062 (proposed) (\$500,000 – Install New CNG Station)

The City requests to substitute the expansion of their existing CNG station for the installation of a new station, with an associated \$112,909 award value reduction. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC MEMBER EARL WITHYCOMBE, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 9, THE MSRC VOTED UNANIMOUSLY TO APPROVE THE CITY OF SAN FERNANDO’S REQUEST TO SUBSTITUTE THE EXPANSION OF THEIR EXISTING CNG STATION FOR THE INSTALLATION OF A NEW STATION, WITH AN ASSOCIATED \$112,909 AWARD VALUE REDUCTION, CONTRACT #ML14062 (PROPOSED), AS PART OF FYS 2012-14 LOCAL GOVERNMENT MATCH PROGRAM.

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #8 – Consider 24-Month Term Extension by Ware Disposal Co., Inc., Contract #MS12034 (\$133,070 – Purchase 8 Medium-Heavy Duty Vehicles)

Ware Disposal Co., Inc., requests a 24-month extension to complete their vehicle purchases. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC MEMBER EARL WITHYCOMBE, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 9, THE MSRC VOTED UNANIMOUSLY TO APPROVE A 24-MONTH CONTRACT TERM EXTENSION FOR WARE DISPOSAL CO., INC., CONTRACT #MS12034, AS PART OF FYS 2012-14 LOCAL GOVERNMENT MATCH PROGRAM.

ACTION: MSRC staff will amend the above contract accordingly.

Agenda Item #9 – Consider Potential Upgrades to MSRC Website by Mineral LLC under Contract #MS11001 (\$111,827 – Design, Host & Maintain MSRC Website)

The MSRC website's current notification service sends an e-mail message to subscribers when a new agenda is posted. The MSRC-TAC Administrative Subcommittee considered options to enhance the functionality of the service and recommends the creation of a new mailing list for meeting changes. Customized e-mails could be sent to highlight meeting time and/or location changes, as well as any cancellations. Mineral LLC, the company which maintains the site under Contract #MS11001, estimates the cost to add this feature from \$3,000 to \$3,750. The Administrative Subcommittee recommends the issuance of the Task Order for this work. Sufficient funds are available in the contract. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND SECONDED BY MSRC MEMBER EARL WITHYCOMBE, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 9, THE MSRC VOTED UNANIMOUSLY TO APPROVE THE ISSUANCE OF A TASK ORDER FOR MINERAL LLC, UNDER CONTRACT #MS11001, TO UPGRADE MSRC WEBSITE, AT A COST NOT TO EXCEED \$3,750.

ACTION: MSRC staff to issue task order to Mineral LLC.

ACTION CALENDAR (Items 10 through 14)

FYs 2014-16 Work Program

Agenda Item #10 – MSRC Discussion/Action Items/Next Steps (Continued from the October 2014 MSRC Meeting)

Ray Gorski, MSRC Technical Advisor, reported that at the last meeting there was an initial discussion as to the next steps in developing the MSRC's FYs 2014-16 Work Program. Due to time considerations, it was decided that that would be continued to this month. The process is to allocate funds for programs. The total unallocated budget at this

time is estimated to be on the order of \$45 million. This is a two-year Work Program. Included in the agenda package, for the MSRC's reference, is a presentation that was made at the last meeting. At that time there was some discussion about providing the TAC with direction to initiate the development of items which have broad-based support and then presenting the Work Program in a manner in which those programs are done first and then, as other opportunities present themselves, the MSRC would take those under consideration. At this point, staff will take whatever guidance the MSRC provides today and move forward as appropriate.

[MSRC Member Michael Antonovich arrived at 2:10 p.m. A quorum was already present.]

MSRC Member Earl Withycombe stated that, in looking at what Ray Gorski has proposed, he can support the priorities listed, which include moving forward initially with Local Match, Event Center, and Infrastructure Programs, as well as a broad-based TCM category. He would ask, however, for the Committee to consider opportunities for additions on some of these programs. Considering the comments that came in from the stakeholder workshops, one idea is to include EV charging stations which are probably the largest area where the MSRC is going to allocate funds to zero-emission technologies, for which he was previously advocating. A second idea is that if the MSRC allocates funds that will be used broadly for TCMs, it might include bike infrastructure, and in any bike infrastructure program, he would suggest to add points of priority to projects that would add parking infrastructure, bike racks facilities, and that the MSRC make sure that there are bike lanes accessing all those dollars that the MSRC puts in non-roadway improvements. He also suggests that the MSRC provide emphasis for the low-cost bike lanes, which are simply class-three striped bike lanes, as opposed to giving points for class-one separated pathways which are more expensive. Those are his thoughts about additional instructions to give staff to consider in moving forward with Ray Gorski's basic program. At this time, he doesn't have any unique program ideas to plug into the space where the MSRC may have available funding, but these items could be discussed among themselves, or be brought back at a later date.

MSRC Member Greg Winterbottom agreed with Mr. Withycombe in that staff probably has the best idea, maybe even working with SCAQMD and CARB, of what the MSRC can do and then the MSRC can fill that gap. He indicated that he didn't have any ideas off the top of his head. He suggested looking to the staff for ideas that would help the MSRC dig deeper than where they have been.

MSRC Vice Chair Larry McCallon likes the idea of tying active transportation in. One of the issues in San Bernardino County is looking at interconnectivity between rail and buses and providing access at the transit stations to bicycles, etc., for first-mile, last mile. That whole connectivity issue is to make it more convenient for people to use transit and get them off the road. If the MSRC can, we ought to try to support that.

[MSRC Member Steven Veres arrived at 2:12 p.m.]

Mr. Gorski indicated that, as of today, with MSRC-TAC Chair Gretchen Hardison participating, staff will begin the process of forming the TAC Subcommittees to actually

do the heavy lifting on developing these programs. Some of these will have a good start because of past successes. Staff and the TAC Subcommittees have the obligation to go through and make sure that any modifications that are deemed appropriate are made, but that will be done in a timely manner. They will be working with the stakeholders who are advocating those programs and develop opportunities for the MSRC's consideration probably no later than the January meeting; at least to get a substantial portion of the work program underway.

When asked what is new on the horizon, Mr. Gorski replied that there are initiatives which are being put forth by both CARB, as well as SCAQMD specifically looking at moving toward zero-emissions for goods movement. There are other funding opportunities but as has been discussed in the past, there might be a role for the MSRC to partner with the state agencies as well as the local air district to accelerate the deployment of zero emission technologies, especially those that are applicable to goods movement. That is something which is a little different than the MSRC has done in the past but again it is an initiative that is being implemented at all levels within California.

The ports have adopted their Clean Air Action Plans and are currently implementing them. One thing to remember about Goods Movement is that it stretches not only at the ports but all the way to the Inland Empire where many of the warehouse distribution centers are located and they have the same issues related to goods movement that the ports have relative to ensuring that they are moving goods in as clean a method as possible. The SCAQMD has indicated on many occasions the need to move those toward zero emissions because of the ozone obligations relative to 2023 and 2032.

Mr. Gorski said that there is a lot of work to be done in goods movement and zero emissions. One item MSRC Member Earl Withycombe mentioned is the enabling infrastructure. It is hard to have a bunch of plug in vehicles if there is no infrastructure to support them. The MSRC has often times in the past stood up and been the body which helps with the enabling technologies to allow other clean air strategies to be feasible. There is going to be a fair amount of consideration given, and of course, active transportation is something which the MSRC has done in the past, but there will be a more coordinated effort for active transportation in this work program. While the MSRC will most likely see some of the programs which have become somewhat institutionalized over the years, the Local Match Program, the Infrastructure Program to support natural gas vehicles, the programs that support Event Center Transportation, they will also most likely see an emphasis now to look at zero emissions good movement, look at active transportation, which cover both ends of the spectrum, as well as anything else that presents itself. It is going to be a robust program. With \$45 million, there are a lot of opportunities. He does not foresee leaving too much money on the table because there are a lot of expressed needs. Working with the CARB, SCAQMD, and the MSRC and TAC staff will go through and identify other programs which are meritorious for example those which were put forth at the recent workshops. There is a lot of work to do but he believes that they will have something put together to start debating as early as January.

Vice Chair Larry McCallon asked if it was the consensus of the committee to move forward. There were no objections. Mr. Withycombe recommended to take Ray Gorski's

list of priorities, which are on the last two pages of the proposal, and start work on that basis.

Agenda Item #11 – Consider Partnership with SCAQMD on Implementation of AB118 Enhanced Fleet Modernization Program (EFMP)

Ray Gorski, MSRC Technical Advisor, reported that this item is an opportunity being presented from the SCAQMD to partner on a program that would allow low and middle income consumers to scrap their older high emitting vehicles and provide a replacement voucher to purchase a cleaner newer vehicle or receive a voucher for an equivalent valued transit pass. The SCAQMD has put together a PowerPoint presentation for the MSRC's consideration. This item was heard at the MSRC-TAC. It was approved, but not unanimously.

Henry Hogo, Assistant DEO/Science and Technology Advancement, reported that the Enhanced Fleet Modernization Program (EFMP) is a state program. Recently, there has been a lot of attention by the State Legislature to develop a program that targets low and middle income consumers to offer incentives to replace their older high emitting vehicles with newer, more fuel efficient and cleaner technology vehicles. The focus of the legislature has also been directed at disadvantage communities and ensuring that program implementation be focused in disadvantage communities. In addition the legislation has allowed for substitution of the face value of the voucher to go towards transit passes, vanpooling, or car sharing. Such flexibility will help implement SB375 in terms of having more people taking transit and reducing congestion. This is an ideal program for the MSRC to partner with because the goals and objectives of the MSRC in reducing emissions and reducing congestion really fit together with this program. The SCAQMD is one of two Districts that will receive moneys from the State to implement the program, however funding would not be coming until the spring of 2015. With the interest from the Legislature and the Governor's Office, to see a successful implementation there is a need to begin the program as early as possible. SCAQMD is moving forward with the program and taking a Board Item before its Technology Committee tomorrow and full Governing Board on December 5th. The Governing Board will be asked to make awards to four proposals to move ahead with the program will a special focus for outreach and marketing to low and middle income consumers living in disadvantage communities. The funding amount being program will do between 373 to 672 vouchers depending upon the amount of the vouchers and the consumers income levels.

Because of concerns with consumer protection and the financing for lower income households, most likely there would be a need to work with financial institutions that do these types of auto loans. If a consumer decides to go with a voucher for an automobile, they will work with these financial institutions and the voucher will go towards that loan. Because these financial institutions have been working with low income consumers they have a defined interest rate, unlike auto dealerships where they have their own financing if a consumer is a higher risk applicant.

Discussions have been held with Omnitrans, OCTA, and Metro about the EFMP program. Their transit pass programs are either run by themselves or a third party regional transit pass agency. Either the SCAQMD or one of its contractors will work with the transit

agencies or a third party regional transit pass agency to work out the details of issuing transit passes in lieu of vouchers for equivalent value of the vouchers. For car sharing programs, two vanpool entities have already identified that do regional vanpooling and discussions are being held with them about how they can participate in the program.

Several pieces of the program are being aligned and due to the nature of the program the SCAQMD would like to have more funding into the program initially to get things going. Therefore, they are requesting that the MSRC consider putting in \$800,000, of which \$200,000 would go towards administering one of these contracts and \$600,000 would be for vouchers.

MSRC Member Larry McCallon questioned why the TAC vote was not unanimous in their decision to recommend moving this forward. Mr. Hogo replied that the discussion was not about the merits of the program rather that the timing preceded the development of the work program. He mentioned that MSRC Member Earl Withycombe was present at the TAC meeting. Mr. Withycombe commented that it was probably because of concerns that he had expressed with respect to this proposal when it came to the TAC. He similarly raised the same reservations when the RCTC proposal came to the TAC two months earlier for an early carve out from the MSRC budget before they had had any subsequent discussions, that gave him pause with respect to the program. In the two weeks since the TAC meeting, he had conversations with a number of folks. Mr. Withycombe now feels that he has a much better understanding of the financial cost of commitments that are being looked at with Ray Gorski's proposal which by consensus passed the TAC and his reservations about premature timing of introduction are now resolved. Because of that he is now prepared to support the proposal.

Mr. Hogo said that there is another program called EFMP Plus-Up. The Plus-Up is part of the AB32 program utilizing Cap and Trade funds. The focus of this program will be residents living in disadvantaged communities. Residents meeting the income qualifications and living in disadvantaged communities can receive an additional \$5,000 on top of the \$4,500 being offered in the base EFMP program. MSRC-TAC Member Dean Saito cited that the distinction between the EFMP Plus Up is that the additional \$5,000 combined with the EFMP \$4,500 can go toward a used car. The anticipated number of used vehicles becoming available from lease programs of battery electric, plug-in hybrid, and conventional hybrids would make such vehicles eligible for the EFMP Plus Up. A consumer can be eligible to buy a used advanced technology vehicle at a much discounted rate and get up to \$9,500 to scrap their vehicle and replace it with an advanced technology vehicle.

Mr. Winterbottom asked if there is a length of ownership required? Mr. Hogo replied that that is being looked into. There will be some commitment on having that car stay in operation for two or three years. Mr. Winterbottom asked about the previous car that is being turned in. Mr. Saito said that there will be a requirement to show some indication that it has been registered for at least two-years; and the vehicle has to be operational.

Mr. Winterbottom asked how many people will be getting these benefits. Mr. Hogo replied that the state is offering to give SCAQMD up to \$1.4 million. The Governing Board will be asked to use local money from the SCAQMD side of \$1.025 million to kick start the program; and the MSRC is being asked for \$800,000. The total number of vehicles scrapped and replaced would be 992, at the lowest voucher face value; and the highest voucher level would be somewhere around 550 vehicles.

Mr. Winterbottom asked if the voucher offer is per person, or per family. Mr. Saito replied that it is per person, for a two-year period. He was not sure if they will get into that level of distinction, household or per person. Mr. Hogo added that the federal poverty level per household will be used.

Mr. Hogo stated that students may be prime focus time for this program, especially students who go to colleges in the inner city core. A lot of the transit agency focus is on having students take transit more so than driving.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND
SECONDED BY MSRC MEMBER EARL WITHYCOMBE, THE
MSRC UNANIMOUSLY APPROVED AN ALLOCATION OF \$800,000
TO AUGMENT THE SCAQMD FUNDS TO IMPLEMENT THE
ENHANCED FLEET MODERNIZATION PROGRAM.

AYES: ANTONOVICH, VERES, WINTERBOTTOM, WITHYCOMBE,
MCCALLON.

NOES: NONE.

ACTION: Staff will include this item for consideration by the SCAQMD Board at its December 5, 2014 meeting.

FYs 2012-14 Work Program

Agenda Item #12 – Consider Funding for Applications Received under the Alternative Fuel Infrastructure Program

Cynthia Ravenstein, MSRC Contracts Administrator, presented this item on behalf of the Infrastructure Subcommittee Chair, A.J. Marquez, who was unable to attend the meeting. MSRC released a program announcement for \$7.5 million available in funding for alternative fuel infrastructure, specifically looking at CNG and LNG stations and modifications to maintenance facilities. The MSRC has already made a number of awards under this program, however, as it was coming to a close, there were 15 additional applications received. The Infrastructure Subcommittee has been reviewing these applications. There are a number of issues that need to be resolved on many of them, but at this time the TAC is recommending 12 of the 15 applications. The remaining three are still being evaluated. It is not that there is necessarily any recommendation not to fund those, but those will be coming back to the MSRC in the near future. At this time, there is a recommendation to fund 12 applications totaling \$2,049,954. There are a variety of different types of projects: some new stations, some expansions, some public, some limited access, and a few maintenance facility modifications.

Veera Tyagi, Senior Deputy District Counsel, stated that MSRC Member Michael Antonovich does not have a financial interest but is required to identify for the record that he is a member of the Board of Directors for the Los Angeles County Sanitation District, which is involved in the item.

ON MOTION BY MSRC MEMBER EARL WITHYCOMBE AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE
MSRC UNANIMOUSLY APPROVED 12 APPLICATIONS FOR
\$2,049,954 IN TOTAL FUNDING; AS PART OF THE FYS 2012-14
WORK PROGRAM.

AYES: ANTONOVICH, VERES, WINTERBOTTOM, WITHYCOMBE,
MCCALLON.

NOES: NONE.

Agenda Item #13 – Consider Funding for Proposals Received under the Major Event Center Transportation Program

MSRC-TAC Member Kelly Lynn, Chair/TCM Subcommittee, indicated that at the close of the FYs 2012-14 Work Program, they also received three proposals: One from OCTA for the Angels Express project which involves some dedicated rail service for the 48 Angels home games; one from the Auto Club Speedway for the NASCAR Race in March; and one from the Los Angeles County Fair, in partnership with Foothill Transit.

The Angels Express project would provide dedicated Metrolink rail service on the Orange County line for 48 Angels home games, as well as providing service on another dedicated line for the Inland Empire for the Friday home games. The Auto Club project would also provide dedicated service, in this case out of Oceanside, Oxnard and Lancaster. Both of these dedicated rail services will get people to the events; and they will wait, even if there are extra innings. Both of those were recommended for approval by the TAC.

Regarding the Los Angeles County Fair proposal, that one was in partnership with Foothill Transit asking for \$500,000 for the construction of a multi-modal transit center. That was not the idea behind this particular Program. This grant is for the reduction of congestion around large events and to try to get people to try alternative modes and not to drive into these large events in single-occupancy vehicles but to try rail or transit or buses. Therefore, the thought in reviewing the Los Angeles County Fair proposal was that maybe they didn't quite understand because it was their first submittal. Therefore, the Subcommittee did not recommend it. MSRC staff followed up with the L.A. County Fair afterwards and explained the reasoning, and they understood.

Ms. Ravenstein added that staff is going to work with them, if indeed the MSRC has another Major Event Center Transportation Program. The parameters of the program could end up changing somewhat, but even if it stays the same as it was previously, staff could work with them to see if there is a way to come up with something that fits the parameters.

MSRC Member Steve Veres moved the item but suggested that staff go over the actual parameters with the L.A. Fair because they are certainly identifying an interest and probably a need for being involved in a program like this. If staff can provide direct feedback to them on why they were not funded this time around, but perhaps they can consider a modification for the future, or the MSRC can consider something different in the future.

ON MOTION BY MSRC MEMBER STEVE VERES, AND SECONDED BY MSRC MEMBER EARL WITHYCOMBE, THE MSRC UNANIMOUSLY APPROVED AN AWARD TO OCTA IN THE AMOUNT OF \$239,645 TO IMPLEMENT THE 2015 SEASON OF THE ANGELS EXPRESS METROLINK SERVICE; AND AN AWARD TO SCRRRA ON BEHALF OF THE AUTO CLUB SPEEDWAY IN THE AMOUNT OF \$83,960 TO IMPLEMENT SPECIAL METROLINK SERVICE IN SUPPORT OF THE 2015 AUTO CLUB 400 RACE, AS PART OF THE FYS 2012-14 WORK PROGRAM.

AYES: ANTONOVICH, VERES, WINTERBOTTOM, WITHYCOMBE, MCCALLON.

NOES: NONE.

MSRC Member Earl Withycombe indicated that his understanding from the package is that there was no allowance in the solicitation for construction costs, and that was the primary reason that it couldn't be accepted. He assumed that the TAC will take the information they learned from the L.A. Fair and make sure that they can structure their proposal in the upcoming round for the 2014-16 Event Center grant program so that they will be eligible.

Veera Tyagi, Senior Deputy District Counsel, stated for Supervisor Antonovich, Vice Chair McCallon, and MSRC Member Greg Winterbottom, that these members do not have a financial interest in the matter, but Supervisor Antonovich, and Mayor Pro Tem McCallon are members of the Southern California Regional Rail Authority, and Member Winterbottom is a member of OCTA, and they are required to make that disclosure for the record.

Mr. Veres asked that if the Angels or Dodgers go into the playoffs, is there enough funds to facilitate an extension to continue the program into the playoffs. These types of programs would get a lot of attention. The reply was yes. Ms. Ravenstein added that for 2013 Metro did come in and request additional funding that the MSRC did grant for the playoffs.

Agenda Item #14 – Consider Contract Value Increase by BusWest, Contract #MS14048 (\$444,850 with pending increase to \$909,850 – Incentives for Alternative Fuel School Buses)

Cynthia Ravenstein, MSRC Contracts Administrator, reported that this request comes from one of the qualified vendors for the Alternative Fuel School Bus Incentives Program. BusWest received a purchase order from Banning Unified School District for one full-size CNG school bus. As the funding in BusWest's contract has already been expended,

or already had other purchase orders against it, they have requested a \$31,000 increase. The TAC recommends approval. There is plenty of funding left out of what the MSRC allocated.

ON MOTION BY MSRC MEMBER EARL WITHYCOMBE, AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE
MSRC UNANIMOUSLY APPROVED A \$31,000 CONTRACT VALUE
INCREASE TO BUSWEST AS PART OF THE FYS 2012-14
ALTERNATIVE FUEL SCHOOL BUS INCENTIVES PROGRAM.
AYES: ANTONOVICH, VERES, WINTERBOTTOM, WITHYCOMBE,
MCCALLON.
NOES: NONE.

OTHER BUSINESS

Agenda Item #15 – Other Business

- Ray Gorski asked whether the MSRC believes there is a need to have a meeting in December. Oftentimes, if there is a light agenda, or if there are no urgent items, the MSRC chooses to not have a December meeting. The MSRC, therefore, chose not to meet in December.

ADJOURNMENT

THERE BEING NO FURTHER BUSINESS, THE MSRC MEETING
ADJOURNED AT 3:08 P.M.

NEXT MEETING:

Thursday, January 15, 2015, at 2 p.m., Room CC-8.

[Prepared by Ana Ponce]

MSRC Agenda Item No. 3

DATE: January 15, 2015

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from October 30 through December 31, 2014.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2012-14 Work Program

On April 5, 2013, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program. These contracts are undergoing internal review or executed.

On July 5, 2013, the SCAQMD Governing Board approved an additional award to Orange County Transportation Authority under the Event Center Transportation Program. This contract is executed.

On September 6, 2013, the SCAQMD Governing Board approved an award to Transit Systems Unlimited under the Event Center Transportation Program. This contract is executed.

On November 1, 2013, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program. These contracts are executed.

On December 6, 2013, the SCAQMD Governing Board approved 25 awards under the Local Government Match Program, 12 awards under the Alternative Fuel Infrastructure Program, one award under the Alternative Fuel School Bus Incentives Program, and one award under the Event Center Transportation Program. These contracts are awaiting responses from the prospective contractor, undergoing internal review, with the SCAQMD Board Chair for signature, or executed.

On January 10, 2014, the SCAQMD Governing Board approved three awards under the Local Government Match Program, one award under the Alternative Fuel Infrastructure Program, and

one award under the Alternative Fuel School Bus Incentives Program. These contracts are executed.

On February 7, 2014, the SCAQMD Governing Board approved two awards under the Local Government Match Program and one award under the Alternative Fuel Infrastructure Program. These contracts are with the SCAQMD Board Chair for signature or executed.

On April 4, 2014, the SCAQMD Governing Board approved two awards under the Local Government Match Program and three awards under the Traffic Signal Synchronization Partnership Program. These contracts are executed.

On May 2, 2014, the SCAQMD Governing Board approved 12 awards under the Local Government Match Program. These contracts are awaiting responses from the prospective contractor, with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On June 6, 2014, the SCAQMD Governing Board approved an award under the Traffic Signal Synchronization Partnership Program. This contract is executed.

On July 11, 2014, the SCAQMD Governing Board approved an award under the Traffic Signal Synchronization Partnership Program. This contract is executed.

On September 5, 2014, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is with the SCAQMD Board Chair for signature.

On October 3, 2014, the SCAQMD Governing Board approved an award under the Alternative Fuel Infrastructure Program. This contract is with the SCAQMD Board Chair for signature.

On December 5, 2014, the SCAQMD Governing Board approved 12 awards under the Alternative Fuel Infrastructure Program and two awards under the Event Center Transportation Program. These contracts are under development or undergoing internal review.

Work Program Status

Contract Status Reports for work program years with open and pending contracts are attached. MSRC or MSRC-TAC members may request spreadsheets covering any other work program year.

FY 2004-05 Work Program Contracts

One contract from this work program year is open.

FY 2004-05 Invoices Paid

No invoices were paid during this period.

FY 2005-06 Work Program Contracts

5 contracts from this work program year are open; and 3 are in "Open/Complete" status, having completed all obligations save ongoing operation. 2 contracts closed during this period: City of South Pasadena, Contract #ML06064 – Purchase 2 Heavy-Duty CNG Vehicles; and Clean Energy Fuels Corp., Contract #MS06049 – Install New CNG Station at Long Beach Police Department.

FY 2005-06 Work Program Invoices Paid
No invoices were paid during this period.

FY 2006-07 Work Program Contracts

5 contracts from this work program year are open; and 21 are in “Open/Complete” status. One contract closed during this period: City of Los Angeles, Department of General Services, Contract #MS07061 – “Showcase” Off-Road Diesel Retrofit Program.

FY 2006-07 Invoices Paid
No invoices were paid during this period.

FY 2007-08 Work Program Contracts

11 contracts from this work program year are open; and 40 are in “Open/Complete” status.

FY 2007-08 Invoices Paid
No invoices were paid during this period.

FY 2008-09 Work Program Contracts

6 contracts from this work program year are open; and 15 are in “Open/Complete” status. One contract moved into “Open/Complete” status during this period: City of South Pasadena, Contract #ML09009 – CNG Station Expansion.

FY 2008-09 Invoices Paid
No invoices were paid during this period.

FY 2009-10 Work Program Contracts

3 contracts from this work program year are open; and 13 are in “Open/Complete” status. One contract was canceled during this period, due to a decision to lease rather than purchasing a vehicle: City of Sierra Madre, Contract #MS10003 – Purchase One Heavy-Duty CNG Vehicle. Two contracts passed into “Open/Complete” status during this period: Nationwide Environmental Services, Contract #MS10006 – Purchase Three CNG Street Sweepers; and Ryder System Inc., Contract #MS10017 – Purchase 19 Heavy-Duty Natural Gas Vehicles.

FY 2009-10 Invoices Paid
One invoice in the amount of \$9,488.70 was paid during this period.

FY 2010-11 Work Program Contracts

34 contracts from this work program year are open; and 20 are in “Open/Complete” status. One proposed contract with the Los Angeles Unified School District is still with them for signature following MSRC approval of modifications. Lastly, one proposed contract with Ivanhoe Energy Services and Development is still with the prospective contractor for signature. In October, the MSRC-TAC recommended that Ivanhoe come back with a report in March 2015.

FY 2010-11 Invoices Paid
3 invoices totaling \$630,600.00 were paid during this period.

FY 2011-12 Work Program Contracts

54 contracts from this work program year are open, and 15 are in “Open/Complete” status. One contract moved into “Open/Complete” status during this period: City of Redlands, Contract

#ML12039 – Purchase 3 Heavy-Duty Natural Gas Vehicles.

FY 2011-12 Invoices Paid

One invoice in the amount of \$60,000.00 was paid during this period.

FYs 2012-14 Work Program Contracts

37 contracts from this work program year are open, and one is in “Open/Complete” status.

One contract closed during this period: Southern California Regional Rail Authority (Metrolink), Contract #MS14047 – Special Metrolink Service to Auto Club Speedway.

FYs 2012-14 Invoices Paid

3 invoices totaling \$247,590.04 were paid during this period.

Administrative Scope Changes

3 administrative scope changes were initiated during the period of October 30 to December 31, 2014:

- MS12080 – City of Pasadena (Expand CNG Station) – One-year no-cost term extension
- ML14056 – City of Redlands (Install Bicycle Lanes) – One-year no-cost term extension
- ML14064 – City of Claremont (Purchase 2 Heavy-Duty CNG Vehicles) – Six-month no-cost term extension
