### **Adoption of 2020 Meeting Schedule**

The MSRC adopted its 2020 meeting schedule (*Attachment 1*). The MSRC will continue to meet on the third Thursday of every month at 2:00 p.m. Its Technical Advisory Committee will continue to meet on the first Thursday of every month at 1:30 p.m., except for the months of January and December which have been moved to the second Thursday because of holiday conflicts. Both the MSRC and the MSRC-TAC will be dark in July. Both meetings are usually conducted in Room CC8.

### **FYs 2018-2021 Work Program**

#### **Regional Goods Movement Program**

The Better World Group Advisors continue their assessment of other funding providers' active and potential programs with a nexus to the reduction of emissions from goods movement, further developing relationships with entities previously contacted as well as additional collaborative opportunities to be pursued.

#### **Market Acceleration Program**

The Market Acceleration Program (MAP) is a South Coast AQMD program to support the early deployment of near-zero emission natural gas trucks, targeting heavy-duty trucks used in short-haul drayage activities. Its key audience includes fleets who don't meet the scrap truck qualification criteria of the Prop 1B and Carl Moyer Programs, and owners of older trucks who can't afford new near-zero trucks even with state incentives. Clean Energy, which originally proposed MAP to South Coast AQMD, will promote

and coordinate the program but is not a funding recipient. A funding allocation from the MSRC would augment the South Coast AQMD's existing MAP funding and increase the number of trucks scrapped and new near-zero emission trucks placed into service. At least 89 truck replacements would be expected absent any other co-funding. The MSRC considered this partnership opportunity and approved an allocation of up to \$4,000,000 to augment the South Coast AQMD funding to implement the MAP as an element of the FYs 2018-21 Work Program.

#### Inland Ports Zero/Near-Zero Emission Warehouse & Distribution Facilities

The MSRC approved the release of PON #PON2020-01 under the FYs 2018-21 Work Program. The PON, with an initial targeted funding amount not to exceed \$20,000,000, solicits pre-proposals from owners and/or operators of warehouses, distribution centers, and logistics facilities located within the South Coast AQMD portions of Riverside or San Bernardino Counties describing how the organization would like to partner with the MSRC to implement air pollution reduction strategies and technologies at their facilities. The PON includes an open application period commencing with its release on December 6, 2019 and closing February 21, 2020. Upon receipt of a project concept, the MSRC could a) request a more detailed proposal for possible sole-source award; b) notify entities that an RFP will be issued at a later date; or c) decline the funding request.

#### Major Event Center Transportation Program

As part of its FYs 2018-21 Work Program, the MSRC allocated \$6.5 million for event center transportation programs and released Program Announcement #PA2019-03. The Program Announcement solicits applications from qualifying major event centers and/or transportation providers to provide transportation service for venues not currently served by sufficient transportation service. To date, the MSRC has awarded a total of \$1,631,783. The MSRC considered recommendations concerning an additional application submitted by Metro. Metro requested the MSRC to consider an award of \$2,188,899 to provide express bus service to Dodger Stadium for 2020 and 2021. For the 2020 season, service would be provided for one preseason game, 81 regular season games, one All-Star game, two special events, and up to ten post-season games. The 2021 season would have approximately 82 regular season games, two special events, and up to ten post-season games. Service would begin at least 90 minutes prior to game/event start time and would utilize "near-zero" CNG buses. Metro and the Los Angeles Dodgers are committed to provide at least \$3,011,026 in co-funding contributions to the administration and marketing of the project. The MSRC allocated an additional \$87,642 to the Program and approved a contract award to Metro in an amount not to exceed \$2,188,899 as part of the FYs 2018-21 Work Program for the Dodger Stadium Express bus service.

### **Contract Modification Request**

The MSRC considered six contract modification requests and took the following actions:

1. For the City of Los Angeles, General Services Department, Contract #ML14018, which provided \$810,000 to purchase 27 heavy-duty natural gas vehicles, a 29-month term extension;
