

SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT ANNOUNCEMENTS

www.aqmd.gov

@SouthCoastAQMD    

The South Coast AQMD's UPS power system will undergo maintenance on Monday, April 29. To avoid potentially catastrophic power damages to our systems, critical servers (CLASS, OnBase, and PeopleSoft) will be down during this maintenance period. Additional applications have been identified and listed below in bold. Affected servers may be unavailable from 6 a.m. to 5 p.m.
