

# REGIONAL CLEAN AIR COMMUNITY CONVERSATIONS

Community Air Protection Program (CAPP)

Wednesday, April 15, 2026 5:30 -7:00 pm

Wednesday, April 29, 2026 2026 5:30 -7:00 pm

Thursday, April 30, 2026 5:30 -7:00 pm

Thursday, May 14, 2026 5:30 -7:00 pm

# LAND AND LABOR ACKNOWLEDGEMENT

On behalf of the Community Engagement and Air Programs (CEAP) division of South Coast AQMD, we acknowledge that we are on the ancestral land of the Cahuilla, Serrano, and Gabrielino/Tongva people. We also honor the labor of the people who have and do reside here and their efforts to foster a healthier environment and enhance the quality of life for all residents and community stakeholders. We are excited to be in a communal space as we reflect on our relationships with both the land and one another to celebrate the progress and achievements of our collaborative efforts.

# COMMUNITY ENGAGEMENT AND AIR PROGRAMS (CEAP) DIVISION

Enhance

Enhance public education and equitable treatment for all communities

Identify

Identify gaps in employee awareness of community issues and community engagement throughout the region

Increase

Increase collaboration within and between communities of community issues and community engagement throughout the region

WELCOME,  
OUTCOMES &  
INTRODUCTIONS

SOUTH COAST  
AQMD & AB 617  
OVERVIEW

COMMUNITY  
DIALOGUE

NEXT STEPS

# AGENDA

---

# MEETING OUTCOMES

1

Share information about Community Air Protection Program (CAPP) & ongoing South Coast AQMD community incentives

2

Listen to attendees' air quality concerns to determine next steps for emission reduction benefits in your community

3

After tonight, connect within communities to further discuss specific community concerns

# LET'S MEET OUR COMMUNITY MEMBERS

## **ZOOM POLL**

HOW DID YOU HEAR  
ABOUT TONIGHT'S  
MEETING?

## **ZOOM CHAT**

INTRODUCE YOURSELF &  
COMMUNITY IN THE  
CHAT

# WHO IS SOUTH COAST AQMD?

We are the Regional Government Agency that cleans the air to protect public health

Adopt air quality rules and regulations

Enforce District rules through:

- Periodic Inspections
- Responding to air quality complaints

Clean technology

Air monitoring

Public outreach

# TYPES OF REGULATED FACILITIES

**Automotive Painting**

**Gas Stations**

**Dry Cleaners**

**Hospitals**

**Refineries**

**Power Plants**

# AIR QUALITY AGENCIES

## Federal

### United States Environmental Protection Agency

Sets and enforces national air quality standards. Regulates interstate transportation.

Trains

Ships

Planes

## State

### California Air Resources Board

Regulates mobile sources of air pollution, greenhouse gases, and consumer products

Cars

Trucks

Buses

## Local

### Local Air Districts

Regulate stationary and local sources of air pollution

Factories

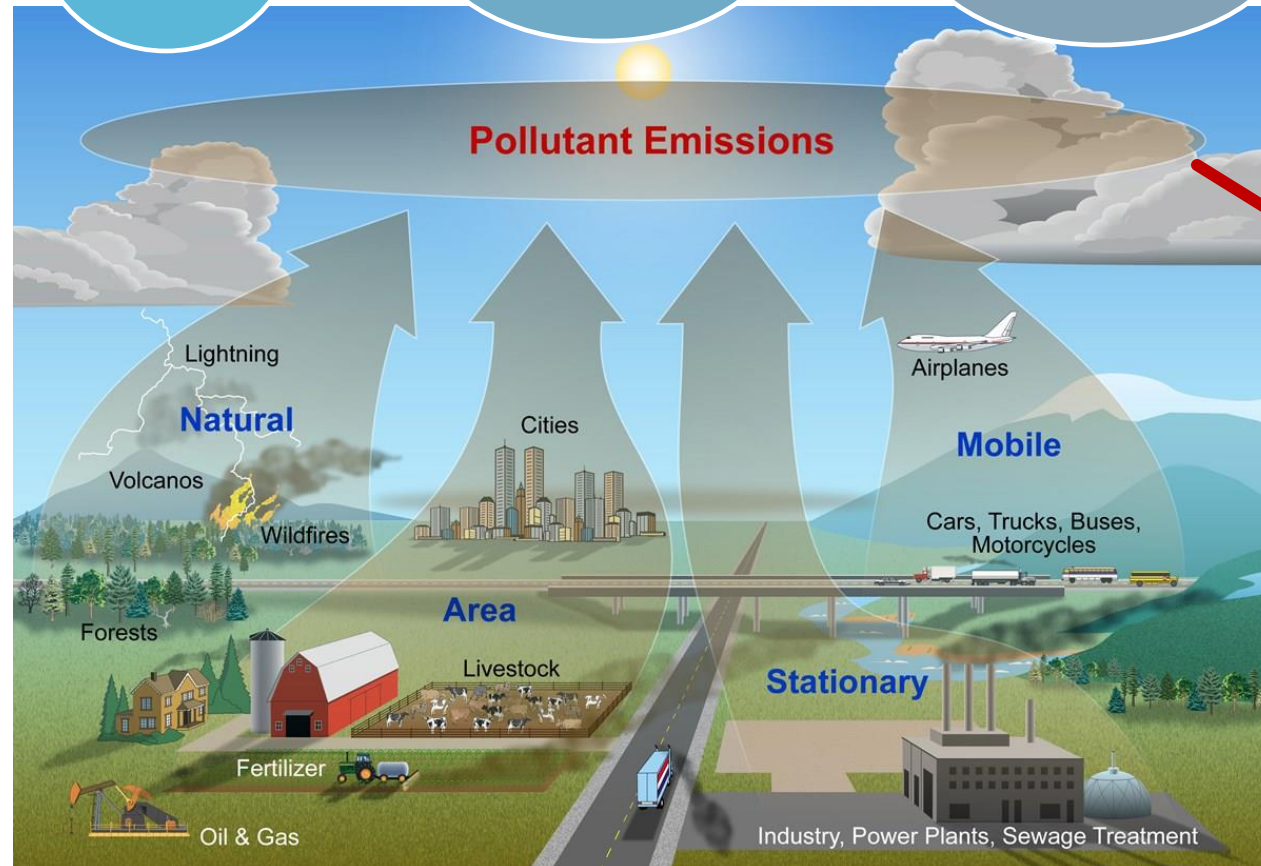

Refineries

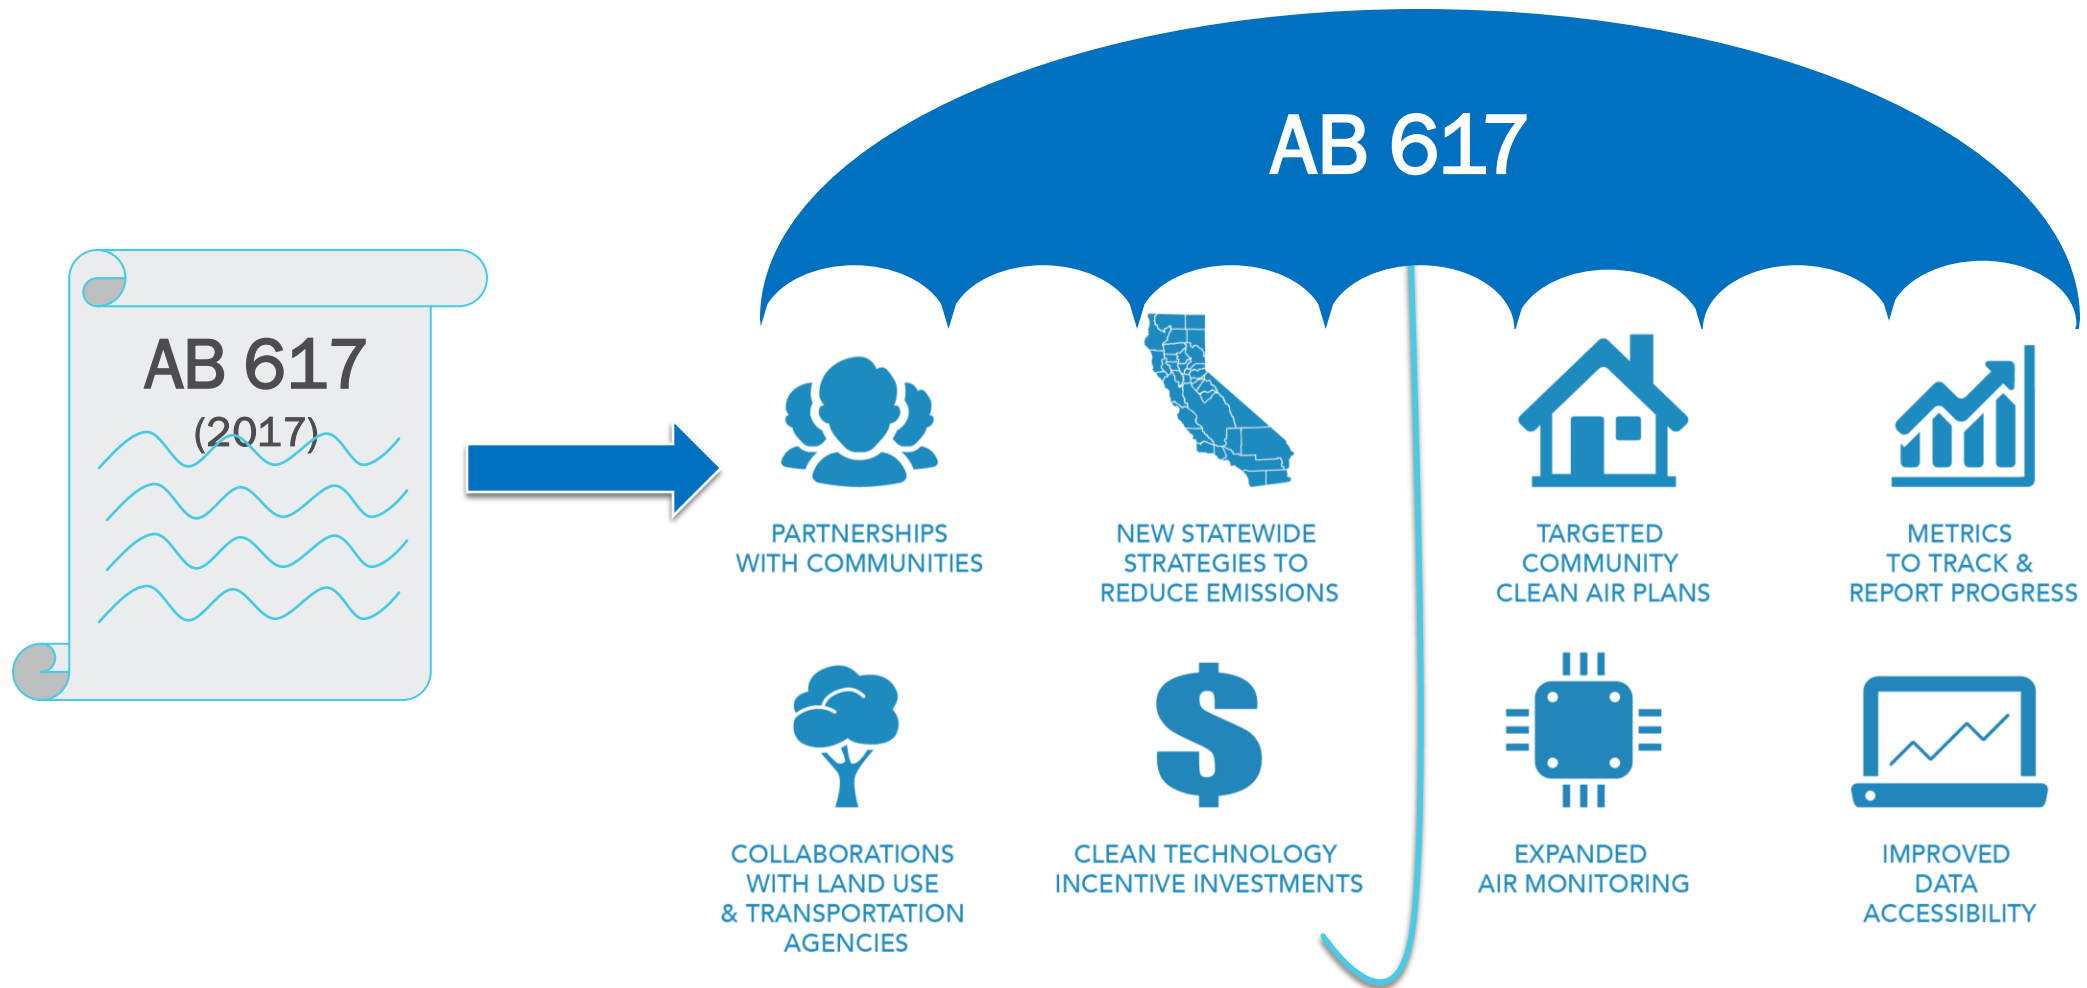

Residential woodstoves

# SOURCES OF AIR POLLUTION

Contribute to nearly 80% of the total air pollution – such as trucks, marine vessels, trains, construction equipment

# OVERVIEW OF ASSEMBLY BILL 617

# AB 617 – KEY RESPONSIBILITIES

## CARB

- Strategies to benefit communities statewide
- Establishing Program requirements
- Program oversight
- Community Air Grants

## Local Air Districts

- Partnering with communities on community air monitoring and community emissions reduction programs
- Rules requiring stronger pollution controls on industrial sources
- Administering incentive funding

## Communities

- Providing direction on community concerns and local and statewide programs
- Partnering with air districts on community air monitoring and emissions reduction programs

Public/Community Engagement

# WHAT WE PREVIOUSLY LEARNED FROM COMMUNITIES

## Community Air Quality Concerns

Trucks  
(idling and  
neighborhood  
truck traffic)

Freeway Traffic

Rail

Airports

Industry  
(e.g., plastics factory)

Construction Dust

Wildfire Smoke

# COMMUNITY FEEDBACK & SUGGESTIONS

Air quality education

Filters for exhaust pipes and smokestacks

Buffer between industry/freeway and residences

Green spaces

Charging stations and infrastructure

Home and School air filtration

Electric vehicle mechanic training

Improve collaboration with local government

Electric vehicle repair shops

Improve transit

# INCENTIVE FUNDING

# EXAMPLES OF INCENTIVE PROGRAMS

## Carl Moyer Program

- Trucks, off-road, marine vessels, locomotives, cargo handling and infrastructure
- Voluntary Program
- Accelerates commercialization of cleanest technology
- Reduces air pollution in communities disproportionately impacted

## Clean Community School Initiative

- Privately-owned fleets
- Replacement of diesel, compressed natural gas and propane school buses for zero-emission school buses
- Charging infrastructure
- Currently open

## Clean Community Emergency Generator Replacement Project

- For schools, colleges, city-owned facilities, hospitals and other sensitive receptors
- Replacement of diesel emergency generators for zero-emission generators
- Solar and battery storage configuration

## Clean Community Service Vehicle Replacement Program

- Funding for refuse trucks, street sweepers, utility trucks, senior shuttle buses, emergency vehicles for zero-emission vehicles

# TOOLS & RESOURCES

# CAPEs - CLEAN AIR PROGRAM FOR ELEMENTARY STUDENTS

# WHAM – WHY HEALTHY AIR MATTERS

## Information / información:

<https://www.aqmd.gov/home/programs/education>

Middle School & High School  
Air Quality Education Program  
by South Coast AQMD

### WHAT IS THE WHAM PROGRAM?

The WHAM Program is South Coast AQMD's free air quality education program for high school and middle school students. After school programs, clubs, and other organizations are also eligible to participate in the program. The program utilizes a curriculum developed by South Coast AQMD, which is aligned with Next Generation Science Standards (NGSS).

### WHY IS THE WHAM PROGRAM IMPORTANT?

This region suffers from some of the poorest air quality in the nation and does not meet federal standards for:

- Ozone (smog)
- Fine particulate matter (PM2.5)

WHAM increases awareness of air quality issues in communities throughout South Coast AQMD's jurisdiction, especially within environmental justice communities, and seeks to introduce students to potential academic and career pathways related to air quality.

### What does each participating school receive?\*

Each participating teacher will receive access to the WHAM curriculum as well as the supplies and materials needed to successfully complete the lessons and experiments. WHAM provides teachers with flexible options to accommodate their classes and their students' needs.

\*Due to limited resources, only teachers are eligible to receive supplies for experiments from South Coast AQMD.

### WHAT IS SOUTH COAST AQMD?

The South Coast Air Quality Management District (South Coast AQMD) is the regional air pollution control agency for all of Orange County and the urban portions of Los Angeles, Riverside and San Bernardino counties. South Coast AQMD's mission is to clean the air and protect the health of all residents in the South Coast Air District through practical and innovative strategies.

### CONTACT US

For more information about the program or to refer a school for potential participation, please visit [AQMD.gov/WHAM](https://www.aqmd.gov/WHAM) or contact:

# SCAQMD SMALL BUSINESS ASSISTANCE

The mission of the South Coast Air Quality Management District's (SCAQMD) Public Advisor's Small Business Assistance Office is to help small business owners comply with clean air rules and regulations, and ensure that small business owners have a voice in the rule development process.

## Frequently Asked Questions

	<b>What defines a small business?</b> A business having 100 or fewer employees or with annual gross revenues up to \$5 million.
	<b>How much do SCAQMD's small business assistance services cost?</b> SCAQMD provides these services free of charge. Please call 1-800-388-2121 or visit us at <a href="http://www.aqmd.gov">www.aqmd.gov</a> .
	<b>What types of services are available?</b> <ul style="list-style-type: none"> <li>• Technical Assistance - completing permit applications, issuing clearance letters and assisting with fee review filings.</li> <li>• Financial Assistance (dry cleaning grants).</li> <li>• Hearing Board Assistance - help with variance applications.</li> </ul>
	<b>What happens if a business owner cannot complete required forms, or does not speak English?</b> SCAQMD can assist small business owners to complete all required forms. This assistance is available in multiple languages.
	<b>What happens if a business cannot immediately comply with air pollution control laws?</b> In order to continue operations, a business will need to obtain a variance by filing a petition and appearing before the SCAQMD Hearing Board.
	<b>What is the SCAQMD Hearing Board?</b> The SCAQMD Hearing Board is a five-member independent panel that hears appeals from businesses and the public. The Hearing Board has the authority to provide businesses temporary relief from rule requirements.
	<b>What kind of technical assistance is available?</b> SCAQMD's Public Advisor's Office has engineers and inspectors available to help small business owners understand SCAQMD rules and regulations, to provide no-fault inspections, and to assist businesses with regulatory record keeping.
	<b>What kind of financial assistance is available?</b> If you are a dry cleaner operating within SCAQMD's four county jurisdiction, SCAQMD can help you switch to a dry cleaning machine that does not use the toxic chemical perchloroethylene (perc). Grants up to \$20,000 are available. Please inquire about funding through other SCAQMD programs.
	<b>What is the SCAQMD Fee Review Committee?</b> The Fee Review Committee resolves fee related disputes between owner/operators and the SCAQMD. The Fee Review Committee has the authority to adjust fees or reinstate permits when an administrative error by the SCAQMD has occurred.

## HOW TO REPORT AN AIR QUALITY COMPLAINT

There are 3 ways to file:

Call 1-800-CUT-SMOG (1-800-288-7664)

Visit [www.AQMD.gov/Complaints](http://www.AQMD.gov/Complaints)

Download the South Coast AQMD app and select "1-800-CUT-SMOG"

Date and time of the air quality event

Type of air quality event (odors, dust, asbestos, smoke, etc.)

Odor description (gas, chemical, rotten eggs or other familiar odor)

Address or location of suspected source

Please have ready:

@SouthCoastAQMD

## CÓMO PRESENTAR UNA QUEJA SOBRE LA CALIDAD DEL AIRE

Hay tres formas de presentar la queja:

Llame al 1-800-CUT-SMOG (1-800-288-7664)

Visite [www.AQMD.gov/Complaints](http://www.AQMD.gov/Complaints)

Descargue la aplicación de South Coast AQMD y seleccione "1-800-CUT-SMOG"

Fecha y hora del incidente de calidad del aire

Tipo de incidente relacionado con la calidad del aire (olores, polvo, asbestos, humo, etc)

Descripción del olor (gas, producto químico, huevos podridos u otro olor familiar)

Dirección o ubicación de la fuente presunta

Por favor, tenga listo:

@SouthCoastAQMD

# SOUTH COAST AQMD APP

## ADDITIONAL FEATURES

- Fully translated to Spanish
- Interactive air quality map
- Forecasted air quality
- Configurable air quality notifications
- Integrated temperature information
- Animated weather background
- Alternative fuel stations
- Call 1-800-CUT•SMOG at the touch of a button

**Download South Coast AQMD's Mobile App**

# Community Air Protection Program (AB 617)

## Regional Clean Air Community Conversations

South Coast AQMD is holding a series of virtual conversations across the region focused on improving air quality and strengthening community partnerships. City & county leaders, residents, community organizations and anyone interested in local air quality issues are encouraged to attend.

These sessions are an opportunity to:

Learn about the Community Air Protection Program (AB 617) and ongoing South Coast AQMD incentives that may benefit your community

Share your air quality concerns and priorities

Discuss potential community events, gatherings, and collaborations

Help identify local partners and opportunities for community engagement

Spanish translation will be available (additional language accommodations can be made with at least 10-day advance notice). For more information, contact Evangelina Barrera at [ebarrera@aqmd.gov](mailto:ebarrera@aqmd.gov) or (909) 396-2583.

# Programa Comunitario de Protección del Aire (AB 617)

## Charlas comunitarias sobre el aire limpio en la región

South Coast AQMD está organizando una serie de charlas virtuales en toda la región enfocadas en mejorar la calidad del aire y fortalecer las alianzas comunitarias. Invitamos a participar a los líderes de la ciudad y el condado, a los residentes, a las organizaciones comunitarias y a todas las personas interesadas en la calidad del aire en su comunidad.

Estas sesiones son una oportunidad para:

Obtener información sobre el Programa Comunitario de Protección del Aire (AB 617) y los incentivos vigentes de South Coast AQMD que podrían beneficiar a su comunidad

Compartir sus inquietudes y prioridades sobre la calidad del aire

Conversar sobre posibles eventos, encuentros y colaboraciones en la comunidad

Ayudar a identificar aliados locales y oportunidades para la participación comunitaria

Estará disponible el servicio de interpretación al español (también se pueden solicitar adaptaciones en otros idiomas con un mínimo de 10 días de anticipación). Para obtener más información, comuníquese con Evangelina Barrera a [ebarrera@aqmd.gov](mailto:ebarrera@aqmd.gov) o (909) 396-2583.
