- 687 Residential Air Filtration (RAF) applications approved, of which 539 households received the units (as of July 17, 2025)

Ambient Air Pesticides Monitoring Report³

- Ambient Air Pesticides Monitoring Report (Report) prepared by CARB in collaboration with California Department of Pesticide Regulation and Office of Environmental Health Hazard Assessment
- The Report discusses the results of the 3-month pesticides sampling campaign conducted in 2023
- Presented to the Community Steering Committee

74 Total CERP Objectives

Status of CERP Implementation

December 4, 2020 to June 30, 2025

Projected Emission Reductions

A total of \$37.1 million in Community Air Protection (CAP) Incentive funds have been approved by the South Coast AQMD Board for mobile source projects, reducing up to 146 tons per year (tpy) of oxides of nitrogen (NO_x), 11.3 tpy of diesel particulate matter (DPM), and 16.9 tpy of volatile organic compounds (VOC) emissions.

Next Steps

Paving Project⁴

- Execute Memorandum of Understanding with County of Riverside Transportation Division

Illegal Dumping⁵

- Continue to explore collaborative opportunities with CalRecycle, Illegal Dumping Technical Advisory Committee, and Coachella Valley Association of Governments

Tree Planting⁶

- Continue collaboration with green space partners to provide and seek funding for trees
