Dear Mr. Natri:

Thank you for your participation in the Community Air Protection (CAP) Program and your continued commitment to protect California's citizens and air quality. The purpose of this letter is to inform you that California Air Resources Board (CARB) staff have approved the following community-identified project plan:

- PAVING PROJECT PLAN (2022-19CIP-SC-1)

This approval allows South Coast Air Quality Management District to implement this measure, as outlined in the Community Emissions Reductions Program for the Eastern Coachella Valley community. Enclosed is a copy of the approval notice that will be posted on CARB's website. Please also post the approval notice to your website, inform CARB staff of the link location, and include approved project plans in the air district's Policies and Procedures for CAP Guidelines.

If you have any questions or comments, please contact Cynthia Ortiz, Air Pollution Specialist in the Office of Community Air Protection by email at AB617incentives@arb.ca.gov.

Sincerely,

Femi Olaluwoye, Chief
Community Planning Branch
