

# AB 617 CSC Announcement

In response to public concerns regarding the coronavirus disease pandemic (COVID-19), the South Coast AQMD is temporarily **postponing** the following Community Steering Committee (CSC) meetings until further notice:

- **POSTPONED** Thursday, March 12<sup>th</sup>, 6pm-8:30pm – Southeast Los Angeles (SELA) CSC Meeting, Florence-Firestone Service Center, 7807 Compton Avenue, Los Angeles, CA 90001
- **POSTPONED** Thursday, March 19<sup>th</sup>, 5:30pm-8pm – Eastern Coachella Valley (ECV) CSC Meeting, 1500 6<sup>th</sup> Street in Coachella.

These meetings are being canceled out of an abundance of caution, and because some community members have expressed concern about participating in public meetings at this time. It is important for us to have a robust discussion during these CSC meetings, and it would be difficult to do so if many members are not present.

All information pertaining to the CSC meeting is enclosed and will be available on South Coast AQMD's website @<http://www.aqmd.gov/nav/about/initiatives/community-efforts/environmental-justice/ab617-134/eastern-coachella-valley>. Staff are available to discuss any of these meeting materials, if you have any questions, concerns or suggestions.

Thank you for your cooperation and understanding. If you have any questions or comments, please contact your community liaison, Arlene @[ab617@aqmd.gov](mailto:ab617@aqmd.gov).
