

AIR QUALITY PRIORITIES: GOALS, STRATEGIES, AND ACTIONS

SOUTHEAST LOS ANGELES CSC MEETING #3
JUNE 11, 2020

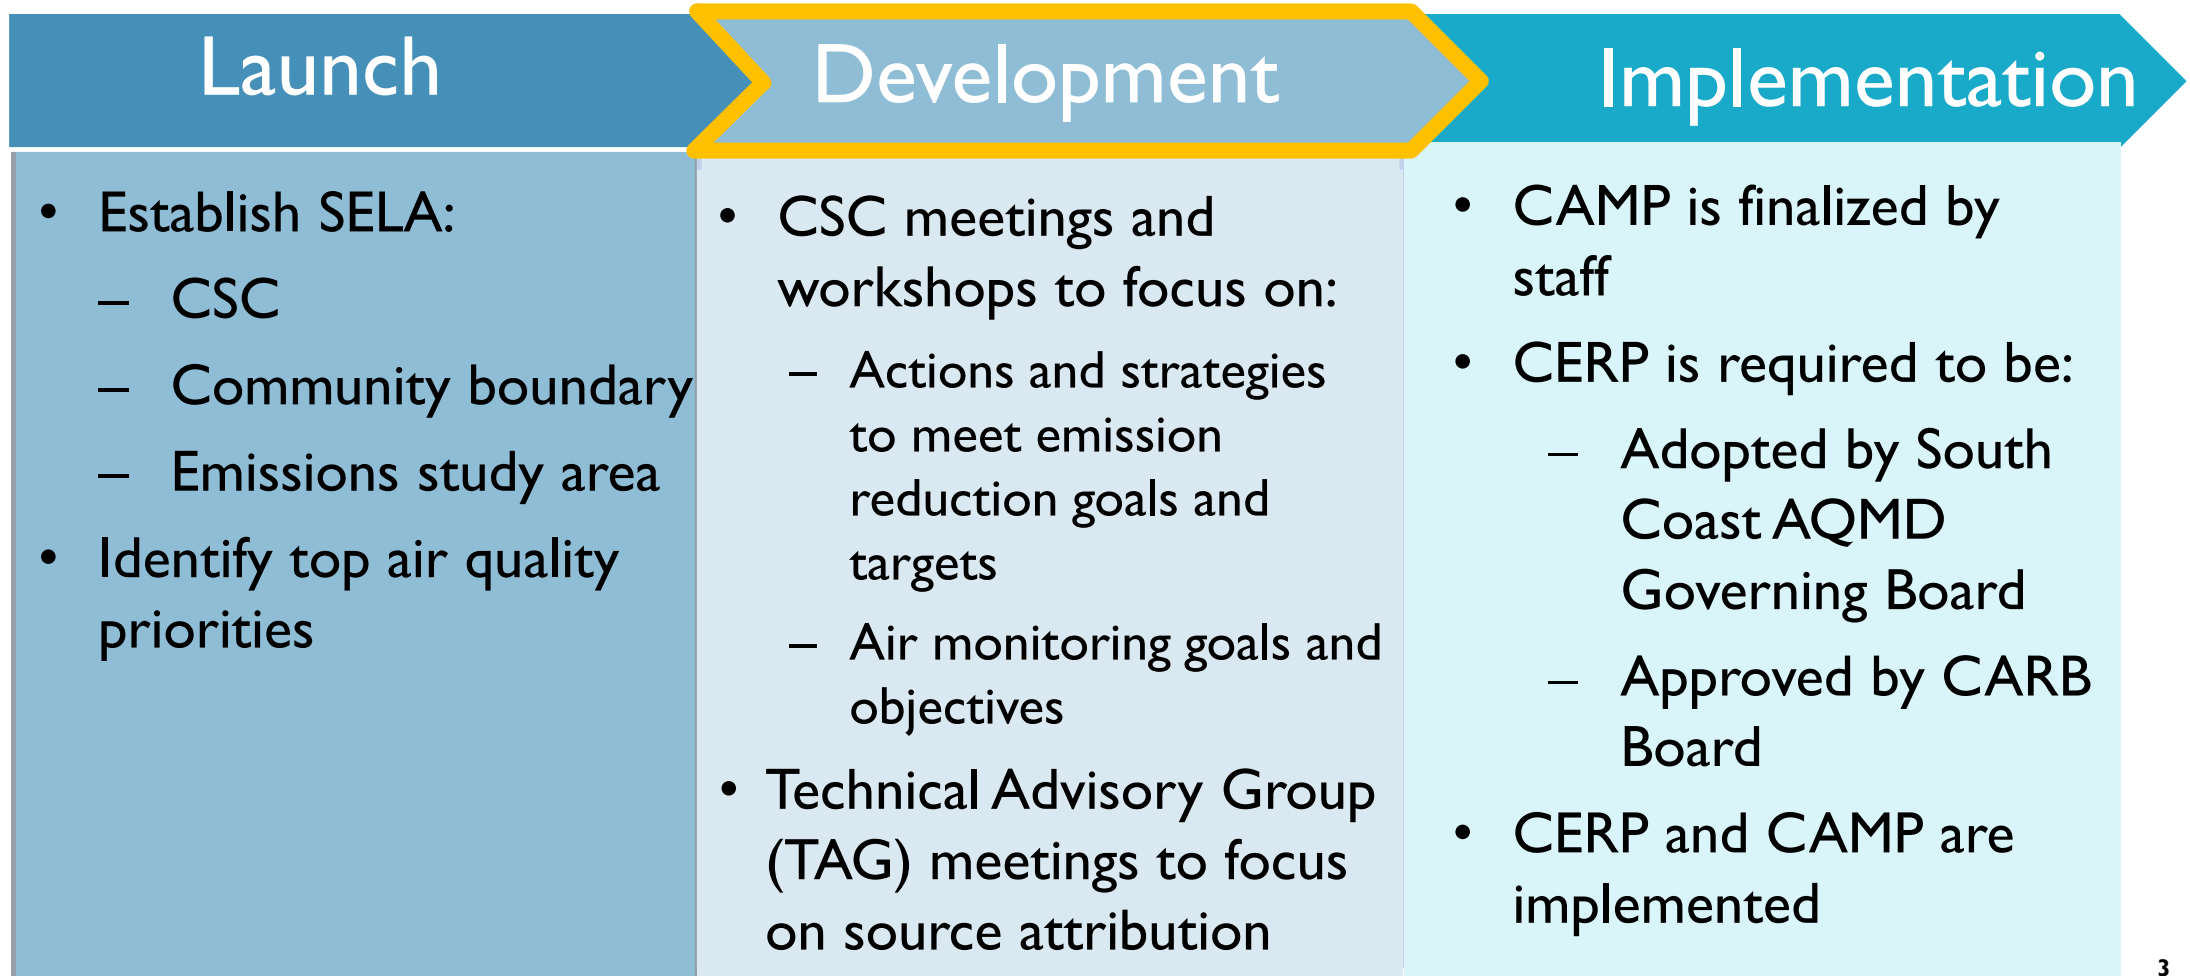

Dianne Sanchez, Ph.D. - Air Quality Specialist

CERP AND CAMP TIMELINE

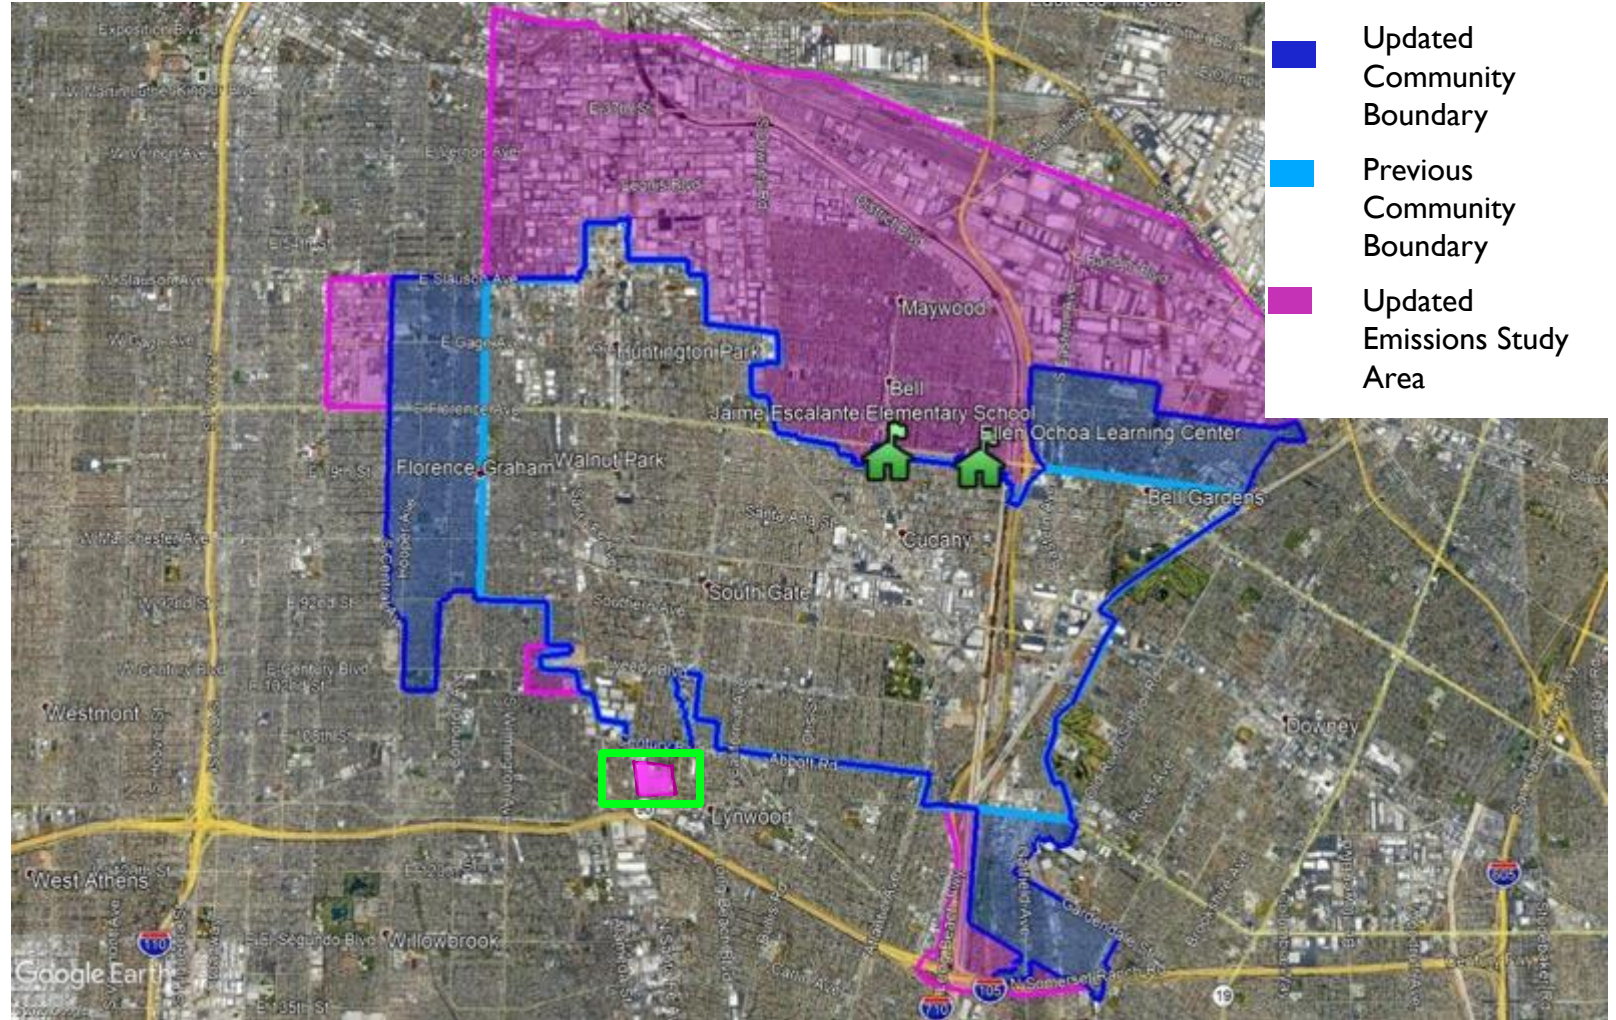

CERP AND CAMP DEVELOPMENT – OVERVIEW

FINAL COMMUNITY BOUNDARY AND EMISSIONS STUDY AREA

Updates to Emissions Study Area

- Comment period (May 7 – May 14)
 - One (1) comment received
 - Request to include metal processing facilities in area south of Century Blvd.
- Staff updated emissions study area to include facilities:
 - South of Century Blvd.
 - West of Capistrano Ave.
 - North Norton Ave.
 - East of Santa Fe Ave.

AIR QUALITY PRIORITIES

Reduce emissions and address concerns about:

**Truck traffic
and
freeways**

**General
industrial
facilities**

**Rendering
facilities**

Green spaces

**Metal
processing
facilities**

**Railyards and
locomotives**

CERP DEVELOPMENT – GOALS, STRATEGIES, AND ACTIONS

CERP DEVELOPMENT – GOALS, STRATEGIES, AND ACTIONS

Goals

Strategies

Actions

<ul style="list-style-type: none"> • Reduce emissions or exposure 	Rules and Regulations	<ul style="list-style-type: none"> • Commit to amend or develop rules/regulations to address AQ priority
<ul style="list-style-type: none"> • Increase compliance and enforcement activities in the community 	Enforcement	<ul style="list-style-type: none"> • Focus enforcement in CSC identified areas or non-compliant facilities
<ul style="list-style-type: none"> • Increase incentive funding in the community 	Incentives	<ul style="list-style-type: none"> • Provide incentive funding for cleaner technology or air pollution controls
<ul style="list-style-type: none"> • Increase outreach to residents, small businesses, and owners/operators 	Public Information and Outreach	<ul style="list-style-type: none"> • Public outreach to community or training to facilities/operators
<ul style="list-style-type: none"> • Form partnerships with local health departments, land use agencies, community-based organizations, etc. 	Collaboration	<ul style="list-style-type: none"> • Collaborate with local agencies to identify funds, provide outreach, or develop policies that help address AQ priority
<ul style="list-style-type: none"> • Collect data from advanced monitoring technologies to provide new, purposeful data 	Air Monitoring	<ul style="list-style-type: none"> • Conduct air monitoring to identify potential sources of air pollution

EXAMPLES OF ACTIONS AND STRATEGIES – TRUCK TRAFFIC AND FREEWAYS

Rules and Regulations

- CARB and South Coast AQMD rule development (e.g., cleaner trucks)

Enforcement

- Focused enforcement for existing CARB truck regulations

Incentives

- Incentive funding for cleaner trucks
- Incentive funds for independent owner/operators

Voucher Incentive Program

EXAMPLES OF ACTIONS AND STRATEGIES – GENERAL INDUSTRIAL FACILITIES

Enforcement

- Conduct annual permit cross-checks for facilities

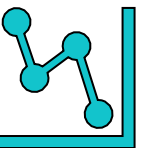

Outreach

- “Small Business Assistance” outreach to provide information about permit applications
- Outreach and training on filing air quality complaints by phone, web, or mobile app

Air Monitoring

- Work with CSC to identify facilities and determine pollutants of interest
- Conduct air monitoring to support development and implementation of CERP

WORKSHEET – GOALS, STRATEGIES, AND ACTIONS

CSC Activity

- Identify potential goals, strategies, and actions to help address the air quality priorities

Purpose of Worksheet

- Collect input from the community on specific concerns regarding the AQ priorities
- Identify goals, strategies, and actions to address specific AQ priority concerns
- Provide community input for AQ priority green papers

How will this information be used?

- To create policies in the CERP to reduce emissions and exposure related to the community's top air quality priorities

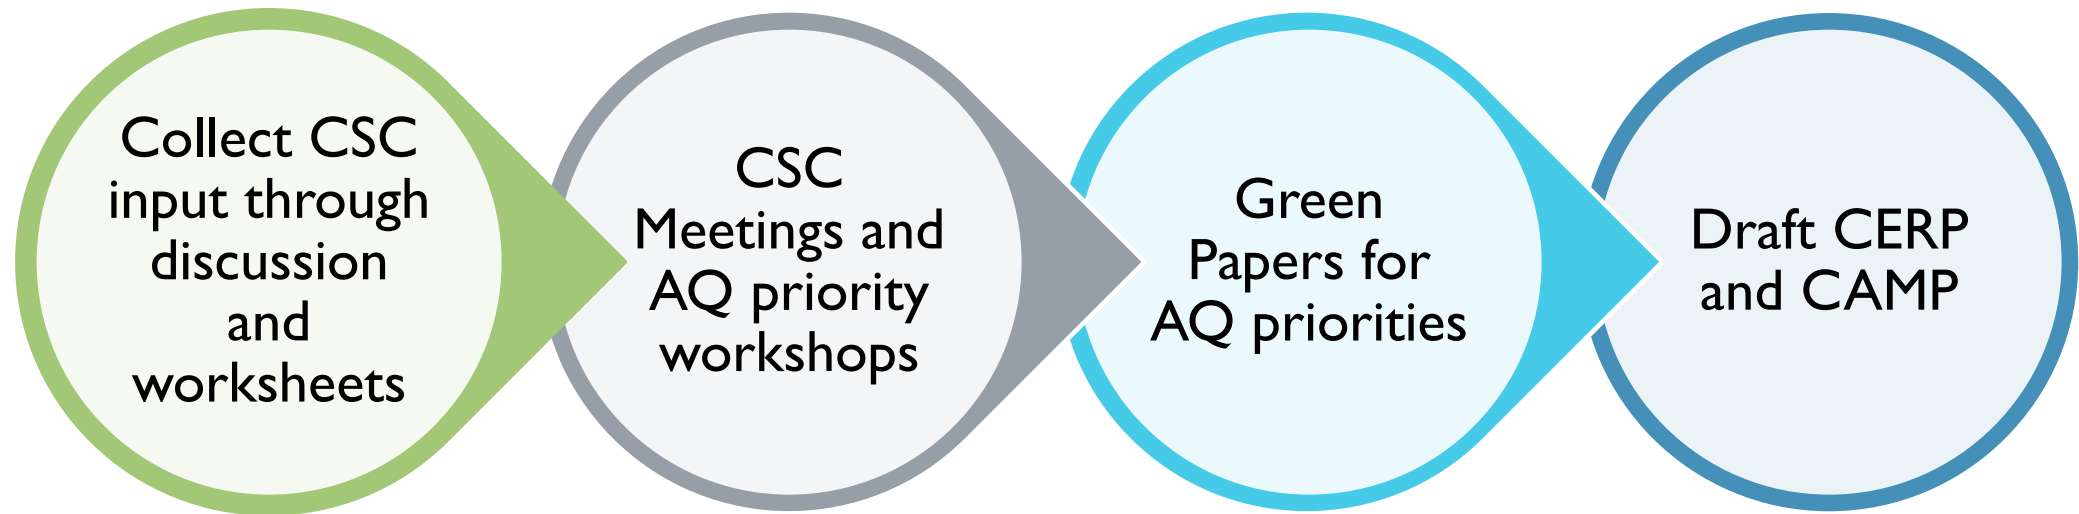

GOALS, STRATEGIES, AND ACTIONS WORKSHEET

Air Quality Priority	Goal	Action	Strategy	
Truck Traffic and Freeways	<i>Increase incentive funds in the community</i>	<i>Provide incentive funds for replacement of technology for cleaner technology</i>	<input type="checkbox"/> Rules/Regulations <input type="checkbox"/> Air Monitoring <input type="checkbox"/> Collaboration	<input checked="" type="checkbox"/> Incentives <input type="checkbox"/> Enforcement <input type="checkbox"/> Outreach

ACTIVITY

DISCUSSION ON GOALS, STRATEGIES, AND ACTIONS

NEXT STEPS

Note: Discussion with the CSC will guide each step of the process

QUESTIONS, COMMENTS, CONCERNS?
