

AB 617 - SELA

COMMUNITY STEERING COMMITTEE
QUARTERLY MEETING #3 (2025)

VIRTUAL MEETING

AUGUST 14, 2025

Gina Triviso
Senior Public Affairs Specialist

AGENDA

- CSC Member Updates & Announcements
- CERP Implementation Update:
 - Green Space Program
 - Clean Truck Lanes
- Incentive Updates
- CARB Enforcement Updates
- Next Steps / Future Agenda Items
- Public Comment

AB 617 – COMMUNITY STEERING COMMITTEE SCHEDULE (SELA)

<i>March 13, 2025 (Quarter 1)</i>	<i>Community Steering Committee Meeting 4 to 6 pm</i>	<i>June 5, 2025 (Quarter 2)</i>	<i>Community Steering Committee Meeting 4 to 6 pm</i>
August 1, 2025 (Quarter 3)	Community Steering Committee Meeting 4 to 6 pm	October 30, 2025 (Quarter 4)	Community Steering Committee Meeting 4 to 6 pm
February 12, 2026 (Quarter 1)	Community Steering Committee Meeting 4 to 6 pm	May 7, 2026 (Quarter 2)	Community Steering Committee Meeting 4 to 6 pm

SELA CSC 2025

Member Updates

Updated Stipend Procedure

- ▶ Updates to the Stipend Procedure
 - ▶ One Hundred dollars (\$100) per CSC-related meeting
 - ▶ Maximum compensation up to 10 meetings per month
- ▶ Eligibility:
 - ▶ a person must meet the following criteria:
 - ▶ Be a current primary or alternate member
 - ▶ Reside within the Community Boundary of the CSC for which they are serving at the time of the CSC meeting
 - ▶ Complete and submit the appropriate forms:
 - ▶ Form W-9, CA Form 590,
 - ▶ Stipend Qualification Declaration Form,
 - ▶ AB 617 Community Steering Committee Interest Form
 - ▶ Primarily represent community residents (including local tribes) when serving on the CSC
 - ▶ Members who primarily represent a business, business organization, labor union, community organization, university, school, hospital, utility, govt. agency, elected officials, or neighborhood councils are not eligible to receive a stipend
 - ▶ Submit stipend forms within 120-days of meeting

Updated Stipend Procedure

Procedimiento de estipendio actualizado

Office Hours *horario de atención*

2nd Annual AB 617 Community Engagement Event

Saturday, October 25, 2025
Hybrid Event

South Coast AQMD is hosting an AB 617 Community Meeting for all Community Steering Committee (CSC) members and stakeholders. Developed in collaboration with community members, this day aims to unite communities from across the region to emphasize the importance of improving air quality and increase meaningful engagement.

Event Highlights

-  Celebrate Community Successes
-  Expert Panels
-  Resource Fair
-  Interactive Workshops
-  Networking Opportunities

www.aqmd.gov

@SouthCoastAQMD

Reserva la Fecha

2.º Evento Anual de Participación Comunitaria AB 617

Sábado 25 de octubre de 2025
Evento Híbrido

South Coast AQMD organizará una reunión comunitaria de AB 617 para todos los miembros del Comité Directivo Comunitario (CSC) y partes interesadas. Desarrollado en colaboración con miembros de la comunidad, este día tiene como objetivo unir a las comunidades de toda la región para destacar la importancia de mejorar la calidad del aire y fomentar una participación significativa entre las comunidades afectadas por la injusticia ambiental.

Destacados Del Evento:

-  Celebración de Logros Comunitarios
-  Paneles de Expertos
-  Feria de Recursos
-  Talleres Interactivos
-  Oportunidades Para Establecer Conexiones

www.aqmd.gov

GREEN SPACES

Nish Krishnamurthy, Ph.D.
Air Quality Specialist

Green Spaces – Background

- Chapter 5d – Green Spaces, Objective B*
 - **Goal:** Increase green space in the community
 - **Objective:** Evaluate opportunities to use funds in support of community green space projects
- **Purpose:** Provide update on the SELA Green Space Program Request for Proposals (RFP) Award Recipients

* SELA CERP: <https://www.aqmd.gov/docs/default-source/ab-617-ab-134/steering-committees/southeast-los-angeles/final-cerp/final-cerp.pdf?sfvrsn=9#page=112>

Green Space Program RFP Status

Applications Received

- Four received
- Three eligible

Application Review

- Completed review of applications
- Obtained CSC feedback on application scores and funding options

Award Notices

- Sent award notices
- All three applicants accepted

Contract Development

- Met with awardees to begin developing contracts

Overview of Green Space Project Awards

Maywood

- Renovation of 5.2-acre park with 100 trees and recreation space
- Cost: \$2.5 million
- Tree canopy increase: 17,660 – 471,500 square feet (sq ft)

\$2,000,000*

Vernon

- 1,670 trees along sidewalks
- Cost \$2.5 million
- Tree canopy increase:
Approximately 561,350 sq ft

\$456,093*

Bell Gardens

- 50 trees along sidewalks and medians
- Cost: \$43,900
- Tree canopy increase: 8,830 – 25,530 sq ft

\$43,907

*Award amounts are less than that requested; project scope will be adjusted during contract development

Timeline

Contract Development

- Began contract negotiations with awardees
- Summer 2025

Contract Execution

- Begin project implementation
- Summer 2025

Implementation Phase I Initiation

- Documentation gathering
- Fall 2025

Completed CERP Objective

- **Purpose:** Provide update on completed SELA CERP* objectives

* <https://www.aqmd.gov/docs/default-source/ab-617-ab-134/steering-committees/southeast-los-angeles/final-cerp/final-cerp.pdf?sfvrsn=9#page=1>

Air Quality Priority: Trucks and Freeways

Clean Truck Lanes, Objective Number: SELA-5b-01J¹

Objective

Encourage the designation of clean truck lanes on the I-710 freeway

Metrics

Number of comment letters submitted and meetings with land use and transportation agencies

Timeline

Start:
January 2021

Complete:

October –
December 2025

¹ SELA-5b-01J: <https://www.aqmd.gov/docs/default-source/ab-617-ab-134/steering-committees/southeast-los-angeles/final-cerp/final-cerp.pdf?sfvrsn=9#page=106>

Air Quality Priority: Trucks and Freeways

Clean Truck Lanes, Objective #: SELA-5b-01J

Number of
comment letters
submitted and
meetings with
land use and
transportation
agencies

- South Coast AQMD met with Caltrans and LA Metro in February 2021 to discuss a potential clean trucks lane as part of the I-710 Freeway widening project
- A FAQ/Guidance webpage² and a Quick Reference Guide for Land Use Projects and Activities in AB 617 Communities³ were shared with the CSC and relevant land use agencies

² Frequently Asked Questions (FAQ): <https://www.aqmd.gov/home/rules-compliance/ceqa/frequently-asked-questions>

³ Reference Guide: <https://www.aqmd.gov/docs/default-source/ceqa/documents/ab617-quickreferenceguide-feb2025.pdf>

- In May 2021, Metro suspended consideration of widening the freeway

- In September 2021, the Long Beach to East Los Angeles Corridor Task Force was established to help develop recommendations for the LB-ELA CMIP⁴

⁴Long Beach-East LA (LB-ELA) Corridor Mobility Investment Plan (CMIP): <https://lb-elacorridorplan-lametro.hub.arcgis.com/>

SOUTH COAST AQMD INCENTIVE OVERVIEW

INVEST CLEAN PROGRAM

VOUCHER INCENTIVE PROGRAM

SOUTH COAST AQMD ELECTRIC PROGRAM

INVEST CLEAN OVERVIEW

20

- Competitive Grant awarded under the Inflation Reduction Act (IRA)
- Awarded ~\$500 Million for INVEST CLEAN in October 2024

Program's Purpose/Goals:

- Modernization of SoCal Goods movement and logistics network
- Reduce air pollution and provide air quality benefits to the region
- Support jobs
- Leverage funding, maximize emission reductions

Partnered with two Metropolitan Statistical Areas (MSAs):
Los Angeles-Long Beach-Anaheim and Riverside-San Bernardino-Ontario

South Coast AQMD's INVEST CLEAN

21

- Implementation of 4 incentive measures:
 1. Measure 1 - Charging infrastructure
 2. Measure 2 - Battery Electric (BE) freight vehicles
 3. Measure 3 - BE cargo handling equipment
 4. Measure 4 - BE locomotives and Supporting Infrastructure
- Workforce Training: partnership with International Brotherhood of Electrical Workers (IBEW) and National Electrical Contractors Association (NECA)
- Community Benefits: third-party facilitators to create community steering committee(s) and develop the community benefit plan
- INVEST CLEAN webpage:
<https://www.aqmd.gov/home/technology/implementation/invest-clean>

INVEST CLEAN - Four Incentive Measures Support Goods Movement

4

Heavy-Duty
Charging
Infrastructure
Measure 1

\$178.5 Million*

Heavy-Duty
Trucks and Last
Mile Freight for
Class 4 & 5
Vehicles

Measure 2
\$78 Million*

Cargo Handling
Equipment
Measure 3

\$20.6 Million*

Battery Electric
Switcher
Locomotive
Measure 4

\$190.8 Million*

*Up to amounts

Charging Infrastructure Deployment Incentive Program (Measure 1)

► Eligible Entities:

- Entities that propose to develop and operate electric charging infrastructure to support HD vehicles involved in goods movement

► Location:

- Proposed infrastructure must be in one of the two MSAs

► Requirements:

- Build America Buy America
- EVIPT certified electricians

Available Funding Rebate Amount	
Infrastructure equipment	up to \$700/kW

- Some installation costs are eligible for the rebate
- The rebate can only be used for the equipment on the consumer's side of utility meter or behind-the-meter

Battery Electric Heavy-Duty Trucks Program (Measure 2.1)

24

► **Eligible Entities:**

- Fleet/Equipment Owner

► **Operating Location:**

- Equipment must be domiciled in one of the two MSAs

► **Existing Equipment Requirements:**

- Class 8 HHD Vehicles (GVWR of 33,001 pounds or greater) involved in good movement
- Diesel fueled

► **Replacement Equipment Requirements:**

- New Battery Electric Class 8 HHD Vehicle

- Rebate-based with a geographic funding minimum for each county within the two MSAs, when possible

Vehicle	Rebate Per Vehicle
BE Class 8 HHD Vehicle	Up to \$400,000

Last Mile Freight Program - Class 4 & 5 Vehicle Replacement Program (Measure 2.2)

25

- ▶ SCAG will administer a rebate program to fund Class 4/5 battery-electric vehicles (max rebate \$67,000 per vehicle)
- ▶ Develop an implementation plan and program announcement for how the rebate program will be administered
- ▶ Include stakeholder engagement and outreach seeking input from public agency, industry, and local communities
- ▶ Require vehicle replacement through scrappage to achieve the emission reduction goals

Last Mile Freight Program - Class 4 & 5 Vehicle Replacement Program (Measure 2.2) (Cont'd)

26

Eligible Entities:

- Fleet Owners, OEMs, and Dealerships

Operating Location:

- Vehicles must be domiciled in one of the two MSAs

Existing Equipment Requirements:

- Diesel fueled mobile vehicles
- Medium-duty vehicles used in goods movement

Replacement Equipment Requirements:

- New Battery Electric Class 4 and Class 5 vehicles used in goods movement

- Rebates not to exceed \$67,000 per vehicle

Battery Electric Cargo Handling Equipment Program (Measure 3)

27

Eligible Entities:

- Fleet Owners and Operators

Operating Location:

- Equipment must be domiciled in one of the two MSAs

Existing Equipment Requirements:

- Diesel or Natural Gas fueled Cargo Handling Equipment
- Top Handlers, Yard Trucks and other

Replacement Equipment Requirements:

- Battery Electric CHE Equipment

Project Type	Rebate Amount
Yard Truck	Up to \$300,000
Top Handler	Up to \$400,000

Battery Electric Switcher Locomotive Program (Measure 4)

- ▶ Accepting applications on June 6, 2025
- ▶ Eligible Applicants
 - ▶ Manufacturer partnered with a rail operator
 - ▶ Locomotive Switcher owners and/or operators
- ▶ Parallel path for locomotive and infrastructure build
- ▶ Flexible staggered deployment and scrappage opportunities of existing diesel locomotives
- ▶ Minimum usage requirement

Battery Electric Locomotive Program

29

Two Displacement Options

Implement BE Switcher locomotive and infrastructure prior to scrappage of existing locomotive

- ▶ Allows time to fix deficiencies on the BE switcher locomotive
- ▶ Allows for proper workforce training

Measures 1, 2.1, 3

Tentative Proposal Timeline

- Measure 1 - Charging infrastructure
- Measure 2.1 - Battery Electric (BE) freight vehicles
- Measure 3 - BE cargo handling equipment

Item	Date
Release Solicitation	August 15, 2025
Deadline to Submit Proposal	November 28, 2025 at 12:00 p.m. PST
Project Evaluation	Upon Submission
Agreement Execution	January 2026 through April 2027
Procurement and Deployment	January 2026 through September 2027
Invoice Review and Payment	June 2026 through February 2028
Performance and usage tracking	Commencing after Deployment for five years

NOTE: Re-issue PAs as needed
Dates for Measure 2.2 TBD

Measure 4: Battery Electric Switcher Locomotive Program

31

Incentives for Battery Electric Switcher Locomotives and supporting infrastructure

TIMELINE

ITEM	DATE
BE Switcher Locomotive RFP Issued	June 6, 2025
BE Switcher Locomotive RFP Submission Deadline*	September 30, 2025 at 12 PM*
BE Switcher Locomotive Proposal Evaluation	October through December 2025
Subaward Agreement Execution	Starting October 2025

*If necessary, the RFP will be re-issued

Voucher Incentive Program (VIP) – Opening Late 2025

- ▶ Limited to fleets of 20 or fewer vehicles
- ▶ Fleets must be in compliance with CARB Regulations
- ▶ At least 75% operation in CA
- ▶ First-come first-served basis
- ▶ Streamlined Process – Dealerships apply on your behalf
- ▶ Class 4 (GVWR $\geq$ 14,001 pounds) and above
- ▶ Replacement truck must be Zero-Emission
- ▶ Up to \$410K/truck (Voucher based on annual miles for past two 12-month periods)
- ▶ Old truck must have engine model year 6+ years old
- ▶ Existing truck can be diesel or alternative fuel (e.g. natural gas)

South Coast AQMD ELECTRIC OVERVIEW

34

- Also awarded under EPA Inflation Reduction Act (IRA)
- Awarded ~\$33 Million for ELECTRIC in December 2024
- Empowering Local Environmental Change Through Replacing Internal Combustion (ELECTRIC)

Program's Purpose/Goals:

- Electrification of Class 6 and 7 Goods movement Vehicles
- Offers charging Infrastructure Support
- Reduce Emissions and Exposure in Residential Neighborhoods

South Coast AQMD ELECTRIC Program

35

► Eligible Entities:

- Fleet/Equipment Owner

► Operating Location:

- South Coast AQMD Jurisdiction

► Existing Equipment Requirements:

- Class 6 or 7 Vehicles (GVWR of 19,501 to 33,000 pounds) involved in goods movement
- Powered by Internal Combustion Engine

► Replacement Equipment Requirements:

- New Battery Electric Class 6/7 HD Vehicle

Vehicle Type	Maximum Rebate with Charger
Step Van	Up to \$160,000
TRU Truck	Up to \$355,000
Box Truck	Up to \$190,000

Rebate pays up to 65% of vehicle cost, rest can be applied to a charger

South Coast AQMD ELECTRIC Program Timeline

36

ITEM	DATE
Application Period Opens	August 15, 2025 at 12 PM
Program Closing Date	September 30, 2025 at 12 PM
Evaluation Period	September through October 2025
Rebate Agreement Execution	Starting October 2025

GO ZERO Incentive Program Upcoming Launch

GO ZERO Próximo lanzamiento del programa de incentivos

AB 617 Community Steering Committee Meeting – Southeast Los Angeles
AB 617 Reunión del Comité Directivo Comunitario – Sureste de Los Ángeles

Upcoming GO ZERO Incentive Program

Próximo Programa de Incentivos GO Zero

South Coast AQMD will launch GO ZERO pilot, providing:

South Coast AQMD lanzará el programa piloto GO ZERO, que proporcionará:

- Rebates for replacing gas furnaces and water heaters with heat pumps
Reembolsos por reemplazar hornos de gas y calentadores de agua por bombas de calor
- Outreach and application assistance
Asistencia para divulgación y solicitudes
- Installer training
Capacitación de instaladores

GO ZERO webpage will include

La página web de GO ZERO incluirá

- Links to online rebate application portals
Enlaces a portales de solicitud de reembolso en línea
- Outreach materials
Materiales de divulgación

GO ZERO Webpage (under development):
Página web GO ZERO (en desarrollo):

<https://www.aqmd.gov/gozero>

What is a Heat Pump?

¿Qué es una bomba de calor?

- Heat pumps are zero-emission appliances that can be used to heat air or water
Las bombas de calor son aparatos de cero emisiones que pueden utilizarse para calentar aire o agua
- Work like an air conditioner in reverse: moving heat from the outside to the inside of the home
Funcionan como un aire acondicionado, pero a la inversa: trasladan el calor del exterior al interior de la casa
- Most heat pumps draw heat from the air, but others can use the ground or water
La mayoría de las bombas de calor extraen el calor del aire, pero otras pueden utilizar el suelo o el agua

GO ZERO Pilot Phase Funding

Financiación de la fase piloto GO ZERO

\$21 million pilot program includes:

Programa piloto de \$21 millones incluye:

Las comunidades vulnerables se designan por códigos postales identificados según el Proyecto de Ley del Senado 535 (De León, Capítulo 830, Estatutos de 2012) ([SB535](#)). Todas las zonas del sureste de Los Ángeles se consideran comunidades vulnerables.

75 % de los fondos de reembolso para comunidades vulnerables

Rebate Program Incentives

Incentivos del programa de reembolso

Single Family
Vivienda unifamiliar

Standard Rebate:

Reembolso estándar:

\$1,500 to replace furnace

\$1,500 para reemplazar el horno

\$1,000 to replace water heater

***\$1,000 para reemplazar el
calentador de agua***

Overburdened Rebate:

Reembolso por sobrecarga:

\$3,000 to replace furnace

\$3,000 para reemplazar el horno

\$2,000 to replace water heater

***\$2,000 para reemplazar el
calentador de agua***

Multifamily
Multifamiliar

\$1,000 - \$2,000 per furnace or water heater

\$1,000 - \$2,000 por horno o calentador de agua

\$300,000 cap per property

Límite de \$300,000 por propiedad

Small Business
Pequeña empresa

\$4,000 per water heater

\$4,000 por calentador de agua

Installer Training Program

Programa de formación de instaladores

Plumbing, HVAC, and electrical work needed to install heat pumps

Se necesitan trabajos de plomería, HVAC y electricidad para instalar bombas de calor

Information on sizing and types of heat pumps for different applications

Información sobre el dimensionamiento y los tipos de bombas de calor para diferentes aplicaciones

Training held virtually and in all four counties

Capacitación realizada virtualmente y en los cuatro condados

Outreach and Application Assistance

Asistencia para divulgación y solicitudes

- Provide information on heat pumps and other incentives
Proporcionar información sobre bombas de calor y otros incentivos
- Offer application assistance for GO ZERO rebates and stacking with other incentive programs
Ofrecer asistencia para la solicitud de reembolsos GO ZERO y la combinación con otros programas de incentivos
- Further details will be announced via eNewsletter and provided on GO ZERO website
Se anunciarán más detalles mediante boletín electrónico y se proporcionarán en el sitio web de GO ZERO

Frequently Asked Questions

Preguntas frecuentes

Am I eligible to apply for rebates? *¿Soy elegible para solicitar reembolsos?*

Rebates are available for all consumers that install qualified products in the South Coast AQMD jurisdiction.

Hay reembolsos disponibles para todos los consumidores que instalen productos calificados en la jurisdicción de South Coast AQMD. (<https://www.aqmd.gov/nav/about/jurisdiction>)

Can the installer apply for me? *¿Puede el instalador realizar la solicitud por mí?*

Yes, end users or property owners can designate an installer, through a forthcoming Release of Rebate Funds form, to apply and receive rebates on their behalf.

Sí, los usuarios finales o los propietarios de propiedades pueden designar a un instalador, a través de un próximo formulario de Liberación de Fondos de Reembolso, para solicitar y recibir reembolsos en su nombre.

Frequently Asked Questions

Preguntas frecuentes

What products will qualify for rebates in the pilot phase?

¿Qué productos calificarán para recibir reembolsos en la fase piloto?

All-electric **heat pumps for space (heat pump HVAC)** and **water heating (heat pump water heaters)** that:
Bombas de calor totalmente eléctricas para espacios (calefacción, ventilación y aire acondicionado con bomba de calor) y calentamiento de agua (calentadores de agua con bomba de calor) que:

- Are ENERGY STAR® certified; and
Tienen certificación ENERGY STAR®; y
- Were installed on or after:
Se instalaron en o después de:
 - June 24, 2025, for single family buildings;
24 de junio de 2025, para edificios unifamiliares;
 - June 13, 2025, for multifamily buildings or small businesses
13 de junio de 2025, para edificios multifamiliares o pequeñas empresas

Frequently Asked Questions

Preguntas frecuentes

What is the multifamily reservation system? *¿Qué es el sistema de reservas multifamiliares?*

A voluntary reservation system will allow property owners or installers to submit applications during the enrollment period to reserve funds prior to installing the heat pump appliance.

Un sistema de reservación voluntaria permitirá a los propietarios o instaladores presentar solicitudes durante el período de inscripción para reservar fondos antes de instalar el equipo de bomba de calor.

Applicants will be selected on a first-come first-served basis while funding is available. Funds will be made available upon completion of the project. The upcoming rebate application portal will provide more details.

Los solicitantes se seleccionarán por orden de llegada, sujeto a la disponibilidad de fondos. Los fondos estarán disponibles una vez finalizado el proyecto. El próximo portal de solicitud de reembolsos proporcionará más detalles.

What is a small business? *¿Qué es una pequeña empresa?*

This means a business which is independently owned and operated, has 10 employees or less and gross annual receipts of \$500,000 or less; or a not-for-profit training center.

Esto significa una empresa que es de propiedad y operación independientes, tiene 10 empleados o menos e ingresos brutos anuales de \$500,000 o menos; o un centro de capacitación sin fines de lucro.

Updates

August 2025

What happened in June 2025?

- Advance Clean Fleets:
 - The state and local government fleets portion of the ACF Regulation remains unaffected.
 - Submit your comment to the [electronic docket](#) for this rulemaking no later than September 15, 2025, by 5:00 p.m. or at the hearing.
- In-Use Locomotive:
 - Board approve the proposed repeal of the Locomotive Regulation to remove it from the California Code of Regulations.

- Statewide Mobile Monitoring Initiative Kickoff.
 - A first-of-its-kind program delivering hyper-local air pollution data to guide efforts to improve air quality in California
 - The 64 communities were consistently nominated for focused action under the Community Air Protection Program.
- CARB Board appointed 27 Members and Alternate Members to the Community Air Protection Consultation Group ([Consultation Group](#)).
