

## **Assembly Bill 617 (AB 617) Meeting Summary**

### **Southeast Los Angeles (SELA) Community Steering Committee Quarterly Meeting #2**

**Meeting Date:** April 15, 2021

**Meeting Time:** 4:00 pm to 6:00 pm

**Location:** Virtual Meeting <https://scaqmd.zoom.us/j/96254183011>

#### **SELA CSC Quarterly Meeting #2**

CSC member Niki Okuk presented on CALSTART incentive funding programs for zero-emission (ZE) trucks and cargo-handling equipment. Staff provided a recap of the March 4<sup>th</sup> Incentives Budgeting Workshop and polled CSC members on the amount of available incentive funds in this community that should be distributed for each prioritized project type.

Preliminary poll results show the CSC prefers to allocate 50% of the funds to ZE trucks, 25% to green spaces, and 25% to school air filtration systems. Staff also sought CSC input on criteria to prioritize schools for air filtration systems. Staff provided information about a new community air monitoring station and specific industrial facilities of concern identified by the CSC. The CSC asked about the pollutants to be measured and associated health impacts and suggested leveraging funding from other programs to support community identified projects.

Lastly, Liliana Nuñez from the California Air Resources Board (CARB) notified attendees that the CARB Board will hold their board meeting on May 20, 2021 to consider the SELA Community Emissions Reduction Plan (CERP).

The remaining meetings for the SELA CSC for 2021 is as follows:

June 17<sup>th</sup> - 4 to 6 pm – CSC Quarterly Meeting #3

September 16<sup>th</sup> - 4 to 6 pm - CSC Quarterly Meeting #4

Public Comment was then received from meeting attendees.
