### **Meeting Minutes Approved**

The MSRC unanimously approved the minutes from its May 15, 2014 meeting. Those approved minutes are attached for your information (*Attachment 1*).

### **Traffic Signal Synchronization Program under FYs 2012-14 Work Program**

The FYs 2012-14 Work Program included \$5 million for projects that improve traffic flow along corridors by coordinating traffic signals and associated signal control facilities. The Program was intended to work in partnership with each county transportation commission (CTC) in an effort to enhance or augment their existing signal synchronization efforts and leverage other sources of funding. A geographic minimum of \$1.25 million was set aside for each of the four counties and the MSRC issued an Invitation to Negotiate seeking responses from each CTC. To date the MSRC has approved work plans for each CTC and awarded \$4,689,625, but held \$310,375 in reserve until the Riverside County Transportation Commission (RCTC) completed its Call for Projects in the Coachella Valley. On June 19, 2014, the MSRC awarded the remaining \$310,375 to RCTC for traffic signal synchronization projects in the Coachella Valley. The SCAQMD Board will consider this award to RCTC at its July 11, 2014 meeting.

### **Next Work Program and Update on Regional Workshops**

At its June 19, 2014 meeting, the MSRC discussed the merits of one- and two-year work programs and based on feedback from last year's regional workshops and given that two-year programs may reduce staff costs, the MSRC unanimously concurred that the next work program should be designed on a two-year basis. Additionally, at its last meeting the MSRC had approved a task order for its Outreach Coordinator, The Better World Group, to plan and host regional workshops to solicit stakeholder input on work program categories. Six workshops were scheduled, one in Orange County, one in western Riverside County, one in San Bernardino County, one in the Coachella Valley, and two in Los Angeles County. The workshops have been ongoing since mid-June and will wrap up in early July. The date and location for the MSRC's annual off-site retreat with its Technical Advisory Committee to brainstorm development of its FYs 2014-16 Work Program has yet to be determined, but it will be sometime in August or September.

### **Approval of FY 2014-15 Administrative Budget**

Administrative costs for the AB 2766 Discretionary Program are limited by state to five percent annually of the overall budget. Every year, the MSRC adopts an Administrative Budget for the upcoming fiscal year to ensure costs remain within this limitation. On June 15, 2014, the MSRC adopted its FY 2014-15 Administrative Budget in the amount of \$682,719, which is more \$73,000 below the five percent cap. One MSRC member inquired whether additional resources should be considered in the near future given that over the last few years, like so many agencies, staff has been doing more with less. It was noted that should the MSRC desire to seek additional resources, such as part-time staff, there are sufficient funds in the Administrative Budget. As part of the adoption of the FY 2014-15 Administrative Budget, the MSRC included an allocation of \$56,000 for miscellaneous expenditures, such as postage, office supplies and equipment, advertising, travel, etc. These funds will be transferred to the Science & Technology Advancements FY 2014-15 Budget. Expenses will be tracked and any funds not expended by the end of the fiscal year will be returned to the MSRC. The SCAQMD Board will consider authorization of the fund transfer at its July 11, 2014 meeting.

### **Received and Approved Final Reports**

The MSRC received and unanimously approved nine final report summaries this month as follows:

1. Rim of the World Unified School District Contract #MS12012, which provided \$75,000 for maintenance facility modifications;
2. Los Angeles Service Authority of Freeway Emergencies Contract #MS11058, which provided \$123,395 to develop and deploy a 511 mobile application;

**ACTION CALENDAR (Items 5 through 7)****Agenda Item #5 – Consider Contract Value Increase by A-Z Bus Sales, Contract #MS14009 (\$160,000 – Incentives for Alternative Fuel School Buses)**

Cynthia Ravenstein, MSRC Contracts Administrator, reported that this request is from A-Z Bus Sales. They are one of two school bus vendors that the MSRC has deemed qualified to provide incentives under the Alternative Fuel School Bus Incentive Program. The contract is funded as purchase orders are received from qualified providers of transportation services. The existing contract has been funded in the amount of \$160,000. Now they received a purchase order from Tumbleweed Transportation for 10 Type C propane school buses, which qualifies for an incentive amount of \$9,000 per bus.

Therefore, in order to provide incentives for those buses, they are requesting an additional \$90,000 to their contract. The MSRC-TAC has reviewed their request, and recommended approval.

MSRC Member Greg Winterbottom said that leaves \$1.3 million still in the budget. Ray Gorski, MSRC Technical Advisor added that the contracts go to December 31, 2014.

ON MOTION BY MSRC ALTERNATE ADAM RUSH, AND  
SECONDED BY MSRC MEMBER LARRY MCCALLON, THE MSRC  
UNANIMOUSLY APPROVED A-Z BUS SALES' REQUEST FOR A  
CONTRACT VALUE INCREASE OF \$90,000 TO PROVIDE  
INCENTIVES FOR THE PURCHASE OF 10 ALTERNATIVE FUEL  
SCHOOL BUSES BY TUMBLEWEED TRANSPORTATION, AS  
PART OF THE FYS 2012-14 ALTERNATIVE FUEL SCHOOL BUS  
INCENTIVES PROGRAM.

MCALLESTER, RUSH.

NOES: NONE.

**ACTION:** SCAQMD staff will request approval of this award at the June 6, 2014 SCAQMD Board meeting.

#### **Agenda Item #6 – Consider Workshops to Solicit Input for FY 2014-15 Work Program**

Cynthia Ravenstein, MSRC Contracts Administrator, presented this item on behalf of MSRC-TAC Chair Gretchen Hardison, who was participating in the meeting from a remote location. Plans are underway to get started on the next Work Program cycle. Still to be determined by the MSRC is whether it will be a one-year or two-year work program. It is not a decision that needs to be made at this point. Prior to approving the past couple of work programs, the MSRC conducted workshops to solicit input from stakeholders throughout the geographic region. The idea is to move forward with those workshops prior to the MSRC retreat. There is funding available in the contract with The Better World Group (BWG), the Programmatic Outreach Coordinator, which is not currently allocated to any tasks. They provided a quote for doing five workshops or six workshops. The MSRC-TAC considered that input and recommended to have six workshops. That would provide one workshop in every county, a second one in Los Angeles County at a different location, plus an extra one in the Coachella Valley. Anybody can attend any workshop. If the date in their county is not convenient for them, they can attend at another location. All the information will be brought back to the MSRC.

The TAC recommended going with the six-workshop approach for a total of \$18,720. Some work has already begun in terms of coordinating dates for workshops in Riverside and San Bernardino to be in the morning and afternoon of June 25; and tentatively scheduled in the Coachella Valley on June 24. Since this staff report went to print, the workshop in Orange County has been scheduled for June 18. They are still working on getting the L.A. County workshops scheduled. The hope is to have them in June, or July at the latest. This request and the recommendation from the TAC is to authorize issuing a

Task Order against BWG's contract. Therefore, additional funds do not have to be allocated. This request is to issue a Task Order in the amount of \$18,720 for BWG to coordinate and implement the six workshops.

MSRC Alternate Adam Rush asked if staff could provide a little bit of background on the last few workshops that were done; what has been done since then, the pluses and minuses; and what may need to be carried over to the third set of workshops; a chronology. Ray Gorski, MSRC Technical Advisor, replied that staff has written documentation or reports that summarize the last two events. They recently went through an exercise to assess what they have accomplished during this Work Program period as a result of those workshops and what they feel were outstanding items that they want to bring forth for MSRC consideration, as unmet need. That information can be sent to the MSRC members immediately, because it has already been written.

Larry McCallon asked where the workshops are being held. Ms. Ravenstein replied that the one in Riverside will be at RCTC; at SANBAG in San Bernardino; at City of Cathedral City in Coachella Valley; and at OCTA Headquarters in Orange County. One of the Los Angeles workshops will be at Metro, and the other one is being considered someplace in the San Fernando Valley.

Mr. McCallon asked how well the workshops are attended. Mr. Gorski said that attendance varies. They were all very well attended last year. At one of the venues, in Los Angeles County, the large conference room was almost full to capacity. There was very good press coverage at the Coachella Valley, which was hosted by Cathedral City. Attendance was in the tens. A lot of times attendees are representing an agency, so they send a spokesperson from that agency to provide perspective on how the MSRC can best invest their resources. San Bernardino's was very well attended. Mr. McCallon indicated that SCAG has a good videoconferencing network that goes out to five or six locations, to every county, and has a nice venue in Downtown Los Angeles, to get even more participation. He's sure SCAG would be willing to make the venue available and all the videoconferencing available throughout the region. Mr. Gorski said they would work with SCAG to find out when it would be within their operations to host the MSRC and provide an update at the next MSRC meeting. MSRC Member Greg Winterbottom added that rarely does the public attend. It is usually staff from the different communities that bring information.

MSRC-TAC Member Dean Saito asked if it was known last year, before the workshops took place, whether the MSRC was doing a one- or two-year work program. Mr. Gorski said no.

MSRC Member Earl Withycombe asked if discussions have commenced on holding a retreat to review the material, analysis of workshop comments, and presentations from my agency, SCAQMD, and others, in putting together a workplan for the next one or two years? Mr. Gorski stated that typically they try to host the workshops, compile the information, publish it in the form of a report and then take that to the MSRC as the point of departure for deliberations. Looking at the timeline, considering we are starting in June, we are probably looking at August as being a realistic time to get everything ready for MSRC consideration.

MSRC Member Greg Winterbottom asked if the two-year work program could be addressed today, if it is not agendaized. Veera Tyagi, Senior Deputy District Counsel, indicated that the item would have to be on the agenda. Mr. Winterbottom would like to have the one or two-year work program discussion added to the agenda next month.

ON MOTION BY MSRC ALTERNATE ADAM RUSH, AND  
SECONDED BY MSRC MEMBER EARL WITHYCOMBE, THE  
MSRC UNANIMOUSLY APPROVED THE ISSUANCE OF A TASK  
ORDER TO THE BETTER WORLD GROUP TO COORDINATE AND  
IMPLEMENT SIX WORKSHOPS FOR THE MSRC'S FY 2014-15  
WORK PROGRAM, IN AN AMOUNT NOT TO EXCEED \$18,720.  
AYES: MCCALLON, WINTERBOTTOM, WITHYCOMBE, MCKAY,  
MCALLESTER, RUSH.  
NOES: NONE.

**ACTION:** MSRC staff will issue a Task Order to The Better World Group.

[After completion of Agenda Item #6, the Committee returned to the Election of MSRC Chair and Vice Chair.]

#### **FYs 2012-14 WORK PROGRAM**

##### **Agenda Item #7 – Consider Work Plan Received under the Signal Synchronization Program**

Ray Gorski, MSRC Technical Advisor, reported that this is a continuation of one of the Work Program elements for regional signal coordination. This was a program in which the County Transportation Commissions (CTCs) were each asked to bring forth a set of programs which would benefit from signal synchronization and signal coordination. To date, the MSRC has already entertained programs put forth by Metro and OCTA. The Riverside County Transportation Commission has put forth a program which the MSRC has approved in part. RCTC has made their final submission, and it is being reviewed by the TCM Subcommittee. A recommendation will be forthcoming on next month's agenda.

[MSRC Member Michael Antonovich arrived at the videoconference site at 2:20 p.m.; a quorum was already present. MSRC Member Greg Winterbottom informed Mr. Antonovich that Larry McCallon was elected the new MSRC Vice-Chair and is running today's meeting.]

Mr. Gorski said that the MSRC set aside \$5 million total for this Work Program category. Today for consideration is the program which was presented from San Bernardino on behalf of SANBAG. It begins on superpage 43, but the real information is on superpage 45. San Bernardino is recommending 7 specific projects, totaling \$1.25 million in MSRC money, which is also leveraged with over 0.75 million dollars in local match for an overall program with a value of greater than \$2 million. The 7 projects are listed on superpage 45, but you can see that project 1 is from the City of Yucaipa; Project 2 is in the City of Highland, as is Project 3; Project 4 which is going to be looking at traffic coordination along a corridor which is in Colton; and then Ontario and Chino round out

Projects 5 and 6; Project 7 is one that is in cooperation with CalTrans and this will be implemented within Rancho Cucamonga. To select these projects SANBAG held a Call for Projects in which all the jurisdictions were able to put forth their needs relative to signal coordination and synchronization. They held an evaluation committee meeting and picked what they felt were the best seven projects. This represents San Bernardino's best estimate of where the MSRC moneys can most effectively help alleviate traffic congestion leading towards air quality improvements.

MSRC Member Greg Winterbottom asked if all the counties have reached their \$1.25 million set aside. Mr. Gorski said yes, with the exception of RCTC. They have a little over \$300,000 reserved for them; however, staff has received their supplemental proposal. It is for a project that is going to be developed within the Coachella Valley. It is currently going through the TCM Subcommittee process. It will be brought to the MSRC for consideration next month.

Mr. Winterbottom asked if there is any other money to put into Signal Synchronization. Mr. Gorski said that there are several options which are available to the MSRC. This program, for all intents and purposes, has fulfilled the Opportunity to Negotiate which was sent to the CTCs. Therefore, this one, as of the next MSRC meeting, will be 100 percent complete. We are on top of the next work program. There are, however, additional unallocated funds, at least a small amount, within the MSRC balance. There are projects in categories that will not happen, as has been discussed in prior meetings, because of conflicts that have been encountered. Therefore, expect to have a healthy pot of funding to start considering new program categories coincident with the retreat which will be held in a couple of months. That money could just roll over.

Mr. Winterbottom asked how the two-year versus the one-year work program worked. Mr. Gorski indicated that from staff's perspective we are developing much more complex programs, and they take longer time. Additionally, projects such as the one the MSRC just considered, also take additional coordination and time to implement. In his perspective, it has some charm. Also, when the MSRC goes out into the communities and says that they have on the order of in excess of \$30 million dollars, that really gets people's attention and it gives the MSRC the ability to consider very robust programs, which a lot of agencies do not have the ability to implement. Mr. Winterbottom added that the programs are longer-ranging, as well.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM, AND  
SECONDED BY MSRC ALTERNATE ADAM RUSH, THE MSRC  
UNANIMOUSLY APPROVED AN AWARD TO SANBAG IN THE  
AMOUNT OF \$1.25 MILLION FOR TRAFFIC SIGNAL  
COORDINATION AND RELATED PROJECTS, AS PART OF THE  
FY 2012-2014 TRAFFIC SIGNAL COORDINATION CTC  
PARTNERSHIP PROGRAM.

AYES: MCCALLON, ANTONOVICH, WINTERBOTTOM,  
WITHYCOMBE, MCKAY, MCALLESTER, RUSH.

NOES: NONE.

Veera Tyagi, Senior Deputy District Council reminded MSRC Vice Chair Larry McCallon of the new disclosure requirement and offered to do it for him. Mr. McCallon agreed. Ms. Tyagi stated that for Agenda Item #7, Mr. McCallon is not required to recuse himself but needs to disclose for the record that he is a member of the Board of Directors for San Bernardino Association of Governments, which is involved in the item. Mr. McCallon added that he is also Mayor Pro Tem of the City of Highland, which has two projects.

**ACTION:** SCAQMD staff will request approval of this award at the June 6, 2014 SCAQMD Board meeting.

### **OTHER BUSINESS**
