AGENDA NO. 24

REPORT: Mobile Source Air Pollution Reduction Review Committee

SYNOPSIS: Below is a summary of key issues addressed at the MSRC's meeting on May 21, 2015. The next meeting is scheduled for Thursday, June 18, 2015, at 2:00 p.m., in Conference Room CC8.

RECOMMENDED ACTION:
Receive and file.

Michael D. Antonovich
SCAQMD Representative on MSRC

Meeting Minutes Approved

The MSRC unanimously approved the minutes from its April 16, 2015 meeting. Those approved minutes are attached for your information (*Attachment 1*).

MSRC Chair Re-Appointed and New MSRC Vice-Chair Appointed

Annually the MSRC elects its chair and vice-chair. At its May 21, 2015 meeting, the MSRC unanimously re-appointed Greg Pettis as its chair for another one-year term. Mr. Pettis is a Council Member for the City of Cathedral City and represents the Riverside County Transportation Commission on the MSRC. This will be his third term as the MSRC chair. The MSRC also unanimously re-elected Larry McCallon as its MSRC vice-chair. Mr. McCallon is Mayor Pro Tem for the City of Highland and represents the San Bernardino Associated Governments (SANBAG) on the MSRC.

Major Event Center Transportation Program

As part of the FYs 2014-16 Work Program, the MSRC allocated \$4.5 million for event center transportation programs and released a Program Announcement to solicit projects for traffic-impacted centers. Two applications have been received to date. Los Angeles County Metropolitan Transportation Authority (Metro) requested the MSRC to consider an award of \$1,350,000 to provide express bus service, as well as special Metrolink service for select games, for the 2015 and 2016 Dodgers seasons. Service would be

provided by CNG buses from Union Station for all home games (82 scheduled for the 2015 season), providing service from two hours prior to each game until 45 minutes after the game ends. In addition, special Metrolink trains will be added in support of “cross-town rivalry” games versus the Los Angeles Angels of Anaheim. For these games, trains will depart from Oceanside and arrive at Union Station, enabling patrons to utilize the bus service to access Dodger Stadium. Service would promote the use of public transit, including bus and rail, in lieu of personal automobile. Elimination of traffic congestion, especially reductions in automobile stop and go driving and queuing, has a direct link to reduced vehicle exhaust emissions. Metro and the Los Angeles Dodgers would contribute at least \$1,350,000 in co-funding. In accordance with the Program terms, Metro would only seek reimbursement for rail trips performed using Metrolink’s cleanest locomotives. The MSRC approved a contract award to Metro in an amount not to exceed \$1,350,000 to implement the 2015 and 2016 Dodger Stadium Express service.

Also in response to the Major Event Center Transportation Program Announcement, the Orange County Transportation Authority (OCTA) requested the MSRC to consider an award of \$722,266 to implement express bus service for the 2015 Orange County Fair. The service would include transportation to and from Fullerton Park & Ride, the Depot at Santa Ana, Goldenwest Transportation Center, the Anaheim Canyon Metrolink Station, Laguna Hills Transportation Center, Irvine Transportation Center, Anaheim Regional Transportation Intermodal Center, Junipero Serra Park & Ride, and the Village at Orange. Service would be provided every 20 to 40 minutes, depending upon the location and time of day. In addition to allowing Fair attendees to use public transportation for all or a portion of their trip, the service would also reduce vehicle traffic in and around the Fair. Elimination of traffic congestion, especially reductions in automobile stop and go driving and queuing, has a direct link to reduced vehicle exhaust emissions. OCTA and its project partners would collectively contribute \$723,300 in co-funding including fare box revenue, marketing design and production, and advertising and marketing purchases. The MSRC approved a contract award to OCTA in an amount not to exceed \$722,266 to implement the 2015 Orange County Fair Express.

Special Olympics World Games

At their April 16, 2015 meeting, the MSRC directed staff to investigate potential opportunities to assist the Special Olympics Games Organizing Committee (GOC) in providing clean transportation services in support of the Special Olympics World Games to be held in Los Angeles County in 2015 (LA2015). Transportation needs associated with LA2015 will begin on July 21, 2015 and conclude on August 3, 2015. Over 7,000 athletes from 170 countries will participate. More than 500,000 spectators are expected to attend the various events at multiple venues. In response to the MSRC’s direction, staff prepared a guidance document to assist GOC in preparing a proposal for MSRC-TAC and MSRC consideration. An element of the guidance was that any full-sized buses used be equipped with engines that meet or exceed the 2010 USEPA heavy-duty vehicle emissions standards, and smaller vehicles should be the lowest-emitting

available, with a preference for vehicles that operate on alternative fuels. Showcasing advanced technology vehicles, including zero-emission vehicles, was recommended.

The GOC submitted a proposal outlining four proposed transportation services: 1) the implementation of low-emission bus service from park and ride lots to the various venues, 2) van service from Los Angeles International Airport to hotels, 3) transportation of Los Angeles Police Department officers to LA2015 Opening Ceremonies, and 4) transit services extension in and around the I-710 corridor. The MSRC-TAC recommended funding the park and ride lot service in an amount not to exceed \$380,536. Subsequent to the MSRC-TAC meeting, MSRC staff were notified by the GOC that the transportation needs in support of LA2015 were changing, and that transportation-related funding shortfalls exist in other areas. The GOC asked the MSRC to consider allowing greater flexibility to identify and implement low-emission transportation services above and beyond those recommended by the MSRC-TAC. The MSRC considered the recommendation of the MSRC-TAC, and the evolving transportation needs of LA2015, and approved a sole-source contract award to the GOC in an amount not to exceed \$380,536. The funds could be used for one or more of the following: clean fuel bus services, “last mile” circulators connecting to athletic venues, extended rail service, and traffic mitigation services. Vehicles used must be consistent with the guidelines set forth above. Additionally, the GOC will be required to collect such information as necessary to quantify the air quality benefits associated with the transportation services.

Received and Approved Final Reports

The MSRC received and unanimously approved three final report summaries this month, as follows:

1. Ryder System Incorporated, Contract #MS11068, which provided \$175,000 to install an LNG/LCNG fueling station in Fontana;
2. Ryder System Incorporated, Contract #MS11069, which provided \$175,000 to install an LNG/LCNG fueling station in Orange; and
3. Orange County Transportation Authority, Contract #MS14008, which provided \$601,187 to implement Express Blue Service to Orange County Fair.

Contract Modification Requests

The MSRC considered a contract modification request by City of Gardena, Contract #ML11032, which provided \$102,500 for the purchase of a vehicle, to expand stations, and upgrade their maintenance facility. The MSRC unanimously approved the substitution of a CNG street sweeper for the heavy-duty LPG vehicle specified in the contract; the substitution of one larger dispenser for three smaller dispensers as part of their CNG station expansions, as well as a 25 month contract term extension.

Contracts Administrator's Report

The MSRC's AB 2766 Contracts Administrator provides a written status report on all open contracts from FY 2004-05 through the present. The Contracts Administrator's Report for May 2015 is attached (*Attachment 2*) for your information.

CALL TO ORDER

- Call to Order

MSRC Chair Greg Pettis called the meeting to order at 2:02 p.m. Chair Pettis asked for roll to be called. Present at time of roll call were: MSRC Members Ben Benoit (Alt.); Laura Cornejo (via v/c); Michele Martinez; Brad McAllester (Alt.) (via v/c); Erik White; Greg Winterbottom; Tim Shaw (Alt.); MSRC Vice Chair Larry McCallon; and MSRC Chair Greg Pettis.

- Opening Comments:
There were no opening comments.

PUBLIC COMMENT PERIOD

Public comments were allowed during the discussion of each agenda item. No comments were made on non-agenda items.

STATUS REPORT

- Clean Transportation Policy Update
Cynthia Ravenstein, MSRC Contracts Administrator, gave the Clean Transportation Policy Update on behalf of MSRC-TAC Chair Gretchen Hardison, who could not attend today's meeting. The report is lengthier than usual because it covers two months. An electronic copy will be sent to the MSRC members so that they can access the links. Some items of interest
▪ Revenues from the cap and trade are expected to be significantly underestimated. They think it could be as much as \$1 billion or more higher than they had originally estimated.
▪ Several different opportunities from ARB, but there are a couple that seem to tie in with things the MSRC is already doing: A targeted car sharing and mobility options in disadvantaged communities pilot project; and a light duty financing assistance in disadvantaged communities pilot project.
▪ The cost effectiveness limit for the Carl Moyer Program is being updated to \$18,030/ton.

CONSENT CALENDAR (Items 1 through 4)**Receive and Approve Items****Agenda Item #1 – Minutes of the January 15, 2015 and March 19, 2015 MSRC Meetings**

The minutes of the January 15, 2015 MSRC meeting were distributed at the meeting.

The minutes of the March 19, 2015 MSRC meeting were included in the agenda package. Ana Ponce reported that there is a change to the March 19, 2015 minutes. It should have been noted that MSRC Member Michele Martinez participated via video conference at that meeting. That correction will be made to the March minutes.

ON MOTION BY MSRC ALTERNATE BEN BENOIT, AND SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 4, THE MSRC UNANIMOUSLY VOTED TO APPROVE THE JANUARY 15 AND MARCH 19, 2015 MSRC MEETING MINUTES, WITH THE AMENDMENT MADE TO THE MARCH MEETING MINUTES.
AYES: BENOIT, CORNEJO, MARTINEZ, MCALLESTER, WHITE, WINTERBOTTOM, MCCALLON, PETTIS.
NOES: NONE

ACTION: Staff will place the approved minutes on the MSRC's website.

Agenda Item #2 – Summary of Final Reports by MSRC Contractors

Eight final report summaries were included in the agenda package, as follows:
1) California State University, Los Angeles, Contract #MS07022, which provided \$250,000 towards the construction of a hydrogen fueling station; 2) Clean Energy Fuels Corporation, Contract #MS08056, which provided \$400,000 towards the construction of a new CNG station in Long Beach; 3) Clean Energy Fuels Corporation, Contract #MS08061, which provided \$400,000 towards the construction of a new CNG station in Los Angeles; 4) Clean Energy Fuels Corporation, Contract #MS08066, which provided \$400,000 towards the construction of a new CNG station at Palm Springs; 5) Clean Energy Fuels Corporation, Contract #MS08070, which provided \$400,000 towards the construction of a new CNG station in Paramount; 6) Clean Energy Fuels Corporation, Contract #MS08072, which provided \$400,000 towards the construction of a new CNG station in Burbank; 7) Clean Energy Fuels Corporation, Contract #MS08073, which provided \$400,000 towards the construction of a new CNG station in Norwalk; and 8) Anaheim Transportation Network, Contract #MS12064, which provided \$127,296 to implement Anaheim Circulator Service.

ON MOTION BY MSRC ALTERNATE BEN BENOIT, AND SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 4, THE MSRC UNANIMOUSLY VOTED TO APPROVE THE FINAL REPORTS ABOVE.
AYES: BENOIT, CORNEJO, MARTINEZ, MCALLESTER, WHITE, WINTERBOTTOM, MCCALLON, PETTIS.
NOES: NONE

ACTION: MSRC staff will file the final reports and release any retention on the contracts.

Receive and File Items

Agenda Item #3 – MSRC Contracts Administrator's Report

The MSRC AB 2766 Contracts Administrator's Report for February 26 through March 25, 2015, was included in the agenda package.

ON MOTION BY MSRC ALTERNATE BEN BENOIT, AND SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 4, THE MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE CONTRACTS ADMINISTRATOR'S REPORT FOR FEBRUARY 26 THROUGH MARCH 25, 2015.

AYES: BENOIT, CORNEJO, MARTINEZ, MCALLESTER, WHITE, WINTERBOTTOM, MCCALLON, PETTIS.

NOES: NONE

ACTION: SCAQMD staff will include the MSRC Contracts Administrator's Report in the MSRC Committee Report for the May 1, 2015 SCAQMD Board meeting.

Agenda Item #4 – Financial Report on AB 2766 Discretionary Fund

A financial report on the AB 2766 Discretionary Fund for the period ending March 31, 2015 was included in the agenda package.

ON MOTION BY MSRC ALTERNATE BEN BENOIT, AND SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS 1 THROUGH 4, THE MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE FINANCIAL REPORT FOR THE PERIOD ENDING MARCH 31, 2015.

AYES: BENOIT, CORNEJO, MARTINEZ, MCALLESTER, WHITE, WINTERBOTTOM, MCCALLON, PETTIS.

NOES: NONE

ACTION: No further action is required.

ACTION CALENDAR (Items 5 through 8)

Agenda Item #5 – Ratification of Actions Taken as a Committee of the Whole at the March 19, 2015 Meeting

Cynthia Ravenstein, MSRC Contracts Administrator, reported that on March 19, 2015, at its regularly scheduled meeting, the MSRC met as a Committee of the Whole, having failed to attain a Quorum, with only three members present. The following are recommendations made by the Committee of the Whole on agenda items at that meeting. This item is for purposes of having the MSRC ratify some or all of these recommendations, which are summarized below:

- Received and approved final reports by MSRC contractors;
- Received and filed the financial report for February 2015;
- Received and filed Contract Administrator's Report for January/February 2015;
- Approved a modified Statement of Work for Waste Management Collection and Recycling, Contract #MS14039, which provides \$75,000 for maintenance facility modifications;

- Approved a modified Statement of Work for Waste Management Collection and Recycling, Contract #MS14040, which provides \$75,000 for maintenance facility modifications; and
- Approved a modified Statement of Work for USA Waste of California, Contract #MS14041, which provides \$175,000 for a limited-access CNG station and maintenance facility modifications;
- **FYs 2014-16 Work Program**
 - Approved the draft Program Announcement for the Local Government Match Program;
 - Approved the draft Program Announcement for the Alternative Fuel Infrastructure Program;
 - Approved the draft Program Announcement for the Major Event Center Transportation Program; and
 - Approved draft Invitation to Negotiate for the Transportation Control Measure CTC Partnership Program.

MSRC Member Michele Martinez and MSRC Alternate Ben Benoit recused themselves from the vote due to campaign contributions from Waste Management.

ON MOTION BY MSRC VICE CHAIR LARRY MCCALLON, AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE
MSRC VOTED UNANIMOUSLY TO RATIFY ALL THE
RECOMMENDATIONS MADE AS A COMMITTEE OF THE WHOLE,
AT ITS MARCH 19, 2015 MEETING.
AYES: CORNEJO, MCALLESTER, WHITE, WINTERBOTTOM,
MCCALLON, PETTIS.
NOES: NONE
RECUSALS: MARTINEZ, BENOIT.

ACTION: Staff will file reports, include in the MSRC Committee Report, amend contracts, and include items for consideration by the SCAQMD Board at its May 1, 2015 meeting, as appropriate.

Agenda Item #6 – Approve Expenditures from MSRC Travel Budget for MSRC-TAC Member Withycombe to Attend May 2015 MSRC Meeting

Cynthia Ravenstein, MSRC Contracts Administrator, reported that this item requests approval of travel expenses not to exceed \$325 under the MSRC's Travel Budget. Current MSRC-TAC Member—and former MSRC Member—Earl Withycombe requests to attend the May 21, 2015 MSRC meeting in Diamond Bar in person in order to facilitate and coordinate the transition to a new MSRC Member from his member agency, the California Air Resources Board (CARB), and to receive training from MSRC and consultant in MSRC-TAC subcommittee activities and responsibilities. This would enhance CARB's participation in the work program development process. This item was not considered by the MSRC-TAC.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ, AND SECONDED BY MSRC ALTERNATE BEN BENOIT, THE MSRC VOTED UNANIMOUSLY TO APPROVE TRAVEL EXPENSES NOT TO EXCEED \$325 FOR MSRC MEMBER EARL WITHYCOMBE TO ATTEND THE MAY 2015 MSRC MEETING.

AYES: BENOIT, CORNEJO, MARTINEZ, MCALLESTER, WHITE, WINTERBOTTOM, MCCALLON, PETTIS.

NOES: NONE.

ACTION: MSRC Member Earl Withycombe's travel and expense reports will be provided following his attendance at the meeting.

FYs 2014-16 Work Program

Agenda Item #7 – Consider Reprise of Rideshare Thursday Public Awareness Campaign and Sole-Source Award Recommendation

Cynthia Ravenstein, MSRC Contracts Administrator, reported on this item on behalf of TCM Subcommittee Chair Kelly Lynn. As part of their FY 2011-12 Work Program, the MSRC allocated \$1.0 million for a regional Rideshare Thursday public awareness campaign. As part of the RFP process, the MSRC required bidders to provide a priced option to implement the campaign for a second year. The MSRC awarded a contract to Fraser Communications to implement the program. The campaign was implemented from July 2013 through May 2014, with the primary focus centered on Rideshare Week in October 2013. In the process, Fraser Communications developed outreach materials in various media including radio, online display advertising, Facebook, and a video. There were over 260 million impressions delivered. The awareness of the Rideshare Thursday slogan increased from 19 percent to 27 percent overall. A short presentation was viewed, outlining some of the highlights from the Rideshare Thursday campaign; and a short video clip was played. In order to leverage the MSRC's previous investment in these materials, the TCM Subcommittee recommends that the MSRC consider conducting a reprise of the campaign, relying primarily on previously-developed materials. The Subcommittee further recommends a sole-source award to Fraser Communications, in an amount not to exceed \$1.0 million, to implement the campaign as part of the FYs 2014-16 Work Program. The MSRC-TAC unanimously recommends approval.

PUBLIC COMMENT: Ms. Ilene Prince, Director of Client Services for Fraser Communications, indicated that they would be delighted to continue the campaign. The video that was shown was developed at the end of the campaign, and wasn't able to be used much. They see a lot of great opportunity of expanding the MSRC's digital media buy into video pre-roll, and being able to put that out in front. They did the Kings Partnership and are looking into expanding that into the Inland Empire. Because the materials already exist, they do not have to go through all the cost and time to implement. They were very careful in the upfront when they created the materials to do full buyouts so there are no re-use fees to worry about. There will be some modifications to add-in the "walker" icon, which will be fun. Facebook also played a big role. The Facebook program was dropped when the program ended, but it could be re-established very quickly. Fraser would like to get started with that first so as they are rolling out the campaign, that dialogue could be happening.

MSRC Member Greg Winterbottom asked if the \$1 million is enough. Ms. Ravenstein indicated that that is what the Subcommittee thought because that was the amount of the original price option, although Fraser would not be doing exactly what they had quoted in the first place, because as the campaign developed with input from the MSRC, they ended up doing something a little bit differently than what they had originally proposed. Mr. Winterbottom asked if that worked better than what was originally proposed.

PUBLIC COMMENT: Ms. Prince replied that it limited the amount of time they could be out there, so that's where they feel they came back with a smart approach, which was to split the campaign into two phases or waves. The first was to go out broad with radio so that they could become top of mind immediately with all of their constituents/residents so that when they hear the message it starts to be familiar; and then they went with a much more targeted approach. That's where the events came in. Facebook became their continuum all the way through, as was digital. The reason they went with the Kings is because that train runs right behind Staples Center. There are 18,000 people sitting in the stadium that could also be taking mass transportation. They did special programs that promoted custom TAP cards. They gave away TAP cards twice. They got the Ice Girls and the Ice Team to do a promotion with them that played in the stadium a lot. They were really great partners. They got well beyond what they ever expected, in added value. At every game they did LEDs around the stadium, which wasn't part of the original buy. Because they have an affiliate in the Inland Empire, they can really build that out there, as well, and maybe look for some other opportunities. They could make the \$1 million work, with a more conservative and limited-time awareness campaign.

MSRC Member Erik White asked that in terms of gauging the success of the program at the end of this next installment, what are the tools that will be used to see whether or not the new video or these other affiliations will build on the success that was seen in the first go-round?

PUBLIC COMMENT: Ms. Prince replied that they do a pre and post survey. They did that the first time and they would recommend doing another pre and post, as well. There has been quite a lag time between the last campaign and this one, so they will see again where they have started. That will be one measure. Also, Facebook. Seeing how they grow their Facebook; watching the conversations. Also, how they expand the digital, using the search as a control means of the digital. Not only will they see who is actually clicking through on the banners, going to the website, and then going further, they will also be able to look at Google search. Folks don't always respond to digital ad banners directly. They like to do things on their own time. That's why they watch search. Since you don't have an active search campaign, that is a beautiful way to track because then you really see how your traction goes. So they will be looking at it multiple ways.

[MSRC Member Michael Antonovich arrived during the discussion of this item, at approximately 2:25 p.m.]

PUBLIC COMMENT: Michael Cacciotti, Councilmember, City of South Pasadena, and SCAQMD Board Member representing Eastern Los Angeles County Cities, commented that he saw this and he spoke to about 25 people of different ages and

ethnicities. Unfortunately, with those 260 million hits, the 25 people he spoke to in the last couple of weeks that heard it, had the same impression he did, very ambiguous and nebulous. It is exciting, but it didn't inspire him or motivate him to do anything. Everybody without exception, Deputy Attorney Generals, bosses, elected officials, youth, young adults, said they can't remember. Do they share a ride with somebody? Do they just carpool with somebody? They can't find somebody to carpool with. That is all it meant. He rode his bike today. Four times a week he rides his bike or the train. He rode the Gold Line this morning. So, we have got to do something. Hold off on this. Give it to our summer interns. Give them some suggestions. You have some good ideas out there, a good base, but it needs some substantial modification. For the first time in nearly half a century, you have a massive transportation system about to open up next September when the Gold Line and Expo Line open up from the beach to the mountains in the San Gabriel Valley and ultimately to San Bernardino and Riverside. It is a good opportunity to do something to inspire people. It has to be transformative to get people to change their positions. Some ideas he wrote down are to focus on rideshare when they open up these major lines that are going to happen. Media buys. You want to have federal officials, federal deputy attorney generals, state attorney general, himself, county employees, elected officials, average people, movie stars, and students. Show them in these media buys, a typical person. He was walking through Garfield Park and he asked two women if they knew about this Rideshare, and they replied that they heard something about it. He asked them if they take the train, and they replied that they never thought about it. How can he inspire those two working mothers to change their habits and take the train? This is an opportunity for \$1 million. We don't get it very often. It is still jingling in his head, but nothing took that next step to move him to take the next step. He did it on his own. It had nothing to do with the program. The same with dozens of other people he has spoken to. Of the 260 million people, maybe you have touched a couple. It is still in their head, but they can't make the connection. He gets the form from the state every year that asks "can you carpool;" "who lives near you?" That is all he associated it with, and every single person he spoke to, also. Get average students to their school; entertainment; Dead Sea Scrolls Exhibit; Angels games, USC, UCLA football. Show people involved doing these things. Example: Four or five months ago at a meeting in the City of Claremont, voting for the Metro Board Member for Metro from the San Gabriel Valley, after the meeting, every single person drove a car, except for him. It was close to the Metrolink station and everybody just said that they never thought about it. That is 30 plus elected officials that spend an hour-and-a-half or two hours in a car, that never thought about taking a train, or walk, or bike. He thinks this is a good idea, but he wants to flesh it out more. He wants to see how much is spent to the consultant. He thinks a big portion of this should be put into media buys and in programs for schools, businesses and employers. For example, last night he attended a two-and-a-half hour parking meeting at a local elementary school because they are impacted so much by traffic in the morning and the afternoon. They are trying to do a program to get kids on their bikes, but they don't have any money. He wants to have incentives, bicycle raffles, a better bicycle facility that they can lock up. We need to look at this \$1 million and really spend it wisely. You have a great idea here; a great foundation, but it has to be fleshed out a little better. It is not just hitting 260 million people, and not really doing much, to be honest, it hasn't. Ninety nine percent of the people that it touched, it didn't move them. He asked that the MSRC hold off on this. Let the kids that put our video together at SCAQMD, which is fantastic, a great video we just saw last week; let them work on it. Let other groups look at this and

say this is how we can really hit these groups. He has major concerns. What he sees now, he doesn't want to happen again. We have an opportunity to change it and move people to the right way; especially with these major Gold Lines opening up.

PUBLIC COMMENT: Ms. Prince commented that \$1 million sounds like a lot of money, but the largest proportion of that budget did go to media. There is an issue. The problem is that there are two 511s, so they really can't give a lot of specifics. The video is going to make a big difference because it is actually going to be able to show what those modes of transportation are, which they didn't have before. Talking about going direct; they went direct with the Kings. That was the whole point. Eighteen thousand people "Have you thought about transportation?" That's where those targeted events really come into play. To change someone's behavior, from "I am not interested," "I am afraid of vanpooling," she does not believe any one ad campaign is going to make that difference. She believes social media can be expanded to do video. People can send in their videos. They can include those on Facebook. That can be part of their contingency to get people involved. But she does think that the message has to keep getting out there. A lot of the ideas the Councilmember has require a lot of different groups and a lot of different people. Truthfully, to make any kind of a difference, if you are going to go that kind of scattershot, you need a lot more money. First you have to place the idea in somebody's head. Action doesn't always come immediately. She knows, in particular. She doesn't work at a time span that she can carpool with anyone else in her entire company. She would if she could, but she can't. But there are others who do, and that can start the conversation. All we can do right now is get the thought in their heads. Make it easy. She is sure Caltrans and everybody else will be promoting the new lines. She doesn't know when they open or if they are opening in time for Rideshare Week. Rideshare Week is a key time because it is a time where there are going to be a lot of organizations talking about ridesharing. The reason they are using that time frame as a time to get into the marketplace is because the more times you hear about the message, the more open you are. Fraser did a lot of behavior change including drought; electricity; Be Water-Wise campaign; and First Five California. Behavior change does not happen overnight. One campaign is not going to make a difference. What does make a difference is talking to a lot of people and reminding people, and telling them what the opportunities are. They send them to the website. The website has to do the hard work right now. It is very hard because you are in two different areas of 511s that have different mechanisms and different programs in place to be able to have absolute specific messaging. If we keep playing off the emotion that driving is a drag, it costs you money, there is stress, and there is an emotional benefit to changing and using carpooling or vanpooling, or whatever shared transportation, and getting out of your car, if that is going to get you a better emotional response, that is the role that Fraser is trying to play, which is to pique interest.

MSRC Member Michele Martinez said Ms. Prince made some very valid points, but when we do talk about rideshare, with government, we are still on the basic tradition of vanpool for our employees, but we have Lyft now, we have Uber, we have bikeshare, we have bus share. You name it, it's out there now. Whether they are in the private industry or not, there is a connection between public transportation and private transportation and that nexus needs to come together in a campaign like this when you talk about rideshare. You need to promote all of that. There are employees that cannot rideshare with some of

their other colleagues because of the time schedule, but it doesn't mean that you cannot take a Lyft or an Uber. You don't have to get in your car any more. You actually can take other forms of shared transportation. That is the kind of messaging she would hope that we would advocate.

PUBLIC COMMENT: Ms. Prince indicated that what they do as an agency is sit down with a group if they are going to kick off a campaign. A year-and-a-half later, the world has changed. They also incorporate radio traffic into their buys. The beauty of radio traffic is that you can provide 10- to 15-second messages and you can change that message on a daily, weekly, monthly basis. We can do a rotation that addresses all of those different points. One of the goals or desires was to not do a lot of extra production, but we can do live week radio 30-second spots. We can take on all these additional messages and build those into the messaging. There is a lot of room for growing and continuing the campaign. None of us thought that we were just going to go in and rubber stamp and do what we did the last time. That isn't our goal. What our goal was to try to use as many of the materials, some of the assets that we have, so that most of the money does go into media so that we can talk to more people for a longer length of time.

MSRC Member Greg Winterbottom indicated that the question about the money is that it sounds like Councilmember Cacciotti wants to do a high-end something that is more than \$1 million, and Mr. Winterbottom doesn't think that what he desires would be feasible for \$1 million, and he would like it if he would come out and help if he can think of any way to assist that, but if we are talking about this major area of counties and two 511s and all the disparate stuff that the agencies do, Mr. Winterbottom doesn't know how we would do it for that amount of money.

Veera Tyagi, Senior Deputy District Counsel, stated that, before the MSRC goes into considering increasing the value of the contract, she would like to take a look at the RFP that was released initially.

Mr. Winterbottom asked if this could be held over. He would like to hear some more from the L.A. end also, if that is available to us.

MSRC Member Michael Antonovich asked why this is a sole-source contract. Ms. Tyagi replied that that is the reason she is concerned because initially an RFP was issued at the last work program year that had an option to extend, and we are exercising essentially that option to extend. Mr. Antonovich replied that \$1 million is a lot of money for a sole source. It is not like acquiring some office supplies for \$20,000. If it is a \$1 million contract you are talking about, then do an open competitive proposal so that we can see if there are other ideas out there. Maybe this is the best company, maybe it is not, but when you do a sole source, you limit yourself to what's before you.

Ms. Tyagi indicated that the RFP initially indicated that there could be an extension but because that contract officially expired, we would have to do a new contract where we would feel we could fit within the sole source, but if the dollar amount is changed, she would want to review it to ensure that we are still within that scope. We can come back and take a look at this and evaluate what our options would be.

Ms. Ravenstein commented that if this is carried over for a month, if there is still a potential that the MSRC would be doing the sole source, we could run into a little bit of timing with bringing the media plan back for MSRC for approval. Oftentimes the MSRC does not meet in July. Any later than July, it would be too late to make it to the Rideshare Week. If the determination of the MSRC is to go out with an open competition, then it will not be for Rideshare Week.

ON MOTION BY MSRC VICE-CHAIR LARRY MCCALLON, AND
SECONDED BY MSRC MEMBER MICHELE MARTINEZ, THE
MSRC VOTED UNANIMOUSLY TO CONTINUE THIS ITEM OVER
TO THE MAY 2015 MSRC MEETING.

AYES: ANTONOVICH, CORNEJO, MARTINEZ, MCALLESTER,
WHITE, WINTERBOTTOM, MCCALLON, PETTIS.

NOES: NONE.

Mr. Antonovich also asked that MSRC Staff also explore how we could have other proposals being offered during this time frame so that we would have the ability to make some decisions relative to not just a sole source contract. Ms. Ravenstein commented that SCAQMD's minimum amount of time for an RFP to be open is 30 days. Without having an RFP already prepared, it cannot be released and close prior to the next MSRC meeting. Chair Pettis said that if we are going to come back in 30 days then give us all those options, and one of those options would be that we are going to miss this year. Staff needs to put that in as one of the options.

ACTION: This item will be returned to the MSRC at its May 2015 meeting.

Agenda Items #8 – Consider Request for Proposals for MSRC Programmatic Outreach Services

Cynthia Ravenstein, MSRC Contracts Administrator, reported on this item on behalf of MSRC-TAC Chair Gretchen Hardison. The current contract with The Better World Group will expire on December 30, 2015. The MSRC-TAC Administrative Subcommittee has drafted a Request for Proposals for MSRC Programmatic Outreach Services. The Subcommittee recommends a targeted funding amount not to exceed \$120,000 for the initial two-year period, with one two-year option period. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ, AND
SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, THE
MSRC VOTED UNANIMOUSLY TO APPROVE THE RFP FOR MSRC
PROGRAMMATIC OUTREACH SERVICES WITH A TARGETED
FUNDING AMOUNT NOT TO EXCEED \$120,000 FOR THE INITIAL
TWO-YEAR OPTION, WITH ONE TWO-YEAR OPTION PERIOD.

AYES: ANTONOVICH, CORNEJO, MARTINEZ, MCALLESTER,
WHITE, WINTERBOTTOM, MCCALLON, PETTIS.

NOES: NONE.

ACTION: This item will be included for consideration by the SCAQMD Board at its May 1, 2015 meeting.

OTHER BUSINESS

Agenda Item #9 – Other Business

- MSRC Member Michael Antonovich asked that the MSRC-TAC work with the LA County Chief Executive Office and the Office Workplace Programs to review the transportation needs for the Special Olympics World Games and report back to our Committee in May with recommendations for project partnership or funding opportunities to meet these transit needs while increasing the MSRC visibility in the Community. MSRC Chair Pettis asked that MSRC Staff take that as direction to add this item to the agenda and bring it back to MSRC at its May 2015 meeting.

MSRC Member Greg Winterbottom asked Councilmember Cacciotti if he would share his notes with MSRC staff on the Rideshare Thursday item.

MSRC Member Michele Martinez stated that the MSRC has a great opportunity to move forward in reducing GHG emissions and really providing alternative forms of transportation, specifically with biking and walking. Given the opportunity of adding this component, she hopes that staff could do outreach, and members as well.

MSRC Vice Chair Larry McCallon is concerned that we are calling the campaign Rideshare Thursday. Things have changed. Maybe we ought to rethink what we call it: Active Transportation, Alternate Means of Transportation. We are sharing, but we share bicycles, we share rides with Uber or Lyft. We need to change our focus of what we are doing and what we are calling it.

ADJOURNMENT

THERE BEING NO FURTHER BUSINESS, THE MSRC MEETING
ADJOURNED AT 2:50 P.M.

NEXT MEETING:

Thursday, May 21, 2015, at 2 p.m., Room CC-8.
