

BOARD MEETING DATE: June 2, 2017

AGENDA NO. 2

PROPOSAL: Set Public Hearings July 7, 2017 to Consider Adoption of and/or Amendments to SCAQMD Rules and Regulations:

- (A) Amend Rule 1118 - Control of Emissions from Refinery Flares  
Refineries are required to minimize their flaring under Rule 1118. Recent significant flaring events at some local refineries have shown that additional actions are needed to further reduce flaring emissions. PAR 1118 will incorporate parts of U.S. EPA's recently updated Refinery Sector Rule that prohibits the frequency of certain flaring events. PAR 1118 will also require facilities to prepare a Scoping Document to evaluate the feasibility of reducing or avoiding flaring events, update emission factors based on recent U.S. EPA guidance, remove the annual cap on mitigation fees paid for flaring, enhance current reporting requirements, and other administrative updates. (Reviewed: Stationary Source Committee, May 19, 2017)
  
- (B) Adopt Rule 1466 – Control of Particulate Emissions from Soils with Toxic Air Contaminants  
Proposed Rule 1466 establishes requirements to minimize fugitive particulate matter emissions from earth-moving activities at sites that the U.S. EPA, California Department of Toxics Substances Control, State Water Resources Control Board, or Regional Water Quality Control Board have determined that the soil contains arsenic, asbestos, cadmium, hexavalent chromium, lead, mercury, nickel, or polychlorinated biphenyl(s) that exceed levels of concern. Proposed Rule 1466 also includes criteria that allows the Executive Officer to identify sites that would be applicable to Proposed Rule 1466. The proposal will require monitoring of PM10 levels, dust control measures, notification to the SCAQMD when these activities are occurring and exceedance of the PM10 levels, and recordkeeping and signage requirements for the sites. (Reviewed: Stationary Source Committee, May 19, 2017)

The complete text of the proposed rule and amendments, staff reports and other supporting documents will be available from the District's Public Information Center, (909) 396-2001 and on the Internet ([www.aqmd.gov](http://www.aqmd.gov)) as of June 7, 2017.
